"WHAT?
No bread till next week?"
Suppose your baker told you that next time you phoned, called or spoke to the delivery boy? It might come to that—although it needn't. It won't if you will observe these simple rules.
1. Buy only as much bread as you need.
2. Remember that it is wrong—and unfair to yourself—to ate meat.
3. Don't cut off crusts.
4. Don't feed bread to animals.
5. Don't slice bread up before a meal. Cut each slice from the loaf as it is needed.
6. Cut thinner slices.
7. Keep bread fresh, so that each loaf lasts as long as possible.
8. Don't use fresh bread for making puddings or other dishes.

STOPPING THE 'FLU NOW!

Judging from reports, there is a good deal of 'flu about. Our old enemy is appearing in his usual form—the first symptoms a shiveriness, feverishness, and an overall sense of being below par. Now, as ever, safety lies in quick action.
IMMEDIATE MEASURES will avert the 'flu before it has a chance to develop. 'ASPRO' taken at such a time, acts swiftly to clear the head and dispel the dreary, aching feeling. It can stop the spread of a cold or 'flu attack in MINUTES, NOT HOURS. It's a good plan to follow this up by taking
2 'ASPRO' tablets and a HOT DRINK last thing at night. You'll sleep soundly and a mild perspiration will help nature to throw off the chill.

SMUTS TO FACE INDIAN WOMAN AT UNO

Hartal Day When UNO Tackles S.A. Issue

GEN. SMUTS WILL FACE AN INDIAN WOMAN WHEN HE APPEARS AT UNO TO DEFEND SOUTH AFRICA'S TREATMENT OF THE INDIAN PEOPLE. FOR THE INDIAN DELEGATION WHICH WILL PRESENT INDIA'S CASE BEFORE UNO WILL BE LED BY PANDIT NEHRU'S SISTER, MRS. VIJAYALAKSHMI PANDIT, WHO IS ALSO MINISTER OF PUBLIC HEALTH IN THE UNITED PROVINCES. A SAPA MESSAGE STATES THAT THE DELEGATION WILL INCLUDE THE FORMER AGENT-GENERAL IN SOUTH AFRICA, SIR RAZA ALI, AND THE LIBERAL LEADER, PANDIT H. N. KUNZRU.

THE fact that Sir Hoss Ali will go to UNO is an indication that whatever the colonial differences in India, all Indian states are united in expressing the sense of the Indians in South Africa. Sir Hoss Ali, having returned the British honours, is now plain Mr. Ali. Both Mr. Ali and Pandit Hirdaynath Kunzru are well acquainted with the position of the Indian people overseas. Mr. Ali has first hand experience of the treatment which is meted out to South African Indians, gleaned during his term of office as Indian Agent-General. Pandit Kunzru has made a deep study of the position of Indians abroad and has, with the exception of Mr. Gandhi, visited every Dominion in the Commonwealth. Mrs. Pandit is a prominent politician and fighter in the cause of an emancipated India.

The official advance to the Indian delegation will be Mr. H. S. Bajpai, Secretary of the Commonwealth Relations Department. The preparatory arrangements will be put in final shape by the Indian Government.

Mrs. Vijayalakshmi Pandit

MRS. Vijayalakshmi Pandit, who will present the case of the South African Indians to UNO, is still one of the best known women in India. She comes of a family of high standing in Kashmir. Her brother Pandit Jawaharlal Nehru, the President of the Indian National Congress, has been closely associated with the Indian struggle against British imperialism.

She was a member of the United Provinces Government, which, under the Congress Ministries, was responsible for legislation designed to abolish the feudal system and land tenures and the other social customs which have kept the Indian people in subjection for centuries, without the Ministers of Congress provinces.

Mrs. Pandit is a widely travelled woman. She has visited both Russia and England. Recently she visited the United States and Canada, where she spent three and a half months. During that time she has been very active in the Indian cause, and has addressed numerous meetings in support of the Indian struggle for freedom.

She has been three times elected to the United Provinces Legislature, and has been a Minister in the provincial portfolios as below:

NEW SECONDARY AND PRIMARY SCHOOLS

Impressive Function at Umzinto

In the presence of a large and impressive gathering on Friday last Mr. C. J. Crocker, J.P., laid the foundation stone of the new Umzinto Indian school for primary and secondary education. The school is being built by the Umzinto and District Indian Educational Trust, whose president is Mr. H. Kisoon Singh.

The function is regarded as being the most impressive held on the South Coast. Mr. R. A. Banks, the Director of Education, Mr. J. E. Devlin, chief inspector of Indian schools, Mr. W. C. Stafford, the chief magistrate of Umzinto, and Mrs. Mabel Palmer were among those present.

Mr. Kisoon Singh, who presided at the functions, said: "We have assembled here today to lay the foundation stone of the new Umzinto Aided Indian School.

"It is now an established fact that the Government-Aided Indian School is the best solution to the Indian community of Umzinto and district.

"The Indians and the surrounding districts carry a large Indian population. There are fourteen schools in the district with about 1,200 children in them, and there are over 500 children of school-going age who are not attending schools. That is not all. Many children have to walk long distances every day to and from the existing schools. This is not only a hardship on the children but also on their parents, who have to pay for their conveyance.

"The conscience is more than at pressing interest to the Indian community of Umzinto and district.

WOMEN MUST PLAY THEIR PART

"If women are not allowed to play their proper part in the development of the country the full advancement and prosperity of mankind cannot be attained," said Dr. S. Dewan, speaking on "Women and Peace" at Bolgonian campaign organised by the Women's International League for Peace and Freedom, at the Y.M.H. Hall last Sunday.

"Men and women are not equal but complementary to each other. Each possesses inherent different functions to perform. It is the duty of the women to see that the men do not misuse their power. Women have a great responsibility in the present day world. Especially those who have been appointed to the United Nations Organisation. Women are more conscientious than men and are more likely to be incorruptible," she said.

Mrs. S. Singh said that the fundamental principles of the United Nations Organisation were based on the principles of democracy. It would therefore be the duty of every member of the organisation to see that democracy functioned properly. It would be the duty of the women to see that the principles of democracy were not violated.

Mrs. T. R. Naidoo, Mrs. Ramsden and Mrs. Bhana also spoke. Mrs. Naidoo stressed the importance of women taking an active part in the United Nations Organisation. Mrs. Ramsden said that the main cause of the present world unrest was the fact that the people were not free. Mrs. Bhana said that the Indian women in South Africa were not free. They were not allowed to own property, to trade or to move about freely.

Mrs. Singh said that the Indian women in South Africa were not free. They were not allowed to own property, to trade or to move about freely.

Thanks Notice

Mrs. A. R. Singh of 23 Gale street, Durban, and Mr. and Mrs. R. Singh and family, wish to thank all friends and relatives for their kind messages of sympathy and beautiful floral tributes sent on their recent bereavement of the late Mr. A. R. Singh.

A place in our home, which none can fill
It is hard at times to understand
But we know God's ways are best
A wonderful husband, and father
The hard has come to find
Our greatest love our Heaven's gone
Sadly missed by wife, children, sorry daughters and son. (In Heaven)

THANKSGIVING IN MARITZBURG

Today we give thanks to God for giving Mother Indra her freedom. A few months ago she was put in prison and they will soon take three years' hard labour from her. Mother is one of the many women who have been put in prison for the Passive Resistance Movement of India.

Although the Government decided that she should serve her sentence in Maritzburg Prison it is Mahatma Gandhi's birthday that she is released.

Through the efforts of patriots like Mother Indra we have won freedom for the future of India.

Mother Indra is a very well known person in Durban and Maritzburg. She was born in Durban and has always been a very active worker in the Indian Congress. She was also a member of the Natal Indian Women's Association. She was married to Mr. Govindsamy Pillay, who was also a very active worker in the Indian Congress. Mother Indra has been in prison before. She was in prison in 1930 for the Salt Campaign and in 1940 for the Individual Satyagraha Campaign.

Mother Indra has been in prison for a total of 18 months. She has been in Durban Prison, Pietermaritzburg Prison and Johannesburg Prison. She has been in prison with many well known women, such as Mrs. Sorabjee, Mrs. Naicker, Mrs. Pillay, Mrs. Ramsden, Mrs. Bhana, Mrs. Singh, Mrs. Ismail, Mrs. Ebrahim, Mrs. Gool, Mrs. Dawood, Mrs. Mall, Mrs. Ahmed, Mrs. Mahomed, Mrs. Kajee, Mrs. Moodley, Mrs. Pillay, Mrs. Govender, Mrs. Naidoo

Thrilling Toe-to-Toe Fight in City Hall

BY defeating Young Veeran on points over twelve rounds in the City Hall on Saturday night Michael Twala once again showed that he is a little boxer with a big future. In a thrilling toe to toe fight Veeran found that the capacity of Twala to take as much as he could give and still come back for more, beat him. In this, the eliminating contest for the South African bantamweight title, Veeran had Twala almost beaten in the first two rounds, but the African made a remarkable recovery and won nine of the remaining ten rounds. Veeran made a surprising recovery in the last round but Twala had too many points.

In the main bout Sonny Thomas' seconds threw in the towel in the third round after Thomas had been dropped for a count of eight. He had been dropped twice earlier by Makela, who had an advantage of 10 lbs.

Mannie Williams, of Cape Town, got a t.k.o. decision over A. F. Simon, of Natal, when the referee stopped the fight in the third round.

MICHAEL TWALA.

In the first contest of the evening, Ted Phillips beat Kid Cane on points over three one minute rounds.

Shadow Boxing

Kid Cane beat Frank Cooper easily. The first round ended with a spell of shadow boxing and commercial lousy gambling by Kid Cane, who was counted nine! left to the body, Kid Cane scored all his points with long-range rights and lefts.

A Controversial Fight

Simon, of Natal, put up a creditable fight against Willams, of Cape Province, but it was all over in three rounds when the referee stopped the fight to give Williams a t.k.o. decision. Simon took terrific punishment in the second round, going down twice, the first time for a count of four. After Simon had been floored with a full left to the face in the first few seconds, and referee stopped the fight. Simon, blood and groggy, got up at the count of eight, but it was all over with him.

Full 12 Rounds

Young Veeran, of Natal, contesting a point and a half to Michael Twala, had the most thrilling fight of the evening on points and was eliminated from the bantamweight title. Veeran won the first two rounds with furious fighting, but it was Twala's capacity to take it that helped him to make up for lost time, catch up with Veeran and then beat him. The fight was full of thrills. There were no dull moments as Veeran stepped Twala round the ring and then Twala stopped Veeran. If Veeran had had the power to keep up the fight he took to Twala in the first two rounds he would have won, but the punishment Twala recorded that he was a veritable punching bag on whom Veeran could make no little impression.

In the remaining rounds we saw the Twala we have come to admire for his hitting and ring craft. An opportunity to hit him, Twala didn't let slip which enabled Veeran to claim at the most we his height, Twala came to contact himself with head and shoulders, and with terrific body punishment, Twala pressed the final round with a right, and Veeran followed the left to the body and right, but Veeran was taking the fight to Twala, with Twala with a right, but there was no stopping Twala, who came on strong and won the round.

Veeran had Twala on the defensive in the second round, but he was not again Twala got on target, and

A MATTER OF CONSCIENCE TO THE CHURCH

Resistance Must Go On

"THE POSTPONEMENT OF THE UNO SESSIONS WILL NOT MAKE ANY DIFFERENCE TO THE PROGRESS OF THE PASSIVE RESISTANCE MOVEMENT. THIS IS THE OPINION OF MR. A. I. MEER, JOINT SECRETARY OF THE NATAL INDIAN CONGRESS.

ON THE CONTRARY, MR. MEER FEELS THAT THE ONE MONTH INTERVAL WILL HELP CONSIDERABLY FOR THE CONDUCT OF PROPAGANDA AND SOLICITING THE AID OF ALL ASIATIC GOVERNMENTS FOR THE CASE OF INDIA AT UNO.

"IS IT NOT A MATTER OF CONSCIENCE TO THE CHURCH THAT PEOPLE SHOULD BE DISCRIMINATED AGAINST ON THE GROUND OF RACE AND COLOUR?"

THIS AND SIMILAR OTHER QUESTIONS WERE ASKED BY AN INDIAN LAY REPRESENTATIVE, MR. JOE FRANCIS, AT THE MEETING OF THE NATAL SYNOD AT DURBAN THIS WEEK.

"There will be no peace in this country but eternal turmoil and strife as long as the policy of colour discrimination is perpetuated," Mr. Francis said.

It is encouraging that Christianity is not to intervene and to prevent a struggle for the attainment of human rights and liberties. That some of the leaders of the Church are engaged in a struggle against the forces of evil in every country, and that they are determined to see that there is no appeasement about the moral issues involved, is a matter of great opportunity to make a contribution to the solution of the present political and theological difficulties of the world.

During all the years that I have been in this country, the Church has always been on the side of the oppressed and weak against the strong and powerful. Though all Christians are not champions of the down-trodden, yet the Church as a body has always been associated with the cause of the underdog and the oppressed. Therefore I believe that the Church will not depart from its traditions with reference to the present struggle which is the most important struggle in the history of South Africa. I am confident that the Church will not be found wanting in its contribution to harmony and peace in this country. I am sure that the Church will not be found wanting in its contribution to moral progress and in the foundation of the Kingdom of God in South Africa.

"Indeed, she has always the truth to save from the wars of time, the path of moral persuasion and not force or violence.

The Indians have been employing the methods of Passive Resistance struggle against injustice and oppression with a view to "Satyagraha or truth and noble

Unless Masters In Our Own Home

BOMBAY, Sunday.

SIR SHAFAAT AHMED KHAN, a former Indian High Commissioner to South Africa and a member of the Interim Government, sent to a letter to Mr. Gandhi published in to-day's "Harijan," revealed that in 1945 he warned the Government of India against the Government's policy and urged India to take the strongest measures against the Union Government regarding the "Pegging Act."

Sir Shafaat said that "for more than three years 1942 to 1945 I wrote despatches to the Government of India. My despatches from South Africa gave a complete picture of the Indian political situation in South Africa, but owing to the conclusion of diplomacy my line was muted.

"I came to the conclusion that the fairness of our grievances in South Africa were possible unless we are masters in our own home and India is freed."

The former High Commissioner added "Satyagrahaworkers will have to be taken by the National Government, and if it is decided to withdraw disputations they will show up more prompt for the next session of UNO."

He paid tribute to Mr. Gandhi's "Declaration to South Africa," but felt which "the Indian cause in that country would have to be viewed as a self-supporting community." Sapa-Reuter.

HIGH COMMISSIONER'S OFFICE STILL OPEN

INDIA KEEPS DOOR AJAR FOR GOOD RELATIONSHIP

DESPITE the fact that the High Commissioner has been recalled India is still keeping the door ajar for good relationship with South Africa in the event of matters taking a turn for the better in Indo-Union relationships over the present difficulties.

A LEADER investigator has learned that the office of the High Commissioner still functions in South Africa and that the High Commissioner has been recalled for "consultations."

The Government of India feels that his services can be better utilised in India. There has not been a complete breach in diplomatic relations between the two countries, for the High Commissioner is still drawing pay from the Indian Government as High Commissioner for India in South Africa.

Further evidence that the High Commissioner still occupies his post can be adduced from the fact that he is not included on the delegation to UNO. This is being done probably in order

South Africa Challenges UNO Conception

LONDON Monday.

"No matter how General Smuts tries to justify repression of unarmed Indians in South Africa he will be compelled to admit that they are opposed by the State itself, with the aid of legislative control," said Mr. H. A. Naidoo, one of the five advocates in the Indian delegation on the South African Indian question, at the Indian Leaguer Press conference today.

Mr. Naidoo is on his way to New York for the forthcoming session of UNO, when India's complaint against South Africa will be tabled.

"It would be equally futile for the South African Government to regard our complaint as a domestic matter and calling for action by UNO.

"The decision to raise the South African Indian question at the forthcoming session of the general assembly marks an important step not only for South Africa but for the whole world," he said.

The question was a challenge to the whole conception on which UNO is based. South Africa was unique among the nations of the world in the practice of race and colour discrimination.

"When you realise that 30 per cent. of Indians born in South Africa are denied the elementary right to vote you have some idea of the extent to which it is practised," he said. "Openly such discrimination cannot be reconciled with the high moral principles contained in the UNO charter."

NEHRU'S WARNING

RACIALISM—A STATE DOCTRINE IN S.A.

LONDON, Saturday.

"WE HOPE THAT INDIA WILL HAVE FRIENDLY AND CO-OPERATIVE RELATIONS WITH ENGLAND AND THE COUNTRIES OF THE BRITISH COMMONWEALTH, BUT IT IS WELL TO REMEMBER WHAT IS HAPPENING IN ONE PART OF THIS COMMONWEALTH—IN SOUTH AFRICA RACIALISM IS THE STATE DOCTRINE," SAID PUNDIT NEHRU, THE HEAD OF THE NEW ALL-INDIAN GOVERNMENT IN A BROADCAST FROM NEW DELHI.

"IF THIS RACIAL DOCTRINE IS GOING TO BE TOLERATED IT MUST INEVITABLY LEAD TO VAST CONFLICTS," HE ADDED.

"THE Interim National Govern- ment is part of a bigger whole which includes the Commonwealth and United Nations. We hope to develop close and friendly contacts with other nations and to cooperate with them in the furtherance of world peace and freedom.

"We propose to keep away from power politics or groups aligned against one another," he said.

Touching briefly on domestic policy, Mr. Nehru said: "We shall look to the common and peripheral needs of India and seek to raise the standard of living.

"We do not love war, but the Cabinet Mission as an arena for conflict for the fruitful improvement of our viewpoint save another.

"India is on the move and the old order has passed. We go forward to success, to independence and to peace and the well-being of the millions of India."

This was Mr. Nehru's first broadcast as head of the new Interim Government.—Sapa-Reuter.

PRETORIA WELFARE SOCIETY DO NOT SPEAK FOR ALL MUSLIMS

"Public Spokesman" writes:

In reply to the report in the local Press, whereby the newly-formed Muslim Society of Pretoria has sent a cable of congratulations to the President of the Muslim League of India. This society claims to represent and express the feelings of the entire Muslims of South Africa.

Before your readers are misled in the least allow us to assure them that this society is absolutely an unknown body and does not in any way represent all the Muslims of this country.

The first time we heard of its existence was when we read the report in the Press. The only body that really represents the South African Muslims is the Anjuman.

How foolish and vain it would be for the intelligent Muslims to support a leader who calmly rejects the Muslims in Bombay when these people of his followers are involved in a struggle for freedom and want their help. Strength to many hundreds! This society is not known by this name leaders whom the Muslims have been accustomed to support, but is a "Mushroom" growth and others have sprung up in the past few years, but have never been recognised by the Muslim community at large. These societies and others have accepted the Jinnah leadership and have been able to make an honest attempt at self-government in Pakistan, but this society has given our local movement a real stab in the back.

Pretoria Muslims are fortunate in having such a leader who calmly rejects the Muslims in Bombay when these people of his followers are involved in a struggle for freedom and want their help. Strength to many hundreds! This society is not known by this name leaders whom the Muslims have been accustomed to support, but is a "Mushroom" growth and others have sprung up in the past few years, but have never been recognised by the Muslim community at large. These societies and others have accepted the Jinnah leadership and have been able to make an honest attempt at self-government in Pakistan, but this society has given our local movement a real stab in the back.

The Wafd party of Pretoria has suddenly come out of the blue and it does not appear to be a body that it represents the entire Muslim community in South Africa. Before we need tell the world that it does not represent the Muslims in South Africa we need to be able to know who are the Muslim League of India and whether our local effort against the Jinnah League does not amount to a split in the Muslim League and thereby weaken our local effort to make an honest attempt at self-government in Pakistan, but this society has given our local movement a real stab in the back.

White S. Africans Must Have Permits for Stay in India

The Government has framed a new rule under which it can direct all South African Nationals who are not domiciled in India before December 1, 1946, to obtain permits for their stay in India.

It is understood that there are 2,500 South Africans in India, and the new rule, which was enacted recently, introduces the permit system to regularise their presence in India and place it on the same footing as that of non-domiciled persons of Indian origin in South Africa.

It is pointed out that the new rule is strictly in accordance with the principle envisaged in the Ingersoll Act, which authorises the Government of India to impose restrictions on the entry of British subjects into India for the time or similar restrictions as are imposed by any other British Dominion in relation to persons domiciled in India.

Anti Resistance Propaganda

A LEGATION has been made that the Resisters are living good lives in the Merrewerk, the implication being made that people were poor to take part in a campaign of which they were not interested. Mr. H. G. Lazarus, non-resister, said that the prison officials in Durban had declared that many Resisters had complained that they lived not superior to the treated like ordinary criminals if they were imprisoned as the result of the fight against the Ghetto Act. To say that the Resisters are living good is far from the truth. The Passive Resistance Movement is spontaneous expression of their feeling by the Indian people. It may be not accurately by every single member of the community, but nevertheless it has the support of the majority, and those who do not support it are merely keeping quiet. The Resisters are not paid, but when they need an instalment the Council will reckon a routine check to find out whether the dependants of the Resister will be cared for or not. If the Resister feels that he requires the assistance of the Council to maintain his family while he is in gaol then the Council makes a grant. In the country there is a great difference between the Resister and his family. In a democracy and almost dependents were difficult to obtain South Africa owned for by the Common Good of the Indian Resister is a volunteer in a fuller sense of the word; the prisoner of war in Europe has no guarantee of a job when he returns; he is under the obligation of ordinary renewal. There is no death or glory for him, but hard, grinding struggle. It would be well before people make judgments on the Resisters to put themselves in their own position.

Mr. Lazarus further stated: contrary to the general run of opinion, the Indian Resisters have took their oath they took it of suffering. A recent case in a Magistrate trying him or her that he had chosen to the path of suffering, and that he had taken the decision of the Indian Congress. The Passive Resistance Movement is not a campaign, it is a struggle to assert the worst, for people unnecessarily and far from good in this country. It is doubtful whether any other country in the world would have allowed the Passive Resistance Movement to last for one positively any that we did not expect the treatment to be meted out to us. Over a large batch of Resisters were released, and the Natal Indian Congress was grateful, the Natal Indian Congress was grateful to the authorities for the release of women and children, and every volunteer was aware of what he was heading for when he signed up. It nothing else, then, was attached Mr. Lawrence's statement and that of the prison officials is worth thinking. Despite the alleged complaints of the unknown Resisters, detainees are enrolling in a steady stream. That is reply enough to those who would indulge in propaganda aimed at discrediting the Movement.

Not for Us In S.A.

THE renewed call in the political papers of India has had its repercussions in this country since Mr. Jinnah declared his intention to "go it alone" and to the spectacle on that day of the Muslim League's forces in the country closing the doors of nation of the Interim Government. Despite his low standard of living, salt from the Hindu Maha Sabha, Gandhi, Pallen and Congress upon the fools of there we have lost the Pretoria and District Medical Council pave a struggle worked pendicular (including our We are "Quit Hindu Empire parties," and the "Liberation Pakistan." It is no secret that the majority of India in the Hindu Maha Sabha, and now in this country should be roused for us to impress positive from India. It is

RESISTANCE PERSONALITIES No. 4

Dr. V. G. PATEL

You would never have guessed by his short, stocky form moved about conscientiously in the Casualty Department, when he spoke briefly now and then, that he had letters after his name, specialist, and that he held the much coveted Fellowship of the Royal College of Surgeons, England. But when the call came, this man with a Harley Street background and the only practising non-European surgeon in South Africa threw up his lucrative practice in Johannesburg and volunteered as a Passive Resister.

Dr. Yallabhai G. Patel, carrying a string of medical degrees after his name, L.R.C.P., M.R.C.S., (London), L.R.C.P., M.R.C.S., (England), a specialist Diploma in Eye Surgery and the F.R.C.S. (Eng.), had the normal battle to Resisters from the Transvaal a battle in which included Imam Haniff Ghulam Patel, who had served over a year in the Transvaal Gaol, Pienaar, during the 1907 struggle in India.

Dr. Patel received his early education in Johannesburg and went to London at the age of 16. He finished his medical course at the L.C.P., but he chose medicine. He had volunteered for service in the war surgery section of the leading hospitals in London, St. George's, Guys and the then 74th Post Graduate Hospital. He later returning to South Africa he spent several years as a specialist in Johannesburg. During the war he was in London throughout the war, but managed to spend six months in Dublin at the famous Rotunda Hospital studying midwifery.

In London Dr. Patel took an active part in the Indian Nationalist Movement among students, and was for a number of years manager of the "Indian Student," official organ of the Federation of Students of Great Britain and Eire. He made contacts with Pandit Nehru and Krishna Chandra Row during their visits to London.

Before returning to South Africa Dr. Patel spent two months in India, a brief period packed with interesting events and experiences, which he regards as one of the most memorable in his life.

"It was during this period that the South African Indian Delegation arrived in Bombay, and the entire Indian public, Press and radio were enthusiastically discussing the worsening situation of Indians in South Africa. I was very glad to have the opportunity of having full and long discussions with Mr Naicker Ramoney, the leader of the delegation.

"During my travels in India one thing made a deep and lasting impression on my mind and that was the unanimity of opinion and enthusiasm with which all Indians, irrespective of class, creed, caste or political affiliation, supported the cause of the South African Indians in their fight against the Union Government." B.N.S

BASIS OF SATYAGRAHA

[omit cause] I saw them breaking down the ordinary community" the communal unity at the mass meeting on settlement. What causes have they experienced? Why have they committed such a crime? Why have they simply because they are Indians? The Resisters must be heartily congratulated on their display of faith that in beginning to suffer for the cause of justice and the movement marches on.

Dr. Patel's decision to upsurge equally from a truck movement composed of Satyagrahis and the ordinary public. Satyagrahis are drawn from all walks of life, and the cards Satyagrahi as tender hands as those of the labourer. Nor is it more than necessary it is necessary that the Satyagrahi be both to the community and to the movement.

The Satyagrahi must be a living embodiment of the principles of truth, love and non-violence. He must be an active worker. He must be a man who can work with others and take his share of the work. He must be a man who can bear insult without anger, who can endure assault without retaliation, who can bear himself in the face of danger. He must be a man who can face death without fear. He must be a man who can face death without fear. He must be a man who can face death without fear

All-India Cup Tourney

COASTALS SCORE FOURTH SUCCESSIVE WIN

COASTALS won the Mukkerjee Trophy for the fourth successive year when they beat Central: 7—3 at Currie's Fountain on Sunday last, in the All India Cup tournament final. At half-time the score was even (1—1), and after being down by the odd goal in three in the second half Centrals managed to find the equaliser in the last minute to force an extra half. In this half Coastals swamped Centrals to emerge victors by 7 goals to 3.

DITE soles settled down quickly and there were many threaded movements in the first few minutes.

In one of the Centrals attacks, Rist, playing at outside right, missed an opportunity when, stationed, he kicked the ball yards wide.

Countering, Coastals went threateningly to the Central goal, where Billy came to the rescue. Then Rist, Kista, Wadee and Francis combined and Rist shot. Boysie Singh was described as "good" all over at but Harold plunged out to bring for a good save.

Coastals then tried again and in a few minutes Hasan saved good shots from Lightie, Chin and Ismail Singaran.

Good play by Manna and Kista ensued but at last Billy, Rist, and Kista lacked sting and accuracy.

Following a few minutes, the same exchanges, Centrals' right wing became dangerous, Lightie, Chin, Nathoo and Ismail setting the visitors' defence worrying. Somehow, Coastals' defence, through the tireless work of Naidoo and Singh, managed to keep the Central forwards at bay.

Coastals regained their lead twenty minutes later when Ralegh scored from a side run. They enjoyed it not long for the next few minutes, the play being mostly confined to the Central area.

Aided by three setbacks, Centrals attacked vigorously, led by strong and determined Coastals defence held on.

Back again, Centrals seemed set for the equaliser, but the halves, supported by a staunch pair of backs, never allowed that to happen. The pressure had to tell, however, Lightie tapping the ball home about ranger just in time to force an extra half.

In the extra half Centrals scored first, when Boysie Singh, Sooklaram manoeuvred to the goal-line and centred, Lightie headed a certain goal but Naidoo cleared from Terry Pillay to Ismail.

Final scorer: Coastals 7 (Naidoo Singh 2, Terbey Pillay 1, Billy 1, Kista 2, Ralegh 1); Central 3 (Chin Lightie 1, Samalingum 1).

WHEN POLITICS "EASE-UP"

All-India Tennis team May Visit S.A.

THERE is a possibility that an All India tennis team will visit South Africa as soon as the present Indo-European political tension eases in this country.

Mr. A. Bingaman, correspondent of the Transvaal Indian Tennis Association, who returned to Johannesburg after a visit to India, declared that such a visit was on the cards. He said negotiations with the All India Tennis Association were now in progress.

India, he said, was an All-India tennis team in South Africa. However, owing to the present political tension, the people are not prepared to make a visit.

Mr. Bingaman has been assured that as soon as the political atmosphere in regard there is more likelihood of an All-India tennis team visiting this country.

"The standard of play in India is very high," he added.

He was not out nine times and his highest score was 242 scored only to find of his team mate Hazare who has an innings of 241, his highest score in English county cricket this season.

Maritzburg 5, Glencoe 2

What promised to be a thrilling game of soccer between Maritzburg and Glencoe at the Maritzburg Natalians' ground on Saturday last, ended in a one-sided affair.

It was a game in which nothing went pleasant and of the latter kicks awarded, three were converted. In the second half, on the Natalians' left a resumption afternoon, owing to the Maritzburg attack, which with the win behind three Natalians were soon on the attack but was repulsed, and after five minutes' play Christy was carried off acting but resumed after attention.

At the other end A. R. Naidoo was followed the ball over the Natalians' defence and on. Then Naidoo engineered a fine move with Christy, who scored with a fine shot.

Natalians then pressed on the attack and Johan Frank, supported by splendid drive. Still on the visitors' left wing Naidoo provided and John Frank put them ahead.

The Evans then took a free kick Patrick hit the ball with a terrific shot which was caught by Evans.

Half-time score Natalians ...

The first incident of note after re-commencement was Johan Frank's "hands" against Natalians' who Naidoo scored a goal. Then Naidoo scored a goal. Then Naidoo scored a goal. Then Naidoo scored a goal. Then Naidoo scored a goal.

All-India Cup Tourney

COASTALS SCORE FOURTH SUCCESSIVE WIN

COASTALS won the Mukherjee Trophy for the fourth successive year when they beat Centrals 7—3 at Currie's Fountain on Sunday last, in the All India Cup tournament final. At half-time the score was even (1—1), and after being down by the odd goal in three in the second half Centrals managed to find the equaliser in the last minute to force an extra half. In this half Coastals swamped Centrals to emerge victors by 7 goals to 3.

BOTH sides settled down quickly and there were many threatful moments in the first few minutes. In one of the Centrals' attacks, Kidd, playing at outside right, missed a scoring opportunity when, unmarked, he headed the ball yards wide.

Centrals' goalie Ramsamy went throughingly for the first real goal, when Billy again hotheaded the ball into the Centrals' goal. Ramsamy, in another attack, Boetar Singh, and finished a drive with "goal" all over it, but Harold plunged out to bring off a grand save.

Centrals then tried again and in a few minutes Hasan saved good shots from Lightfoot, Chin and Bonny Singh.

Good play by Naman and Kista opened the way for Billy, but Naman's shots lacked timing and accuracy.

Following a free-kick awarded to Centrals, Coastals began to take more interest in goals, but Naman and Kista missed a number of chances. Somalingum controlled shrewdly afterwards, and Naman through the Coastal defence, but lacked support now his effort nearly cleared down. At this stage the Coastal forwards saw much of the ball from a counter-attack and active work by the left wing paved the way for Naman to score in Boetar Singh's direction. Centrals' defence, however, cleared the danger.

Half-time: 1-1

On resuming, Centrals were good play by both sides, and the game was marked with keenness and clever play.

Coastals regained their lead twenty minutes later when Raleigh scored from a scrimmage. They enjoyed it for only the next few minutes, the play settling down and combined to Centrals' favour.

Shielded by three defenders, Coastals attacked determinedly, but a strong wind and determined Centrals' defence kept them out.

Back again, Coastals scored yet for the equaliser, but the Indians supported by a staunch pair of backs, were not to be put beyond holds. The pressure had to tell, however, Lightfoot scoring a goal from close range just on time to end the first half.

In the extra half Coastals scored two quick goals through Boetar Singh, Somalingum managed to add a third, and Naman completed the rout with a fourth. Boetar Singh, Somalingum managed to add a third, and Naman completed the rout with a fourth.

Final scores: Coastals 7 (Boetar Singh 2, Tracey Pillay 1, Billy 1, Kista 2, Raleigh 1); Centrals 3 (Chin 1, Lightfoot 1, Somalingum 1).

TALK OF THE BAZAAR

By the "Faqir"

WELL, I seem to be a sort of clearing-house for the troubles of many of the younger members of our community. At various times I have had various complaints lodged with me, but this week I have a rather touching one, and I do feel sorry for the young individual who was left out of the invitations. It is only a matter of course, of course, that the more pleasant and the deserving are all teachers. My young friend, calling himself "Jan Hind," tells me that group of teachers board a particular train every afternoon after school. Now this group is made up of local teachers and assistants, One day recently another group of teachers down the line also boarded the same train. In that group again there were local teachers and assistants, plus a piece of trouble. I'm sorry, I mean a "female assistant teacher," and "Jan Hind" take up the story: "When it came to introducing the female teacher to the others, some of the local teachers thought it fit to do the introductions to principals only, and the female teacher was left out in the cold. Why?" Why? I also ask why? My fellow-boy suggests that the "female teacher" was a label "Principals Only."

A PROBLEM

WHILE a lot of well-known people are engaging in a fierce fight on the political front, the ordinary man in the community has his own problems and little difficulties which make life really worth living. I was interested in Passive Resistance, but what about the other fellow? He really doesn't come in much in the midst of the Resistance Campaign, had a problem of his own. It had nothing to do with politics. He had a son who was getting on in years but not in sense. The time has come when he has to get the young man married. There are plenty of eligible women to and about the district. They are all good looking and would in every way make ideal wives, but they are all too tall for the very short young man. His father's problem is to find a wife short enough for him.

CAPABLE OF IT

I AM just about getting used to the Queen Victoria Statue in Square together, for I still have friends who say anything I'm not like a red rag to a bull to Churchill. These days, however, he has thrown himself heart and soul into a Movement which is manned, among others, by not a few Reds. Speaking at the Square

The Municipal Franchise

THE Administrator of Natal has announced that municipal elections in the Province will be held on a date to be fixed by the Provincial Executive Committee. Municipal Franchise Ordinance No. 20 of 1931 requires that the voters' lists must be finalised not later than 30 days before the date of the election. Therefore, the municipal elections will not be held before the end of October.

The Natal Indian Congress has written to the Administrator asking that the municipal elections be postponed until after the Provincial Council elections, which are to be held in November, so that Indians may be free to take part in the municipal elections. The Congress has also asked that the municipal elections be held on a common roll basis.

The Natal Indian Congress has written to the Administrator stating that it "Congress has already taken the necessary steps to see that as many eligible Indians as possible have their names registered on the voters' lists. We understand that there is a move to obtain the services of the Natal Indian Congress Executive as a means of facilitating the registration of Indians in the Municipal Areas.

"I am directed to advise that all Indians have been strongly advised to refrain from registration, pending the decision of the Union Government on the question of the franchise rights of Indians in Natal. Any registration of Indians at this stage will be taken as an acceptance of the Ghetto Act."

RESISTANCE FRONT BROADENS STEADILY

THE Resistance Front is broadening steadily. Batches of Resisters have joined the campaign from Northern Natal, the Midlands and from points along the Natal South and North Coasts. A group of ten women resisters arrived on Tuesday night from Pretoria and are ready to go into action. On Wednesday morning the first group arrived from Port Elizabeth and are standing by.

To date (Saturday) over seven hundred resisters have been imprisoned, and there has been no slackening in the movement. In fact, despite the postponement of the UNO sessions, there has been no fall in the rate of recruiting. It is expected that Rev. Michael Scott will be released this (Saturday) morning. Dr. Dadoo and Miss Zaynab Kavat will be released during the week. Dr. Dadoo will have to pay a bail in connection with the Mine Workers' strike if he does not wish to be kept in custody. A welcome meeting has been arranged in Johannesburg on Sunday next.

On Thursday, September 12, a group of 30 resisters left Ladysmith, by lorry, for Pietermaritzburg. Before they left they were entertained to tea by Indians in Ladysmith. Among those present were:

Messrs. A. Ahmed, Sader; Hoosen Khan, Secretary; Yusuf Adam, Treasurer; Ismail Adam, Sader; Hoosen Khan, Secretary; Yusuf Adam, Treasurer; A. INTER-RACE CUP FINAL

SUPERB SOCCER AT CURRIE'S

MAGNIFICENT SOCCER WAS SERVED UP BY THE AFRICAN XI ON SUNDAY WHEN THEY BEAT THE NATAL COLOURED XI IN THE FINAL OF THE SINGH TROPHY BY THREE GOALS TO NIL. SUPERB COMBINATION, EXCELLENT SHORT PASSING AND WONDERFUL ANTICIPATION BY THE AFRICAN SIDE DELIGHTED THE MIXED CROWD OF OVER 8,000 INDIANS, AFRICANS AND COLOUREDS, WHO PAID £150 FOR ADMISSION. THE AFRICAN TEAM LED 1–0 AT HALF-TIME AND ROUNDED OFF WITH TWO MORE GOALS TO ANNEX THE INTER-RACE TROPHY IN THE YEAR OF ITS INCEPTION. MTSHEKULU, THE CENTRE FORWARD, SCORED ALL THREE GOALS.

THE Africans were quickly into their stride, and were immediately interrupted with good short passing and sound ball control, bringing the coloured defence

Keeping hard at it, the Africans nearly got their first goal. Tunzi, a third choice inside left, was ably assisted nothing more and the passing movements of the forwards left the coloured defence in confusion. Tunzi, however, failed to find the net, when he headed a centre from Mtshekulu, the centre forward, over the bar.

Then a brilliant effort by Tunzi caused the Africans defence the full stretch. Tunzi, who had run well, beat the coloured defence, but the ball was just a trifle too low for a shot into the net.

Then a header by Mtshekulu, the centre forward, from Mbambisa, the outside left, was only inches over the bar. Tunzi was the next to have a shot at goal, but his effort was charged down by the coloured defence.

STELLA Eliminated From League

IN a league game at Currie's Fountain on Saturday Wanderers beat Stella S.A. by one goal to nil.

Play started in a fast and shifting manner, after an opening bout the Stella forwards moved two goals inside the first few minutes.

The forward line, combining well, took the ball to the Stella goalmouth and, by means of inter-passing around home right-back, shot, Goalkeeper Reddy misunderstanding between himself and his backs.

Immediately after, Wanderers moved down and Reddy, who let loose on the left-wing, centred to Ellis, who headed in.

Then, play was transferred to the other end, where Stella made several attempts to score from close range, but Wanderers defence was too strong, and the ball remained well above their goal.

However, finding an opening in the Wanderers defence, Stella made an attempt a long pass on the wing, which was intercepted by Ellis, who, after that, caught Harold unawares.

Wanderers, after a short exchange ball, found Stella keeper narrow escape.

In one brief attack, undercover on the part of Harvey, the Stella goalkeeper, excluded Anthony to score an easy goal after running out of position.

Half-time: Wanderers 3, Stella 0.

Walter Bloem, manager of the visiting team, Natal Coloured, further altered Anthony, after conversing a short time with the referee, changed the forward line.

Play from then took place in the Wanderers where Lephine, their Billy and Ellis were prominent.

Later, during which time the ball remained in the centre of the field, Stella made a determined effort to score, but the Wanderers defence was too strong.

Final whistle was then blown, and Wanderers appear, when he scored his second goal, which concluded the scoring.

RICE

So Near, Yet.. D

[illegible] that a large quantity of rice was on the way from Portuguese East Africa to Durban. The rice was to be sold at 1/- per lb. Many persons went to the rice [illegible] and purchased rice. A short time after the rice was sold out, it was found that the rice was unfit for consumption and was destroyed.

Many Indian merchants, also from Durban, have been importing rice. The reason for the import of rice from Beira, Portuguese East Africa, is that there is a high price for rice in Durban and other provinces while the other parts of Portuguese East Africa have a good quality of rice and could be imported in large quantities at a cheap rate. The price of rice in Durban is Rs. 35 per bag of 224 lbs. and in Natal, Rs. 32.

There is no shortage of rice in Durban. A large quantity of rice is expected to be imported from Portuguese East Africa.

Many Indian merchants have created a shortage of rice in Durban. Their reason for doing so is that they have been refused permission by the Price Controller to import rice. The Price Controller has given permission to the Durban Chamber of Commerce to import rice. Many Indian merchants have been refused permission to import rice from Portuguese East Africa.

BOSE'S DEATH IN DOUBT

DRAMATIC ENTRY EXPECTED IN NEXT FEW WEEKS

BOMBAY, Thursday.

AN ELECTRIFYING ANNOUNCEMENT FROM "SOMEWHERE IN INDIA" THAT SUBHAS CHANDRA BOSE, LEADER AND FOUNDER OF THE I.N.A. AND HEAD OF THE JAPANESE-AIDED INDIAN PROVISIONAL GOVERNMENT—FORMED OUTSIDE INDIA DURING THE WAR—HAS RETURNED TO THIS COUNTRY ALIVE IS JUST POSSIBLE WITHIN THE NEXT FEW WEEKS, ACCORDING TO REPORTS HERE.

THE All-India Forward Bloc, Subhas's own party, is said to be preparing an announcement that Bose long since reported dead is still alive and into the open [illegible] the beginning of October.

Coincident with these reports are [illegible] Delhi from that the new Interim Government, within one [illegible] of taking office, had seven [illegible] pending against Netaji Subhas. C.I.D. Sub-Inspector [illegible] the conviction of I.N.A. leaders is affectionately known to the [illegible] millions of his admirers in India.

There is, therefore, no obstacle to Bose making a triumphal return as a free man in his own country if he is alive.

The ultra-nationalist "Free Press Journal" of Bombay said on this subject: "Two months ago [illegible] Gandhiji (Mr. Gandhi) and Jawaharlal Bose (Subhas's brother) were absolutely sure [illegible] that Subhas was dead. All Press correspondents that all through his heart refused to accept the unseen news as correct, the weight of evidence was overwhelming that he was [illegible] to have no doubt. Now [illegible] brother [illegible] Japanese to have been killed in a plane crash while he was flying to Japan at the time of the Pacific surrender asking him to return immediately to India.

The resolution asked the new Indian Interim Government, formed by Mr. Jawaharlal Nehru, to make an appeal to Bose to preside over the annual session of Congress next November at Meerut, and urged Bose's election as the next Congress president.

Bose's brother, Sarat Chandra Bose, is a member of the new Government.

Gandhi And A Rumour

BOMBAY, Sunday.

Mr. Gandhi, writing in the his newspaper, "Harijan," ask [illegible] Indians in South Africa and [illegible] those under the weapon of [illegible] (passive resistance) [illegible]

He says: News comes from Durban that a group of Indians in South Africa have lost faith in Satyagraha. They cherish a dream that non-violence the rule of the White man only by passing [illegible] with the Negroes and Coloured people, other Asiatics and European sympathisers, and adopting violent means.

The rumour, if there is any truth in it, is very disturbing and a definite fly in the ointment. From my own experience my firm advice to Indians in South Africa is that they should on no account be forced away into throwing aside the matchless weapon, satyagraha.

"This does not, however, imply that they must not accept the help of the Coloured people, the Negroes and any other sympathisers, or that they shall not help them in [illegible] they need should occasion arise. But the conditions is that satyagraha should be their sole and only weapon.

S.A. FEELING EFFECTS OF SANCTIONS

THE effects of the trade sanctions enforced by the Government of India against South Africa are being felt in this country in various ways. The price of commodities which used to be packed in gunny bags is on the increase because of the use of substitutes, such as wooden crates. If potatoes are packed in these wooden boxes then the housewife will have to pay a share of the difference between the present 37s. 9d. a 150lb. lot and 45s., to which figure the price might rise. It is also feared that with the shortage of gunny bags South Africa's maize and potato farmers will show more anti-Indian feeling. They are already calling for retaliation against the Indian, and the Transvaal Agricultural Union, which opened its 43rd congress recently in Pretoria, had a number of resolutions directed against the Indians.

A consignment of 32,000 grain bags which landed in this country just before the sanctions were employed has eased the position somewhat.

WHILE potato crops in the [illegible] country are reaching a stage at which they will soon have to be harvested urban [illegible] wives are faced with a shortage [illegible] bags are not [illegible] soon.

Our farmers in the Moodies Valley is expecting a crop of 2,000 bags but its has not a single bag for them. Zoutpansberg farmers have sent a deputation to the Minister of Agriculture, Mr. [illegible]

The question of Indians in South Africa was fundamentally a question of human rights which the United Nations could not divorce, declared Mr. Nehru.

India would approve on a point of principle the Union's wish to [illegible] ultimately in the wishes and interests of the people of such territory.

In the Indian Government's view the correct course would be for South West Africa to be placed under the trusteeship of the United Nations, and its future [illegible] decided by the General Assembly.

THE "cinderella" of sports among Indians is slowly shedding that reputation for once again, within a few months a highly successful athletic meeting was held at Currie's Fountain by the Durban and District Athletic and Cycling Union on Sunday. "WHAT?

No bread till next week?"

Suppose your baker told you that next time you phoned, called or spoke to the delivery boy: It might come to that, although next month's. It won't if you all observe these simple rules:

1. Buy only as much bread as you need.
2. Remember that it is wrong — and unfair to yourself, to sell meal.
3. Don't cut off crusts.
4. Don't feed bread to animals.
5. Don't slice bread up before a meal. Cut each slice from the loaf as it is needed.
6. Cut thinner slices.
7. Keep bread fresh, so that each loaf lasts as long as possible.
8. Don't use fresh bread for making puddings or other dishes.

ENGLISH HOSPITAL AGREES TO TRAIN S.A. INDIAN GIRLS

Dr. D. Naidoo

THE MIDDLESEX COUNTY HOSPITAL, GRADED FIRST CLASS IN GREAT BRITAIN, WITH THE BEST HOSPITAL SERVICES IN THE WORLD, IS PREPARED TO TAKE IN TWO INDIAN GIRLS FROM SOUTH AFRICA TO TRAIN FOR NURSING. THIS IS MERELY A BEGINNING AND IT IS HOPED THAT 70 INDIAN GIRLS WILL BE TAKEN IN ANNUALLY, VERY SOON. THE COURSE FOR THE DIPLOMA OF SIEN, (STATE REGISTERED NURSE), RECOGNISED THROUGHOUT THE BRITISH EMPIRE, WILL COVER FOUR YEARS.

There are no fees to pay; the hospital will provide uniforms, lodgings and board plus a pocket allowance beginning at £20 p.a. The girls, however, will have to find their fares from here to England. These arrangements have been made by Dr. Dorasamy Naidoo (formerly of Umkomaas) and MRS. HEDLEY, his wife and Mr. Cassim Jadwat.

In the course of a letter Mr. Jadwat, who is studying in England, and who conveyed information states that the girls have reached out to Dr. Naidoo his wish to go to England.

Dr. Naidoo is a Medical Officer of Health in the Middlesex Hospital.

The following proposals are under consideration. The girls must be between 17 and 25 years of age and have passed the South African Matriculation Examination or equivalent. It is important that the girls should be unfailly healthy and have an aptitude for nursing. It would be worth while for girls who have it in them to make a positive contribution to their community on their return to South Africa.

The first two girls should be particularly bright for on their performance would depend whether the hospital will take in

AFRICA AND INDIA TO IMPROVE RELATIONS

SUGGESTIONS FOR BETTER RELATIONS BETWEEN INDIANS AND AFRICANS HAVE BEEN MADE BY SIX REPRESENTATIVE AFRICANS IN KENYA IN A LETTER TO PANDIT NEHRU, STATES A SAPA-REUTER MESSAGE FROM NEW DELHI.

THE letter concerns the good offices of the writers on the establishment of an Indian Government and was delivered by the leader of an Indian delegation to East Africa which returned to New Delhi this week.

It suggests that scholarships be created for African students to Indian universities as soon as possible, and that African students be given special facilities for technical, commercial and agricultural studies in India.

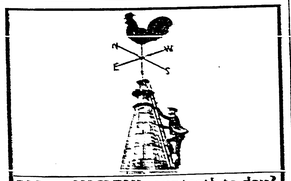

It suggests that representatives of the African peoples should be invited to attend any Indian round table conference which may be held in India in November, and that Africans also be represented at the Paris Peace Conference.

"Come to Your Senses"

—Clarkson

The Minister of the interior, Dr. T. E. Dönges, addressing the National Congress of the United Party on Thursday, said the Indian Land Tenure and Indian Representation Act was on the Statute Book and, despite Indian opposition, would be enforced.

Senator Clarkson appealed to the Indian community to "come to their senses" and to the best of the community as a whole appeal to the Government to see that the Act would be administered in a reasonable manner. Only when peaceful relations have been established between South Africa and India would it be possible to deal with the South Africans.

THE VOICE OF INDIA

Mr. Naidoo, who returned from the Transvaal this week, said in Delhi would always be raised in the cause of African freedom and understand the aspirations.

"I like the idea that African students should come to the universities and mix with the sons and daughters of India, and we shall try to encourage this as far as we can," he said.

He was sure that friendly advances from Africa would be welcomed at the Paris Union conference to be held in March next year. We can then confer with the African delegates and see what we can do for development of the relations between Asia and Africa."

INDIAN BANK FOR S.A.?

ARRANGEMENTS are being made to open an Indian bank in this country because of the difficulty which Indians find in trying to raise loans from European financial houses.

Until the passing of the Asiatic Land Tenure Act loans were advanced to Indians by Europeans as a matter of ordinary business, but now there is a political twist to it and Europeans who lend money to Indians are virtually blackmailed by municipal politicians.

The Act also prevents a European from mortgaging a loan of more than 50% of the value of a property to Indians.

A big English banking interest with South African connections is, The Leader understands, interested in the proposition and will, in fact, be the backbone of the project.

Plans and registration of an Indian Building Society are also now being worked out.

INDIA WANTS FRIENDLY RELATIONS

MR. Jadwat came with Mr. Maharaj Singh and Mr. Krishna Menon, Private Secretary to the Prime Minister of India, and Pandit Nehru's personal secretary, according to a Sapa-Reuter Pretoria message.

Mr. Menon said his mission was one of goodwill, undertaken to convey to the South African people the friendly feelings of India towards them.

India wants friendly relations with all countries, including the Union and Britain, and does not feel that friendship with one country should be at the expense of another, he said.

He was not aware why relations between India and the Soviet Union should be placed on a permanent basis of the strongest friendship.

It is gratifying to learn that Mr. Menon asked Mr. Malcolm for the opportunity of visiting India, and the establishment of full diplomatic relations.

Because of the shortage of food in India, Mr. Menon said, he did not hope for any substantial help from South Africa, but he would call the attention to the possibility that there may be overproduction.

300,000 DEAL

Avalon Cinemas Change Hands

THE Avalon chain of cinemas, established primarily by Mr. A. I. Kajee, has been sold to a Pretoria Indian company. The deal involves £300,000 and is, The Leader understands, the biggest Indian business transaction in South Africa.

There will be no change of control until December 15, after which the new owners will take charge.

AMERICAN DOUBTS ABOUT UNO

IN some American circles there is still doubt whether the United Nations will take any positive action to get the personal emigrants to South Africa considered.

In the course of a letter to Mr. Harold V. Johnson, leader of the United States delegation to UNO the Secretary for Mission states:

"It is already apparent, however, that there will be strong opposition in certain quarters against any action by the United Nations which appears to be dangerous from the point of view of the peaceful relations that exist between the United Nations on the one hand and the governments of Indonesia and Spain on the other hand. Reports have been reported, as likewise the Indian Government's protest against the treatment of South Africa may be referred.

The New York Times editorially prepared the way for such measures with views by saluting the South African Government's decision to abolish the pass system and to end the Indian segregation zones in favour of "somewhat permanent" measures.

A spokesman of the British Foreign Office has strongly hinted that Britain will table a motion.

The latter goes on ... no decision or assurance that the Indian delegation will give assistance especially in the matter of the transport and will always be available. Possibly a decision to be taken by the General Assembly on the question of the treatment of Indians in the Union of South Africa, in the matter of the South African Government's policy and practice of discrimination against its non-White populations."

MR. MOOLLA LOSES STANGER ELECTION

MR. E. M. Moolla, who was to Wednesday, per the only Indian on a ward, finally on this count the Town Council of Stanger, was defeated in the election. He had been a candidate for the second year's and two years are to be annual from the Board's members.
