SIR FEROZ KHAN NOON

THE DELEGATION FROM INDIA TO SAN FRANCISCO

THE delegation from India (the personnel and powers appear below) to the London and San Francisco Conference is of special significance for the Indians in South Africa as, it is expected, it will raise the question of the Indians in South Africa and the colour bar policy. At a meeting of the South African Indian Congress executive held in Cape Town last week it was decided to send a delegation, consisting of Sir A. Ismail (president), A. I. Kajee (secretary), together with one representative each from the Cape, Transvaal and Natal, to assist and advise the Indian delegation on the South African question.

WHO'S WHO IN THE DELEGATION

THE first Indian journalist to be appointed a Member of the Governor-General's Executive Council is the Hon. Sir Ramaswami Mudaliar, Kt., C.I.E., Member for Industries and Labour, since 1939. Sir Ramaswami was born in 1887. He was formerly editor of the "Justice," a daily English paper of Madras, which was brought into being to uphold the cause of non-Brahmins and later of the Justice Party.

Born on October 18, 1887, Sir Ramaswami was educated at the Madras Christian College and Law College, Madras. He was called to the Bar in 1911 and began practice under the late Thomas Richmond, an Anglo-Indian barrister of high standing in Madras Presidency, appearing in very important cases, particularly in the mofussil district, where he [illegible] to Mr. Richmond Sir Ramaswami Aiyar.

His political career began about twenty-five years ago when he went to England as a delegate of the South Indian Liberal Federation and the Madras Dravidian Association to plead the case of Dravidians before the Joint Parliamentary Committee which considered the draft Bill for the Government of India Act of 1919.

On his return from England he was elected Member of the Madras Provincial Legislative Council in 1920, the year in which dyarchy was introduced in provinces, and was appointed Council Secretary to the Minister for Education, Madras Presidency, which he held for four years. On his association with the Council ended in 1926, but two years later he became a member of the Madras Corporation, which he was elected Mayor from 1928 to 1930.

He then became a Member of the Council of State in 1930 and the next four years were those of the Independent Party Deputy Leader of the Independent Party in the opposition. In this national forum Sir Ramaswami delivered a resolution advocating the entire of the Government of India's financial position, a scheme of retrenchment, a policy of economy and an enquiry into the economic and industrial conditions of the country. On the appointment of a retrenchment committee for the three years' Budget Debate in 1932 had Sir George Schuster, then Finance Member, to [illegible] to the Government Law Department, Madras, 1937; Delegate to the First Indian Round Table Conference in London, 1930-31; Member of the Legislative Assembly and Governor's Executive Council, 1934; also a Member of the Sub-committee on Vital Statistics; Delegate to the Second Indian Round Table Conference in London, 1931; Member of the Federal Structure Committee; Delegate to the Third Round Table meeting; Delegate to the Joint Parliamentary Committee; Member of the Sub-committee, 1933-34; Delegate to the Joint Parliamentary Select Committee, 1934; Delegate to the Assembly of League of Nations, 1935 and 1936; Attended Coronation of King George VI, 1937; Adviser to Indian Delegation to Imperial Conference, 1937; Chairman, Committee of Enquiry, Port of Madras, 1937.

Sometimes a chance remark by friends, who know my age, reminds me I'm no longer a chicken—I'm in the fifties. But I feel in the thirties. Can still play a net game of tennis and hike with the youngsters.

I give credit for this, in the main, to the Parsons Tablet. Two little sugar-coated pills when my digestive tract needs a little help.

No rest, day or night, for this Klaver man

Mr. H. J. Steenaar, of Klaver, C.P., was the victim of a rash which covered his entire body. Leaves appeared, at first like pimples here, and there inched so incessantly that he could not rest day or night. Some developed into painful sores. At last he started the Felaform treatment and 6 weeks later he reported himself completely healed. "I can't express my gratitude fully for the wonderful Felaform skin treatment," wrote Mr. Steenaar.

Hundreds of sufferers from eczema and other skin troubles have obtained complete relief from pain, itching and disfigurement, by using the Felaform remedies. All chemists sell Felaform Ointment, Felaform Soap, Felaform Skin Powder, Felaform Blood Tonic and Felaform Shaving Sticks.

WHO'S WHO IN THE DELEGATION

MR P. [illegible]

(Continued from Page 1.)

Natal, as well as of the Economic Committee of the League of Nations and of the Imperial Economic Committee.

He played an equally prominent part in shaping the constitutional structure of the Union Government, being a member of all the three Round Table Conferences, the Federal Structure Committee and the Indian Franchise Committee.

His gradual emergence into the larger sphere of Commonwealth and international relations culminated in his leadership of the Indian Delegation to the British Commonwealth of Nations Conference at Versailles and his membership of the Imperial Power Conference at Brussels in 1927, which was held to consider what steps should be taken regarding Japanese aggression in China. He was a Member of the Allocations Committee and of the Committee on World Production and Prices, Assembly of the League of Nations.

From 1930 to 1937 Sir Kurmavaan was a Member of the India Council and from 1927 to 1929 Adviser to the Secretary of State. He was appointed Member for the Department of Commerce and of Labour in May, 1939.

War Work

The establishment of the Board of Scientific and Industrial Research, which has enabled the Union to make full use of its resources in men and materials in the country to help the war effort, the Export Advisory Council and the Control Board, the expansion of India's foreign trade, the introduction of technical training courses to provide trained personnel for war and civil industry, facilities to the ship building and aircraft industry, assistance of production for war and other essential industries, a vigorous exploration of alternative markets for Indian goods and the proposed conclusion of various commercial treaties, are all matters which, in connection with post-war reconstruction and other problems, these have been only a few of Sir Kurmavaan's many activities since the present war began.

With the exception of Russia and, of course, South Africa, which no Indian would visit, he is literally a country to the world which Sir Kurmavaan has not visited. In 1937, when he visited Berlin, a high Nazi official told him that Jews and Indians were included in the Nazi German expansion. Sir Kurmavaan replied that he was not interested in the proposed annexations.

His speeches are delivered invariably extempore and on finality that repertoire which makes it difficult to keep pace with his rapid utterance.

Sir Kurmavaan and Lady Kurmavaan have received visits from many Government officials and other visitors to Durban, and by all brings sympathy and understanding to India's cause.

His principal hobby is reading, especially books on constitutional law and political biographies, subjects on which he has built up an extensive library. In England, he spent many an evening on the golf links, but since returning to his old headquarters, notably Poplar, of the Charing Cross Hotel, London, and the Alhambra, leading music and by numerous dinners a rattling detective yarn.

The death occurred suddenly of Mrs. Radha Laloo, of Newcastle, at Dundee, at the age of 42. Mrs. Laloo was on holiday at her daughter's at the time of her death. She was buried at the Dundee Cemetery in the presence of a large number of friends and relatives.

NEIGHBOURLINESS

Neighbourliness these days isn't a virtue that one can find easily in fact neighbours are a sort of plague. My neighbours, for instance, never realise that I

I want to sleep even if it is a little bit. One day recently they did some stretching of the vocal chords all because the instrument son of the house had obtained up a new arrival. One must in fact, Miss 13, I am told 13 don't live in Miss Ali, has a neighbour who has kept his head hill down for a whole month. This man finds that he has a neighbour who has been celebrating something another for the whole of the last month and every evening when he came home he found a respectable pole of the good things of life on his table. There was no need for the minors to do any cooking and no need for him to buy any food. How long will this continue he does not know but he is praying hard. I think it will be till His Holiness leaves Durban I wish I had some say in the matter of my neighbours. I know where I would go

ADVENTUROUS

I pass on the following story without comment. Whether it is true or not I cannot tell. Let us hope it is true and then pray. A Bandmaster reader writes to your columns last week that a Cape Indian girl is prepared to go anywhere in the world, well let me tell you, Mr. Paap, our Natal girls are not very much behind. Why, on Saturday last an Indian girls took part on a variety concert here. Did I hear you say that isn't much? Well, you may be surprised that the young ladies concerned were not content to an Afrikaans play. Two Muslim girls played male roles, one dressed in pyjamas and night clothes of the other in a Pathan costume and appeared on the stage in real Afrikaner costumes, tiki face hats, pants, etc., and they smoked and sang "How you can Send Africa and Never Marnie." Yes, real cigarettes in long cigarette holders. Hats off to our Natal Indian girls especially Northern Natal, and if the Orphan can't give the Indians full Dumbine after this, then there's something wrong somewhere. I wish he was present to see the Afrikaans play I might tell you that it was a reproduction of Ighnatz Paapa's famous drama, "Lenora." I do hope, dear Paap, you will give this a little room in your Bazaar so that our Natal girls are not shelved. I think it will be something worth while for a change. Until then, etc. I think have had a fair share of your Bazaar.

Natal Wins Opening March of S.A. Cricket Tournament

NATAL beat Transvaal by 18 runs on the first innings in the opening match of the South African Indian Cricket Tournament, which began at Curtis's Fountain on Saturday last. Natal, batting first, compiled 122, with Yusuf contributing a very valuable and fast 54 and Chetty, batting out up. At the end of the first day's play Natal had 89 for six wickets and in a good position to gain Natal's total. When play was resumed on Sunday the rest of the batsmen soon Natal's total. When play was resumed on Sunday the rest of the batsmen soon were out for another 33 runs, the addition of six more runs Jimmy Cassimbe was out, caught by A. Dadabhay off S. Rose for one.

Natal was in a bad position, having lost three wickets for 75 runs, but the final stand in a more positive where, three runs later, Dadabhay for five.

G. H. B. Durval and H. L. Yusuf threw themselves assault on the bowling which had proved so effective and was well caught at mid-on off Dwarika, who had come on for Dwarika, who had come on for Dwarika.

H. L. Yusuf, who joined Yusuf and the pair carried the score to 97 before Yusuf was bowled by Dwarika for 54, one hitting of two sixes and three fours.

Cassimbe was then bowled by Dwarika, the batsmen were pinned down by the bowling. Three more wickets were lost down and the innings were stood at 99 for seven, M. E. Reddy being caught off Dwarika.

The rest of the side was dismissed with in three-quarters of an hour after to complete, Cassimbe being the last to stay with him.

Dwarika was the best of the Transvaal bowlers, taking four wickets for 15 runs in 12 overs. S. Sahoyar bowled well for some of which were maidens, to take two wickets at the cost of 15 runs. Rose took his two wickets, S. Bhagwan bowled consistently and Ramsamy and Singh were also used.

Transvaal began their innings with Singh and Rose opening the attack. Singh bowled two maidens in his over and Rose gave away only two runs in his first over.

Natal had lost by 31 runs on the first innings with half the side out for 123 runs, of which Cassimbe and Yusuf between them got 79.

At 1 o'clock K. Wadvalla and S. A. Cassimbe opened the Transvaal innings with Wadvalla facing the bowling. If Natal had started disastrously Transvaal started worse, for Wadvalla was caught behind the wicket off Ramsamy's fourth ball with the score at 0. Twelve minutes later L. L. Yusuf skipped backed Cassimbe with the score at ten.

The batsmen were on top, but Dadabhay who was posted by Gardee batted confidently and the score reached the 100 rate at a run a minute for the first half an hour. At this juncture, at 101, L. Yusuf, the Natal skipper, brought on Yusuf at the other end in place of Reeves and C. L. Yusuf at the Cullen end in place of Ramsamy. This change considerably slowed down the rate of scoring, and the score reached the century at 1 o'clock.

Dadabhay was then dropped off the slips off C. L. Yusuf for 37.

With the score at 37 pushed up pace, Dadabhay and Singh bowled Yusuf made another change by bringing Ted Chetty on at the other end. The change proved successful, for Chetty bowled Gardee for 15 and Singh, who had a well-played 12, the third wicket partnership after only a dozen minutes' batting for 27 runs. The partnership lasted almost an hour.

K. Sahoyar joined Dadabhay, who was definitely on top of the bowlers, and with a single separated the side's 50 in 75 minutes. In his next over Ted Chetty got an LBW decision against Dadabhay whose score was 38 out of the side's 76. Ted Chetty's average at this stage was three overs, two maidens, five runs, two wickets. With the additions of another five, Sahoyar was run out, the Natal batsmen attempted to steal a single.

Ten were 96 for five.

After ten Anthony, who had joined Dwarika, watched Chetty for a time and ended up on the pavilion to push the score to 6.

The second hour yielded 75 runs, Dwarika and Anthony provided a lively 17 with Yusuf partnership.

At 5.30 p.m. an appeal against the light was not allowed. A few minutes later

IN MEMORIAM.

Appasee, John: In loving memory of our husband, John, who passed away on April 21, 1941.
I think of you in silence,
I long for you to hear,
What would we give to hear your voice again,
And to see you smile again,
But God has seen it best,
That will never be,
Only those who have lost a loved one,
Can tell the pain that is borne in silence.

You can be loved or well
But God rest[illegible] eternal rest
Ever remembered by her loving wife, Mary.

Appasee, John: In loving memory of John Appasee, who passed away peacefully on April 21, 1941.
Your sudden death surprised us all,
You broke not the habit of your life,
You said goodbye to no one,
Not even to Heaven we hope to meet you again,
Of illness to fellow men.
Ever remembered by his daughter Flora and granddaughter Edith.

MARITZBURG SOCCER

The Maritzburg soccer season opened to-day with a full programme of matches. Eight teams have entered in the senior division.

The league championship, Shamrock are holding a young side currently have the pennant, while Colenso are a new name side as last year United are a new club and an unknown quantity, who had their run of successes halted last year. Expect to field a formidable side, while Town have a strong team.

Soccer followers generally will regret that the Rovers have had to cry quits on the eve of the season, as they have been a force in the club will be restored. Another club left, Sweet have been expected to field a team, but they expect to field a good side on the fields.

There is a feeling that there are too many leagues for local competition and that they tends to detract rather than uphold the standard of soccer. It is probable that the authorities may withdraw one or two cups and arrange inter-town matches on their plays. The matches, however, will not be known before the annual meeting at the end of the year give positive of an alteration.

The Maritzburg Referees' Association makes an appeal to club players to take the whistle as the general number of referees is not sufficient to carry out a full programme of matches.

ORIENTALS' RECORD

Orientals played the last match of the season for Natal Bros cup, knocked out of competition, four goals to nothing, a side against schools on Saturday. Young Natalians on Wednesday evening and Wits on Sunday afternoon, and drawing level there off.

TALK OF THE BAZAAR

I have been wondering for special persecution comes my way of late. Perhaps in a hour of weakness I confided my grief and sorrows to myself was which sent me pitch-forking across the trench of my own circumstances. I have always found that the very conversation people have is always connected with the Vedic-Puranic Emotions. One side engages in running down the other and vice versa. There is nothing constructive. We, of the younger generation, who are growing up, are at a loss for we do not know which system to follow and which is feasible to reached our future with the very complicated; I would suggest that if people feel so strongly about family matters and customs platforms and theatres for the matter with so much antagonism and disrespect to their fellow-beings, while in public meetings we preach tolerance and understanding to love and sorry for this rotting mass because it is full of sympathy and appreciation of imperial and reasonable attitude in its relationship to others. We advise to follow the dictates of pure conscience.

Face ruined by home-made soap

"I had despaired of ever looking presentable again", writes Mrs. J. R. Roberts (South West Africa). "I had chronic eczema on my face, caused by using home-made soap. Now I find Felaform Soap excellent and the eczema has greatly reduced the ugly marks. I regularly use the splendid Felaform Skin Powder on my face and I consider it superior to any powder for appearance and coolness."

Hundreds of sufferers from eczema and other skin troubles have obtained complete relief from pain, itching and disfigurement, by using the Felaform remedies. All chemists sell Felaform Ointment, Felaform Soap, Felaform Skin Powder, Felaform Blood Tonic and Felaform Shaving Sticks.

WAKE UP YOUR LIVER BILE—
Without Calomel—And You'll Jump Out of Bed Full of Vim and Vigour.

Your liver should pour out two pints of liquid bile into your intestines daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blocks up your system. You feel sour, sunk and the world looks punk.

A mere boxful movement doesn't get at the cause. It takes those famous Carter's Little Liver Pills to get them into action. Then you know you've had a movement. Carter's Little Liver Pills are the red pocket-size. Before imitated. Price 1/1.

MARITZBURG SOCCER

There was a good crowd present when the Maritzburg soccer season started last Saturday.

The only match on the main ground was a friendly between Indians and Africans, which resulted in high scoring. The Indians won 5-3.

The second match between United and Britannia was no improvement on the first, but the new team did well to hold their experienced opponents to a 2-1 victory.

The last match of the afternoon was provided in the minor division between Hillcrest and Clermont. Hillcrest proved most of the time but poor shooting prevented a score. The fortunate goals were in form. Hillcrest, however, scored early in the second half, but Clermont rallied to score once and won a splendidly contested match by 2 to 1.

Natalians beat Stella 2-1 in the other junior match.

The juvenile matches did not come off as the ground was not available.

NEW REFEREES

The incoming referees' class successful in the theoretical examination conducted by the Maritzburg Indian Referees' Association, were: K. Naidoo, E. Rajcoomar, T. Naidoo, H. Medhai, Rajcoomar, T. Naidoo, H. Medhai, Rajcoomar, P. Pillay, I. Hamcharan, H. Ramcharan.
