DURBAN BEAT NEWCASTLE

A SELECTED Durban XI travelled out to Newcastle last week-end to play a Newcastle XI in an interstown match. A very strong gale marred the game and rubbed the spectators of some good football.

The Newcastle teams kicked off with the wind in their favour but failed to register any scores. The game on the whole proceeded very lively, exciting incidents and continued in a sing-song fashion throughout. With the wind particularly dangerous, the first half proved fruitless.

Immediately after the second half Durban's forwards swept down the field and after the Durban 25 yard line the defence beat Durban's first goal and the only one of the match after thirty minutes' play. Towards the closing stages both sides kept up a fast pace in search of a goal, but neither were spoilt on account of the strong wind, a goal, however, would have surprised. N. C. Naidoo, however, managed to put the ball through into the ahead when a penalty was brought off unduly a few minutes before the end of the match. Final score: Durban XI 1 vs. Newcastle nil.

LEAGUE GAMES

Last weekend three senior matches in the "B" division were the main attractions at Curries Fountain. Unfortunately, the meeting of D. Rangers and P.W. Rangers when the former won 2-0, was the only one of the three games that did not finish in a draw. TENNIS TOURNAMENT

Except for a slight misunderstanding among the leading tennis players in the Transvaal, otherwise the final arrangements for the holding of the non-European South African open and double championships and the South African Indian National single and double championships will be played in Durban during the winter months.

The championships will have the support of the Durban Centre in view of the inducement from the Transvaal, Johannesburg and Pretoria players to visit Durban. Nothing to say of S. N. Naidoo, however, national No. 1 in Indian tennis circles, Deodhoth and D. Lalgee, the local champs.

Moorlighters defeated Crystals by five games to three for the Principal's Trophy. They will play the final match against Spes Bona this weekend.

MARITZBURG 4 KLIP RIVER 1

THE big crowd at the Maritzburg ground got an early thrill in the senior interstown match on Saturday last. Maritzburg kicked off with the sun and wind behind them and Ram found the net a minute from the start.

Recovering from the surprise the visitors settled down and made a match by a City back let Frank through but he was pulled up for offside. On the other good opportunities fell to either side, but the forwards of the penalty area were hemmed over the bar. Both sides were now swapping the ball about freely and then the home forwards got into their stride and harassed the goalie. Naidoo, however, saved in great style and gave an excellent exhibition. Eventually Naidoo put Maritzburg further ahead with a neat header.

Half time: Home Maritzburg 2 Klip River 0.

Play for renewable ends on the restart. Goal Maritzburg were honoured on their own half, and Reddy reduced the deficit from a low to Thom, with the goalie stranded and the crowd cheering for the equalizer, sometimes kicked the ball away from the goal line.

At this stage the Maritzburg goalkeeper was injured in a collision, but soon passed on a collision, but both resumed play after a few minutes' attention. The game was now more even, but the visitors' shooting was weak.

Maritzburg came the stage and Gonaga sped down the field and after dancing defence passed to Naidoo who headed the ball into the net. Then Logie and Naidoo were injured from the wing for Naidoo to head past Naidoo and secure his hat trick. The home forwards now indulged in pot shots at goal but with the latter fine.

Final score: Maritzburg 4, Klip River 1. Mr. S. Naidoo was the referee.

ACCORDING to information available, the Northern District competitors tried to postpone the interstown match at Newcastle because high spirited supporters actually construed one football in a vain attempt to stop the game.

Despite their disgraceful and unsportsmanlike play, Durban's only goal was well worked and was scored by Ram after defeating Newcastle.

A record crowd is expected in anticipation of the struggle between Addy-Stella and Dawn-Dinuza in the semi-finals of the Natal Cup. Will Addy hold Stella from collecting double honours?

Estate achieved their hat-trick in the way of non-appearance against Evergreen. Though the objects are not affected by the syndrome, just a glance at the result shows its approach.

Yes, Maud, I'll be there!

I took a couple of Partons last night. And do I feel good today! Oh Boy! Oh Boy!—Wasn't 100 per cent. yesterday. Wanted to go to the dance tonight and made sure I'd be O.K. Two Partons did the trick. There's my date. I'm absolutely *on top of the world.*

Whenever I feel a little "tied up" inside, and in need of digestive help, two little Partons do the job for me. They're different from the ordinary laxative. They're also a *tonic.* This makes them superior in any pill I've ever used. Definitely. *Partons for men every time.*

Sold everywhere at 2/6 (12 pills), and 1/- (30 pills), in the Union, 3d. extra per bottle in Rhodesia.

DOMESTIC NOTICES

IN MEMORIAM.

Gounden: In cherished remembrance of our dear daughter and our sister Mahapatalatsmee (Maggie), who was called to Higher Service on Sunday, July 8th, 1945.
In the cold duty sun sinks low,
It brings a thousand sad memories
And of long ago,
Three years have passed our hearts are still sore
Since we parted with you.
You had to go and leave us,
With sad and broken hearts
The lonely years you spent with us
Will never come again.
Just sweet, heart touch, sorrow and pain
And fond remembrance of you;
Dear, dear mother with such loving hope,
In your rest from your toil-worn road
For we will see you goodbye.
Ever remembered by your brothers-in-law and Sisters.

Naidoo: In cherished remembrance of my dear husband, V. Naidoo, and our dear loving father, who was called to rest on the 5th July, 1944.
We were out there at the hour of death,
To see you part here with us,
To whisper just one loving word,
To kiss you one goodbye.
To see the tears at the moment shed,
That tell of a heart that is torn,
It is the sweet tears of the coming years,
And that heartache unfelt by others,
Down in our heart your memory is kept,
Dear, who loved you, will never forget.
Ever remembered by his loving wife, children and grandchildren.

Happy Thomas, Mayoress: In loving memory of my dear wife and our darling mother, Mayoress, who passed away July 2nd, 1943.
A silent thought, a silent tear,
No one we miss and love so dear,
Sadly missed by husband and children.

Always remembered by husband and children.

Happy Thomas, Mayoress: In loving memory of my dear aunt, Mayoress, who passed away 2nd July, 1943.
Sadly missed by Johnny Alvar.

TALK OF THE BAZAAR

Maritzburg last sunday. One, he said, was of a Pyrenland fisherman who could tell the number of a coach, whether closed or sardines, by eyeing the sun, correct to a decimal point. At this stage, the chairman of the Committee, one Lord who I mean, but his answer was that his unwonded him to so many other things, who was also present, got up and said something. This he said there was whether he could not "cop" it. Either or he had heard so many of this story from his secretary that he did not want to hear any more even if they were new.

SOUND WIN FOR STELLAS

A BIG crowd saw Stella gain a sound win against Avon in the semi-final in the Natal Cup competitions. There was little to choose between the Red reserves who had earlier gained the quarter-finals by the goals to nine on the aggregate basis, but Stella were the more consistent team for the Natal Cup in the "B" division. Rangers comfortably beat Overport Rovers by 5-2 on a bogged pitch.

There was another thrilling shot by Barney, but his clearance was headed out to clear, but his clearance was headed out to clear, the Avon goal again, who promptly drove for goal. Jones, the Stella custodian, fell back and dramatically saved Johnson's shot right on the goal line. After this, determined bursts and good play by the forwards kept Stella on top without there being any addition to the scoring. Half time: Stella 2, Avon 0.

On resumption, Avon went all out for the goals. However, Jones and Fatty set back pressed a lower of attempts to Stella on several of Avon on the net periodically rubbing forwards on the net of shooting. NO CLEAR CUT SOLUTION

(Continued from Page 7)

African Indians—as I say your manner and your bearing can do more than the laws themselves to bring about that status of respect to which all Indians in this land rightly aspire.

"In the whole history of mankind, when conquerors have left their homelands to conquer, to settle overseas, the persons who have stood most to advance the community's progress, culture and status have been the merchant princes and their numerous staff employed in or engendered by the investments to develop themselves into the permanent citizens of their own free will, to persons with, what for lack of better word, I might describe as the pioneer or even the missionary spirit.

"In India many of the great work of that devoted band the servants of India. Perhaps outside our political organisations it is service of this kind that can most lead in South Africa. These servants could be drawn from Indians in all walks of life—there is room for the humblest, provided he has an earnest desire to serve the community, and his work will need the financial support of the wealthy. A servants of Indians in South Africa society, devoted workers drawn from all ranks in the community seems to me something worth striving for.

"Indians nowadays are talking of Partnership and I think Indians might well be ready by India's contributions to arms, but also by the great total of monetary support of Indians of all classes have given to the prosperity which has come to many Indians here in South Africa during the war years it seems to me could not be better employed than in generously endowing and founding on a national Memorial Hall, a Library where and it will be to promote every aspect of the life of Indians in South Africa.

"We must remember that the people whom we hope to influence will often be influenced by example when they will not be swayed.

"Here in Stanger I realise that you have to what may be fantastic extravagance representation in the management of local affairs, which is denied elsewhere. This representation I know is still a matter of debate and controversy, but the Provincial Administration seems to me to have shown a wise patience in not being too hasty in considering the applications for Rate Payers rights in local self-government allowed in a manner which would deprive Indians of their representation.

"I trust that when the time comes for consideration of the wider question of representation by persons in authority in this country the authorities and public alike will show the same wisdom and patience in considering the matter which this country should follow for the greater good of all.

"The importance of franchise, it seems to me, lies in the great good it can do in promoting mutual understanding and tolerance. In such an atmosphere many of the bogeys which we allow to prey on our minds would disappear and South African Indians could look forward with confidence to a future South Africa in which there would be for all freedom from fear and freedom from want.

In welcoming the High Commissioner, Mr. S. M. Nanda, president of the Board, said, among other things, that Stanger was the centre of sugar and tea industries and as such had a large concentration of Indians, principally cultivators of whom were engaged as tenant cultivators.

Other speakers to the welcome were Mr. M. Pather, the resident magistrate of Stanger; Mr. Maurice Evans, secretary for Assistance of the Town; the Rev. P. H. Pather, Mr. H. Reddering, Mr. D. Pearce, Mr. P. Lazarus, Mr. M. Chetty, Mr. A. S. Kajee and Mr. D. H. Lalla.

In his reply to the welcome the High Commissioner and his secretary, Mr. J. W. Waldram, and the Stanger Committee, Messrs. P. H. Pather, A. S. Kajee, M. A. Hafejee, G. Natalia who accommodated him and him at the residence of Messrs. P. G. Nanal and sons, of Messrs. A. S. Gandhi, where the High Commissioner met the community at tea and supper.

The High Commissioner and party had lunch with Mr. H. Reddering, president of the Natal Indian Cane Growers' Association, at New Guelderland, before proceeding to the Stanger reception.

After the meeting Mr. Deshmukh visited the grave of Tshaka and the site of the new temple where he has shown interest by Mr. Pandayachee and the other trustees. The visit concluded with tea given by Mr. L. P. Naidoo.

IN MEMORIAM

Willie Ratnampet in loving memory of my dear husband who died on July 15th, 1943.
Gone but never forgotten.
Till we meet again on the Kingdom of Heaven, Rest in peace here soon we know then, Jesus is calling.
No more heartaches, no more pain in our hearts,
Sweetly, tender, fond and true,
There is not a day that we think of you.
Ever remembered by your Loving Wife, Children and Nurse-Lakshmee.

MRS. H. A. ADAM, — In treasured memory of our dear Mother, who was called away to rest on the 15th day of July, 1943, at Durban.
Sorrowfully.
How smiling face and loving ways are memories to recall.
She had a smile for everyone and died beloved by all.
We often sit and think of you,
The little things you used to say and do
And wonder why you had to die,
Without a chance to say goodbye.
Dearly you have proved and Love you still,
But in our hearts you rest here sweet face still remains.
God took you today but every day
In silence we remember.
Ever remembered by her loving son Ismail Adam, daughter Mariam, dear son-in-law Hoosen, and grandchildren.

Willie Ratnampet.—Some but not forgotten.
Always remembered by Mr. and Mrs. C. Ramchunsing and family, Maritzburg.

The Tech. Site

PROBABLY one of the most pleasant ... between the Durban City Council and the Indian Technical College Committee for the Indian Technical College, is the fact that the Council requires the Indian people here to contribute the ratio of 1/3 to the building cost of the College. The Council, composed of Councillors Lawrence Meikle (a Labour Councillor) and Councillor Hyslop, is building a Technical College for the Indian people, and the Indian people are only required to pay 1/3 of the cost. This is the first instance I can recall in which the Indian people have been required to contribute anything towards the cost of any building for their own benefit. Even today when the Indian people are in a position to get the Indian Technical College built entirely at the cost of the Council, they are

There were two earlier games, in one of which Defiance Dunns by four goals to one in the national final for the Natal Cup in the "B" division. Play in the teams started off promisingly. There was a few minutes Harvey and Jack held to one desperate moments to keep the ball out. The Arrs had the better of the opening exchanges terrorfully, only for Stella to make the final really dangerous melee which culminated in Thomp scoring the first goal of the match, fifteen minutes after the kickoff. Stella again scored in getting ahead, the centre forwards opening the way to give Taylor an easy chance to register. Some fine movements on the Stella goal area resulted in Arrs collecting a penalty goal. Rode.

SOUND WIN FOR STELLAS

A BIG crowd saw Stella gain a sound win against Rex in the sectional final game in Natal Rugby competition. There were two earlier games, in the first Rex defeated Durnacol by five goals to one in the sectional final for the Natal Cup in the "B" division. Kenilworth comfortably beat Overport Rangers 8-1 in a league fixture.

Both the teams started off promisingly. Twice in a few minutes Harvey and Jack had to use desperate measures to keep the ball out. The first had the benefit of the opening exchanges favourably, only for Stella to have the tables instantly dangerous. Some good passing movements ended in the first goal of the match, Rhind manoeuvring after the kick-off. Rhind, later, after this, determined bursts and good play by the forwards kept Stella on top without there being any additions to the scoring till time—both 2-0.

On resumption, Rex went all out for the goal, however, and Fairy in particular showed a power of strength to Stella on several of Rex' attacks, repeatedly robbing forwards in the act of shooting. Pressing determinedly, Stella again succeeded in getting ahead, the same forwards opening the way for goal. Eighter on one chance to register. Some exciting moments in the Stella goal area resulted in Rex collecting a penalty goal. (Reid).

IN MEMORIAM

Singh.—In loving memory of our devoted Mother (Mina) to rest on 14th July, 1944.
It is hard to remember, a mother we dear,
Though absent from us, she is ever we near;
She closed her text and closed it well,
The pain she bore, no one can tell.
Loving, giving, a heart of gold,
Sacrifice was the motto she would hold.
In memory we will always keep her,
So long as the years roll on,
Keep on our hearts, there's a picture,
Of a loved one laid to rest.
Sweet memories we will keep it,
Dear as a million mother were you,
Not a day, dear mother, the we forget you.
In our hearts you are always near;
Lord alone knows how we miss you,
Your smile was true and tender,
You toiled for those you always loved,
Your last them to remember.
Ever remembered by your brother-in-law, Inspector H. G. Singh, Retief Pietermaritzburg.

Francis.—In loving memory of our dear Dad, M. Francis, who passed away on the 14th July, 1942.
May her dear soul rest in peace.
Sadly missed by her son Reuben, daughters-in-law Dawn and grandchild Lorraine.

Francis.—In loving memory of my beloved Dad, M. Francis, who passed away on the 14th July, 1942.
You will be always in our memory, dear Dad.
Sadly missed by his daughter Minnie, son-in-law Valla and grandchildren Chander, Wendy and Trudy.

Francis.—In loving memory of my beloved husband M. Francis, who passed away on the 14th July, 1942.
Not only today but every day to remember I do remember.
Sadly missed by his sister Bakheen Maree and Family, Phoenix.

Francis.—In loving memory of my beloved husband and our dear Father, M. Francis, who passed away on the 14th July, 1942 (at Caroline).
Days of sadness still come o'er us,
Tears of sorrow adorn them,
Graves are all our hearts today.
For our dear Father has gone
Two years ago.
Sadly missed by his wife Bakeerie, daughters Angeline, Patricia, Frances, Peter, Douglas and Teddy, Father-in-law T. Morgan.

Cavender.—In devoted remembrance of my darling Mum, Chinnabendy, who was called to his/her eternal rest this day Tuesday, 18th July, 1944.
A heart that's loving, I cannot see
The world a very nice place,
Where joy to be found,
My lips smile no more,
My heart beats no more,
Memories of the future my spirit can adore.
Oh, Lord, tell me where is my darling Mum,
The abode and the glory of my life,
With sorrow, deep sorrow, my bosom is filled,
But what are the beauties of Nature
Heart-break, misery and pain,
Till the day dawns and shadows flee away.
Deeply loved by your loving daughter, Yale E. Cavender.

Cavender.—In memory of my dear husband, who fell asleep on Tuesday, 18th July, 1944.
Sleep on, dearest, we have come now,
For God hath called him to Heaven.
The loss is the great that we sustain,
But we hope in Heaven to meet again.
The cup was bitter, the sting was sore,
To part with one we love so dear.
The final is hard we'll not complain,
But trust in God to meet again.
Fondly remembered by her devoted husband, Frakaran Cavender, and family.

AS G.B.S. SEES INDIAN POLITICS

Mr. George Bernard Shaw, still in his sixth year Britain, once pungent critic, commented to me today on the three representatives put forward by Prime Khan Noon at San Francisco, states Ronald Bolton, Reuter's special correspondent.

I asked Mr. Shaw first what he thought of Sir Firoz Khan Noon's view that Mr. Gandhi's politics are half a century out of date.

"He lectures, like all lectures, are out-of-date by the time they are delivered," said Mr. Shaw, "but his strategy is as sound as it was fifty or five millions years ago."

To the suggestion that Mr. Gandhi should retire in favour of a younger man, Mr. Shaw responded crisply: "Retire from what? His position is natural, not official."

Then we came to Sir Firoz Khan Noon's third suggestion that Mr. Gandhi should hand over the leadership of the Congress party to Pandit Nehru, "who would make an excellent spokesman."

"That comes from Mr. Shaw," "the Mahatma" passed "hand over" sentiment," he said. "Leadership is not a thing of which one can be passed from one person to another. Pandit Nehru is a very able man, disabled by disgraceful and cowardly imprisonment, in a very subordinate position in the Congress hierarchy."

Mr. Shaw delivered his own summary parting shot: "I am quarrel with all the [illegible] he quarrels, [illegible] not an Indian."

DURBAN WINS INTER-TOWNS

After scoring first Maritzburg lost 2—1 to Durban in the senior interdistrict final match at Maritzburg last Saturday.

Kicker (Maritzburg), with a fine drive, opened the scoring.

The Durban halves initiated some progressive movements but the pace of the forwards prevented the bustling them. Consequently the Durban six-some combinations then got together to what appeared to be an orderly position.

Maritzburg swung into the attack again and Durban crossed as rapid-fire header drove through the upright, with the goalie looking on. Half-time arrived with the score 1—1.

Durban forced their first after a quiet resumption, and Oliver put them ahead with a good drive. Cunningham got the winners further ahead with a well-hit first-timer.

Maritzburg then had a look-in but their efforts in front of goal were very weak.

The final whistle sealed a close and somewhat uneventful game with Durban winners by 3 goals to 1.

In the curtain-raiser Natalians beat Durban Indians by 3 goals to 2 in a game of fluctuating fortunes.

The three interdistrict teams played a 2—2 tie against Maritzburg at Durban. Wilde and Barker scored for Durban.

The result of the two league games in the Senior "B" Division was a walk-over for G. Rangers and "E" Rangers at the expense of Pirates and Evaders respectively. Marist defeated Wells 2—0 in a Juvenile Natal Cup fixture.

By "SEAN"

Last Sunday was certainly one of Durban's tennis high days. The fair crowd of tennis enthusiasts were entertained to a great and high standard of the game by leading players from the Transvaal and Natal.

Mahomed Jhajbhai, son of Jhajbhai, one-time S.A. tennis champion, made his first tennis appearance in Natal when he played for the Transvaal.

Tennis fans seem to have a high opinion of Hemalall, the young Transvaal player who learnt to play the game in Natal. He is tough, tactically fit and a dangerous opponent for the local and South African champions.

Eddie Khan was the star of last Saturday's soccer games at Currie's Fountain. He displayed good form in the Junior Intertown match against Maritzburg.

A record crowd is expected to save the Queen-Jane struggle on a league fixture, and Wells-Starts for the Wood Cup this weekend.

LOADED FRANCHISE

COMMENTING on the Broome Report, The Sunday Times, in the course of an editorial, on "a loaded franchise" and "writes, inter alia:

"... But we do not much like the commissioners' further suggestion that 'the only practical basis for negotiation and possible agreement is a "loaded franchise"' loaded, that is, against Indians. It has no computable ring about it, and is not calculated to put a stop to what the Commissioners call 'the highly damaging propaganda now emanating from India.'

"That a qualified franchise were made applicable to every body in South Africa, regardless of race or colour, there could be no cause for further complaint from India, and under present world still be safeguarded alike in Natal and thereafter and the Union.

"That would mean, broadly speaking, a return to the Cape and Natal pre-Union method of enfranchising electors on a basis of property, income or educational qualifications. It would involve no abandonment that the subjects of Empire had made a mistake at the National Convention, and would probably involve no amendment of the South Africa Act, to be passed by a two-thirds majority of both Houses of Parliament sitting together.

"But there is nothing contagious about that. On the contrary, it would make democratic sense of a reality, from end to end, and South Africa would not be open to the charge that it had deliberately framed laws that will probe their power to the detriment of others. Moreover, people with a vote whose qualifications are not ethnically or racially based would be enfranchised. The proposal would, of course, be unpopular, as any fair proposal must be, but it would not be open to misrepresentation as a device to disenfranchise one race. In fulfilment of the principle of trusteeship it would anticipate a step forward that will probably become inevitable in due course."
