**THE JULY "KING" STILL TOPS
HANDICAP WE TIP OUTSIDER**

FOR two minutes and a few breathtaking seconds on Saturday there will be a roar at Greyville Racecourse, which will reverberate throughout South Africa, as the R30,000 July Handicap field thunders towards its glittering climax, and the hopes and fears of thousands of punters will be finally decided.

There are 19 acceptances and unless something unexpected happens they will all go to the starting gate for this momentous race.

Without doubt the field is a formidable one and includes the cream of horses from the various stables in South Africa.

The favourite in the three-year-old, all-conquering Colorado King, and he has held the position since the betting opened.

Although there have been several short-priced favourites, no July Handicap has been won by one contender, and Colorado King promises to go to the post the hottest favourite in the long history of the race.

His record is superb, and he is unbeaten in nine races, all in record time. He possesses speed and stamina for which he won a record eight lengths.

But, of course, a note of warning should be given that the head of horses have sometimes failed in the past, both here and abroad.

FORMIDABLE FIELD

The field is a formidable one, with such great performers as Jere, Fastidious, Speciality, White Foam, Naval History, Casanova, Doctor John and America to be taken into consideration.

FAVORITE

FAVORITE is one of the most highly bred horses in the country. Last year she won the Michaelmas Handicap in effort, her style and ability afterwards put up a stirring finish to win the Gordon Cup Handicap over one mile one furlong.

DOCTOR JOHN won some good races in Natal before going to the Rand, where he won the Bessie Guinness. A few months later he won the R15,000 winner of the 1962 Durban Gold.

SPECIALITY in his 22 starts has 12 wins, five seconds and two thirds, and if he goes in the post in peak condition he will be a hard horse to beat.

NEW CHIEF is a horse in the better condition and if he can reproduce his past form he will be a hard horse to beat.

NADIR SHUH came prominently into the July picture when he won the Drift Halls Stakes in sparkling style. His chances are excellent and he is in the money of his career.

SECOND MONTH is a new get, but even so he gave a good display when he won the Umhlanga Handicap over nine furlongs carrying 21b.

CHATHAM is a good performer who recently won three races in a row, including the Durban Handicap at Clairwood. Carrying a low weight he is not without a chance and may surprise the field.

AROUND THE CAPITAL

RESIDENTS in Northdale are a bewildered, frightened and shivering people. They are caught in the grip of a winter and hot even in summer.

The semi-detached Council houses are built of hollow concrete blocks and cement floors without ceilings. The outer doors are made of sheet iron, but there are no interlocking doors to ensure warmth and privacy.

1. Foot sanitation and water are laid on in the sub-economic houses. There are no verandas or porches for protection against the weather.

The residents are too poor to afford extra blankets or firewood or other heating apparatus in winter. They are hard hit by unemployment, and the poverty looms over them.

Many of the people are employed by force of circumstance on beds standing on the cold cement walls, and are plagued by flu and other diseases.

A newborn baby died last week at its parents' home in the township on the state after the baby and its mother were discharged from hospital. But the residents are too poor to give their babies the best of medical care.

An one of them gave birth to a stillborn child.

STILL NO HELP

READERS will recall that the past few months have been described in Indian Post Office in the Church Street, Group of the poor people from the poor people.

At every point, the people are some old man or woman who collapsed through lack of food or hunger, who lay in their turn in the gutter, and who were taken to hospital.

I have been an eye-witness of these happenings for the past few months, and I have seen the people in the gutter, and I have seen the people in the gutter.

I repeat that the people are in a terrible state of poverty, and I repeat that the people are in a terrible state of poverty.

When will our government help them?

RAMBLERS SNATCH A DRAMATIC VICTORY

CAPE RAMBLERS snatched a dramatic 4-3 victory over the much-fancied Hearts at the Green Point Track on Saturday before a crowd of about 2,000.

It was a game of last opportunity for both sides, with Hearts, the captain, played Ramblers frantically away many well within himself.

For Ramblers, Belgium was over the dribbling.

It was a great game full of thrills, with Hearts definitely playing the better football. Saha, Zungu and Mpanza were conspicuous with some brilliant ball play. Mthunzi Moodley, Hearts

PETITION TO USE GROUND

THE Sons of Umanto and District have petitioned the Ramblers Sports Association to convene a special general meeting on July 14 for the purpose of discussing the non-availability of the ground to Lower South Coast Football Association for its fixtures.

Lower South Coast, which is affiliated to the Southern Natal Soccer Board, now plays its fixtures at Espirito Santo, three miles away.

Lowly Ramblers beat Hearts—win prize

CAPE RAMBLERS get the award as the "Team of the Week" this week for their fine win over Hearts of Durban. Ramblers have not won the parcel of cigarettes previously, judging by their position on the league table, no one gave the former cup champions any chance of topping Hearts. This was Hearts third defeat in a row.

The league table now is:

Edzie Veeran gets home a punch to the face of Michael Ngidi in their fight at the Durban City Hall last week. Ngongco won the fight on points.

NGIDI LUCKY TO RETAIN TITLE

"Leader" Sports Staff

BY the skin of his teeth, Joe Ngidi, the dual South African title-holder, retained his welterweight crown against the challenger and Natal champion, Joseph Sibi, at the Durban City Hall last week. This fight was a triumph for the promoter, Mr. Nat Moodley. A week before the fight critics felt that Sibi was not yet ready to fight for the national crown, and mentioned that Joe Ngidi would "wipe out" Sibi inside the distance.

After a dull three rounds between the holder, 111½ lbs, both hours went into action. Tshabalala, and the Natal champion with Sibi paying as good as he pun. Killer Madala ended in round 10, but it failed to come. Between the end of the fight and the announcement of the result, an anxious audience waited the result. When told that Ngidi had retained his title, a section of the crowd expressed their disappointment.

The featherweight title fight with Philomen Tshabalala was also a disappointment. The referee, who was a points decision to the challenger, Sibi, but he still landed some telling blows. Sibi remained in the fight to give the champion a tough time and in the twelfth round he was given a points decision. For that, "elusive" knock-out punch—but it failed to come. Between the end of the fight and the announcement of the result, an anxious audience waited the result. When told that Ngidi had retained his title, a section of the crowd expressed their disappointment.

AVALON AND CITY IN CONVINCING WINS

AVALON ATHLETIC and Maritzburg City continued their climb in the U.T.C.'s R2,000 league race when they chalked up convincing victories in league matches played at Curries Fountain on Sunday.

The match between Avalon Athletic and Aces United began in typical cup final atmosphere. Super speed on the loose ball, the initiative centres of their wingers, and a hard cure of experience in their defence paved the way for Avalon's 3-1 victory over Aces. Kicking off from the City end, Aces United immediately moved into attack and their left winger Ryan, repeatedly pierced the Avalon defence with several electrifying runs, coming close on two occasions.

Against the run of play for Ryan, beating two defenders tore down the left wing and crossed the ball to Scarf Wanda who had no difficulty in scoring Avalon's first goal. Once again Aces United moved into attack in the face of which Scarf Wanda and Ronnie Campbell, accidently collided with each other and Manirah Singh came on as a replacement for Campbell.

THE match had more excitement and thrust in their front line but Avalon's centre, half, Sugar Ray Xulu had little difficulty in subduing Van der Merwe who replaced Horace at centre forward.

Aces dominated most of the first half but Avalon impressed and assumed the upper hand after the interval. George Francis, an Aces second goal from a freekick, gave the home side a 2-1 lead. In the sixth round, Madala took quite a bit of punishment. Play became robust and the referee intervened. Play resumed from end to end and eventually, Manirah Singh, who had been cleared by "keeper" Van der Merwe, received Slapp and T. Piliy.

THE results of the game were: Aces United 2-1 Maritzburg City. Maritzburg City 1-0 Aces United. Maritzburg City 1-0 Aces United. Maritzburg City 1-0 Aces United.

He referred to a recent murder of two Kenya officials near the Somalia border, and said Kenya's request for help in hunting the killers, showed "the Somalia Government knew about the killings."

FORD GRANT TO INDIA

NEW YORK — The Ford Foundation recently announced a grant of \$1,400,000 for work on problems of population growth.

Most of the money, about \$1,250,000, goes to India.

Mr. Henry T. Hvald, president of the Foundation, said in a statement that, without efforts to check its growth, the world's population would double to nearly 7,000 million by the end of the century.

GLORY OF INDIAN WOMEN SECOND TO NONE

By Swami Sivavanda

THE world has yet to face the challenge of the Ideal Indian Womanhood. While India has its Nightingales, Joans of Arc, its Sita remains unparalleled and its Savitri matchless and unimitated. Even today the glory of Indian womanhood is second to no other nation. The has been rendered possible for India, by the greatness of the ideals that govern, and the powerful practical philosophy that attaches itself to, the Indian marriage-ide.

Not being a sheer social contract, marriage in India springs from sacred grounds, and holds a dignified footing that is design-able as wholly divine.

Whether the marriage ceremony is accorded the glow of traditional form, or receive the modern setting of simplicity and

charm, it always brings to the couple a persisting sense of the life after life. Wedded to each other, they are welded to the Great Purpose, a life of duty and a great mission, a great and delightful task that is to be performed through the field of household affairs, for the dynamic realisation of the highest values—Dharma, Artha, Kama, Moksha, devotion to the many peace, justice, righteousness, service, sacrifice, pursuit of material wealth, healthy enjoyment of the delights of the senses supplemented by the pleasures of intellectual, artistic, cultural and religious life, and the attainment of spiritual liberation.

Marriage-hymns of the Rig Veda enshrine the whole of the philosophy and significance of marriage, which are detailed and developed by the Grihya-Sutras and Dharma-Sutras. The Vedas bless the bride thus:

"Be a queen to thy father-in-law, a queen to thy mother-in-law, a queen to thy sister-in-law, and a queen to thy brother-in-law."

Founded upon an unshaken and recognised harmony and union of the two hearts, the marriage proceeds to fulfil the high mission of wedded life through an ever-deepening mutual love, co-operation, endeavour, and by growing identity in aims and aspirations that gently taper away into the ideal of the union of two souls, out of the twin one is made. United in marriage, and Anasuya.

Think of these things

by the Gospel Disciples

It is that something on the Son hath everlasting life, and that you might have it more abundantly.

Have you found this life in Christ? It is written in the Word of God that whosoever believes in Jesus Christ, he shall not perish, but have everlasting life. Secondly, by believing in Jesus Christ, who died upon the Cross to cleanse us from all unrighteousness, we are made new creatures in Him, for it is written that God created man in His own image, after His own likeness, to have dominion over the earth, and to be fruitful, multiply, and fill the earth. Now if we admit that we are sinners and repent of our sin and if we believe that the blood of Jesus cleansed us from all unrighteousness, how do we come to know Him personally and His gift of eternal life?

Jesus said: "Behold I stand at the door and knock. If any man hear my voice and open the door, I will come in to him and sup with him and he with me."

If He is knocking on the door of your heart, you have the handle of the door on your side. But before you open it and let Him in, count the cost.

Remember that you are letting in the Saviour and Lord of your life. There is going to be a new Lord of your life. He is going to be King. You are going to have to deny your own will—your life must now be one to please Him and bring honour and glory to Him—no longer pleasing yourself. You must now show His face, for you are now a citizen of a new kingdom. You must be prepared to allow Him to clean your old life out and to replace it with a new life—now and then.

For if any man be in Christ, he is a new creature, and things have passed away; behold, all things have become new.

URDU PAPER FOR U.K.

DURHAM, the second big
city in England, now
has an Urdu newspaper. The new
venture has been launched by
Mr. G. Sarwan Chohan, who went
to Britain from West Pakistan
eight years ago.

Mr. Chohan said since he had
been living in the English mid-
lands he had found that many
people from Asia—particularly
Indians and Pakistanis—found it
difficult to appreciate the fac-
ties existing for them, and to
integrate themselves into the
community, because many of
them could not speak or read
English.

The new weekly—5,000 copies
were printed for the first issue—is
designed to explain things to
Indians in a way they can
understand and also to give them
an opportunity to exchange
views. There are more than 100,
000 settlers from India and Pak-
istan in the area.

Representatives of the Indian
and Pakistan High Commissions
were present at the launching
ceremony recently.

I Believe . . .

I believe in the supreme worth
of the individual and in
his right to life, liberty
and the pursuit of
happiness.

I believe that every right implies
a responsibility, every
opportunity an obliga-
tion, every possession a
duty.

I believe that the law was made
for man and not man
for the law, that gov-
ernment is the servant
of the people and not
their master.

I believe in the dignity of labour,
whether with head or
hand, that the world
owes no man a living
but that it owes every
man an opportunity to
make a living.

I believe that truth and justice
are fundamental to an
enduring social order.

I believe in the all-wise and all-
loving God, named by
whatever name, and
that the individual's
highest fulfillment,
greatest happiness and
safest well-being, are
to be found in living
in harmony with His
will.

I believe that love is the greatest
thing in the world; that
it alone can overcome
hate; that right can and
will triumph over
might.

Candid Commentary . . . by Politicus FEDERATION BREAK-UP SPOTLIGHTS S. A., S. RHOD.

It had to come, the break-up of the Federation, and no one will regret its passing. Cer-
tainly, the last persons to complain should be the stubborn Sir Roy and his disciples
who stubbornly refuse to recognise the winds of change.

Mr. Maurice Webb, in a paper
read at the Institute of Race
Relations' Council meeting in
January last year had his
say on constitutional develop-
ments in the Federation. "The
Federal Constitution does not
define partnership. For Whites
it has often been a blessed word
to be repeated and forgotten.
To Africans it has become a
word for derision. Particularly
if it meant anything it meant
equality of wages, opportunity
of service, and a share in the
thing of the kind."

Mr. Webb went on to say
that there is any equality of
service, "how, when he asked Lord
Maitland, he said that the partner-
ship of the Federation was a
partnership at present but the
Native has joined the firm and
has his foot on the lower rung
of the ladder."

Mr. Kaunda obviously was not
interested in this kind of part-
nership, and Sir Roy Welensky,
the gruff man that he is, thought
that equal status may be
achieved by the Africans in ten
to three hundred years time.

Well, that is a long time to
wait, especially in an Africa that
is on the march, and a world
that is moving fast into the
Space Age.

Now the stage is set for Nat-
ionalist South Africa and most
likely an Independent Southern
Rhodesia—will a member of the
Commonwealth but recognising
the Crown-to-join bonds, and
hold on tenaciously to the old
order for the next two to three
decades?

The rest of Africa, twelve-
fold vast and free, will, in
one huge leap, leave us alone for
next 300 years and let us go our
way.

NYASALAND MEN THIRTEEN MEN COUNCIL APPROACHED FOR R30,000 SPORTS FUND

A DEPUTATION of the South Coast District Indian Foot-
ball Association Sports Trust met members of the Durban
City Council's Parks and Amenities Committee last week in
an effort to get a loan of about R20,000 to R30,000 to carry
out certain urgent improvements to the ground at Clairwood.

The City Council's grant of
R20 per year towards the de-
velopment of the ground is
hardly sufficient to meet an
annual bill of about R400.

The main requirements of the
trust are:

- Adequate playing fields of
about 60 acres to cater for
soccer, cricket, athletics, and
tennis and swimming.
- Improvements in floodlights
by providing extra lights.
- The small ground to be im-
proved with sufficient light for
practice.
- The Council accept full re-
sponsibility for floodlights.
- Funds to carry out the pro-
posed plans in providing for
boundary wall, extra seating
galleries, raising of the
ground for spectators, change
rooms, shower rooms, kiosks
for refreshments, etc.
- Hardening of pathways and
maintaining roads leading to
the grounds.

In concluding their representa-
tion the deputation, comprising
Messrs. P. R. Palmer, P. Seetha-
ram, M. Ramchand, and M. Ram-
chand, submitted that the
provision of additional
grounds and other amenities
"over three decades" we find the
position has now become des-
perate and immediate relief is
needed for.

The memo mentions in its
opening paragraph that the de-
putation was grateful for the op-
portunity allowed in agreeing to
meet them "after a very long
period of application." Accord-
ing to the memo representations
were made to the Mayor and
City Councilors in 1960 and
left us in a state of frustra-
tion.

The demand for use of grounds
on the Trust is so heavy that at
the beginning of the soccer sea-
son, applications from 14 clubs
for affiliation had to be turned
down and no provision could be
made for juvenile players. At
present, they are accommodated
on senior and 21 junior clubs.

Apart from this the large num-
ber of schools in the area use the
grounds. Over 10,000 children
are involved. Practical matches,
cricket, league matches and the
Commonwealth League, Natal Schools
Sports Association and other
institutions are also placed here.

In poor condition. There are
no seating facilities apart from
the one stand, there are no
changing facilities, and the
grounds are in a state of de-
cay. This latter fact encour-
ages "free" spectators to come
over.

Last month the City Engineer
Department wrote to the Trust
drawing attention to the "dis-
gusting" state of the grounds.
The Trust is now in a state of
despair. The Trust is now in a
state of despair. The Trust is now
in a state of despair. The Trust
is now in a state of despair.

LEADER OPINION WE SUSPECT

FOR the second time in
a matter of weeks the
Durban City Council has
been back for further con-
sideration of a proposal by the
Housing Committee for a new
Indian housing scheme at
Phoenix-Mt. Edgecombe area.

We are happy to see that
the Council has decided to
consider the proposal. It is a
scheme which would benefit
the majority of the Council's
Indian population.

Although the Mayor of Dur-
ban, who supported the pro-
posal, has said that he would
not be a party to the "mass re-
location" of Indians from the
AREA of the city, it is not
clear that he is not a party to
the "mass re-location" of In-
dians from the AREA of the
city. What about the de-
cision of the Council?

Reassuring message for Chiltern Hills residents

PROPERTY owners in Chiltern Hills need not fear about
their property being expropriated by the Department of
Lands for the erection of a University College for Indian
without reasonable compensation being paid for it.

This was disclosed by Mr. Ven-
ter, the local representative of the
Department of Lands in Durban,
at a meeting of the Chiltern Hills
Residents' Association, held on
June 20, at the Durban City
Hall.

Mr. Ven, who was accompanied
by Mr. S. Bridgeman, the vice-
president of the Durban Indian
Combined Ratepayers' Associa-
tion, told "The Leader" that he
assured the deputation that he
would consider compensation for
individual properties on the basis
of development of the property.

The deputation had asked Mr.
Ven to assess the value of the
properties to be considered for
development as well.

When the lands were expro-
priated the residents would be
granted reasonable time to move
out of the property or to stay on
the land as tenants at reasonable
rent.

BROTHER! WHAT A SISTER!

OPINION is fairly unanimous that when it comes to acting
Marlon Brando has few peers. But a loudly dissenting
voice is that of Brando himself. He says the real talent in
the family belongs not to himself but to his sister, Jocelyn.

She can act rings around just
about everyone I know," he
boastfully proclaims. "I've been
picking up pointers from her all
along—and I've still a long way
to go."

Now, for the first time in their
careers, these two are teamed
before the cameras in Univer-
sity's big-budgeted production of
"The Ugly American," based on
the widely hailed novel by Wil-
liam J. Lederer and Eugene Bur-
bank. The picture opens in South
Africa shortly.

Jocelyn, first born of the three
Brando children (there's another
son, Francis), was a star on
Broadway before Marlon. Her
self made his memorable per-
formance in "A Streetcar Named
Desire."

Jocelyn says she can recall as
if it were yesterday her mother's
appearance in a production of
"Pygmalion" by the community
theatre.

FISH BITE FOR CON. TEXTILES

WITH a catch of 17th, the Consolidated Textile Anglers' Club won the Natal Anglers' Shield, a contest organised by the Natal Anglers' Association at the Bluff at the weekend. Eight teams competed in two leagues—men's and women's. The men's league, which was the more competitive, was held in the morning and the women's in the afternoon. Consolidated Textile won four points in the league competition, were placed first, with three points, in the first of the five rounds for the "Cable News" Shield trophy and the cash prize of R100.

This competition also decided the Federation's competition for the Randell's Memorial Cup, and because of their catch Consolidated Textile were declared winners.

HEARTS REGAIN FORM AND TEAM PRIZE

THE parcel of cigarettes goes to Hearts this week for their performance against Orlando Pirates. After a series of defeats during which they lost their unbeaten record and even the third place, the Durban side fought back at the weekend to manage a close 1-0 victory in the last few minutes of the game.

Consequently Hearts have now regained their third place. A parcel of cigarettes with the compliments of the United Tobacco Company and "The Leader" will be sent to the team during the week.

Southern Natal Table Tennis GREAT FIGHT BY MOOLA EARNS SINGLES TITLE

By MORGAN NAIDOO

IN a tense battle, M. G. H. Moola fought back to win the men's singles event of the Southern Natal table tennis championship held in Durban last week. K. Valjee, who earlier beat Cassim Peer in a semi-final, won the first two games but Moola made a fine comeback to win the match 14-21, 18-21, 21-19, 21-13, 21-13. Moola beat A. Valjee to enter the final.

Eleven-year-old Kamal Bughwan was perhaps the most consistent of all the contestants. With his aunt, K. Maharaj, as his partner, he won the mixed doubles by beating P. R. Manjand and M. Fayers in three straight sets, 21-19, 21-17, 21-18. Cassim Peer and M. G. H. Moola beat K. Maharaj easily defeated E. Broughton, 21-17, 21-19, 21-8, to win the women's singles crown.

The results of the finals were: Mixed doubles: K. Bughwan and K. Maharaj beat P. R. Manjand and M. Fayers, 21-19, 21-17, 21-13. Men's singles, semi-finals: R. Valjee beat C. M. Peer 22-21, 19-20, 20-21 and M. G. H. Moola beat A. Valjee 22-20, 21-19, 20-21. Final: M. G. H. Moola beat R. Valjee 14-21, 18-21, 21-19, 21-13, 21-13. Women's doubles: C. M. Peer and M. G. H. Moola beat P. R. Manjand and M. Fayers 21-19, 21-17, 21-13. Women's singles: K. Maharaj beat K. Bughwan 21-19, 21-17, 21-13. Junior singles: M. G. H. Moola beat A. Valjee 21-19, 21-17, 21-13.

A FUTURE CHAMPION

Kamal Bughwan (11) was the centre of attraction at the Table Tennis Championships held last week. Besides winning a number of contests his tenacity and skill drew rounds of applause from the spectators.

GROUP AREAS HEARING DON'T ZONE VERULAM PLEA BY SWART

IN a brilliant and moving plea to the Group Areas Board at its hearing at the Verulam Town Hall last week Mr. R. A. F. Swart, former Member of Parliament for Zululand and a leader of the Progressive Party, asked the Board not to zone Verulam racially and to reject the request of the White Town Board of the township to cut up Verulam into White and non-White zones.

Mr. Swart's plea against race zoning was made on behalf of the Verulam Committee on Group Areas Act which was represented before the Board by Mr. Swart and Messrs. C. P. Naidoo and K. Maharaj.

The Verulam Indian Ratepayers' Association was one of the bodies making an alternate recommendation for the creation of the entire Township as an Indian Group Area.

With the daily Press featuring Verulam prominently in its "Editor's Column" the "Natal Mercury" added editorially:

"By asking for Verulam to be zoned as an Indian group area, the Indians of Verulam are putting the Group Areas Act on trial. They have a great case, and if it fails, the moral basis of group areas is of which there has been little evidence so far—falls."

The memorandum presented to the Board pointed out that the White population of Verulam was a fraction of one and had declined from 272 in 1921 to 252 in 1946, whereas the Indian population was of a permanent nature and had continued to increase and stood at over 3,000 including those at Grassmoor, "Gladhill" Drive and Tomlin's Valley.

Dealing with the attitude of the Indian community to the Group Areas Act, Mr. Swart said that Indians regarded this measure as an unjust law aimed at their economic ruin.

"It is the viewpoint of the Indian community," said Mr. Swart, "that the Act is an unjust law and that no justice can flow from its implementation."

Detailing the effect of the law on Verulam Indians since 1949, Mr. Swart pointed out that Indians were unable to make normal economic under the permit system and asked the Board to grant all permits for Verulam in respect of any inter-group transaction. He also asked for a moratorium on the law.

The hearing, which was presided over by Mr. F. C. H. Wood, lasted two days. The other member of the Board was Mr. P. H. Tordoff, a former Nationalist member of the Provincial Council.

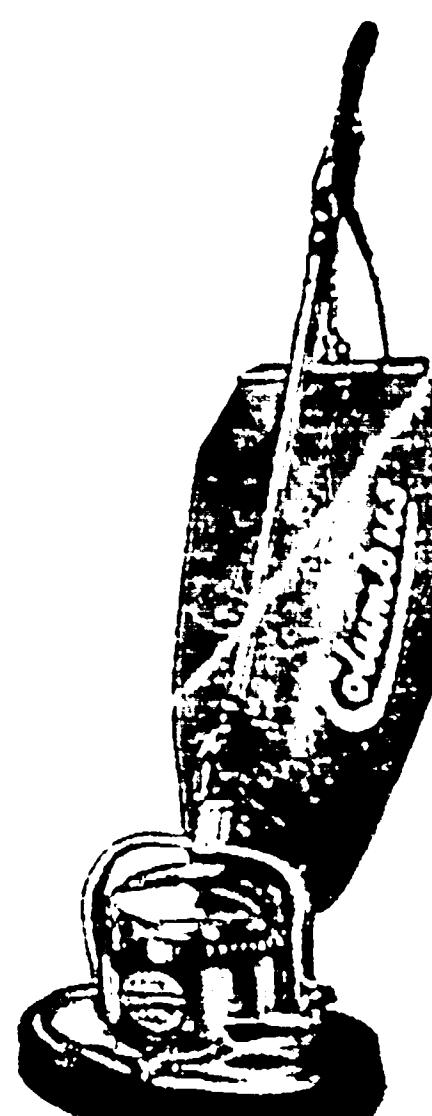

Ray Swart acclaimed

SO impressed was the Indian public gallery with the plea made by Mr. R. A. F. Swart that when he sat out for the following day people who wanted to congratulate him were at first disappointed and then spontaneous when the initiative in sending to his Durban office a telegram paid for from an amount collected at the Town Hall.

From public gallery Verulam Town Hall we offer heartfelt congratulations and admiration your moving plea to Group Areas Board on behalf voiceless Indian people. You spoke from our hearts as you have spoken courageously for many years in and outside Parliament against racial discrimination.

No "censuring" sermons in this campaign

"Leader" Reporter

SOUTH AFRICA'S greatest Indian evangelized revival campaign, which was held daily for 15 days, came to an end at the Bethesda Temple, Durban, last Sunday, after an estimated 15,000 people thronged the church hall to attend the celebration of the campaign.

Attending one of the campaigns, I found the reason for the overwhelming support and love the Bethesda Temple Organization is enjoying not only in this country, but in India as well.

Pastor J. F. Rowlands, whose lifetime of ministry to the Indian people has almost become a legend and part of the community's life, combines his versatility as a minister, orator, humorist and an expert cameraman to live up to any prayer meeting he holds, and which are unlike those serious, heavy and censorious sermons many are accustomed to from many preachers.

COLOUR SLIDES

The pastor held his sermons on his recent visit to India, Nepal and Ceylon and illustrated them with beautiful colour slides of places and people of the Indian sub-continent.

Through an ingenious device which combined his beautiful narration, authentic Indian music recorded for the purpose in India, and his wizardry with the

SUCCESSFUL FLOOD APPEAL

More than two tons of food, clothing and blankets have been collected by the Ramakrishna Centre and the Post Graduate Medical Association of the King Edward VIII Hospital towards the Zululand Flood Victims Relief Fund.

Swami Nischalananda, head of the Ramakrishna Centre, said that the response to their appeal was "wonderful".

"Indian business houses did not hesitate to contribute liberally towards this worthy cause," he said. "On our first round we collected more than 1140 worth of groceries, including sugar, beans, milk, mealie rice and other staple food of the Africans."

DISTRIBUTION

The goods were taken by Swami Nischalananda and other social workers on Tuesday to the stricken areas where they have been distributed by the Apostolic Church Mission in Zululand.

Mr. Benning of the Belvedere has offered the organisers seven prefabricated timber houses to replace the washed away houses of some of the Africans. More such houses will be made available by his firm when there was a need.

All donations should be sent to the depot at 23 Baker Street, Durban.

MONEY LENDING RACKET THRIVES IN DURBAN

"Leader" Reporter
IN the midst of large-scale unemployment and poverty in Durban, amateur money-lenders have found a fertile field to thrive, and they are causing misery to countless families.

These lenders could be put into two categories—"the big timer" who has plenty of capital and lends out large amounts to businessmen at fantastic interest and the "small timer" who may be a thrifty and enterprising factory hand or an ordinary labourer who lends money at exorbitant rates of interest.

When "The Leader" began an investigation it was found that at several factories in Durban certain employees if you were prepared to pay 50 cents on every R2 a week.

LIMITED PERIOD
The period of the loan is usually limited, and the money is given by the money lenders to help others in need.

Most people who borrow money find themselves only able to pay the high interest each week. The capital remains unpaid and when the borrower cannot meet his obligations within the agreed period, he finds himself in real trouble.

These money lenders employ strong-arm tactics and the borrower may find himself beaten up at intervals until the money is repaid.

The police, of course, are powerless as there is no proof of any of these transactions, and the borrowers are too scared to report them.

Jailed for Gavine Dagga

A sentence of 120 days imprisonment or R250 was imposed on Mr. Shaik Mahomed (62) after Pietermaritzburg Magistrate's Court recently by Mr. P. Hansen.

Mahomed was charged on two counts, the first being for the possession of three and a half pounds of dagga, for which he was sentenced to 120 days or R250, and the second for possession of an additional 12 months imprisonment suspended for three years on condition that he is not convicted of a similar offence in that period.

The second charge was for the possession of five gallons of shirazi and 331 bottles of rags. For this offence Mahomed was sentenced to 120 days or R250, and an additional 12 months imprisonment suspended for three years.

Mahomed is from Dukuza in the Pietermaritzburg district.

TEA FOR WHITE LAWYERS ONLY

ON the first day of the Group Areas hearing at Verulam, the Verulam Town Board provided tea for members of the Group Areas Board and then invited the European lawyers appearing before the board to have a tea.

The non-white lawyers were completely ignored.

This incident caused unnecessary tension among the members of the public who were quick to observe this. The following day, however, the Verulam Indian Ratepayers Association stepped in and arranged for a multiracial tea.

At the conclusion of the hearing on Friday last week the members of the group Areas Board were entertained to a lunch at the residence of a leading Verulam Indian.

DELICIOUS SATIRE ON DIVORCE

ONCE again Joseph E. Levine has hit the jackpot. The title of his latest film is "Divorce-Italian Style", a deliciously contrived satire on the married life and morals of the Italians. This excellent film, which won the Best Comedy award at the recent Cannes Film Festival, is scheduled for screening at the Avalon from Thursday to Saturday next.

Throughout the film, the Italian stars display a delightful ability to chuckle at themselves and their national life, notably Marcello Mastroianni, who played the leading role in "La Dolce Vita".

Mastroianni, as Ferdinando, a Sicilian baron, bored almost to tears by his loveless, simpering wife, has designs on his divorcee first cousin, Angela. But first he has to make his wife into the arms of another man so that he can dispose of her to protect his and his family's honour.

Almost every second of Mastroianni's breezy, hidden eyes and delectable face, expressing utter boredom, is worth at least a couple of giggles and certainly the Italian Silver Ribbon which equates it with an Oscar.

Daniela Rocca, as his unwittingly unfaithful wife, and Stefania Sandrelli as his eager mistress, provide perfect foils to his comic antics in this wickedly funny film.

"Dr. Vidya" is fine family entertainer

DE LUXE FILMS "Dr. Vidya," which enters its second week at the Albert after a week's run at the Avalon, is a social drama based on Nathuram's Marathi novel, "Doctor Kadambari". The film adaptation has purpose and entertainment value to make it a worthwhile for the whole family.

Written several years ago, the story relates to a period when arranged marriages were very common and girls were given away in marriage either to gain money or status or for considerations such as old family ties.

In the present drama, Rattan and Geeta are married at the instance of their parents as the fulfilment of a promise made in their early years. Geeta is an educated girl, and when on the day of their marriage, Rattan is a doctor, she is a doctor's wife. Rattan is a doctor, she is a doctor's wife. Rattan is a doctor, she is a doctor's wife.

Geeta is, of course, determined to win her husband in her own way, being devoted to him in the true traditions of a Hindu wife. She qualifies as a doctor and returns to her husband's village and, after being successful in her profession, also succeeds in winning back her errant husband.

Instances of arranged marriages are not uncommon even today and may a time they are the cause of bringing unhappiness to the couples. The theme itself is, therefore, not entirely outdated.

It dispels the impression prevalent among a certain section who believe that highly educated girls do not make good wives.

"Dr. Vidya" may be taken as a worthwhile film if one accepts the purpose of the offering as mainly to provide entertainment. The performances of the individual actors are good and most of the needs of the story. Vyjayantimala makes an attractive heroine and the dance sequences made her costume, dear Madam! Manoj Kumar plays her husband in the best manner possible.

Romantic role for Hawkins

THE HAWKINS, jungle romance picture, "The River Kwai," gets its second screening at the Albert. In fact, he gets two screenings. Hollywood's delectable Paul Robeson, who costarred in the film, is playing at the Albert. He is playing at the Albert. He is playing at the Albert.

Absorbing film gets another screening

A FILM which created a great deal of interest when it was screened at the Avalon last year, "The Hustler" is due for another screening at the same cinema from next Monday to Wednesday. The manager, Mr. J. D. Maharaj, told "The Leader" he had arranged for a repeat screening following numerous requests.
