MF MEETS THE GREAT ANGUS BUCHAN

Mr. A. Rajbansi pays his respect to the Christian faith and their 150 years of contribution to South Africa which was hosted at the Moses Mabida Stadium on 21 November 2010. He was humbled to meet Minister Angus Buchan, a man with great contribution to the Christian Faith. Minister Angus Buchan showed high respect and acknowledged Mr. Rajbansi as the "Tiger that roars". As the Bible says, "Many are called but Few are Chosen" to shape a Nation, and we as the Indian community can proclaim that Mr Rajbansi has truly

been a paragon and catalyst for our transformation. Mr. Rajbansi has truly displayed the qualities of Jesus Christ. Servant hood to Mankind is servant hood to God. The key to survival and progression of our Indian forefathers was, the culture and value system instilled in them of humility and respect and their strong belief that they have gained entry into the Promised Land of milk and honey was due to their hard work, perseverance and strong faith in God. Let us all be contributors to the history and shaping of our Nation.
