**Face ruined by home-made soap**

"I had despaired of ever looking presentable again", writes Mrs. J. R. Roberts (South West Africa). "I had chronic eczema on my face, caused by using home-made soap. Now I find Felaform Soap excellent and the eczema has greatly reduced the ugly marks. I regularly use the splendid Felaform Skin Powder on my face and I consider it superior to any powder for appearance and coolness."

Hundreds of sufferers from eczema and other skin troubles have obtained complete relief from pain, itching and disfigurement, by using the Felaform remedies. All chemists sell Felaform Ointment, Felaform Soap, Felaform Skin Powder, Felaform Blood Tonic and Felaform Shaving Sticks.

## WAKE UP YOUR LIVER BILE—

Without Calomel—And You'll Jump Out of Bed Full of Vim and Vigour.

Your liver should pour out two pints of liquid bile into your intestines daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas blocks up your system. You feel sour, sunk and the world looks punk.

A mere boxful movement doesn't get at the cause. It takes those famous Carter's Little Liver Pills to get them. Use only as directed. Persist, and they will bring you happy relief. Don't accept substitutes. Ask for Carter's Little Liver Pills on the red package. Refuse unlabled ones. Fifty L.L.

## MARITZBURG SOCCER

There was a good crowd present when the Maritzburg soccer season started last Saturday.

The only match on the main ground was a friendly between Indians and Africans, which proved of interest, both goalies being in great form, which resulted in high scoring. The Africans won 5-3.

The second match between United and Greenville was no improvement on the first, but the new team did well to hold their experienced opponents to a 2-1 victory.

The last match of the afternoon was provided in the junior division between Hilton and Grenade. Hilton proved most of the time but poor shooting prevented a score. The fortunate goals were in form. Hilton, however, scored early in the second half, but Grenade rallied to score once and win a splendidly contested match by 2-1.

Natalians beat Stella 2-1 in the other junior match.

The juvenile matches did not come off as the ground was not available.

## A TEN-POINT PLEDGE

The Congress Election Committee pledges itself to maintain the primary objects of the Natal Indian Congress as contained in its Constitution. It will also continue to use its best efforts to make the Congress a national organisation for Indians.

The Congress Election Committee (Maritzburg) has pledged to give support to the following policies and candidates put up by them will support them as contained in this Ten-Point Pledge.

(2a) To press for the provision of suitable land for market gardeners in and around Pietermaritzburg and to urge the Government to extend benefits to Indian gardeners and farmers of Land Bank loans.

(4) To secure for the Indian community better hospital facilities and for suitable treatment of maternity cases. To press for the establishment of Clinic and Clearing Stations within the reach of the people at Pentrich, Plessisher and Raisethorpe. Also to make representations for the professional services and attendance of our Indian doctors at the hospital.

(5) To press for the removal of all colour bars in public places, such as City Gardens, the Park and Post Office, etc.

(6) To secure better transport facilities for workers to and from their place of work.

(7) To press for the immediate extension of free and compulsory education for Indian children up to and including J.C. Standard. ## Leslie Muslim £35,000 Sch... For Girls' Education

We are making this appeal, through the medium of the "Leader", for the Muslim community of South Africa, to raise over £35,000 by erecting the Leslie Threlfall Memorial to commemorate the late Mr. Leslie Threlfall, who devoted his life to educating our girls from illiteracy and thereby raising their standard of education and intelligence on a par with the girls and boys of the other progressive nations of the world.

Realising the dire necessity of education of all type religious, vernacular and secular, particularly amongst the Muslim girls the Muslim community of Leslie consistently awoke from their lethargy one day last year and after drowning maps and means to remove illiteracy the curse of mankind from the Muslim girls, with a solemn determination in order to solve this burning problem of educating our girls.

We have finally launched a scheme of £35,000 which has thousand pounds in hand and with this amount an excellent, spacious and modern Memorial Building and hostel will be built in the Islamic oriented manner ground of 8½ acres already purchased at Leslie. A new Mosque will also be built here.

We have guided our hosts and are endeavouring with the assistance of Allmighty Allah, to reduce as much as possible the prevailing illiteracy amongst the Muslim girls, the future nation and mothers, and we hope our efforts will be fruitful with success.

The four officials who have been duly appointed to collect funds on behalf of the Leslie Muslim Educational Trust towards the erection of the above Institution are Messrs. Ismail Ahmed Kazvelia, Mohammed A. Nabodia, Kola and Mansoor. These gentlemen have already received in cash and are at present busily engaged in collecting money in Northern Natal, where a very successful start has already been made. Messrs. Mall (Pty.), Ltd., of Ramchanmer have contributed a magnificent sum of £500 and Messrs. Ameen & Company, of Glencoe, have also contributed a generous sum of £250. The collections so far are most satisfactorily and we sincerely pray to Allah that the Trust will not, which their forgetting their homeless daily lavish them of their girls.

The small town of Leslie has collected sums of approximately £1,200 to date the amount included £2,000. We still require a lot more and we depend on your support.

Mr. Mohammed A. Nabodia will shortly be proceeding to Durban in order to arrange for the collection of funds in Durban and elsewhere who will be in a position to touch the wholesale and [illegible] correspondence with Indian and [illegible] is in progress.

We finally appeal to the public to [illegible] their hands as much as required to accomplish the [illegible] gigantic task we have undertaken. Allah reward you for your generosity.

One time I used to take medicine after I vomited it. That was a mistake. Splitting headaches, feverishness, the result of intestinal congestion, would frequently put me to bed in a darkened room. God, how I suffered!

Nowadays I prevent such a condition. I take a weekly dose of Partons.

# Maritzburg Meeting Ends in a Fiasco.

Two thousand members of the Congress, including both inside and outside, but prevented at the annual meeting of the Maritzburg branch of the Natal Congress on Sunday, principally to elect its officials. Its purpose was to discuss home and every possible attempt was made by groups in the hall to upset the meeting. The meeting, therefore, had to be postponed in order to restore order and chaos as a result of the interference with the lights and the microphone. Some missiles were also thrown on the platform through the window pane.

Mr. Sayagal, chairman of the Congress, who was proceeding homewards, was assaulted. He was taken back to the hall where he was detained for many days. The leading members of the Congress Council were attacked in the People's Hall and taken to the Durban Central, but nobody was seriously injured.

## PEACE

PEACE in the West is over. For nearly six years the world has lived under the threat of dark tyranny, the concept of which has rendered the sacrifice of thousands of lives and the destruction of the accumulated treasures of centuries, for ever as the sense of the phrase they agree to be sure is beyond the reach of another war. When Mr. Churchill and his colleagues declared that Britain and Germany could not both survive, they were not indulging in the usual exaggeration of political rhetoric. The following months of the year 1940 were the blackest the world has ever known. When the collective sense of humanity was at its lowest ebb, when the world was divided and cast into the very depths of Hell, the fortunes of war were such that in one hour only that sustained of Britain as the only free nation in Europe but not defiant, to stem the onslaught.

Now is not that hope still lighted the world? Is not that hope still lighted the flame of liberty in the hearts of every individual contrary made up for lack of material supply. In the end, the world would and ruined, because of their first lieutenant there grew a flowing tide against the powers of evil. New and universally inspired leaders arose and forwards until the time came when, in their irresistible might, the powers of evil were driven to the very bowels from which they sprung and began the holding process which was to close this most shameful page of world history.

Today, the world is celebrating the end of the greatest human agony that has ever been known. Today, its cannon, and well realise that the sacrifices and the suffering were the instruments which called men to the supreme decision to stand and fight for the values in which they believed. This is a matter which distorting factor at the moment of responsibility. Today, the Indian people in this country, as in the whole world, are celebrating the end of the war. Let us not forget that the Indian has been granted Franchise, but there is no reason why he should not be given greater freights in the immediate future. It is important that the Indian should have the same rights and privileges as the European in the matter of the situation and to view events—that of a whole.

done in the pursuit of war, to that these deserts are the abandonment.

As in war, so in peace the individuals, but broad progress and prosperity. The rest of the world's interests has reached a stage where we can no longer live in one great family. The Conference is no imperfection. That is all to the good for that it may become so, and that the sacrifice, the people, who are not a perfection. The San Francisco Democratic conference, including South Africa, had set out to would secure for all nations a to treat persons of other races, that we will grow strong in faith and in our apprehensions, and peace that is born of suffering into being a more kindly and assistance towards all men, of the colour of the skin. The days of race will be numbered, recognition of common humanity and needs, and that mutual views of a fuller life, which will find fulfilment.

We say one more but are in humanity do a work.

## WEDDING AT DUNDEE

The residence of Mr. Ramkhan Singh, of Talbot street, Dundee, was the scene of a picturesque wedding, the occasion being the marriage of his daughter, Miss Rama Devi, to Ramdeo Maharaj, of Kimberley. The pandal was beautifully decorated and the bride looked charming in a beautiful Benares saree. Nearly 1,000 guests from the different parts of the Union witnessed the wedding ceremony being performed by Pandit Sadanand Maharaj, of Cato Ridge. After the performance of the ceremony, Mr. Nathoo V. Kesar, who acted as M.C., thanked the audience for their presence and congratulated the newly married couple, referring to the popularity of the Singh brothers in all matters of public life. Numerous telegrams and letters which were received from the different parts of the Union, were then read by Mr. Gulab Dass, and thereafter Pandit Sadanand explained the significance of the ceremony.

The following also spoke in praise of the Singh Brothers, and all offered their congratulations to the newly wedded couple: Messrs. J. J. Christopher (Secretary, Johannesburg), S. Harvey (Dannhauser), Sairaj Sookoon (Umzinto), Ramlall (Dundee), G. Ramsamy (Dundee), Ramlall (Dundee), Ramlall (Dundee), Ramlall

# 'SHIRES SUFFER SETBACK

Warwickshire, last year's league champions, were forced to a draw by Shamrocks, newcomers to the "A" Division. The game at first was dull, with both sides exchanging shots at random. Shamrocks, however, soon got into their stride and made repeated attempts to get but were checked by the strong 'Shire defence. After 20 minutes' play of terrific pace, Shamrocks drew first blood, when a cross from the left wing gave the inter-right no opportunity to net.

With a goal against them the 'shire forwards, backed up and well led by their half-backs, pressed, rallied and equalised at their opponent's goal but the Shamrock defence, strengthened in the shape of Lewis, proved determination, the latter working his way to score the equaliser shortly before interval.

On resumption the 'shires, with a slight breeze to their advantage, forced the pace and almost had their opponents' goal from all angles, but the shamrocks keeper rose to the occasion and made some brilliant saves. A few minutes before the hour Shamrocks were awarded a penalty which went wide. The final score being 'Shires 1, Shamrocks 1.

Clairwood Schools, another new team in the "A" Division, held Lions, our contenders for the League Championship, to a draw in a hard fought and spirited match. Playing with the wind in their favour Lions opened up at a terrific pace. After ten minutes' play, James, their goal getter, made a bid to break through to net their first goal. The young Schools team by now had settled down and with better understanding and combined play began to show Lions the way. Schools made a dash to the Lions' goal. After some fine moves and clever passing Schools further increased lead, which they held until the interval.

With their opponents on the defensive, Lions took the initiative and put up a better show in the second half. After some hectic and severe pressure Lions captured the equaliser. Equal exchanges were made, play became intense and the result was pending until a few minutes before the final whistle Lions were awarded with a penalty which saved of the match to end the match in a draw. Clairwood Schools 2, Lions 2.

In the "B" Senior Division Pirates, who were relegated from the "A" Division, trounced R.W. Rangers by 7 to 1 a result considered a fair, though severe one, for a team, established in former Rangers.

Yorks scored soon after the resumption and Colonials equalised from a penalty just "kindly." Thereafter both sets of forwards went all out for the winning goal, but the Colonials showing the finishing line for title and the match might have won. As it was a draw was the result.

Famous broadcaster and journalist saved from bedridden life of agony
...NOW A NORMAL, HEALTHY WOMAN

WHEN Helen Hentschel, journalist, broadcast artist and world traveller, found the pressure of living beyond her control, she fell a cripple, through anaemia, that "tonsilitis" and only with pain, but "For a woman of my activities," she said, "it was something not to be borne."

Here are extracts from a letter written from Johannesburg, a message of hope to all who suffer.

"I want to thank you in all sincerity," she writes, "for what R.U.R. has done for me. Three months ago I was completely crippled with anaemia. Now, thanks to your wonderful remedy—I am a normal, healthy woman again.

I have lived in many countries and, in the course of my varied career, I suppose I have suffered the usual spasm of pains and ailments, from plasmosis, poisoning to having my fingers bitten off by a leopard—but I believe that for sheer pain, aviation must pretty well top the list.

After many treatments of all kinds, I tried them all with little or only temporary relief, and then, out of the blue, I heard of R.U.R. I bought a bottle and started a course of treatment. The result amazed both me and my friends. After the first week I could walk quite well, with the help of a stick; another week, and I was used the stick; and finally, two months after my first dose of R.U.R. today

I am running around again like a two-year-old."

R.U.R., which acts as a laxative, liver stimulant, blood purifier and acid corrective, removes the acid waste and toxins from the system and so eliminates the cause of rheumatism, sciatica, lumbago, stomach troubles and many other common ailments. Take R.U.R. and Right You Are!

Obtainable from all chemists and stores at the following prices:—2/6 small size, 5/- 2½ weeks' treatment, and 10/6 large size (3 months' treatment). Get a packet of R.U.R. today.

If "Flicky" Rhead hadn't scored and kept his arms to himself he might do better as a darkroom assistant. Shamrocks keeper is not on speaking terms with the Stoke City boy. He not only declined to shake hands with the visiting strikers with his usual "Come on George, you have schools right back. He's a real amateur and weight about 14 stone." Anthony would get more than tongue-wagging on his elusive forehead.

No rest, day or night, for this Klaver man

Mr. H. J. Strauss, of Klaver, C.P., was the victim of a rash which covered his entire body. Lesions appeared, at first like insect bites, and these itched so intensely that he could not rest day or night. Some developed into painful sores. At last he started the Felaform treatment and 6 weeks later he reported himself completely healed. "I can't express my gratitude fully for the wonderful Felaform skin treatment," wrote Mr. Strauss.

Hundreds of sufferers from eczema and other skin troubles have obtained complete relief from pain, itching and disfigurement, by using the Felaform remedies. All chemists sell Felaform Ointment, Felaform Soap, Felaform Skin Powder, Felaform Blood Tonic and Felaform Shaving Sticks.

## BISHOP DELALLE BLESSES ORGAN

THE St. Anthony's Indian Catholic Church, Sydenham, was the scene on an impressive religious ceremony on Sunday.

The occasion was the blessing of a modern monumental electrically-driven pipe organ, built by Messrs. Wm. Kemp and Son, Shepherdswell, gramophone manufacturers of Kent, and presented to the church by Miss Adelaid Naidoo, eldest daughter of Mr. and Mrs. M. E. Naidoo, and granddaughter of Mr. and Mrs. T. Pedemalai, of Maritzburg.

His Lordship the Right Reverend Bishop H. Delalle, D.D., M.A., Ph.D., (C.S.C., Archbishop Vicar Apostolic of Natal), assisted by some 20 priests, performed the dedicatory ceremony.

His Lordship, addressing a packed church of Indian and European members and friends, thanked the generous donor for her munificent gift and then later, likewise, to the band of organists who had so kindly given their services by the St. Anthony's congregation. Many Indian ladies helped at the bazaar, organising and the erection in the church of the organ. Improvement to the instrument of this house of God, Father Michael Pye, P. F. M. ## 'SHIRES SUFFER SETBACK

Junior "B" Division

Warwickshire, last year's league champions, were forced to a draw by Thornecliffe, newcomers to the "A" Division. The game at first was dull, with both sides exchanging shots at random. Shannon-Rocks, however, soon got into their stride and made repeated attempts to get past the defence by the strong Shire defence. After 20 minutes' play at terrific pace, Shannon-Rocks drew first blood, when a cross from the left wing gave the centre-right an opportunity to net.

With a challenge from the Shire forwards, backed up and well led by their skipper, Thornecliffe rallied and romped in three up, scoring goal to nain. Play was now mostly concentrated in the Shannon-Rocks area, and, with determination, the Shires soon found the net when Anthony worked his way to score the equaliser

# Sport Flashes

By "DEAN"

If "Flashy" Kinrad Neethling and Egg Sac Jones (or Shamrocks keeper or not as the case may be) were in the Test Match Eight back, he'd be a certainty for the Springbok side. Kinrad would be more than improved on his display against Natal.

Both the Shire and Queens forwards would replace many goals if they had as good finishers in front of goal from the centre as they are at trying to "pinch" one with a penalty kick.

# Africans Trounce Indians

A RECORD crowd witnessed an African XI beat/once a selected Durban Indian XI by 6-3 in a friendly soccer match played at Currie's Fountain on Ascension Day.

Playing against a slight breeze, the Africans set the pace and forced the issue. Nilsen, nominee after the kick-off, the African right wing made a mad dash to register their first goal from the centre. Immediately the Indians responded, which found the Indian defence in confusion, and the opportunity was taken by the Africans to add their second goal. The Indians by now had woken up and made a rapid rush only to beat Jack with a well-placed shot. The Indian left wing, Bibi Bibi, made some fine moves and raided their opponents' goal three out of every four times he or she had the ball. The Africans, who relied on keeping their never ending attacks and changes. Play now became terrific and provided some exciting moments with some quick changes, hard-hitting and headers, the Africans scoring another goal and with some tactical shots found their opponents' goal. Play at this rate held the Indians XI at bay and eventually enabled their head to two goals until the interval.

On the resumption the Indians found themselves with more vigour than at any time, and scored, Lighter proved his mettle as an ideal goalkeeper by several fine quick goals for the Indians to make the scores even. The Africans now roused to a point settled down and with better mechanical play combined with more intense and penetrating play soon found the net to register three more goals.

The Indians responded time after time but could not find the back line. Then the Africans, by a break through, scored their third goal before the end. Throughout the Africans never lacked the mastery of combination, and, further thrilled the crowd with their tricky and clever work. The Indians by not only were the Africans winners by 6-3, but, a better team who excelled and completely outplayed the Indians in most departments of the game.

The outstanding feature of the African XI Indian XI was a passer match between Seaton college and Seatle. Both the teams entertained the spectators to some fine moves. The speedy moves of both forwards were to lose the keeper time and again made the effort an interesting one. However, the visitors' keeper saved through the brilliant saves of the keeper, until Redmond scored for Seaton college the only goal of the match just a few minutes before the final whistle.

On Thursday next another interesting match will be played at Currie's Fountain when a representative coloured XI will meet a representative Indian XI.

# QUEENS SUPRISE STELLA

QUEENS, one of the three new teams in the Senior "A" division, not only surprised, but has also upset Stella's undefeated record by 4-2 in a hotly contested match.

Stella, a few minutes after the start, scored the first goal of the match when Vinden neatly headed a fine cross from the right wing. Taking advantage of their lead, Stella settled and all inches and within a few minutes registered their second goal. Stella's two quick goals, however, did not dampen Queens' spirit, but favoured and encouraged the policy of attack, this in turn helped to upset and disjoint the Stella combination. Taking advantage of this situation Queens, too, netted two well deserved goals to

# Indian Delegation to 'Frisco Directed on S.A. Question?

## *Commonwealth Minister Almost Hints in Assembly*

IT was not on the public interest to disclose at this stage the instructions given to the delegations from India attending the San Francisco Conference in regard to the repeal of the Pegging Act and other discriminatory legislation against Indians in South Africa and safeguards against a repetition of these moves in future, said Dr. D. S. Khare, Commonwealth Relations Minister, when replying to a question in the Assembly, New Delhi.

The result is certain, commercials an observer, that the very nature of the Minister's reply indicates definite directions, which, at the moment, may not be disclosed.

Mr. Ananthasayanam Ayyangar drew attention to a report of Dr. Malan's speech to the South African Assembly saying that one of the objects of repealing [illegible] Act was to safeguard [illegible] Indians. He wanted to know by what [illegible] though the Pegging Act remained [illegible] Mr. Ayyangar asked if the Government had taken any steps to counteract this move against immigrations at conference.

Dr. D. S. Khare, Commonwealth Relations Minister, replied: "It is not clear to me what representations the views of the Government of the Union of South Africa

The Government will, however, take necessary actions to deal with any official moves of discriminate against Indians in this matter.

Question: "Have any, and if, so, what instructions have been given to the Indian representatives to the conference to see the repeal of the Pegging Act and the discriminatory legislation against Indians in South Africa and safeguards against a repetition of these moves in future."

Answer: "It would not be in the public interest to disclose at this stage the instructions given to our Indian representatives.

understanding more in consonance with Indian feeling. Apart from having enjoined the right of [illegible] to own property, this agreement by implications recognised the claim of Indian residents in the Empire to full citizenship rights, including equal civic privileges and immunities.

The absence of these privileges and amenities is the root cause of Indian fears and suspicions, so long as the Indian community is denied these rights the Union Government cannot complain if its members look to their home country for protection and protest.

The remedy is in South Africa's hands and her statesmen would act wisely and more in accord with progressive world opinion if they set about removing this anomaly without delay.

Colds, 'Flu & Common Sense!

Simple Health Rules for the Winter

Common sense dictates that we ... take reasonable precautions to keep fit so as to ... "pull our weight" in the strenuous times ... Fresh air—plain food—exercise and warm clothing—they are the simple health rules as far as circumstances permit you to follow them. 'ASPRO' TABLETS FOR QUICK RELIEF FROM COLDS AND 'FLU is another valuable hint that millions act upon. They know that 'ASPRO' with a hot drink smashes cold or 'flu attacks in one night and saves lying up. Many were at first out of a desire to help others by passing on their experiences. They want you to know how 'ASPRO' is helping the workers every day—dispelling pain—headaches—neuralgia—rheumatic twinges, etc.—soothing the nerves and bringing sweet sleep to the sleepless. 'ASPRO' is sympathy and healing power in tablet form.

The word led to another until one priest got up and addressed the audience assembled on the avenue of pundits. The matter, I am told, was ultimately settled to the satisfaction of all concerned. I think it is time that the pundits drew up a code for the protection of the community.

FASCISM ON THE MARCH

"Brick by brick," the European residents on the Hill have resolved to pull down the Muslim College which the Islamic Trust proposes to build there. That is the first result of the triumph of Democracy over Nazism. It is even as the European people all over the world have feared. If that resolution of the Europeans is not an indication that we have already lost the peace I cannot visualise what it can mean. Hitler purged Germany of the Jews "once for all." Here, in the Union, we see how gathered momentum until the entire civilised world was united in a struggle of mutual extermination. Two and a half million Indians living in India and thousands of Black South African fought against evil, but today those very people who called out to them to defend the last remaining bastions of Democracy have declared that they will destroy an institution of education. We, thus revert to the law of the jungle. The laws of Christ and God these people recognise, and they are hypocrites for on Sundays they pray regularly.

# STELLA TOPPLE ACES

THE meeting of Stellaites, the top notchers of the "A" division, did not only provide soccer enthusiasts with entertainment second to none—thrilling and exciting play at Curries's fountain last Saturday.

A few minutes after the kick-off Stella were their first real menace, when, playing at the efforts of Lambert, between the outside-left, headed beautifully to Bowers, who, from about twenty yards out, netted. Stella, however, soon settled down and, with Lighter, at centre, broke through the Arrow defence and headed back with a low shot. Arrow, however, Stella, continuing better, once again took the lead when Lighter, at centre, broke through the Arrow defence and headed back with a low shot. In the second half Stella, favoured both by the sun and their lead, pressed hard to advantage to keep the game out some time in the first. ### SHAMS LOSE

Except for a first-time shot in front of goal and two more dribbling by the Shamrock forward line, their match against Thousand Hollands proved very exciting. Stella's second Shamrock's only goal with a second shot from the third range. While Stella's second came from a penalty. The final score was: Stella 3, Shamrock 2.

Rovigenos, one of the strong teams in the "B" division, hardly looked upset as they had any difficulty in overcoming KNU Arrow on Saturday. The score was four Rovigenos by 3-1. Phalen had a well-taken goal to his credit, as did Nadeau, who scored a left-footed shot.

East-enders' team clubs in the "A" Division started on their Rosa played Pritchard's Trophy.
