following the White man's name.

Mr. Gandhi continues: "Passive resistance is aimed at the removal of unjust laws, customs or other evils. It is designed to be a complete substitute for all forms of violence, including hooliganism and lynch law. It is an appeal to the heart of man.

"The ultimate basis, then, for passive resistance is not the sanction of the sword, but the sanction of suffering. It is based on the belief that the universe is not governed by the law of brute force, but that it rests on the moral foundation of truth and love. It is the law of self-suffering as opposed to the law of self-aggrandisement. It is the law of love as opposed to the law of hatred. It is the law of truth as opposed to the law of falsehood

Brilliant Soccer At Currie's

AFTER drawing first blood within a minute of the kick-off Durban went down 5—2 against the South Coast United I.F.A. in an inter-district fixture for the S. M. Singh Trophy at Currie's Fountain on Sunday. The match was studded with patches of brilliant football. After the early knock South Coast settled down to play good soccer and were they had the measure of the Durban side they were always on top. Good keeping by Naidoo frustrated the many attempts by the Durban forwards to score.

Durban, who took the field with 2 men down first blood when Lingham headed home from a corner a minute after the kick-off.

During this early reverse, Joseph Gabriel rallied forward, but Naidoo, playing well on the right wing, beat many of his good shots nicely well by Baker.

Exerting greater pressure, Singh and Gabriel had the Durban defence in a tight corner for a while.

At the other end Bailey Moodley outpaced the South C.oast defence only to find the goalkeeper unmoved by the fact that the Durban forwards were in the penalty area in number at least five to one.

There was a short period of Brady and Singh with the wingers, both good at intricate combining and shooting well.

South Coast, however, looked the more dangerous team with their accurate passing and shooting.

Having got the measure of their opponents, South Coast were not to be denied by Naidoo. Moodley crossing to Ismail, who scored.

Indians Hold Out to Draw

THRILLING FINISH TO TEST MATCH

OLD TRAFFORD (Manchester), Tuesday.

INDIA drew the second Test match with England here this afternoon in one of the most thrilling finishes ever witnessed, the last Indian pair running together 19 minutes before the end.

A crowd of 22,000 were on top form with excitement during the last few overs but Johnny and the wicketkeeper, Hindlekar, kept their heads up. There was not a dull moment throughout the day with the fortune swaying either way in bewildering fashion.

There was a deadly bowling pill by Edrich, who took four wickets for 19 runs in six overs.

Pollard bowled the first ball of the day to Edrich just after 12 o'clock. A two ball was taken by Edrich in the second over of the day which resulted in six runs, leaving England 121 runs ahead on the first innings. Almost another hour passed before Hardstaff was recalled for 66 runs.

Pollard again bowled with remarkable accuracy, allowing only one run in six overs. During the innings he sent down 27 overs, of which 16 were maidens, taking 21 runs and taking five wickets.

Hadlee also bowled with plenty of fire in taking four wickets for 61.

Amarnath appeared to be somewhat lame when he went in to bat after his over. Hazare, Hutton and Wshkar-i equaled for England.

It was almost that England's penalty was to be for runs at the end of the innings when Hutton chipped for leg stickers, only to find the ball going over all the edge of the bat towards the slips.

Amarnath got a well-deserved wicket with only seven runs on the board when Hutton followed another going away ball and edged a catch to the wicketkeeper. Both bowlers were keeping a good length.

Hazare was keeping down the runs, but did not look anything as dangerous as Amarnath. Then Hazare made the ball lift and Washbrook was lucky to see the ball fly off the handle at the last post wide of Pollard at first slip. Soaring strokes off Amarnath were rare, but Compton took three runs from an off drive and then Washbrook scored a four to left in the same over from him. At 29 Marshal relieved Amarnath, who changed ends.

It transpired that Amarnath wrenched his knee yesterday when at the wicket, but after a bandage application he said he was fit to play this morning. Neither batsman was comfortable at once. The ball was taking spin and lifting. Consequently instead of being able to score England had to struggle to keep the wicket intact.

When seven Compton edged Marshal to slip, where Hazare rolled over in an effort to keep off a catch. The umpires refused the appeal, although it must have been a near thing. Marshal was continually troubling Compton, who was chased down the pitch to hit a spinner. Twice in one over Amarnath narrowly missed Washbrook's stumps and without doubt the bowlers were well on top.

The expected wicket fell at 58, when Washbrook was leg before after making 28. He entered up to one run. Marshal then went straight through. Hazeware came on and off drove towards the bowler's left for his first ball he received. Another period of watchful defence then followed before Compton opened out. Marshal for a time.

Amarnath moved away two of his slips, they for Hammond, but brought up the silly mid-off when bowling to Compton.

GREAT TRIUMPH

Then came a great Indian triumph. Hammond being dismissed at 68. Marshal dropped him to try a leg drive and Hadlee at long leg ran a few yards to make the catch perfectly. At the same total Hardstaff came and went. The ball whipped across his body and took the top of the off stump and Hardstaff looked amazed when he turned round and saw the wicket broken.

Compton played a valiant part in helping to prevent a complete collapse, scoring occasionally off a loose ball. Little fancied the batting out and at 87 gave a chance to Amarnath.

Edrich was taken with England 206 runs ahead with half their side left. At this stage Amarnath had taken three wickets for 56 and Marshal four for 73.

England finally declared with the score at 152 for five wickets.

India opened their second innings disastrously, losing three wickets for only six runs.

NEW ASSEMBLY TO FRAME COUNTRY'S CONSTITUTION

BOMBAY, Wednesday.

THE election of members to India's Constituent Assembly—the country's first "Parliament"—which will meet shortly to frame a constitution for a free India, has been completed.

Under the British Cabinet Mission's plan for India's future, the present legislative assemblies were to elect 292 members from British India, and 93 members for Indian states.

Its membership includes representatives of all political parties and religious communities, except the Sikh community, which, at the last minute, chose to stay out of the Assembly.

In addition, the Assembly includes some of the foremost Indian lawyers, scholars and constitutional experts.

One notable absentee will be Mahatma Gandhi, who, though he did not seek election, has strong influence on the Assembly's deliberations in framing those plans elections have already been announced are the Congress President, Pandit Nehru, and most of the members of the Interim Cabinet, including Mr. Jinnah, the leader of the Moslem League, Mr. Liaqat Ali Khan, and his colleagues, Mr. Mukhtar Ahmed Ghazni, Mr. Ibrahim Haroon Jaffer, Mr. Abdur Rab Nishtar, Mr. Ghazanfar Ali Khan, Mr. Jogendra Nath Mandal, Mr. Ajab Khan Afridi, Mr. Ismail Khan, Mr. Abdul Qaiyum Khan, Mr. Ajab Khan Afridi, Mr. Ismail Khan, Mr. Abdul Qaiyum Khan, Mr. Jogendra Nath Mandal

"WHAT? No bread till next week?"

Suppose your baker told you that next time you phoned, called or spoke to the delivery boy? It might come to that although it wouldn't. It won't if you will observe these simple rules:

1. Buy only as much bread as you need.
2. Remember that it is wrong, and unfair to yourself - to eat bread.
3. Don't cut off crusts.
4. Don't feed bread to animals.
5. Don't slice bread on before a meal. Cut each slice from the loaf as it is needed.
6. Cut thinner slices.
7. Keep bread fresh, so that each loaf lasts as long as possible.
8. Don't use fresh bread for making puddings or other dishes.
