TEACHERS ANGERED BY NITS

"Leader" Reporter

A DECISION of the Natal Indian Teachers' Society to convene a special general meeting of the Society at the Loram High School in Durban next Saturday, May 14, has been strongly criticised by some members of the 3,000-strong Society. Members told "The Leader" in an interview that it seemed odd that such an important meeting was being held at a venue that holds less than 100.

"We are intrigued by the decision to hold this meeting here when signatories to the requisition calling for such a meeting numbered 232 and only half that number will be accommodated at Loram," one of them declared.

According to another teacher, the requisition signed by the 232 Indian teachers was sent to the Society sometime late last year, soon after the publication of the salary scales under the new department, and called on the Society to convene a special meeting in terms of the constitution to discuss the scales.

"However, the matter was delayed for some unknown reason, and when the matter was taken up early this year, the Council decided to hold the meeting on May 14.

"The general body of Indian teachers, particularly from Durban and the surrounding areas, numbering almost 1,500 teachers, would want to attend the meeting, and this is certainly not possible at a venue that would barely accommodate 100 people."

A principal of a Chatsworth school declared that the Society and its officials were "playing a dangerous game" that could only result in "wholesale criticism, and it would be wise for them to afford everybody a chance to attend".

In the meanwhile, the Verulam branch of the Society has taken strong exception to a circular advertising the meeting, wherein it is noted that the requisition for the special general meeting has come from this branch.

When asked to comment, Mr. A. K. Singh, the chairman of the branch, stated that there was no truth in the assertion that his branch was solely responsible for the requisition.

"The requisition has not come from my branch and has been signed by teachers from various branches in their individual capacities," he said. "Quite a large number of teachers from the central branch are signatories as well."

"The Leader" learns that the executive committee of the Society has been invited to an "afternoon tea" by the Director of Indian Education, Mr. P. R. T. Nel, next Friday, May 13, at the offices of his department in Stanger Street, Durban.

It was a great moment for Durban Spanish dancer Ramola Naidoo when she went backstage after the performance at the City Hall of the Spanish Dance Theatre to meet Lidalilo, recognised as one of the world's greatest exponents of the art. Lidalilo admires a dance pose struck by Ramola.

Lost family sought after 78 years

MR. SINGARAVELLOO VADIVELLOO, of Mauritius, is anxious to get in touch with his long lost relatives in South Africa.

Mr. Vadivelloo, in a note to "The Leader", writes that his father, Vadivelloo Santanum, who hailed from Tanjore, South India, sailed from Madras in 1888, together with other members of the family, for Durban.

One of his brothers, together with his wife and two sons, settled in Natal and Santanum went on to Mauritius with his family.

Now, after a period of 78 years, the family in Mauritius wish to trace their relatives in South Africa whose surname may be Vadivelloo or Santanum.

The "lost" relatives can write to Mr. S. VadiveRoo, c/o Mauricurco, Curepipe, Mauritius.

BAY DRAMA MAN HELD

"Leader" Reporter

AFTER escaping from a hospital ward at the King Edward VIII Hospital and evading the police for the last two and a half months, a 22-year-old man who is alleged to have kidnapped a mother and her two-year-old son and then driven the car in which they were travelling into the Durban bay was arrested last Friday morning.

It will be recalled that the three occupants of the car were saved from drowning by two members of the tug, S. R. Morey, on February 19 this year.

Mrs. Helen Peters, a mother of three, speaking from her hospital bed, after the incident admitted that the man had been making a regular nuisance of himself around her home at Victoria Road, Redhill. "I met him seven years ago and he wanted to marry me," she said. "When I spurned his proposal, he continuously pestered me."

REQUEST FOR SWIM BATH

A REQUEST has been made to the Durban City Council for the provision of a swimming bath and paddling pool in Merebank.

In a letter to the Town Clerk, the Merebank Ratepayers' Association which has made the appeal, points out that the increasing number of drownings among Indians was due primarily to the absence of swimming baths where Indians could be taught to swim.

Message of the stars

AQUARIUS (January 20—February 19): A little more firmness with another person may be to your advantage. You could pull off quite an intriguing deal if you like, with a business associate. You are under lucky stars for love, finance and health.

PISCES (February 20—March 20): Watch diet, as there is a possibility that if you mix foods there is a fear of digestive trouble. Avoid travel, too, for the next day or two, it would be more auspicious to go on a trip about the end of the week.

ARIES (March 21—April 19): Do not count your blessings before they are hatched, something could go wrong with a present plan of yours. Watch it all angles. News from a distance and matters to do your career are in your horoscope.

TAURUS (April 20—May 20): There is scarcely any news on matters that appear to be important just now, as your lucky stars will be shining on you quite brightly for the next few days. Beware of putting too many promises in writing.

GEMINI (May 21—June 20): All obstacles in your path are likely to fall before you as you have a very powerful influence working for you in your horoscope. Be not upset learning that you have been successful in succeeding by being persistent.

CANCER (June 21—July 20): You may not know it, but a member of the opposite sex is watching you closely with a view to giving you more responsibility or happy time for lovers, your stars are rather than more lucky.

LEO (July 23—August 23): Minor obstacles will give you feelings of frustration, but let this pass. The middle of the week will bring you new interests. Forget the pin pricks, you have much more important things to deal with soon.

VIRGO (August 24—September 23): Be more easily calmed down when you get into a temper. You will find it really is scarcely worth it to quarrel. One loved one is unable to express affection for you spontaneously, so halfway towards you is necessary understanding.

LIBRA (September 24—October 23): There are very good prospects ahead for you or there is someone in whom you may be interested in change of activity. New visits are opening up for you this week. Lover financial prize is coming, want as guidance.

SCORPIO (October 24—November 22): An idealistic week is here, you have been down in the dumps for some time may well begin to see better things like. Keep your temper covered over a love matter, starting to mend a rift between you and lover.

SAGITTARIUS (November 23—December 20): Something that you have put behind you for quite a while may face you and all of this present week. You will certainly have to think some over a matter connected with finance.

CAPRICORN (December 21—January 19): Your independent nature is likely to get a rude jolt from a close friend or relative. Have no fear, it will be for the personal benefit and you will be rewarded, and a journey will help you because of the end of it all.

Swami visits Kimberley

From a Correspondent

DURING his recent visit to Kimberley Swami Narayananda delivered two inspiring lectures at the Hindu Temple at the Gandhi-Tagore library.

The Swami spoke of Yoga philosophy. "The art and science of Yoga," he said, "are processes which are simple and straightforward. One must meditate and find that source of peace within oneself."

He stressed that prayer, in the wider sense, had the answer. This was common to all religions, but as the Bible says, "The light shineth in darkness and the darkness comprehendeth it not." Therefore, one must meditate on the "Divine Being" who illuminates everything.

During his stay the Swami was entertained to tea by the Mayor and Mayoress of Kimberley and other leading personalities. Mr. G. N. Naidoo presided at the lecture at which Imam Gogi and Imam Jardine also spoke.

COURT HEARS OF MAN'S ATTEMPT TO GET POISON TO KILL WIFE

"Leader" Reporter

WHEN an Indian father of five sought some medicine from an African to kill his wife, he was given a potion containing the ashes of burnt banana leaves, it was disclosed in the Durban Magistrate's Court last week. The father, Narainsamy Coopsamy Chetty (40) was appearing at a preparatory examination into an allegation of murdering his wife and burying her in a shallow grave near their Perth Road home, Westville, in March this year.

An African, John Msuli, told the magistrate, Mr. P. J. van Aswegan, that he had been approached last year at his home in Wyebank by the accused who wanted some medicine with which to kill his wife.

"I know the accused and when he asked for the medicine I told him it would cost R20. He said he would give me R5 deposit. He went away and returned later with the R5. I then made the medicine from some burnt banana leaves after he kept pestering me.

"The accused came back to see me and said the medicine did not work. He was very angry and wanted his money back. I told him to report it to the police and he went away."

PHONE CALL

Perumal Naidoo, a brother of the deceased, told the court that he accompanied his mother from Umkomaas to the home of the accused following a phone call that his sister was missing from home for a week.

"When we arrived at the home on a Saturday we were met by Sheila (13), and her mother, a sister of the accused. They told us my sister had been missing since she had gone to the market in Durban a week previously.

"We returned to the home on Sunday and found the accused listening to the radio. When we asked him about my sister, he told us she went to the market and hadn't returned. Later he took the children and went off.

FOUND BODY

"My mother did not believe the accused and later she complained of a smell. I went and reported the matter to the police and when we searched the area we finally found the body. I saw both legs and the right hand jutting out of the ground."

Dr. H. N. van der Graaf Gertenbach, a Government Medical Officer, told the court that he examined the body at the mortuary and found it to be in an advanced state of decomposition. "There was a destruction of the right arm and the body was infested with maggots. My findings showed signs of strangulation and the body must have lain in the grave for a week or more. There was indications that force had been applied to the neck. There were no other visible signs of violence."

Sheila Chetty (13), who told the court that she was the daughter of the accused's sister, stated that on the night before her aunt's disappearance, the accused arrived home at about 6.30 p.m. and appeared to be drunk.

"My aunt was at home and I heard them quarrel. My uncle said she was a mad cow and a mad woman, I went to sleep and do not know what happened afterwards my mother and I were still asleep when my uncle knocked at the door early next morning and told us my aunt had already gone to the market."

The case has been adjourned to May 12.

CELEBRATION OF TAMIL NEW YEAR

From a Correspondent

MORE than 1,000 members of Port Elizabeth's Indian community attended the Tamil New Year celebrations held under the auspices of the P.E. Young People's Hindu Cultural Association at the Alpha Theatre.

Mr. Shanmugam S. Pillay, president of the association welcomed those present and paid tribute to the services rendered to the community by Mr. A. S. Chetty, who formerly served as priest for 15 years without monetary gain.

Mr. Chetty, the guest speaker, made reference to feeling of insecurity amongst Indians as a result of the Groups Areas Act. The future looked bleak and if Indians sat back and watched the situation deteriorate and the Temple gates would be "padlocked" and made inaccessible to them.

Candid Commentary . . . by Politicus

ONE CAN'T HELP BUT TAKE NOTICE OF THIS NOTICE

ON a recent visit to the Bay, the following notice at the Gardiner Street Jetty caught my attention:

UNIVERSITY COLLEGE, DURBAN

The attention of all students are (the emphasis is mine) drawn to the dress regulations which read that conventional dress must be worn by all students, i.e. jacket, tie and long trousers for men; and the Western or Oriental dress for women.—Rector.

This official notice reminding Indian students to the Salisbury Island College, exhibited in a prominent position, could not fail to draw one's attention.

Two things struck one immediately about the notice. The first was the obvious, simple grammatical error in the wording of the notice. The other was the content itself.

So, there are actual dress regulations applicable to the students at Salisbury Island. And the students can make no mistake about what is required of them.

Apparently, there are no such regulations at the University of Natal, where the Principal, Professor Horwood, took the students to task in his inaugural address, at the way some of the students dress.

If there are any dress regulations, they are certainly not being enforced or they have become obsolete through non-enforcement.

And, there is little doubt that some students at the University of Natal have become a law unto themselves in so far as their dress is concerned.

NO SUCH POSITION CAN ARISE AT SALISBURY ISLAND COLLEGE SINCE THE LAW IS LAID DOWN BY THE AUTHORITIES.

Perhaps the students at Salisbury Island may rightly argue that, by the enforcement of the dress regulations, they have lost yet one more freedom open to their white counterparts at the exclusive white institution.

They must remember, however, that they can never be regarded as the equal of the whites. They must be treated like children, and the white masters know what is best for them in the matter of dress also.

This is not to advocate any kind of disobedience to the authorities at Salisbury Island. Far be it from that. It is merely to draw the distinction or the difference between the two institutions.

There was a time when varsity students set great store by their appearance. They dressed conventionally and in a manner befitting the occasion.

Shorty shorts, stove pipes and such stuff was not to be seen on the varsity campus.

Trousers, of course, are longs, but the Salisbury Rector takes no chances and makes it abundantly clear to the students that it is "long trousers for men"!

Most Indian girls, of course, dress in Western clothes. Some few appear in their attractive "oriental dress" which is really reserved for festive and other special occasions.

The sari and the ljankurta (Punjabi-style, in the case of Muslim girls) is perhaps too fashionable for the rough and tumble of the varsity campus. Besides, the western dress is much more comfortable.

As for stove-pipes, slacks and such stuff in the case of our girls, well, they are so bashful that they have yet to get used to the idea of putting on shorts and bathing costumes on the beach, let alone dress in slacks and shorts at Salisbury Island.

It is the inborn conservatism and modesty of the Indian female which dictates her mode of dress, though she is caught up in a western society in which to dress is to undress within the limits of the law.

IT WOULD BE NEWS, INDEED, TO LEARN THAT ONE OF OUR VARSITY GIRLS HAS FALLEN FOUL OF THE COLLEGE REGULATIONS BY APPEARING IN SHORTS FOR AN ORIENTAL STUDIES LECTURE!

As for the University of Natal, one of these days, the Principal may enforce the regulations with regard to dress—if there be any such regulations—or, following the example of the Salisbury Rector, devise some kind of restraint to discipline the undisciplined.

Letters to the Editor

NEWLANDS BUS COMPLAINT

Sir,—In your edition of the 15th instant, I read of Mr. S. R. Ramie's complaint of poor bus services to Cato Manor Road/Trimborne Road. Please do allow me some space in your widely read paper to air my views regarding the poor bus services to Newlands and Parlock.

The services at Newlands is not conducted properly and busuers of this area are put to inconvenience and hardship.

Firstly there is not enough buses to cope with the large population of this area. Secondly buses do not run according to the time schedules. Thirdly, the overloading of buses has resulted in passengers becoming easy victims for pickpockets.

When one remonstrates with the driver or conductor about the unscheduled services and overloading etc., one is either told to jump off or take another bus. Some action must be taken for an efficient bus service in this area.

I think the bus operators of this area should get together and organise an efficient service or better still if more buses were run to this fast-developing residential area. Otherwise the Durban City Council will be just too pleased to step in. Remember Sydenham!

Bus user.

WHY HINDI ONLY?

Sir,—Through the medium of your esteemed columns I would like to be enlightened on the following observations I have recently made concerning the Indian community of Greytown.

It will be appreciated if the officials concerned will explain through the medium of your paper the following:

(1) On April 3 the Greytown Indian Civic Association held a function to choose their contestant for the Midlands Republican queen contest. As an independent observer I found that the music provided was in Hindi only despite the fact that the whole Indian community embracing the Hindi, Tamil and Muslim languages fully supported this unique function, both contestants and audiences alike.

(2) Again on April 24 the Greytown Indian High School held their Republican athletic meeting. To my surprise here again only Hindi music was bellowed over the loudspeakers.

(3) Would it not be more fitting at these functions to provide entertainment in the three common Indian languages or better still in English only?

(4) Will the responsible officials come out and explain please.

R. P. SINGH.
P.O. Box 24, Pietermaritzburg.

LEADER OPINION

MORALLY BANKRUPT

PINETOWN has been proclaimed "White" under a Group Areas proclamation. Mr. H. A. F. Dettman, the Mayor of the Town, summed up the feelings of the community in a few simple words, when he said: "I would not like it if it happened to me. I am thinking of how I would feel if I had a home or business established for many years and then had to move. It is very hard."

The proclamation, he felt, was "morally wrong."

The chairman of the Pinetown Indian Ratepayers' Association naturally expressed strong criticism of the latest Government decree to hit the Indian community.

And he made a very important point. He said that no consideration had been given to representations made by the Association and the Pinetown Town Council at the Group Areas Board sittings at Pinetown in September, 1964.

The Town Council had asked that the Indians be allowed to remain in the commercial centre even without residential rights.

What, may we ask, is the purpose of these Group Areas Board hearings if the representations of the parties concerned are ignored altogether.

If the local communities are to be so completely by-passed and if the whim and fancy of the Government is to prevail, we honestly believe that these Group Areas hearings serve little or no purpose at all.

The time and money spent on them is a sheer waste. Would it not be better if the Government merely made its plans known, and then got on with the job? What is the point in prolonging the agony of the community?

WE ARE CONVINCED THAT THE WORDS "MORALITY" AND "JUSTICE" ARE NOT TO BE FOUND IN THE GROUP AREAS DICTIONARY.

The colour used on the official map to denote Indian areas is red. This is the colour the banks use to denote a debit against their customers' accounts. It seems that in the Government ledger folio of group areas, in the ultimate analysis, Indians are always "in the red"!

Harold Jr. seems more interested in the camera than the attentions of Julia Munoz (right), a member of the Spanish Dance Theatre Company, who was met back-stage after the show at the Durban City Hall on Monday night by Mrs. H. E. Barnabas, widow of the late Principal of the N. L. Sultan College, Pietermaritzburg.

Jailed for neglecting to support family

"Leader" Reporter

A COLOURED who was accused of visiting shebeens and drinking regularly and neglecting his wife and three children was sent to jail for 38 weeks in the Maintenance Court last week. The man, Ronald Gilbert, of 79 Walner Avenue, Sydenham, who was called upon to pay R15 maintenance weekly to his wife, Noreen on March 10, 1964, was in arrears for R7.339 and a suspended sentence of July 22, 1965 was duly enforced.

When Gilbert appeared in court on July 22, 1965, he was already in arrears for R591 and charged on 27 counts, he was found guilty and sentenced to three months imprisonment on the first count and a week for each of the remaining 26 counts, all of which were suspended for three years on conditions he paid not less than R20 per week as current and arrears until the arrears were liquidated and thereafter comply with the original order of March 10, 1964 to pay R15 weekly.

On April 13 this year there was an application for the enforcement of the sentence as Gilbert was in arrears for R1.339.

Mrs. Noreen Gilbert told the court that her husband who was a bricklayer and plasterer earning R32 a week frequented shebeens and drank heavily and spent most of his money on friends. She now had a fourth child from him.

HEAD INJURY

In his defence Gilbert stated that he was out of employment for a while and had failed to meet his commitments following a severe head injury when some Africans attacked him near the Sydenham Hotel. "I asked the doctor for a medical certificate to prove that I have been stabbed but he refused to give it to me and said that you should phone him for the information," he said.

Gilbert also said that he had worked in Maritzburg for a while and his wife knew he was in hospital as she was living with him.

His pleas, however, failed and he was sent to prison for 38 weeks.

Ebrahim, son of Soobhan Sheik, of Pietersburg, was engaged to Mariam, daughter of J. Z. Khan, of Glencoe, on February 20, 1966. A large gathering of friends and relatives were present at the function.

RODGERS and Hammerstein's "The Sound of Music", a Robert Wise Production released by Twentieth Century Fox, the world's foremost studio, commences at the Avalon, on Monday. This film has already run half a year at the Colosseum in Durban and has been seen by 250,000 people.

"Sound of Music" won five Academy Awards, including best film of the year, (other awards were Best Director—Robert Wise, best achievement in sound, best achievement in film editing, best scoring of musicic adapted for films).

Stars are Julie Andrews (winner of Academy Award last year for her performance in "Mary Poppins") and Christpher Plummer, with supporting roles filled by Richard Hayden, Peggy Wood, Charmain Carr, the Bil Biard Marionettes and Eleanor Parker as "The Baroness". The Gala Premiere of the film will be held at the Avalon by the Sydenham Cultural Institute.

As the irrepressible Maria in "The Sound of Music", Julie Andrews ads to her growing list of outstanding performances on both stage and screen.

She dazzled Broadway and later London, as Eliza Doolittle in "My Fair Lady" and went on to new triumphs as stately Guinevere in "Camelot", again on Broadway.

Her film debut in "Mary Poppins" won her an Oscar and she got rave reviews for her next film role in "The Americanization of Emily."

SIX stars head the cast in Universals "Bus Riley's Back in Town" which shows here. This film which lays bare the innermost emotions of a town and its people and shows them brazen and unashamed, stars Ann Margaret, in her second dramatic role, as the girl once gilted by Bus but who can't let him go, while Michael Parks is the bewildering young Bus.

Janet Margolin plays his young sister's chum who wins him in the end. Brad Dexter, is a hot shot salesman who tries to mould Bus in his image while Larry Storch plays the counselling bartender. Kim Darby is the adoring young sister.

Ann Margaret made it to stardom in just four earlier films, hitting the heights as the singer-dance-cum-ingenue of "Bye, Bye Birdie". But her great success in that role left no place to go but elsewhere — to emotional drama. This was accomplished with her playing the role of Laurel, the temptress who picks up the torrid love affair which Bus Riley has broken off several years before by joining the Navy, even though, in the interim, Laurel had become the wife of a respected and wealthy man.

SHAH

WHAT is reported to be one of the most spectacular action films of all times, the story of a warrior-emperor who himself lived the mightiest adventure of all time opens at the Shah. The film is "Genghis Khan", a Columbia release in widescreen and colour with Egyptian star, Omar Sharif in the title role.

Also in the stellar cast of international luminaries are Stephen Boyd, James Mason, Eli Wallach, Franchoise Dorleac, Telly Savalas, Robert Morley and Yvonne Mitchell.

REGENT

ANTHONY QUINN, Alan Bates and Irene Papas are starred in the great international hit, "Zorba the Greek" which plays at this Capital cinema

The film is about a young British writer, played by Alan Bates, who journeys to the island of Crete to take charge of a lignite mine bequeatted to him by his Greek father.

In the course of his travelling through Greece he teams up with Zorba, a grizzled old Greek suffian with a keen sense of adventure and romance.

The film recounts the escapades of the ribald Zorba and his youthful, intellectual companion and employer as they try to revitalise the mine.

AJANTA

THIS cinema which is scheduled to undergo a complete reenovation in a few months' time will release the third in the series of spy thrillers featuring Sean Connery, alias James Bond, "alias Secret Agent 007.

The film, "Goldfinger," follows in the tradition of its earlier successes. "Dr. No" (which was banned to non-Whites) and "From Russia With Love." The fourth, "Thunderball," is released to non-Whites in Durban a few weeks ago.

"Goldfinger" combines action, thrills and suspense and although it falls short of the impact achieved by "From Russia With Love," it nevertheless provides good entertainment.

ROXY

INDIA'S new and exciting romantic pair, Biswajeet and Saira Banu, head the cast in Subodh Mukerji's colour extravaganza, "April Fool," shot in Eastmancolor and due here.

Biswajeet who rocketed to fame in "Bees Saal Baad," the crime thriller that was dubbed the "suprise fluke of 1962," has stayed at the top ever since and joins the select band of newcomers. His portrayal in "Bees Saal Baad" drew ecstatic praise and the film broke several records on its release.

"April Fool" provides the handsome star an opportunity of exhibiting his versatility even in light-hearted roles.

The production is packed with gags with the hero fooling the heroine and she in turn fooling the hero; then they both fool the villain and the villain fools himself.

Saira Banu dances, romances and paces her way through a delightful comedy. Taking stellar roles are I. S. Johar, Jayant, Sulochana, Chand Usmani, Ram Avtar and Shivraj.

Milk for the early bird

NORMAN WISDOM'S eleventh —and funniest—comedy for the Rank Organisation is called "The Early Bird". In his first film in colour, he plays a humble milkman at war with far superior forces from the giant modern consolidated dairies. But here is no ordinary conveyor of the daily pinta. It's a no-holds-barred battle of the bottles with much hilarity unleashed along the milky way.

Norman's comedy antics are aided and batted by such popular favourites as Edward Chapman, Jerry Desmonde (both veterans of past Wisdom comedies), Paddie O'Neil and Bryan Pringle.

"The Early Bird" is set for an early release at the Raj in Durban.

STARS AND STUDIOS

PADMINI, Anjali Devi, Savitra, Relangi, S. V. Ranga Rao and A. Nageswara Rao are teamed in Vikram Productions' Telegu venture, "Vasantasena" in Eastmancolour.

SOUTH INDIAN star, Jayanti, has been signed to play the main female lead opposite Sujit Kumar in "Lal Bangla", a crime thriller. Also starred are Prithviraj Kapoor, Sheikh Mukhtar, Shyama, Hiralal and Bhagwan.

BHANUMATHI, the first South Indian actress to win the coveted "Padma Shri" recently won the State Akalami's literature prize for her short story collection, "Athgari Kathalu".

ASHOK KUMAR, Uttam Kumar and Deb Mukerji have been teamed in a film in Eastmancolour to be made by producer S. N. Sinha.

THE success of spy films elsewhere in the world has provided Indian producers with a new theme in films and the latest to come from the Indian motion picture industry is "Mr

KUM KUM

Larbu in Hong Kong" starring Sujit Kumar, Kum Kum, Sheikh Mukhtar and Helen. Recently chase scenes on automobiles covering Flora Mountains and other localities of Bombay were shot for the spy drama.

ASHOK KUMAR, Mala Sinha, A. Biswajeet and Johnny Walker are teamed in "Pyar Ke Sapna", in Eastmancolour which is due for production shortly. Location shooting will also shift frm India to London and Paris.

Mitchell in "hombre"

CAMERON MITCHELL has returned to Hollywood following six years of film-making abroad to co-star in 20th Century-Fox's "Hombre," under the direction of Martin Ritt.

Before leaving Hollywood, Mitchell portrayed Joanne Woodward's husband in "No Down Payment," also directed by Ritt. While abroad, he starred in films in South Africa, France, Spain, Yugoslavia and Italy. His most recent film was "Minnesota Clay," a Western which was Italy's box-office champion for 1965.

Starring in the eWstern drama, which is being produced by Ritt and Irving Ravetch, are Paul Newman, Frederic March, Richard Boone, Diane Cilento and Janice Rule.

Darin has best role to date in 'state fair'

BOBBY DARIN, who has been referred to as "the most striking instance of the rebirth of showmanship," receives the most important role in his meteoric screen career in Rodgers and Hammerstein's "State Fair."

The Rock 'n Roll vocalist, who made "Mack The Knife" one of the most popular songs, plays a local TV announcer looking for a fast promotion (to network time) and for a fast affair.

Darin and Pat Boone, rather than considering one another rivals, developed a close friendship while working together. "You can't put our working together on a competitive level," explained Darin, "Pat's a standard in the business . . . something I aspire to be."

"This Isn't Heaven," one of the new Richard Rodgers songs, was written especially for Darin's "State Fair" role.

JUST REWARD IN DESERT

MAX VON SYDOW, Yvette Mimieux, Efrem Zimbalist Jr. and Gilbert Roland are co-starred in "The Reward" which opens at the Avalon shortly. In colour and CinemaScope, the film exposes greed in all its variety beneath the harsh Mexican sun.

The story concerns a chase across a desert with Zimbalist being the hunted with a 50,000 dollar reward for his capture. The chase begins smoothly by car and then the pursuer and pursuer switch to horses. In the middle of the desert the two meet and greed takes over.

IN MEMORIAM

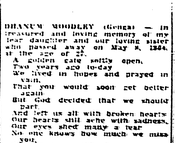
DHANUM MOODLEY (Gengal) — In treasured and loving memory of my dear daughter and our loving sister who passed away on May 8, 1964, at the age of 27.

A golden gate softly open.
Two years ago to-day
We lived in hopes and prayed in vain.
That you would soon get better again.
But God decided that we should part.
And left us all with broken hearts
Our hearts will ache with sadness,
Each time we think how much we miss you.
Oh God we could always depend
She shared our troubles and our joys.
Following her footsteps we cannot go wrong
Years may fly, and tears may dry,
But memories of you will never die.
— Ever remembered by her mother, Mrs. S. Pather, brothers and sisters, brothers-in-law, and sisters-in-law, of 27 Kenilworth Road, Kenville. 3905

KASAVAL—In cherished memory of our beloved father, father-in-law, and grandfather, K. P. Kasaval, who slept the Eternal sleep on May 8, 1965.

Father dear, its three long years
Since you did close your eyes,
Three long years of heartaches, tears,
Sad years since your demise.
Dear, we trust in God's sweet will
A place of comfort reserve,
Where we do by service reside,
This lovely creek earns,
But, dear father, we do smile,
On thoughts of the morrow.
For we'll join you in a while,
And forever sit nearer.
— Deeply loved, sadly missed, and ever remembered by his loving daughter, son-in-law, Pare ical grand-daughter Mala, of 12 Ajax Lane, Durban.

IN MEMORIAM



THANASAGREE NAICKER — In loving memory of our dear mother who passed away peacefully on May 2, 1964.

We miss her kind and loving ways,
With her we spent such happy days.
We miss her when we need a friend,
On her we could always depend
She shared our troubles and our joys.
Following her footsteps we can't go wrong

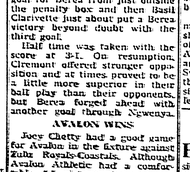
DARTS AGM

THE annual meeting of the Natal Darts Union will decide on Sunday whether headquarters should go to Standerton or whether the Union should depart from its usual policy and elect the "best-man-for-the-job" — irrespective of where they come from.

A special general meeting will precede the annual meeting. The meeting is being held to revise the constitution.

IN MEMORIAM



JANAKIE MAHARAJ. — In cherished memory of my beloved wife and our mother, Janakie Maharaj, who passed away peacefully on May 2, 1964.

As this ends the second sad year
We miss her kind and loving ways;
With her we spent such happy days.
We miss her when we need a friend,
On her we could always depend;
She shared our troubles and our joys.
Following her footsteps we can't go wrong
On earth she toiled, in heaven she'll rest.
But God decided that we should part
And left us all with broken hearts
Years may fly, and tears may dry,
But memories of her will never die.
—Ever remembered by her loving husband, family, relatives and friends. (Inserted by Mr. C. R. Maharaj, Box 23 Edendale). 3904

GOAL-SHY CLERMONT CAN ONLY BLAME THEMSELVES

GOAL-SHY Clermont Swallows did everything but score in the R2,000 sponsored league competition against Berea at Curries Fountain on Sunday in the SASL's first morning match. Berea won the game 4—1 after trailing 0—1. In the other game Avalon Athletic played according to expectations when they beat Zulu Royal-Coastals 4—1.

While Clermont did not look like a side that would upset the more favoured Berea, they did show glimpses of useful form and frightened Berea and their supporters to some extent when they took a 1-0 lead in the 15th minute.

The new all-African side made many good moves but their finishing was poor and as a result a number of goal-scoring opportunities went begging.

Berea drew level five minutes later when M. M. Reddy banged home a goal from a close range.

S. Ngwenya netted the second goal for Berea from just outside the penalty box and then Basil Clarivette just about put a Berea victory beyond doubt with the third goal.

Half time was taken with the score at 3-1. On resumption, Clermont offered stronger opposition and at times proved to be a little more superior in their ball play than their opponents, but Berea forged ahead with another goal through Ngwenya.

AVALON WINS

Joey Chetty had a good game for Avalon in the fixture against Zulu Royals-Coastals. Although Avalon Athletic had a comfortable 4-1 victory, the win was not as easy as the score might suggest.

Chetty could have got a hat-trick if he had only tried a little harder. Avalon Athletic beat the Coastals 2-0 first with both the goals coming from him.

S. Khomalo put the cup champions 3-0 ahead before Coastals managed to reduce the deficit. Dharam Mohan, who scored two goals in two matches during Avalon's brief tour of Kimberley during Easter, seemed to be sadly off form. There were occasions when he was well placed to score but failed to do so. He compensated for this towards the end when he beat a 20-yard free-kick right into the goal.

PMB. MATCH IS OFF

THERE will only be one pro. soccer match this weekend and that will be between Aces United and Clermont Swallows at Curries Fountain. The match between Maritzburg City and Zulu Royals-Coastals has had to be cancelled because of the unavailability of the showgrounds once again. The ground has not been available during April because of the Royal Show.

Whether what was seen of Clermont Swallows last week, they should give a fairly good account of themselves when they meet Aces United on Sunday morning at 10:30h. I do not believe that Swallows will beat United, but they should give the seasoned side a strong and tough challenge.

Title to Sastri

BARRING miracles Sastri are assured of being "A" Division league champions for 1966. On Sunday they beat Sunrise 5-3 to retain their unbeaten record —but not before a hard match in which the Pact Shepstone side gave their accustomed fighting display.

Sastri now have only their match against Aroca to complete. Sastri lead 4-2 and victory here appears certain.

Royal beat Aroca 5-3 to secure second position to the Easterleigh Strikers beat Sydenham 5-2.

"B" Division results were: Sastri 5, St. Anthony 2; Sastri 5, Brighton II 1; Woodridge 4, Umbilo 3 (incomplete); United 5, Sunrise 0.

Fixtures for Sunday are: Umbilo v. Woodridge, Clermont v. United, Sastri v. Brighton II, Rydalvale v. Sastri, Aroca v. Woodridge, bye Sastri.

Khan shoots Pirates to victory

PINE PIRATES scored a 5—nil victory over Fairview Colts in an exciting senior league match played at the Pinetown grounds on Sunday. The game got off to a cracking pace. Within minutes centre - forward Latiff Khan, scored from close quarters to put Pirates one-up. After about twenty minutes he scored twice to notch a hat-trick. A good goal from Henry took the half-time score to 4—nil.

The second half was a thrilling affair with Fairview fighting back desperately. The forward line moved smoothly but the Pirates defence held on grimly. The Pirates 'keeper brought off a number of fine saves.

The efforts of the Pirates forwards were thwarted by the alert Fairview defence which shone in this half. With just five minutes to go Pirates scored from a goal-mouth scrimmmage to make the final tally 5—nil.

AVALON-BEREA THRILLER SET UNDER LIGHTS

By "Leader" Sports Staff

THERE should be a thrilling game under floodlights on Tuesday evening when Avalon Athletic and Berea clash in a local "Derby" for the R2,000 sponsored league competition.

Berea, who had a fairly good game on Sunday when they beat Clermont Swallows, are out to seek revenge over Aces United to whom they lost earlier this year. It's not going to be an easy game for either side and in the process they should provide our starved soccer fans with something of a football treat.

Berea's enthusiastic manager, Mr. Manna Chetty has no doubts about a victory. "Watch my team on Tuesday and all those who think we will lose will have to eat their words. We are not so foolish as to throw away the very attractive prize money that will go to the winners of this seek revenge over Aces United to whom they lost earlier this year. It's not going to be an easy game for either side and in the process they should provide our starved soccer fans with something of a football treat.

Berea's enthusiastic manager, Mr. Manna Chetty has no doubts about a victory. "Watch my team on Tuesday and all those who think we will lose will have to eat their words. We are not so foolish as to throw away the very attractive prize money that will go to the winners of this competition and we believe that the match against Avalon Athletic is a vital one towards that goal. Our supporters can be sure that Berea's colours will be flying high after the match.

NOT SURE

Avalon officials were not so sure of Berea's chances, when they were told of what Mr. Chetty had to say. One of them said: "This is an important game and I can expect Mr. Chetty to have high hopes. It is obvious that Mr. Chetty would not say that they were going to lose, because that would set them at an immediate disadvantage; but speaking for my team, we have been training very hard for this match and all my players are in top condition. We will have no trouble in fielding the strongest side on Tuesday."

Walk-over for Gandhi's Hill

From Paddy Padayachee

IF Gandhi's Hill beat Crusaders in the "Champions of Champions" match at Tongaat this Sunday, Gandhi's Hill Football Club will become the first holders of the trophy that was donated this season. Crusaders must beat Gandhi's Hill and then beat Swallows in the next match if they are to win the award.

In the first leg of the competition last week, Gandhi's Hill were awarded a walkover when Swallows failed to fulfil certain conditions laid down by the Tongaat Football Association. The conditions were that players should be registered seven days before any match and that players' photographs should be submitted before the match commences. Swallows did not do either.

In the junior match Tongaat Juniors "A" gained a 4-0 victory over Satellites. One more match between these teams will be played on Sunday if Tongaat Juniors win them they will take the honours. Satellites only hope of clinching the award will be by winning the next match by a clear five-goal margin.

The main match between Crusaders and Gandhi's Hill will be played at 3.15 p.m. on Sunday and the junior game will take place at 1.30 p.m.

NARROW WIN

BEECHAM CITY had a narrow 3-2 win over Pine Aces in a league match at Merewent on Sunday. In the other senior matches Dynamos trounced Marine United 5-2 and Clairwood Suburbs swept to an easy 3-0 win over Navy Wanderers.

The other results were: Juniors: Rimers 7, Young Mariners 2; Jacobs 5, Merebank 2; Pirates 3, Valkaaks 0; Oxford United 1, S. Callies 0; Greca Falcons 4, Astroids 1.

RIVALS CLASH IN CLUB ATHLETICS

By "Leader" Sports Staff

RASHID KHAN, the Transvaal athlete who beat Karamchand Hiramun in the mile event last year, will be in Durban this weekend for the inter-club athletic meeting that is to take place at Curries Fountain on Saturday afternoon. An interesting programme has been drawn up and it is expected that a number of new records may be set up.

Kiruban Naidoo, the Natal 100, 220 and 440 yards champion, will make a strong bid to retain the title. He will face stiff opposition in this event from Karamchand Hiramun, who is the holder of the South African title for the 440 yards.

In the 100 yards S. Abbas, the South African High School 100 and 220 yards champion, and Kiruban Naidoo, the former champion, will be pitted against one another.

Errol Khan and the Transvaaler Rashid Khan, will fight out the 880 yards and one-mile events.

Our athletes will attempt to do the half-mile in two minutes at Curries Fountain. They are Chris Petersen, Errol Khan, K. Hiramun and Rashid Khan. The record at present stands at 2.06min.

WOMEN'S 880

For the first time there will be an 880 yards event for women. This item has been put on the programme at the request of a number of women athletes. Sakunthala Naidoo, the South African high schools' javelin champion, will be competing in the javelin and discus events.

Beera Seebaluck, d'Alberton Callies and Avondale will be the teams competing on Saturday.

Results of the matches played on Sunday were:

Juniors: Asherville Rovers 3, Arabian Stars 2; Tongaat Rangers 3, Dadhoo Stars 0; Phoenix Lads 1, Bhe Bees 7, Bayview Rovers 0.

FIXTURES

The matches for the forthcoming weekend are: Saturday: Bayview v. Rangers; Overport Wanderers v. City; Navy v. Rovers.

Sunday: Arabian Stars v. Rovers, Phoenix Sparks v. Clairwood, Bhe v. Bee, Beach Cardinal City v. Merewent Park.

The only senior game for the weekend was that decided on mid-Monday evening. It is possible that the two new teams, who have not played a game yet might be halved.

THE BEST SELLING PETROL

The Shell sign is a symbol of true quality. Every product that bears the Shell sign is the best. When Craig Breedlove recently shattered the world land speed record at 600·6 mph, he relied on Shell. In the world of motor racing, since 1935, more World Championships have been won on Shell than on all other brands combined. This know-how means that more and more motorists will continue to benefit, as they do today, by going Shell — Supershell Aromax, South Africa's best selling premium petrol. Every drop of Supershell Aromax contains a high proportion of Aromatic Hydrocarbons, the most powerful ingredient known to the petroleum industry. That's why more and more motorists go Shell.

SASF to make special effort to heal breach in Border soccer

By "Leader" Sports Staff

THE officials of the South African Soccer Federation were empowered, at an executive meeting held at the weekend, to make a special trip to East London to see if they could effect some settlement in the dispute between the Border Football Association and the Border Soccer Board.

Mr. E. K. Naidoo, vice-president of the Federation, told the meeting that he had made a number of attempts to get the parties to reach some settlement but these efforts were in vain.

Border Football Association, which made application for membership of the SASF a few months ago, were prepared to accept subsidiary affiliation but BSB, an SASF affiliate, was not keen to grant such membership.

After much discussion it was agreed that all five of the officials make the trip to East London if necessary and if there were some indications that there was a genuine desire on the part of the Union and the Board to settle their differences.

The meeting was told that all seven centres had indicated that they would be taking part in the forthcoming inter-provincial soccer tournament that is to take place in Durban from July 3 to 10. It was decided that the teams would compete for the Kajee Cup on a league basis.

The question of recovering the Sam China Cup was discussed and it was agreed that the Transvaal Soccer Board, whose delegates were present at this meeting, be asked to make approaches on behalf of the Federation.

The Southern Natal table tennis championships commenced at the Y.M.C.A., Beatrice Street, Durban, on Monday evening, when these pictures, (from the top) of A. Valjee, P. R. Mandan and S. G. H. Ramderee were taken. Ramderee will meet K. Bughram in the junior finals.

NO LOVE LOST!

By "Leader" Sports Staff

NO questions were asked and there was no discussion when a letter of resignation from Mr. E. G. Rooks, an honorary member, was tabled at an executive meeting of the South African Soccer Federation in Durban on Saturday.

The letter was accepted, as one member put it, "with pleasure."

In his letter Mr. Rooks said that he did not agree with the policies of the Federation. Mr. Rooks was a member of the Federation for many years, while the Federation was constituted of racial football playing organisations.

Cricket Board to discuss future of Super league

By "Leader" Sports Staff

THE Natal Cricket Board of Control is to call an informal meeting sometime in June to discuss the future composition of the Super League. All those clubs at present in the competition and others that are interested are to be invited to take part in the discussion.

At the moment there are six teams in the competition — all from Southern Natal. At the time when it was decided to introduce this competition the Maritzburg and Northern District Associations were no affiliated and as a result they were left out.

At a subsequent meeting, after Northern Natal and Maritzburg had affiliated, the possibility of including teams from these centres was discussed but Northerns decided to stay out at least for that season and Maritzburg also agreed to do the same.

Now the position will have to be revised and there is a strong possibility that Orientals and Young Natalians from Pietermaritzburg might also be invited but there is some doubt about teams from Northern Districts.

DISTANCE FACTOR

Because of the distance, it is possible that some teams might object to clubs from Ladysmith and the surrounding areas playing in the series.

There is talk that Crescent who were beaten in the promotion play-off by Clares, might still be included in the Super League as Crescent won on the Shell Cup.

In the meanwhile, the Natal Cricket Board of Control is meeting this Sunday. There will be the usual council meeting but a special general meeting, at which rules governing the various competitions will be discussed, will be held prior to that.

STRUGGLE FOR GUN ENDED IN ESSOP'S DEATH

"Leader" Reporter

MOONSAMY GOVINDSAMY, who is alleged to have murdered prominent socialite and president of the Aces United professional soccer club, Mr. Chota Essop, in the early morning of August 22 last year, appeared before Mr. J. van Aswegen in the Magistrate's Court at a preparatory examinition into an allegation of murder.

The court was crowded when Govindsamy, smartly dressed in a fawn pin stripe suit, made his appearance. His wife, dressed in a blue sari, was among spectators.

Dr. H. N. van der Graaf Gertenbach, the State Medical Officer who examined the body of the deceased identified the clothing—a blue waistcoat, white shirt and vest—and referred to a small hole in the garments as being caused possibly by a gun shot. He stated that he had examined the body and had later removed a bullet.

Mrs. Mavis Pillay told the court she lived at Flat 1, 20 Carlisle Street, Durban. "I knew the deceased and on the evening of August 22 we went to the Moon Hotel to a dance. I was accompanied by the deceased, Kanthilal Bhanjee and my sister Katherine. We later went to the Epsom Lounge in Umgeni Road at about 1 a.m. after which Bhanjee was taken home. The four of us then went to Katherine's home.

"We were sitting and talking when we heard a whistle outside. I heard footsteps in the lane and a knock at the door. When it was opened I saw the accused at the door. Chota asked him to sit down but the accused said he had to go somewhere and then left.

"Chota and Kanthilal left. Some five minutes later I heard a knock. The accused answered and said he had something. When the door was opened he showed us a pair of glasses and a case.

"He asked Katherine whether she knew to whom the glasses belonged and she replied that they belonged to Kanthilal. The accused told her that an African wanted to sell it for 50c and when he took out his gun, the African had dropped the glasses and fled.

"We went outside to look for the deceased at the entrance to the lane. The accused and a friend walked behind us when we saw the car come up from First Avenue. It stopped and Katherine walked up to it and handed the glasses to Kanthilal.

GUN IN HAND

Kanthilal thanked the accused for the glasses. The deceased said the glasses belonged to the accused since he had paid for it. The accused said something offensive and Essop got out and went towards Govindsamy who had a gun in his right hand pointing at the deceased.

The accused said "No Essop, I am not trying to fight you." Chota grabbed the accused's hand behind him and was trying to get at the gun. Katherine shouted, "Don't shoot Seela", and he replied, "No Kate I won't shoot." A friend of the accused tried to intervene and Kanthilal got out of the car and told him to stay out of it.

"I heard the blast of a gun while the accused's back was in front of me and I saw the accused walk away. The deceased stood for a while and then began sagging to the ground. I ran to him and he tried saying something but the only thing I heard was, "Take me, take me". When the accused saw the deceased fall, he and his friend ran away.

When questioned by the State if she knew the accused, Mavis stated that she had seen him for the first time on the night of the incident. Questioned further if she had attended an identification parade and if she had identified the accused, she said that she had attended the parade and was unable to identify the accused but she was now able to do so as he was wearing spectacles. "On the day of the identification parade he had no glasses," she said.

Cross-examined by Mr. R. S. Pather for the accused, Mavis Pillay told the court that the deceased had said to the accused, "You think you are big.

No confidence meeting at Verulam

"Leader" Reporter

PROPERTY owners and residents of Verulam, the first in the Republic to be declared for Indians, are up in arms against a move allegedly being made to forestall open elections to the towns local affairs advisory committee. Mr. Percy Fowle (NPC) announced last week that elections may be held in October this year.

"The Leader" learns from a reliable source that members of the Committee met in secret to discuss the latest development. The local Town Board, it is believed, does not want elections for a fully elected body in October this year and may appeal to the provincial authorities to put the matter back.

Generally, the committee members are in office against the wishes of the local population. The opposition stems from the fact that the authorities ignored the popular choice and nominated the men suggested by the Town Board.

A mass meeting is to be held this Sunday at 11 a.m. at the local Mattress Hall and "The Leader" learns that a vote of no confidence is to be passed in the Local Affairs Committee. Several members of the S.A. Indian Council — Messrs. E. I. Moolla, A. G. Khan and Dr. E. Ramdrith — are scheduled to address the meeting.

According to an official of the Verulam Indian Ratepayers' Association, the voters' forms are now ready and are available at the offices of Mr. V. S. Chinsamy.

Remanded in custody

ANAND NAIDOO, 23, described as a writer, of 61 Essendene Road, Sydenham, made a brief appearance in the Durban Magistrate's Court on Wednesday this week at a preparatory examination into an allegation of murder following the death of an unidentified Indian at a Durban hotel three months ago.

According to the charge sheet Naidoo is alleged to have struck the man with a blunt instrument resulting in the man's death.

Naidoo was remanded in custody to May 24.

TAURUS (April 21—May 20): Old sticks make a great fuss of you; you will make some new and valuable friends this week. There is good news about money though you may have to wait for it. People round you tend to fall out, try to involve you in something unpleasant.

VIRGO (August 22—September 22): Travel is discussed, maybe be embarked upon. You have to take a decision, not only for yourself but for somebody else too. Do not worry, there is money about. Working conditions may be strenuous.

LIBRA (September 23—October 22): Someone who looks to you for help and advice appears to be in trouble. Do not try to get out of your responsibility; you must give advice, be sympathetic. You run into a very happy time. Could get a letter that means a lot to you.

SCORPIO (October 23—November 22): On the financial side a very good period for you. On the personal level, a difficult period. You realise that something must be done to settle at least one of your problems. Do not commit yourself to marriage or to a family change if you are settled.

SAGITTARIUS (November 23—December 20): There is an interesting offer just ahead of you. To take it up may disturb your normal life a little but you must certainly go ahead. Have no fears about money. A good time for forming new friendships.

Rise in living standards won't check communism

—MAULANA THANVI

From a Correspondent

THE notion that Communism can only be matched or warded off by raising the standard of living of peoples is a mistaken notion, was expressed by Maulana Ehtashzmul Haq Thanvi when he responded to the toast of welcome at a luncheon given by Mr. E. S. Kajee, a director of North Coast Travel Agency, at the Stanger Town Hall Supper Room on May 3.

The function was attended by more than 100 prominent people of Stanger, including the Mayor, Councillor Lavoipierre, the Chief Magistrate, and the Chief of the Stanger Police, Clr. E. M. Moolla presided.

The Chief Magistrate, Mr. C. f Boswell said he was highly impressed with the imposing qualifications of the distinguished visitor. He felt it was a privilege to welcome such a learned scholar to South Africa, particularly because the Maulana has a spiritual and religious message which is sorely needed in these present times. Mr. Boswell paid high tribute to the local Indian community for their deep religious affiliations.

Replying to the speeches of welcome, the Maulana said that today materialistic communism is the greatest threat to the world. It is posing many problems, among which the most important was the corroding of man's morals. The notion that communism could be matched or warded off by merely raising the standard of living was a mistaken one, he declared.

He said the only bulwark against communism was the spiritual and religious development of man. Unless our moral fibre, which can only be strengthened and fortified by religion becomes strong, communism will pose a real threat to society, both morally and spiritually.

Mr. E. S. Kajee moved a vote of thanks, and expressed his and the communities' gratitude to the distinguished visitor.

Two essentials for survival of nations

From a Correspondent

AT a crowded meeting attended by over 2,000 people at the Stanger Town Hall last week, Maulana Ehtashamul Haq Thanvi said there were two essentials to the survival of a race, patience and the observance of the moral laws of religion.

The Maulana said that any nation which had no patience and whose moral fibre was weak would succumb to oblivion. The meaning of patience, the Maulana explained, was not just playing a waiting game, but it meant that one has to set a goal in life, and to go for it. To reach it, one would encounter many obstacles and difficulties, but they had to be borne with patience and fortitude. Only then could the goal be reached.

The second essential to the attainment of such a goal was to obey the moral laws of religion. It is just not possible to attain them and be successful.

The Maulana declared that the two essentials must go together. Any one by itself would prove to be insufficient to stave off disaster or to revive a nation.

Mr. E. S. Kajee, in moving a vote of thanks, said on behalf of the Jabulani Ulemas, Natal, said the Maulana's lectures was a most inspiring one and he was sure, it would sustain and fortify the community, both morally and spiritually.

The gala premiere of Rodgers and Hammerstein's five Academy Award winner, "Sound of Music", was held at the Avalon Cinema, Durban, on Monday night, in aid of the building fund of the Sydenham Cultural Institute, who are to use the proceeds to erect a multi-purpose hall and theatre on a site donated by the Council in Asherville. Photographed at the glittering opening night were (from left) Institute member Mr. R. Govindoo; Mrs. and Mr. M. E. Sultan, who opened the show; Dr. K. Goonam, president of the Institute; Mr. H. Keerath, the principal of Sastri College; and Mrs. Keerath.

The Durban Coastal Colind (Coloured and Indian) Nurses' Branch of the South African Nurses' Association held a dance at the King Edward VIII Hospital, Congella, last weekend to raise funds for bursaries and the old age home for nurses. The dance was a great success and the organisers could not resist taking to the dance floor themselves. On the left, Sister A. J. There was a huge crowd at the Ocean Terminal, Durban, on Tuesday, to bid bon voyage to friends and relatives who sailed for India on the s.s. Karanja. A large proportion of the passengers was made up of students going overseas to further their education. Among the youngest were Jyothsnekha and Narini Devi Ramawtar, who are going to study at the Mt. Carmel Convent, Poona. In the picture above (second left and extreme right respectively) they are seen being given a helping hand by Mrs. C. M. Ramawtar (left) and Mrs. P. M. In addition to the cabaret turn by Miss Harris, a popular visiting band will make an appearance after midnight.

On Sunday evening there will be a jazz show featuring Cal Dalton's Keynotes who played at the Paradise last weekend. And next Wednesday evening the overseas singer, Murry Campbell, will fill the star spot.

Durban queen contest flops

"Leader" Reporter

THE Durban Central Republican queen contest held last week was almost a complete flop. Less than a 100 people turned up at the Summit Ballroom of the Himalaya Hotel to witness the event.

Only eight contestants took part and the judges' nod went in favour of Vinodheni Moodley, a student at the M. L. Sultan Technical College, Durban. Miss Tilly Roopnarain was placed second and third position went to Mrs. Shirley Appannah.

The winner will represent Durban in the South African Republican queen contest at the Shah Jehan on Friday, May 27, when queens from Johannesburg, Pretoria, Northern Natal, Natal Midlands, South Coast and North Coast will all compete for the title.

Lawrence Pillay, of Chatsworth, who was placed first in the talent contest held at the Pelican last Saturday. The local boy was placed ahead of a number of seasoned artistes and the packed crowd gave him every encouragement.

Candid Commentary . . . by Politicus

THE RUMBLING BECOMES A GRUMBLING

THERE is a rumbling within the ranks of the Natal Indian Teachers' Society. A requisition has gone out for a special meeting to discuss teachers' pay.

For some time now, there has been talk that the officials of the society have been keeping rather quiet about the new salary scales which have benefited but a few men at the top.

The rank and file have not received any appreciable salary increase and they are not liking it at all. That is to be expected.

Obviously, for reasons best known to the officials, no public statement has come to light on this most important question, directly affecting the Indian teaching fraternity and indirectly affecting the Indian community as a whole.

"Unity is strength." That is the motto of our country. That is what we were taught at school in our schooldays. No doubt that is what children are still taught to this day.

But this all essential unity appears to be lacking within the Natal Indian Teachers' Society. The mere fact that a requisition has become necessary shows that there are two schools of thought within the society on the question of the new salary scales.

The one school, which is in a minority, is made up of those who have benefited to the extent of almost R5 per day in the way of an increase in salary. The other, which comprises the great majority of the rank and file, has come in for an increase of but a few cents per day.

Anonymous letters have appeared in the daily Press over the past few months on this question, obviously written by teachers most affected by this position.

NOW, THE OFFICIALS OF THE SOCIETY HAVE HAD TO BOW DOWN TO THE POPULAR DEMAND AND CALL A SPECIAL MEETING.

Even such a thing as the venue for this meeting has given rise to some talk. The Loram Hall is too small for the meeting, the accommodation is limited, and if there is a bumper turnout of teachers, it may well end up as another "Black hole of Calcutta."

Yet the venue should not prove an insurmountable difficulty—the meeting may easily be converted into an open-air one and "business may still be transacted" there.

However, in the nature of things, the meeting would be a closed one, open to members of the society only, and there may be some plain speaking by those with a grievance.

The community's sympathy and support is for our lowly paid teachers. But it is sad to see that they are not able to present a united front to the authorities about their salaries.

CLERGYMAN CALLS FOR FRIENDSHIP REVOLUTION

"Leader" Reporter

A CALL for a new kind of "world revolution" was made in Durban last week by a prominent clergyman. Speaking at the twenty-fifth anniversary of the Friends of the Sick Association ,Dr. Stanley B. Sudbury, secretary of the Conference of the Methodist Church of South Africa, decided "we are desperately in need of this new world revolution—a revolution for human friendship."

Dr. Sudbury pointed out that the initiative for such a revolution lay with the younger generation and "there are many signs that the younger generation is preparing to take that initiative and in fact are better equipped to do so.

"There is need for international friendship. Too often today nations shout at one another across great gulfs of misunderstanding and ignorance", he explained. "They shout loudly for their rights but forget that every right carries an obligation.

"How one longs for the other note to be sounded—the note of friendship and understanding, the willingness to give and take, the determination to maintain an unbreakable goodwill towards others.

NEW SITUATION

"Whatever may be the rights or wrongs of our apartheid legislation much of it stems from a situation which is part of us. With the tempo of development having increased to such an extent, it is possible now to say that we are living in 1966 in a new situation.

"All sections of the South African people have "come of age" in the rushing development of the years. What might have been thought wise and good 20 years ago is today outmoded.

"Many of the harsher provisions of our legislature could have be relaxed because of the naturality of the people and it could be done without loss of face to the improvement of internal relationships, to the improvement of the South African image outside our country and the development of the new climate of friendship among the people.

TB problem only partly controlled

"TODAY medical science has found a cure for TB but that has taken control of only a part of the problem", said, Mr. A. H. Moolla, at the twenty-fifth anniversary function of the Friends of the Sick Association held in Durban last week.

Mr. Moolla stated that TB may no longer be regarded as a death warrant — the latest drugs are described as modern miracles in effecting cures and the vaccines are proving to be extremely effectious—"but the danger of the incidence of the disease remains with us and will continue to do so as long as malnutrition and unsatisfactory conditions exist within our midst".

"The problem therefore," claimed Mr. Moolla, "is linked with economics. TB thrives on poverty and slum conditions. It is an irrefutable fact that many Indians from force of circumstances, live in a poverty-stricken condition in this land of plenty.

"It is ironic that in the midst of vibrant and unmobilised labour, the African potential be not harnessed with the result that he remains out of work in his own country and is forced to go to other countries as workers to do jobs which Europeans cannot possibly be induced to do in their own country.

"Given the opportunity, the Indian can and will overcome the above two poverty and this could be a great contributory factor in the battle against the scourge of TB. Until this happens and until the Indian is given a proper place in the social and economic fabric of the Republic, we will have to continue fighting scabies, malnutrition and TB."

Survey into bus service at Isipingo Beach

"Leader" Reporter

A STATISTICAL survey of the transport needs of the Isipingo Beach community carried out by Mr. M. I. Kajee, a member of the local Indian Advisory Committee, has indicated that the present bus service is inefficient and far from satisfactory.

Mr. Kajee told "The Leader" that the survey was carried out of a population of 2,038 living in 264 dwellings in the area. "The majority make use of the bus service to town and places of employment as well as to school and we have established that of the 264 homes in the area, people residing in 174 of them use the buses.

PEAK HOURS

"They complained of unsatisfactory service, particularly at peak hours. They suggested that there should be extra buses from 5.30 a.m. to 8.30 a.m. and 4-6.30 p.m.

According to the survey, 750 people (263 per cent of the population) travel daily either to school or to work. Of this total 405 use the bus as a means of transport while the others use their own private transport.

"Many passengers, especially women, complain that as a result of the poor service, many of them are forced to stand in overcrowded buses."

LATE BUSES

Mr. Kajee stated that residents also complained of the restricted service and want buses to operate from town later than at present, especially on Friday and Saturday evenings.

Another complaint was that there were few bus stops in DeKa Road and residents of the Ocean Circuit and Inner Circuit Roads had to walk long distances to catch a bus. Residents want bus stops in the vicinity of Inner Circuit Road as well.

Housewives complained of a long wait for a bus into town in the mornings and want an additional service between 8.30 a.m. and 11.30 a.m.

LEADER OPINION

SITUATION VACANT

IT is reported that the Verulam Town Board is to re-advertise the post of Indian Town Clerk.

When the post was originally advertised, it was generally felt that the salary offered would not attract a suitably qualified person. This general impression has now been officially confirmed by an official statement that the post will now be re-advertised at an increased salary.

There has been no dearth of applicants for the post, because no less than 22 applications were received. Of this number, nine were put on the final selection list, and nearly all of the nine were school teachers!

This proves one thing—that teachers are only too ready to give up their profession for anything that can get them better pay.

Yet it is felt by the Town Board that they have not yet found a suitable person; they require a person with legal experience.

We will know the exact qualifications when the post is re-advertised, but that does not alter the fact that unless a salary befitting the position is offered, a suitably qualified person will not be found.

In fact, the local authority will have to offer the same salary which was paid to the White Town Clerk, to be able to fill the position with an Indian of the same calibre and qualification.

They will not obtain, at a lesser salary, the right person. Verulam will have to pay its new Indian Town Clerk a salary in keeping with his responsibility.

NO COMMENT ON FATWA

ALTHOUGH he is known to have made some strong comment in private discussions against the Fatwa and the practice of interest, Maulana Ebhas-Hamid Haq Thanvi, regarded as one of Pakistan's most eminent men ofre fiction, refused to discuss the subject when interviewed at Louis Botha airport before his departure from Durban last Saturday.

Giving his impressions of the country Maulana Thanvi said that he found South Africa to be a very good country with fine people and an excellent climate. He found that the people enjoyed a high standard of living and were law abiding and he was struck by the fact that the majority still preserved their culture and traditions in spite of Christian in a Western environment.

The Maulana gave a hint of his return to the Republic. He said: "I was so overwhelmingly taken up by the Muslim and other communities during my short stay here that—it is extremely painful for me to return to my own country. However surely I may not like to return, be bound of friendship and comradeship I have found here will enable me to return to the not too distant future, God willing."

SYMPOSIUM ON FATWA

"Leader" Reporter

CLOSE to a thousand people sat through to the end of a four-hour-long symposium organised by the Arabic Study Circle to obtain the views of various personalities on the controversial Deoband Fatwa (Legal ruling) which countenances Riba (interest) between Muslims and non-Muslims.

Death of Mrs. S. Purmasir

Mrs. Gouri (Prem) Purmasir, wife of Mr. S. Purmasir, of 70 Mona Road, Bellair, died at the St. Aidan's Hospital last week. She was 47 years old.

Mrs. Purmasir, who only recently toured India, Pakistan and Malaya with her husband, belonged to a well-known Durban business family and was the mother of the noted musician and dancer, Mahaleevi Sharma.

She was cremated at the Stellawood Crematorium before a very large and representative gathering. She leaves behind her husband, four sons and five daughters.

The main points put forward by Mrs. Fatima Meer were that the Fatwa propounded two separate codes for Muslims in South Africa, for which it declared Riba as an evil and prohibited its practice between Muslims, it sanctioned its practice between Muslims and non-Muslims.

"It has the effect of making all kinds of dealings, which Islam regards as evil, permissible in South Africa between Muslims and non-Muslims, if these fall within the law and custom of non-Muslims. To that extent it permits Muslims to abandon the moral code of Islam," she said.

The Fatwa was founded on premises which were in conflict with the basic tenets of universal ethics and went against the Muslim belief that Islam is the religion of humanity, founded on he concept of one God and the brotherhood of man.

The declaration of South Africa as a Darul Harb was "legal fiction" in that there was no basis for its finding in Islamic law.

A difference of opinion existed among Muslim scholars on the definition of the word "riba". Some excluded from its definition some types of modern day interest transactions. This approach, however, is within the moral code of Islam," said Mrs. Meer. "The real problem is the existence of the practice of usury."

"It would appear that the proponents of the Fatwa are prepared to sacrifice a fundamental principle in order to come to terms with modern capitalistic economy," she said.

Dr. Farid Ahmed, of Pretoria, said it was most disappointing that those who are supposed "to lead us along the path of Righteousness are leading us astray."

LAGGING BEHIND

He found it difficult to understand the reticence of the Ulema (priests) of Natal, they had made strong statements in private discussions but were silent on the issue. They were lagging behind.

Mr. Ismail Abedi, of Pretoria, said it was most disappointing that those who are supposed "to lead us along the path of Righteousness are leading us astray."

LAGGING BEHIND

He found it difficult to understand the reticence of the Ulema (priests) of Natal, they had made strong statements in private discussions but were silent on the issue. They were lagging behind.

Mr A. u. Rajah, in supporting the fatwa, put forward his views from the viewpoint of a "practical Muslim".

The layman was not qualified to pass an opinion on the question. The only people who were qualified to give a ruling were the Ulemamas, and they were silent.

There were shouts of dissent from the floor when Mr. Rajah declared that their silence meant consent.

STRANGE SITUATION

"A peculiar situation has now arisen with the rejection of the fatwa. We do not accept Egypt or Middle East rulings and now Deoband is rejected.

Are the small group of people here in Durban to become the centre of Muslim jurisprudence?"

Mr. Rajah put forward the argument that the Sharia had the answer to the problem whereby Quranic injunctions could be broken under certain circumstances and "necessity renders the prohibited permissible."

Anglers' dance

THE Reinbro Anglers had a very successful dance at the Isipingo Beach Hotel last Saturday evening. Over 350 people turned up and many had to be turned away.

An official of the club said that the dance was "a tremendous success" both financially and from a social point of view.

Pandit to speak

Pandit Shobha Ram, of New Delhi, will be in Durban over the weekend and is to address a gathering at a Sunday Service at the Arya Samaj Hall, Mayville. The pandit is keen on meeting local pandits for discussions. The visitor may be contacted through Mr. M. Doduth (Phone 43872).

Sunday School Talk: Mrs. Devi Bughwan will address the Divine Life Society's Sunday School at the Sivananda Ashram, Reservoir Hills, on May 29. Her topic will be "Speech and Drama."

USE GUN IF YOU WANT TO, SAID ESSOP

(continued from Page 1)

If you want to quit that (the gun) you can quit it." She added that Kanjilal had got out of his car when a fight between Essop and the accused had tried to intervene. Kanjilal told the man, "You are a killer, you stay out of this." She admitted that she had known Essop for some time as she had been a customer of his shop.

Mr. Ramlall Chinnavadas, a Victoria St. businessman, told the court that Essop was a distant friend of his. He came to the Town Hotel with Katherine, Bhanjee, Jenaa and Mansa Pillay. Later we went to the Essop Lounge where we had something to eat. We then left Bhanjee at his home in May Street.

SAW PICTURES

Cross-examined by Mr. Father, Kanjilal stated that he had not been locked and he admitted that he would not have recognised the accused if he had not seen pictures of him after the incident.

Kathleen Nganna corroborated the evidence given by her sister and stated that the accused was known to her and that she had spoken to him once.

Bhanjee Jenaa, of May Street, told the court that he had known the accused for the last eight years and deceased for the last two years. "A day after the shooting I met Mrs. Essop and she told me she did not know what the accused looked like and wanted to see his picture. I got a picture of the accused from my brother-in-law's shop where a friend of the accused worked and showed it to Kanjilal.

Mrs. Doreen Essop, the widow, dressed in a black skirt and yellow blouse, said she received news of the tragedy when someone phoned her. On her arrival at the Addington Hospital she found her husband dead.

Investigating officer, Shanmugam Pillay, of the Isipingo Beach Police Station, told the court that the accused was arrested last night at the home of his parents, Road in Chatsworth, at about midnight. The accused admitted verbally that he had been at the scene of the crime and had witnessed the shooting but that he did not use a firearm. When I questioned him as to why he left home he told me the gangsters were after him.

The case was adjourned to May 27.

Durban's newest nite-spot—the

ASHOKA

DURBAN'S newest nite-spot, the Ashoka, an annexe of the Delhi Restaurant in Grey Street, was opened to the public last week.

The complete renovation and refitting of the former billiard room and the licensed dining-room—which together make up the Ashoka—cost almost R20,000.

It is tastefully decorated and one wall is almost entirely mirrored. It should soon develop into a most popular haunt for nite-lifers.

Mr. Jack Moodley, the first non-White in Natal to become a liquor licensee, and the manager of the new Ashoka, stated that his company intended introducting the finest floor shows available.

Top cabaret artists, both local and overseas, are to be engaged from time to time, and regular dances will be a feature. Arrangements are now being considered for a top band to be engaged.

Mr. Moodley added that the service provided by the Delhi would become a part of the new set-up at the adjoining Ashoka.

"We will specialise in top class Oriental and Continental meals," he said. "Patrons who have come to know of the standard set by us at the Paradise can be assured of getting service par-excellence here also."

ALBERT

"JABSE TUMHEN DEKHA HAI" opens at the Albert in Durban on Monday. The cast is headed by the late Geeta Bali, Pradeep Kumar, Agha, Sridhar and Vijayalakshmi.

Geeta Bali and Pradeep Kumar are romantically teamed with Agha cast as the hero's side-kick in this crime thriller in which brothers Shammi Kapoor and Sashi Kapoor, Kum Kum and Shyama make guest appearances in a qawaali sequence.

AVALON

RODGERS and Hammerstein's "Sound of Music" recent winner of five Academy Awards including "Best Film of the Year" is now showing here. Stars are Julie Andrews, Christopher Plummer and Eleanor Parker.

A postulant called Maria (beautifully played by Julie Andrews) leaves the convent on the advice of the shrewd Mother Superior to become governess to the seven children of the Von Trapp family.

She finds the household regimented by the stern naval captain, who, in trying to forget his late wife, imposes naval discipline, pipes and all, on the children.

Maria leads the "mutiny" by introducing music and laughter back into the home. Maria and Captain von Trapp eventually marry and after a brush with the Nazis, live happily ever after.

The familiar, spell-binding Julie Andrews voice, clear beautifully enunciated, happy, as delightful as when we first heard her in the record of "My Fair Lady."

Christopher Plummer makes a perfect disciplinarian, who thaws to the warmth of the postulant — governess with whom he falls in love.

It's an enchanting story, beautifully photographed and sensitively directed by the man who made "West Side Story"—Robert Wise. Some will want to see it more than once.

RAJ

A SPECIAL treat for Western "addicts" will be provided here from Monday. Two Westerns are scheduled for two day run. The first is Universal's "Taggart" starring Tony Young, Dan Duryea, Dick Foran and Elsa Cardenas.

Tony Young is Dan Duryea's human target in this colour film. Bullets punctuate the drama. Young as "Taggart" leaves a blood feud behind while Apaches on the war path are ahead. And closer, Elsa Cardenas has a gun pressed into his ribs. He is wanted by hired gunman Dan Duryea — alive or dead, but better dead.

"Deadwood 76" is a Technicolor Western starring Arch Hall Jr., Jack Lester, Melissa Morgan and William Warters.

NEW TEAM

AN exciting new screen team —Dick Haulson, one of Hollywood's top male box office favourites for the last nine years — and Italy's gorgeous Claudia Cardinale, the most popular international actress to emerge from Europe in the past five years — heads the cast of the Universal-Seven Pictures production "Blindfold," a modern-day suspense farce backgrounded against the swamplands of Florida and the concrete jungles of New York city.

Co-starred are Guy Stockwell, Jack Warden, Brad Dexter, Anne Seymour, Alejandro Rey, Negro actor Harry Rhodes and John Megna, Connie Stevens' half-brother.

AN ABSORBING TALE OF 'MODERN' LIFE

VYJAYANTIMALA is romantically paired with Joy Mukerji in K. Amarnath Productions' "Ishaara", which is scheduled for the Naaz in Durban as the next attraction. Playing supporting roles in this story with a "modern" theme are Pran, Agha, Azra, Jayant, Subiraj, Pratima Devi, Sajjan, Shammi, Murad, Hari Shivdasani and Kesri.

The story concerns Mala, a girl kept away from her family and educated in an "ashram" because her mother had died and her father had married another woman. Returning home after a lapse of ten years, she finds every member of the household changed and under corrupt influences.

Her father had grown rich by fraudulent means, while her step-brother and sister had taken to drink and a life of dissipation.

Needless to say, it is left to Mala to reform the entire household. But before she is able to make any progress in that, her father is caught and jailed and his property confiscated. This, of course, leaves her with the added responsibility of taking care of her old stepmother and the irresponsible brother and sister.

The son of a millionaire, who had an eye on the jailed man's millions, makes life more miserable for the family when Mala resents his advances and falls for a poor youth in love with her.

This young lover of hers is a motor mechanic, who goes to the extent of wasting his own slum house to accommodate displaced Mala and her family. By dint of sheer hard work he soon owns a large motor workshop. He takes for his secretary his sweetheart who has been thrown out of employment.

But the unscrupulous millionaire's son, who has been rejected by Mala, now plays his cards to break up her small household, estrange her loved from her and even put her sister in the family way. His game, however, does not last for long for the hero, seeing through it, now takes charge of the situation.

He saves Mala's sister from committing suicide from the top of the famous Kutub Minar (the locale of the story in Delhi) and proceeds to her unscrupulous lover to set things straight.

Oil company may help cricketers

A LEADING oil and petroleum company is to consider the possibility of introducing a coaching scheme for junior cricket players in the province.

Mr. R. Murphy, a representative of the company, told the Natal Cricket Board of Control on Sunday evening that he would put this suggestion to his organisation and added "We shall see if we can help in this respect."

A few minutes earlier, Mr. Murphy had presented bats to six players for outstanding performances in the super league competition. The bats were sponsored by Mr. Murphy's company.

The winners of the bats were: Fastest century, Omar Vawda (Olympia). Fastest half-century, P. Balkissoon (Royals). Fastest club innings of over 200, Clares. Highest aggregate wickets, T. Parsuramen (Clares). Highest aggregate catches, K. Govindsamy (Kismet). Highest aggregate stumpings, Johnny Laher (Crimson).

GOLFERS CALL ON CLUB TO HOLD ANNUAL MEETING

By "Leader" Sports Staff

PROMINENT members have petitioned the Durban Golf Club to call the annual general meeting of the Club. According to the petition, the annual meeting should have been held in February of each year, "or as soon as possible thereafter." The petition claims that no valid reason has been given for this long delay and "we respectfully request you to convene the annual general meeting of the meeting."

At least 27 members are known to have signed the petition and among them are Mr. N. G. Moodley, the vice-president; a former chairman, Mr. D. Kalideen; Mr. T. D. Naidoo, a honorary life-vice-president; Dr. A. N. Naidoo, Mr. Ken Singh and Mr. M. S. Pillay.

In the meantime, a notice of motion has been submitted to certain clauses in the constitution. The main amendment is that the present position of one secretary and one treasurer should be increased to joint-secretaries and joint- treasurers.

There is also provision for the election of a record clerk.

Unconfirmed reports indicate that Mr. D. Kalideen is being persuaded to stand for election as president of the club when the annual meeting takes place. Mr. Kalideen himself refused to say anything apart from commenting, "One or two approaches have been made asking me to stand. That is all I can say at this stage."

Mr. Kalideen was the president of the club for many years some years ago and was among those instrumental in negotiating with the Durban Indian Sports Grounds Association to provide seperate facilities for golfers.

CHAMPIONS CUP TO JUNIORS

TONGAAT JUNIORS "A" became the first holders of the junior "Champion of Champions" cup when they drew 3-3 with Young Satellites. Young Satellites entered the game at some disadvantage, having lost the first leg of the competition 4-0. They needed to win the final encounter by a clear five-goal margin.

Crusaders have a good chance of winning the senior event when they meet Swallows in the third and last match on Sunday. In the clash between Gandhi's Hill and Crusaders last week, the match ended in a 1-1 draw. If Crusaders lose or draw their final match, then Gandhi's Hill will clinch the title.

Crusaders took a lead in the eighth minute after Poobie Naidoo had crossed to "Sharkey" Singh, who, later scored. The score remained at 1-0 throughout the first half.

Centre-half S. Wahed helped matters for Gandhi's Hill with the equaliser. Crusaders struggled to get the elusive winning goal and when they did score, the referee ruled it off-side. The match ended in a 1-1 draw.

This is my choice...

Aces well poised to take prize money

By "Leader" Sports Staff

ACES UNITED should get a step nearer their goal of winning the R2,000 Axe-Hamper competition when they meet Zulu Royals-Coastals at Curries Fountain on Sunday morning. In the same competition, Maritzburg City and Beres, both of whom are still in the running, clash at Pietermaritzburg.

Aces do not expect to lose Sunday's match. They are obviously a better side than Zulu Royals-Coastals. It must also be realised that Coastals have yet to win a match so far this season.

The game at the Royal Showground should be the more interesting match. Both Maritzburg City and Beres—and Avalon Athletic—are locked together with four points each. All of them have played three games and have lost one. Neither of the teams can afford to lose Sunday's encounter. The side that loses will be out of the hunt.

If City beats Beres, they will have the better chance of challenging Aces for the main prize. Their final hurdle will be against Zulu Royals and again they will be strongly placed to win. Sunday's match will be Beres's final game. They played Avalon Athletic on Tuesday evening.

The league log is:

	P	W	D	L	F	A	Pts
Aces United	3	3	0	0	13	2	6
Maritzburg City	3	2	0	1	16	5	4
Avalon Athletic	3	2	0	1	8	3	4
Beres	3	2	0	1	10	4	4
Clermont Swallows	3	1	1	1	6	9	3
Zulu Royals	3	0	1	2	3	21	1

... but must pull up socks

ACES UNITED maintained their unbeaten record at their position at the top of the R2,000 Axe-Hamper competition when they beat Clermont Swallows 2—1 at Curries Fountain on Sunday morning. Aces United now have six points from three games and Clermont Swallows after having completed their five matches have only one point.

Aces United, with matches against Zulu Royals-Coastals and Avalon Athletic, have a good chance of winning the first prize of R2,000.

While they won somewhat easily on Sunday, they did not really impress. Very rarely did they show glimpses of their 1960 or 1961 standards. If they hope to do better in future they will have to pull up their stockings a great deal.

United's first goal came in the 15th minute when Henry Oliver banged in the goal from close quarters. But before this United lost a good opportunity of scoring when Ismail Abdool kicked the ball wide of the mark.

Oliver, who was outstanding in the match, added another to the tally before half-time after receiving a cross from George Francis.

Clermont had, unfortunately, to put up with some poor linesmanship, but still they did not look a side that could really beat Aces United. Sonni Moodley's goal in the middle of the second half gave Aces United a 3-0 lead.

S. Dumas, Clermont's centre-forward, managed to score a goal late in the game.

Gone but not forgotten.

Young Gobind stars for Red Hill

FOURTEEN-YEAR-OLD Suresh Gobind, making his debut in Association football, turned in a powerful performance for his club, Red Hill Rangers, at Umgeni, to help snatch an upset victory over Silver Stars by 6 goals to 3.

Rangers, improving with every outing, again excelled themselves via this workmanlike win. In the earlier junior game Young Cycles beat Mayfair City 3-0.

Actions and thrills galore marked the Sprinvale-Temples match which Temples eventually won 4-1. There was no score at half-time, but it wasn't long after the break when Temples opened their account through A. Fouise. In the 30th minute Peter Moonsamy equalised for Springvale when he scored from the spot.

The game began to swing from end to end, with Springvale missing two opportunities at goal, when either the woodwork or the Temples' goalkeeper prevented them from scoring. "Casper" Rabikissoon scored Temples's second goal followed by two goals by Percy and Baker Ossman respectively.

Onyx tipped to win

RACING returns to Scottsville after a couple of meetings at Clairwood and Greyville. The City Sporting Club has arranged an excellent programme of nine races, and an interesting afternoon's sport is in the offing. The R5,000 Sponsored event over six furlongs for S.A.-bred two-year-old fillies is the main attraction. There are 13 notable acceptors and the race is very open, especially with a host of visitors after the rich prize. Last year the winner was the visitor Hero.

Avis's victory in the Clairwood Nursery Stakes was a sparkling display, after being badly drawn, she was never headed and ran away with consummate ease. If she is in the same condition she should take a power of beating.

After a brace of places, Onyx won the Stewards' Plate on March 19 at Greyville from Seth and Corpora. He was beaten by Avis in the Nursery, but not disgraced. Onyx has most impressive run when, in a touch-and-go finish, he was beaten by that great performer, Girls Town, by a head in the Wimbledon Sprint 'B' Division over six. In that race, except for Girls Town, he beat some class runners such as Caribbean, Abel, Comme Ca, Chocolate Crisp and Jack's Castle. On the strength of his fine record Onyx cannot be left out of the reckoning.

Mighty Smart, winner of the Juvenile Plate at the present course was going great guns in the Natal Breeders Stakes last Saturday at Greyville. In the last furlong from home he came in with a tremendous burst of speed and in a stride far stride run just failed to overhaul Anglesea, and was beaten into second place by a head. He is a confident place bet.

The manner in which Anglesea won the Natal Breeders Stakes cannot be left out of calculations. The Ellis stable is in great form at the moment, and I will not be at all surprised if Anglesea wins the race.

As much as the home contenders are fancied, it would be folly to ignore the visitors Apex, Come On and Sucrain. This trio are well above par, particularly Sucrain who comes from the powerful George Azzie stable which needs no recommendation.

In an open race I select Onyx to win from Avis and Mighty Smart.

SURPRISES AT NATAL ATHLETICS

By "Leader" Sports Staff

THERE were quite a few surprises at the interclub athletics held at Curries Fountain on Saturday. The major shock was the defeat of Hiruman Naidoo by Karamchand Hiramun in the 100 yards. An interesting point of the junior 100 yards event was that Selvan Pillay bettered the time set by the seniors.

Hiramun (Rosebank) also won the 880 yards from Errol Khan in the time of 2min. 56.8sec. Kiruban Naidoo won the 440-yard event but withdrew from the 220 yards.

Sakunthala Naidoo, the South African high schools javelin champion, won the javelin event for Rosebank with a distance of 82 feet. In the 880 yards, which was introduced for the first time for women, Linda van Wyk clocked the best time of 2min. 19.6sec.

Merewent scores

The results of matches of the Merewent Football Association played on Sunday were:

Junkers: Valiant 0, Crown Fallows 6; Bryza Rovers 3, Level Crossers 1; Hillmen 8, Liberated 2; Riverside 4, — ; Graeve: Riverbank 1, Valley Dynamos 0; Durban View 1, Peter Moo 1.

Merewent will be playing away this weekend in the K.O. cup competition.

HIGH SCHOOLS TABLE TENNIS

The inter-high school table tennis league of the Natal High Schools Sports Association gets under way this week. Eleven teams are taking part with each match consisting of four singles and two doubles. The teams are Sastri A and B, Springfield Training College A and B, Gandhi Desai A and B, Clairwood High A and B, Tech, Orient and Loram High.

Mr. D. R. Paul, the vice-president for Table Tennis in the Association announced during the week that in addition to this inter-school league, there will be an open Table Tennis Championship during July.

League fixtures for the week ending 13/5/66 are: Clairwood A v. Clairwood B; Sastri A v. Sastri B; Tech v. Orient; Gandhi-Desai v. Loram; STC A v. STC B.

INTER-DISTRICT KICK-OFF

Selectors will watch players

AMATEUR inter-district soccer of the Southern Natal Soccer Board gets under way this Sunday afternoon with six matches each in the senior and junior divisions. In each case the senior game will be the main match and junior fixtures will be the curtain-raiser.

As was the case last year, the competition is being broken up on a zonal basis with each team competing among teams in its own zone and then the finals will be held to determine the champions.

The matches are beginning a little earlier this season because of the inter-provincial tournament that is to be held in July in Durban. As a result the inter-district matches assume a greater importance, because on these performances Southern Natal will select its players.

It has not yet been decided how many players will be chosen but it is unlikely to exceed thirteen or fourteen players. It is understood that certain officials are against the idea of selecting a big team and then finding that a number of players will end up without playing at all.

Asherville will be faced with strong opposition in the opening match. They are billed to take on Southern Natal champions, Durban, in the 3 p.m. game at Currie's Fountain. Durban also holds the junior title and here again they are to play Asherville.

In the North Coast division, Verulam will be at home to North Coast and at County, the local XI should provide Chats worth, the 1965 runners-up, with some interesting opposition. Pinetown meet South Coast at Pinetown.

In the Southern Coast zone Lower South Coast will be at home to Durban South. Mid-South travel to Merewent. In each case the senior match starts at 3.15 and will be preceded by a junior game at 1.30 p.m.

DELEGATE APOLOGISES

Acted contrary to mandate

MR. S. V. REDDY, one of our four Natal Indian Amateur Swimming Association delegates to a meeting of the South African Swimming Federation, was strongly criticised for not acting in accordance with the mandate. Mr. Reddy apologised to the meeting and added that he did not know that he was given a mandate.

"The Leader" reported a few weeks ago that there was a split in the Natal delegation at the SAASF meeting and that the split probably cost Natal headquarters of the national organisation. It was also reported then that Natal had given its delegates a mandate to ask for national headquarters but at the meeting, after two Natal delegates had proposed and seconded that headquarters should come to Natal, Mr. Roddy had moved an amendment that headquarters should go to Western Cape.

Mr. R. Bijou, a vice-president, initiated the discussion on this subject and felt that Mr. Reddy had flouted a decision of the meeting. He added that Mr. Reddy had no right to do so.

Several other speakers also spoke out strongly against the action adopted by Mr. Reddy. "We have made Natal look like fools in the eyes of the national board," one member stated.

Mr. Reddy pointed out that he was aware of the discussions at the Natal meeting when the mater of headquarters was discussed but he added that he felt that it was not a mandate.

First round of Castle angling

THE 1966 "Castle Stout" competition of the Natal Anglers Federation begins with the first round match at the old whaling station this Sunday morning. This five round contest will go on until the end of this year, before the winners for R150 cash prizes are declared.

This contest has helped to put angling on the map so much so that even a national angling body has been formed and Natal will send its first team at the end of this year. The matches over the next few months will also help the selectors to keep an eye on anglers before choosing the team.

Sunday morning's match begins at 9.30 a.m. and the first session, which will go on until 12 noon, will be for the Naicker's Memorial Shield, in addition to the Castle Stout series. The second session is for the Mother Darjeeling Cup.

Apart from prizes for club events, there will be the individual events for the anglers that bag the most number of fish and the highest aggregate weight throughout the season. These carry cash prizes of R25 each.

DARTS BODY

A NEW darts body, the Chatsworth and District Darts Association, was formed recently and Mr. Nani Moodley, former secretary of the S.A. Darts Board of Control.

The other officials are: Secretary, Mr. Y. G. Douglas; M & R secretary, Mr. S. K. Esop; treasurer, Mr. Shan Naidoo; patrons: Messrs. R. K. Naidoo, M. P. Govender, Nad Naidoo, M. M. Govender, Vic Pillay, Ronnie Paul and M. J. Naidu. Vice-president: Messrs. Percy Naidu, M. Moodley, G. Naidoo, Percy Moodley, V. K. Pillay, S. Govender and M. Ranjith.

STELLA GET A HIDING

by "Leader" Sports Staff

FORMER senior "B" team Carlton Athletic thrashed Stella 5-0 in a senior "A" division match at the Springfield Ground on Saturday afternoon. This was a surprise result as Stella finished third in the "A" log last season — only five points behind Burnley Young Aces, the super league champions, maintained their winning streak with a useful but close 2-1 win over the strong Puntans Hill XI.

The results of the matches played at the weekend are:

Super League: Young Aces 2, Puntans Hill 1; Crusaders 2, Spartak 1; Pirates w.o. Burnley scr.

Senior "A": Carlton Athletic 4, Stella 0; Alberton Callies w.o. Shantilly scr.; Stamford Hill United 1, Young Aces United 0; Carlisle United 1, Pelican Shore 1.

Senior "B": Tulip Rangers 2, Avalon Rangers 0; Robertson C. Durban Fletcher 2.

Senior "C": City Datsun Pre 3, Clarendale United 1.

Junior "A": Young Aces 4, Berea Rovers 0; Alberton Callies 3, Santos 0; Santos United 3, Young Alberton 0; North Rangers 2, Avenge Athletic 1.

Junior "B": New Orleans 1, Durban Rangers 0.

KEY TENNIS CLASH

IN Pietermaritzburg on Sunday, United meet Brighton I in a league clash that is vital for both teams. United, down 2-4 to Sastri, cannot afford to lose. Brighton are undefeated so far but this is their first real test and they have yet to meet Sastri.

The match should be a very hard fought affair with the result in doubt to the very end.

In last Sunday's matches, Brighton I beat Sunrise 5-0. St. Anthony also scored a straight 5-0 win over Ashoka. Brighton II went down to Saltan 5-2 and Avoca beat Woodridge 5-0. United scored a fairly easy 5-0 win over Umzinto.

"B" Division League fixtures for Sunday are: Woodridge v. Sunrise; Brighton II v. Umzinto; United v. Brighton I; Sastri v. Avoca; Saltan v. Ashoka.

Meanwhile the "A" Division players have their last chance to sharpen up their singles play before the festive Rajpaul Cup series begins on May 22.

Court action could put league and Aces in stew

THERE is a danger that the present R2,000 league series being conducted by the SASL could be declared null and void if the Lincoln City Football Club pursues its intention of going to court to get the question of its affiliation to the League and the transfer of players settled.

Lincoln City's application for affiliation was turned down earlier this season because it was "too late". As a result a number of players from the club were "poached" by other clubs. Lincoln City challenged this decision of the League.

They claimed at that time that SASL officials had given them a firm verbal assurance that even though the affiliation fee came in late, they would still be accepted. But sometimes later they received a letter stating that their application for reaffiliation had been turned down.

Lincoln City officials were disturbed by this decision and stated that if the League were adamant on the issue they would test the decision in a court of Law.

If they did go to court and if the court decided against the League and ruled that the League had no right to reject the application and or no right to sanction the "poaching" of a number of Lincoln players by other clubs, this could mean that Aces United played with ineligible players and their matches could be declared to be null and void.

This could then mean that the entire competition would have to be played again, or if Aces United won the competition, they would not get the first prize. The prize money could go to the second team.

JOINT MEETING

LATEST: Lincoln City received a letter from the South African Soccer League on Monday inviting the club to a joint meeting to discuss the matter. Lincoln City officials will not be available on this day and they are to ask the League to set another date for the meeting.

Commenting on this letter, Mr. Barry Naidoo, of Lincoln City, said that he was happy that the matter was to be discussed. Asked if he would still go on with the court action, Mr. Naidoo replied: "I believe there is a good chance of getting this matter settled without having to go to court. If my belief is correct then that is the way it should be." Mr. Naidoo would not say what line of action his club would follow when they met the SASL.

PEER TO LEAD NATAL TABLE TENNIS TEAM

CASSIM PEER was last week chosen to captain the Southern Natal team in the inter-provincial table tennis tournament that is to take place in Durban during July. Peer, who has considerable match experience and was one of the four players who took part in the international championships at Stockholm some years ago, did not compete in the recently concluded championships.

The selectors finalised both the men's and junior teams but have delayed the announcement of the women's team. They have chosen four players, however, but wish to see other promising players who did not take part in the tournament before announcing the team. All the women so chosen will take part in a series of trials. The four women so far chosen are A. Awere, S. Maharaj, D. Bowles and V. Sutherland.

The teams are: Men: Cassim Peer (capt.), M. G. H. Moosa, A. Valjee, M. S. E. Randeree and A. G. M. Randeree.

Juniors: S. G. H. Randeree, S. Bhagwan, V. G. H. Randeree and K. D. Valjee.

S. R. Mandan, who was defeated in a singles semi-final, was not available for selection.

In the bantams, Victor Zwane meets Solomon Quimbesa and Lucas Masondo meets an unnamed opponent.

VERULAM ELECTIONS IN OCT.

"Leader" Reporter

THE Administrator - in - Executive Committee has killed an attempt by the all-White Verulam Town Board and the Local Indian Affairs Committee to stall the forthcoming elections until next year. The Administrator has requested the Town Board to proceed with the election as scheduled on October 13 this year.

A MASS meeting called by the Verulam Indian Ratepayers' Association at the local Madressa Hall last week was informed of the attempts to put off the election.

The meeting had been convened for the purpose of discussing the issue following "secret" moves to stall the elections. It was disclosed that four members of the five-member Local Affairs Committee (Mr. Ismail Rathrada is overseas) who had originally supported the elections had subsequently changed their minds following a similar about-turn by members of the all-White Town Board.

Of the four members of the Local Committee invited to attend, only Mr. Cassim Ilowzen was present. Members of the S.A. Indian Council who addressed the meeting were Dr. R. Rambritch, Mr. A. S. Kajee and Mr A. S. Khan.

Mr. V. S. Chinsamy, chairman of the ratepayers' Association, informed the meeting that of the four members of the Local Affairs Committee, only Mr. Cassim Ilowzen had been originally in favour of elections being held this year. The others subsequently agreed and submitted a recommendation to that effect to the Town Board.

Surprisingly, some 10 days later, the Town Board members felt that "there was unnecessary haste in holding the elections."

"They wanted to get the resolution rescinded and when the matter came up before the Local Affairs Committee all members this time unanimously favoured stalling the elections till 1967."

Mr C. W. E. Kaye, one of the joint secretaries of the association vehemently attacked the Town Board and pointed out that in much of its dealings with the Indian community the Board had a "history of being biased."

Mr. Kaye went on to explain that Local Affairs Committees were not practical in Verulam as the town is all-White. "Our set-up is unique and sooner or later we are going to run the town and we want to be put directly on the Town Board. Local Committees will serve no useful purpose," he said.

Mr. A. S. Kajee stated that Indians were happy with the Government. "We are making headway and this Government is sincere," he said. "We are getting a little here and there. We cannot see everything at the same time."

"We have achieved very little with the Group Areas but there is some consolation in that Mr. W. A. Maree has now been appointed Minister of Community Development. He understands our ailments and could give us the medicine for the cure."

Pictured above is a section of the crowd at the Verulam mass meeting.

COMMITTED FOR TRIAL

"Leader" Reporter

NARAINSAMY COOPSAMY CHETTY of Perth Road, Westcliff, who appeared at a preparatory examination into a murder charge, following the discovery of the decomposed body of his wife in a shallow grave some 50 yards from his home in March, was committed for trial on a charge of murder in the Durban Magistrate's Court last week.

When the case was resumed last Friday, the State Prosecutor told the Court there was no further evidence. Mrs. Kathi Singh (for the accused) reserved defence, and the accused elected to be tried by a judge and assessors.

SASL Chief resigns

MR. E. I. HAFFEJEE has resigned as president of the South African Soccer League. This shock, but not expected, announcement was made by Mr. Haffejee in a two-page letter to the League late on Tuesday night.

In his letter he talks of the many blackmails, hypocrites and others, who always tried to put a spoke in the wheel.

Mr. Haffejee declared that he was not given the co-operation he needed to carry out his duties. In spite of giving his fullest co-operation to officials at the head of affairs, this was not appreciated. Mr. Haffejee stated that some even worked directly opposite to the progress of the league.

Mrs. Padayachee resigns from committee

MRS. V. PADAYACHE is to resign from the Indian Affairs Advisory Committee of the Durban Clay Council. Her resignation will be tabled at the next meeting of the committee on Tuesday, May 24.

In her letter of resignation, Mrs. Padayachi points out that she has found she cannot always fulfil the many calls that are made on her by virtue of her being a member of the committee. "I find that being in full-time employment in an agency which is very short-staffed, as well as being a part-time student at the university, together with trying non yet my obligations as a wife and mother, is bitten off more than I can chew."

Mrs. Padayachi is a social worker attached to the Meyrick Bennett Children's Centre. The other Indian members on the committee are Mr. P. R. Pather and Mr. A. M. Moolla.

BAY CASE MAN REMANDED

OSMAN CASSIM BUX, who is alleged to have kidnapped and then attempted to murder Mrs. Helen Peters and her two-year-old son by driving a car over the wharf into the Durban Bay on February 19 this year, made a brief appearance in the Durban Magistrate's Court last Friday.

STOLEN CAKES WERE TEMPLE OFFERING

"Leader" Reporter

A DURBAN Magistrate, Mr. J. T. Malherbe, jokingly remarked to an Indian who was accused of stealing two fruit cakes from a beach hotel last week that since he had stolen for a good cause he was going to pass a light sentence. Balasundram Raman (32), of Verulam, was accordingly fined R30 or 30 days' imprisonment suspended for three years.

Balasundram told the court that he had not stolen the fruit cakes and that he was absent from work on a Monday and Tuesday in March this year because he had to go to a Temple in Tongaat after he had fallen ill.

The magistrate asked the accused whether he had fallen sick with a tummy ache after having eaten the fruit cakes and had fallen sick in spirit as well and wanted to be purged of the devil by going to the Temple.

Questioned about the festival at the Temple and what offerings were usually taken, the accused said that people brought fowls, liquor and other edibles (to which the magistrate quipped whether the fruit cakes were also part of the offerings.)

When the sentence was passed the magistrate took into account the fact that this was the accused's first offence and it was evident that he had stolen the fruit cakes to create an impression at the Temple.

Balasundram was defended by Mr. R. Bugwandeen.

'GIRL THINKS I'LL MAKE A GOOD HUSBAND

"Leader" Reporter

LUTCHMINARAIN RAMCHANDER, also known as Henry Lutchman, of O'Flatery Road, Plot 36 Spencer Road, Clare Estate, claimed in the Durban Maintenance Court last week that a paternity charge had been brought against him by a teenage girl because "she thinks I will make a good husband as I am working all the time and all the other boys in the neighbourhood are unemployed."

Lutchminarain was appearing in a disputed paternity case. The girl, who also lives in O'Flatery Road, claimed that Lutchminarain was the father of a child born on August 1, 1965.

According to her, she lived with her parents and four brothers, and the respondent Lutchminarian) had lived close by for the last eight years and had visited her regularly.

"He used to come with my brother and after a while he began to talk to me, but not in the presence of my brothers. When my brothers were around he ignored my presence completely. One day he told me he wanted to marry me. He called every Saturday when nobody was home.

CHASED AWAY

Her younger brother told the Court that when the respondent called at the home he "chased me out of the house and closed both the front and back doors."

Lutchminarain denied being the father of the child. "I appeared in the Cato Manor Court last year when the girl's parents complained to the police, but I was discharged. I don't know why she is now blaming me. "She is thinking I will make a good husband because I am working all the time and the other boys in the neighbourhood are unemployed," he said.

Lutchminarain denied that he had rejected the girl because she belonged to another caste. It was only because the child was not his.

Lutchminarain was found guilty, however, by Mr. J. van Niekerk, and was called upon to pay R6 maintenance each month for the child.

Mr. J. N. Singh appeared for the respondent and the applicant was defended by Mr. H. L. Rellman.

Candid Commentary . . by Politicus

EVERYTHING IS NOT SO ROSY IN GARDEN CITY OF DURBAN

THE Garden City of Durban employs but one thousand or so Indians as dustmen, cleaners, etc., at notoriously low wage. The unskilled workers get R36.60 per month, others R41 per month.

Of this amount, according to the secretary of the Durban Indian Municipal Employees Society, Mr. M. Thaver, the sum of R16.72 is spent on rent, electricity and transport.

Approximately half the wages, therefore, are gone. Consider the cost of food, clothing and schooling, and one realises how low is the wage a prosperous city such as Durban pays the men who help keep it trim and tidy.

Is it surprising, in the light of this, that tuberculosis and malnutrition take a goodly toll in the Indian community?

If a decent, civilised, living wage were paid to workers, we would not be required to spend so much money in "fighting" such diseases as TB. For, after all, they are but man-made diseases.

Municipal elections are in the offing. But we are informed on all sides that there is widespread apathy among the White voters of the city who are not even bothering to register as voters!

Shows how smug and satisfied they are. How can one expect them to get worked up about salaries of Indian workers? Is it possible for any White City Councillor to take up the cudgels on behalf of the City's poor Indian employees?

The allowance paid to City Councillors is about double what the Indian workers are paid. Consider the fact that they have to pay for their meat and fish and vegetables and transport and one has a good picture of the Indian municipal worker.

Truly, ours is a city of affluence and cheap, exploited, sweated labour.

MRS. INDIRA GANDHI has declared that she does not "believe in astrology." Like father, like daughter! Nehru was the same, and in a parliamentary reply he has gone on record as saying that the Government of India "does not follow the stars," or words to that effect.

There was a clamour by a certain orthodox section that, in fixing Republic Day, the Government should have consulted the astrologers!

GLAND DISCOVERY RESTORES YOUTHFUL VIGOUR

Sufferers from loss of vigour, nervousness, weak body, impure blood, failing memory, and who are old and worn-out before their time will be delighted with a new gland discovery by an American Doctor.

"This new discovery makes it possible to quickly and easily restore youthful vigour and energy, increase weight, put rich, pure blood, to strengthen your mind and memory and feel like a new man. In fact, this discovery which is a home medicine in pleasant, easy-to-take tablet form, does away with gland operations and quickly begins to build new vigour and energy, yet it is absolutely harmless and natural in action.

The success of this amazing discovery, called Migatan, has been proved by all who have used it, simply stated by all chemists here. In other words, Migatan makes you feel full of vigour and energy and years younger. A bottle of Migatan costs little. Get Migatan today.

KNOCKED OUT BY RISE IN RATES?

"Leader" Reporter

PROPERTY owners in the Isipingo Rail area who strongly criticised the recent increase in rates (in some cases almost 100 per cent) failed to take advantage of a meeting with the authorities to air their grievances last week.

Only five property owners of the number of people who challenged the increases turned up for the meeting with members of the Amanzimtoti Town Board.

The Town Board was represented by seven members, Mr. Pittendrigh was expressed at the poor turnout by those who had sought the meeting.

Officials of the Isipingo Rail Indian Ratepayers' Association were not available for comment.

Spanish dance classes at the Tech

SPANISH dancing will be taught to Indians in Durban shortly as a result of the unprecedented response to a one-night performance given at the Durban City Hall by the internationally-famous Luisillo.

Luisillo, highly impressed with the turn-out and the reception given to his company, expressed the opinion that classes be established for Indians and Durban-based Spanish dancer and tutor, Miss Joy Shearer, is putting it into effect.

Miss Shearer discussed the project with a "Leader" representative who had interviewed Luisillo with Durban's Ramula Vaidia, an ardent Spanish dancer, and subsequently with Mr A. Pittendrigh, principal of the M. L. Sultan Technical College.

Mr Pittendrigh told "The Leader" this week that his college would certainly introduce classes in Spanish dancing.

Miss Shearer discussed the matter with me this week and indicated that a member of the Luisillo company, Manwell, would be arriving in Durban shortly to join her in conducting classes.

"We are keen to commence classes, as soon as possible and we have arranged for such classes to be conducted on Fridays — from 3 p.m. onwards," he said.

Mr Pittendrigh explained that the classes would be open to girls and boys over the age of ten. Younger children would be encouraged to first join ballet classes before attempting Spanish dancing.

Several girls have already indicated a keen interest in the course and Mr. Pittendrigh added that Mr K. J. Bodenstein, who is in charge of physical education at the college would answer all queries in respect to this new activity. Those keen to enquire may phone Mr. Bodenstein (69891).

LEADER OPINION

PROVINCIAL BARRIER

ELEVEN Indians were sentenced to 14 days' imprisonment in the Magistrate's Court at Port Elizabeth last week.

All of them, waiters and wine stewards, were employed by a White hotel there. But they did not have the required permit, under the Immigration Act of 1913, to enter the Cape Province.

Being domicile in Natal, and being members of the Indian group, they are not entitled to enter another province of the Republic without a permit.

Their counsel pleaded that there had been "no wilful contravention of the law." Their employers were to attend to the question of the permits, but had neglected to do so.

The prosecutor pointed out that the maximum sentence provided by the law was three months' imprisonment.

This case brings to the fore the whole question of the provincial permit. Indians are still not fully-Republic. Their freedom of movement is drastically curtailed by the law to such an extent, as this case so clearly shows, that they may not even venture out of the province in which they are domiciled to another province, in pursuit of a perfectly legal occupation.

In this case, the men have lost their jobs; they will have to serve a term in jail and then return to Natal. Their employers have lost eleven waiters and wine stewards.

We should like to make a special appeal to the Government. Is it not about time that the so-called provincial barrier was abolished and Indians permitted to move and reside and work freely in the Republic?

Is not the law a little out of date and out of step with the times in which we live?

This country is at present celebrating the fifth year of the founding of the Republic. We could think of no more worthwhile gesture on the part of the Government than an announcement that the provincial barrier is to be abolished.

It is ironical that while the Republic's door is wide open to White immigrants from Europeans and other countries, it still adopts a discriminatory policy towards its own half million Indian citizens who cannot even move about freely within the borders of the Republic itself.

There is some food for thought for our rulers in this case of the unfortunate waiters and wine stewards. We think it should be correct to melt their hearts — that is, if their hearts are not made of granite.

Cape cabaret artiste Ruweida Harris photographed singing at the Paradise, Ocean Terminal, last weekend.

There were 20 entrants for the Natal Sari Queeen contest held at the Himalaya Hotel last Saturday evening. Among the finalists were Molly Govender, Prem Naidoo, Fatima Galati, Pat Naidoo, Gloria Arendse, Georgette Singh and Joan Brooks.

HE WENT TO VISIT SISTER, BUT HAD AN

Appointment with death

THE death of a 24-year-old Indian, Arumugam Nair, on April 5 this year at the King Edward VIII Hospital had its sequel in the Durban Magistrate's Court last week when a European (Gert Petrus Naude (24), a carpenter, appeared at a preparatory examination into an allegation of murder, which was later converted by the Magistrate, Mr. P. J. van Aswegen to a charge of culpable homicide. Naude was committed for trial in the Regional Court, and bail was fixed at R100.

Arumugam, and orphan and sole support for his 65-year-old grandmother, Chellamah Nair, lived in the Flat Avenue area of Durban before moving to Chatsworth. He left home on March 19 after telling his grandmother that he was visiting his sister in Newlands.

On the same evening he was discovered in the gutter in Ascot Street with severe wounds and was rushed to King Edward VIII Hospital, where he died two weeks later.

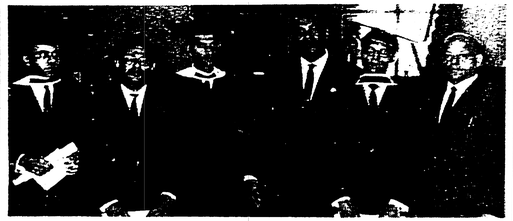
Clive Basil Dunward told the Court that he saw Naude kicking Arumugam while a crowd looked on without attempting to stop him.

He said that in his opinion Naude was under the influence of liquor on the night of the incident. "The whole evening Naude was making a big noise and at the time of the assault he was swearing. At 5 p.m. he was drunk and at 9 p.m. when the assault took place he was still drunk.

"When I tried to stop him, he wanted to poke me as well. He continued swearing and later went to the street corner, sat down and then went to sleep. Next morning when I told him what had happened he told me he was sorry as he did not know what he was doing."

Dr. R. Pather stated that the condition of Arumugam when he was admitted to the hospital was serious. A day later he collapsed and remained in a comatose state until death.

A post mortem examination had indicated that Arumugam had died of pneumonia. On cross-examination, Dr. Pather stated that a senior doctor at the hospital had taken a look at the patient but had not examined him.



Degrees were conferred by the University of South Africa at a graduation ceremony held at the M. L. Sultan Technical College Hall, Durban, last Saturday. Rajah and Mr. G. Delmoney, respectively. The three young men received Bachelor of Commerce Degrees.

It was a proud day for these University of South Africa students who received their B.A. (Honours) degrees. They are (from left) S. Magan, R. Mahabir, Mrs. C. G. Shah, M. Patel, K. E. Puodhun and Y. G. Reddy. (More pictures of graduands will be published in our next issue.

Strong melodrama of wicked mum-in-law

SUSPENSE is one of the ingredients of the Tamil film, "Ithu Sathiyam" which is now showing at the Vijay in Asherville. A strong social melodrama—that is set around a selfish mother who dominates the lives of both her son and daughter-in-law—the film stars Asogan, Chandrakantha, the late P. Kannambal, Peter Nagesh and Baliah.

This is a typical South Indian film that so very often recounts the destruction of a stable family through the dominating influence of the mother-in-law. In this film, too, it is the mother-in-law who uses her position of wealth to destroy a happy marriage and bring tragedy to two loving people and their growing children.

But unlike other films with a similar theme, this production does not abound with coincidences and the subject matter is treated with an honesty of purpose and the story is presented with true-to-life detail.

STAR CAST HEADS 'GUMRAH'

PRODUCER-DIRECTOR B. R. CHOPRA has come up with another box-office hit. His latest mass entertainer is "Gumrah," a social drama starring Ashok Kumar, Mala Sinha, Sunil Dutt, Shashikala, Nana Pallakar and Shyama.

The story of this film is simple. It concerns a girl named Meena, an aristocrat's daughter, who falls in love with Rajinder, an artist and her class-mate at college.

Both are ideally suited to one another but fate intervenes and she marries her dead sister's husband, a well-to-do barrister, who has two young children to care for. She resolves to forget the young man but soon circumstances bring the lovers together again.

Ashok Kumar portrays the role of the barrister and husband of Meena (played by Mala Sinha) and Sunil Dutt plays the role of the artist-lover.

"CLEOPATRA" RETURNS

JOSEPH L. MANKIEWICZ production "Cleopatra," winner of four Academy Awards, starring Elizabeth Taylor as Cleopatra), Richard Burton (as Mark Anthony) and Rex Harrison (as Julius Caesar) will return to the Avalon from Thursday of next week.

Co-starring in this 20th Century-Fox presentation are Pamela Brown, George Cole, Tume Crespo, Cesare Danova, Kenneth Haigh and Roddy McDowall.

SHAH

KILDARE had his Gillespie, Holmes had his Watson, but rarely in the annals of films has a leading man come up with two such co-stars as has Robert Vaughn.

As Vaughn's cloak-and-dagger friends, David McCallum and Leo G. Carroll help him bring back the good old days of high and wide adventure in M-G-M's "The Spy With My Face."

NAAZ

THE Hindi screen's new romantic pair, Vyjayantimala and Joy Mukerji, head the cast of "Ishaara," an interesting and absorbing melodrama now showing here. Cast in supporting roles in this film are Pran, Agha, Jayant and Subeeraj.

"Ishaara" narrates the story of a girl named Mala who grows up into a well-educated woman in an ashram, away from her family, following the death of her mother. When she finally returns home she is shocked to discover her remarried father and the family in utter corruption. How she sets about reforming them in the face of great odds is told in this absorbing film.

Another interesting film (also showing here but at 10 a.m. only) is A.V.M.'s delightful comedy "Server Sundaram," now in its third week. Stars are Peter Nagesh, Muthuraman and K. R. Vijaya.

The death occurred suddenly of Mr R. S. Major (Ramsamool), of Balgowan, on Saturday, April 23 at the age of 58 years. At the time of his death he was employed at Michael House College where he served for over 38 years.

He was of an unassuming character, of a cheerful disposition and highly respected by all sections of the community. During his time he was a keen cricketer and soccerite, having played for his clubs in the district.

The very large gathering which assembled at the Raisethorpe Cemetery bore eloquent testimony to the esteem in which he was held by Europeans, Africans as well as by his own community.

Tributes were paid at the graveside by Mr. Knight, Bursar of Michael House, Mr. Robinson, a member of the College staff, and Pundit Sewnarain Pandey.

He leaves behind his sorrowing wife, two sons, two daughters, brother, two sisters and a host of relatives and friends to mourn their sad and irreplaceable loss. —3941

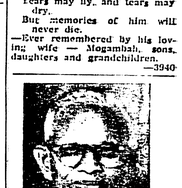
In Memoriam

MAISTRY, Erakamma Ramiah —In cherished memory of our beloved mother and grandmother, the late Mrs. Erakamma Ramiah Maistry, of 15 Knebworth Place, Durban North, who died peacefully a year ago, on May 14, 1965.

In tears we saw you sinking,
We watched you fade away;
Our hearts were broken
But when we saw you sleeping,
So peacefully free from pain,
We could not wish you back
To suffer that again;
Out of this world of suffering
Into a haven of rest;
Those who think of you today,
Are those who loved you best.

— Ever remembered by only son Dorrie, daughters and grandchildren. (Inserted by her son-in-law, N. Govinden, of Eastern Dry Cleaners).



M. M. GOVENDER. — In cherished memory of my beloved husband and our father, M. M. Govender, who passed away peacefully on May 24, 1963.

As this ends the first sad year.
We miss his kind and loving ways,
With him we spent such happy days.
We miss him when we need a friend,
On him we could always depend.
He shared our troubles and our joys,
Following his footsteps we can't go wrong;
On earth he toiled, in heaven he'll rest.
We lived in hopes and prayed in vain,
That he would soon get well again,
But God decided that we should part,
And left us all with broken hearts.
Years may fly, and tears may dry,
But memories of him will never die.
—Ever remembered by his loving wife — Mogambali, sons, daughters and grandchildren. —3940

SUBU SINGH. — In loving memory of our dear mother and grandmother who passed away on May 11, 1964.

Two whole years have passed away,
But in our hearts you will always stay,
A wonderful mother true and kind,
Another like you, we will never find.
Of one we loved and will never forget.
—Ever remembered by her loving son Comar Singh, daughter, daughter-in-law and grandchildren. (Inserted by S. Comarsingh and Seela Bros., 118 Spencer Rd., Clare Estate). —3938

M. GOVENDER (Boat Papa).—In loving memory of my dear dad and father-in-law, who passed away peacefully on May 24, 1963.

His life was full of kindly deeds,
And a helping hand for those in need,
His cheerful smile and a heart of gold,
Are all the memories we are proud to hold.
Gone, but not forgotten.
— Lovingly remembered by his daughter, son-in-law and grandchildren, Mr. and Mrs. Kesval Govinden, Pinetown. —3937

LALL SEEBRAN — In loving memory of my beloved husband who passed away on May 14, 1964.

Imaginations go back to bygone days,
Life moves on but memories stay,

we'll never forget.

CHATSWORTH HAS MIXED FORTUNES AT SEA VIEW

By "Leader" Sports Staff

THE Chatsworth Football Association teams had mixed fortunes in the inter-district matches played at the Sea View Ground on Sunday. They were beaten in the junior game 2-3 and the senior side was lucky to scrape home to a 2-1 victory.

Unfortunately for County, goals were needed to win the game and they were just not able to get them—though they just about did everything else.

Former professional player of the Hearts Football Club, Muthu Moodley, played a grand game in goal for County and he brought off a number of remarkable saves. Chatsworth's outside left, Kappan Soobramoney, was the first to score and no further goals came in the first session.

In the second half A. Sahadevan scored number two but twenty minutes from close Reuben Reddy, County's left back, forced the pace to reduce the deficit.

County made more determined moves, but luck was against them and the final whistle was taken with Chatsworth winning 2-1.

JUNIORS

There was a bit of a drama in the junior tussle. Chatsworth went through the first half assured of a victory after V. Pillay and D. Chengadau put them into a 2-0 lead.

But there was a shock awaiting them in the second half. Nechappa Seobramoney, Pragalathan Naicker and Angamuthoo Pillay completely swung the game in County's favour when they scored a goal each to give the home side an unexpected 3-2 victory.

Considering that Chatsworth finished runners-up in both the senior and junior competitions last year, their showing on Sunday was something of a shock.

PLAY-OFF IN CHAMPIONS SERIES?

From "Paddy" Padayachee

IT looks as if Crusaders and Gandhi's Hill might play a further match to decide who the winners of the newly-formed "Champion of Champions" trophy are. On Sunday Crusaders managed only a 2-1 win over Swallows, whereas they needed a clear three-goal victory to be sure of the honours.

The Tongaat Football Association will take a decision as to whether there should be a play-off between Gandhi's Hill and Crusaders or whether the two teams should be declared joint holders. Two weeks ago Crusaders and Gandhi's Hill played to a 1-1 draw.

Unfortunately for Crusaders, the winning goal was strongly disputed by Swallows. Shokati Ally netted first for Crusaders and in the second half Swallows' centre-forward S. Mthembu got the equaliser. "Sharkey" Perumal scored the second and winning goal for Crusaders.

In the senior league matches both the Maidstone "A" and "B" teams suffered heavy defeats. The "A" side was thrashed 6-0 by Gandhi's Hill and the "B" side went down 6-1 to Red Rovers.

In other matches Maidstone beat Satellites 4-0; Tongaat "B" beat Railway "B" 1-0; Tongaat "A" beat Crusaders 6-1; and Sunrise defeated Gandhinagar United 3-1.

Rovers draw with Gledhow

By "Leader" Sports Staff

REIGNING league and cup champions United Rovers "A" suffered a further setback in their attempt to retain the league cup when they were held to a 2-2 draw by Gledhow at Stanger on Sunday. Rovers have already dropped four points; they lost the game to Sappi and this is their second drawn game.

In the other senior matches played here Alt Fords and Darsall also played to two-all draw; Sappi beat Young United 2-1 and Rovers "B" beat All Blacks, also 2-1.

In the junior matches City Lads defeated Gledhow 3-1 and Sappi thrashed Aston Villa 6-2.

TELUK

The Lower Tugela Football Association have the names of the following players from whom the final team will be chosen for the inter district match to be played at Tongaat on Sunday.

The team is: Lowender, C. Dorasamy, A. Govinda, C. Singh, R. Perumal, Peters, Ramsamy, Kuppusamy, Ramdhin, Sewpersad, Ramdhin, K. Ramsamy, Govender, Ramdhin, A. Nenee, C. Dhanlall, Bandhu, Manuche, C. Mthembu, Gopal, Naicker and S. Rajoo.

BRIGHTON WIN TENNIS THRILLER

By Ebrahim Osman

AFTER trailing for most of the match, Brighton made a magnificent recovery to snatch a well-deserved 5-4 victory over defending league champions, United, in Pietermaritzburg last Sunday.

United led 3-1 at one stage and then 4-3 and appeared set for victory but the Brighton "C" pair caused the upset of the day to beat the United "B" pair and clinched victory for their side in a match which was hard-fought and tense throughout but played in a commendable sporting spirit.

Other "B" Division results were: Sunrise 5, Woodridge 12 Saints 5, Arena 5, Sultan 5, Ashoka 8.

"A" fixtures for Sunday are: St. Anthony v. United; Sunrise v. Arena; Brighton I. v. Sultan; Ashoka v. Umlazi; Saints v. Woodridge.

Close match, then S. Coast get on top

SOUTH Coast scored an impressive victory in their first outing in the inter-district matches in the western area of the Southern Natal Soccer Board competitions against Pinetown on Pinetown ground on Sunday when they scored 6-2 and the juniors 4-2.

The senior game provided thrills galore from the opening minutes. The South Coast forwards combined magnificently and raided the Pinetown goal area and scored from a melee. The Pinetown half was under heavy pressure but the defence, in which K. Dladla and Veena were outstanding, held their own well.

The second goal by South Coast had Kriah Pillay, the home keeper appealing for an offside.

But when South Coast seemed to take control of the situation, the Pinetown forwards clicked and with a terrific drive Victor Reddy had the visitors' keeper biting the dust.

An intelligent pass from Pinetown's centre-half saw T. Gama late in the half over the advancing S. Coast's left-back and the goalkeeper, amid a great appeal for a decision. This goal took the Pinetown team by surprise.

But when South Coast were awarded a penalty and the home keeper managed to parry the ball away but, to his disappointment, saw it enter the far end of the net. Play swung to the South Coast end and the ball was handled by a Coast defender. From the resulting penalty Nick Reddy evened matters.

Both sides battled to get to the top until a hotly disputed penalty was awarded to the visitors. The linesman had come to the conclusion that the ball in the home side's area but referee Mr. Lee Kwen took no notice and the ball was grabbed by a Coast player. And the referee awarded a free kick.

The linesman then consulted the referee about the handball and he changed his decision and awarded the visitors a penalty. This was met with great disapproval by a section of the crowd. An infringement in the South Coast area gave the home team a chance of drawing even but this was their last attack. The most consistent player on the field, bolstered the ball over the crossbar.

The side changed and Pinetown went on to the offensive as South Coast attacked. Two good goals from the visitors sealed the fate of Pinetown.

Poor goalkeeping cost the home team the match against South Coast juniors. The selected keeper failed to make an appearance at the ground. South Coast juniors went on to win the match 6-2.

Reinbro lead in angling

By "Leader" Sports Staff

THE Reinbro Anglers, the 'Babes' of the Natal Anglers' Federation, shot into an early lead for the R100 Castle Stout trophy and prize money at the end of the first round of the league series which was held at the old Whaling Station on Sunday.

The Natal Estates Angling Club, which is taking part for the first time, caused a stir when Chinsamy Muthoo and Auth Sunker together caught fish weighing 8lb. 4oz. to put the side into a lead at the start of the morning session.

But three minutes from the end of the first session Jimmy Mitchell landed an 8lb. mussel-cracker to put Reinbro well ahead.

The results of the competitions were:

Mayor to present case of Chatsworth sports amenities to council

By "Leader" Sports Staff

SPORTS bodies in Chatsworth and the Chatsworth Sports Association made strong representations to the Mayor on the lack of sports facilities in the area at a joint meeting held in Chatsworth last week. The Mayor gave an assurance that immediate attention would be given to the questions raised. He promised to place the matter before the City Council as soon as possible.

In a memorandum presented to the Council, the Chatsworth Sports Association points out that the township was established some five years ago and although there are 16,000 homes with an approximate population of 80,000, the architects of the housing scheme have given little consideration to sporting amenities.

Although five years had elapsed there were no proper sporting facilities and this was causing considerable concern.

A few playing fields have been made available but most of them, especially those in Unit 3, "are definitely not in a playable condition." The memorandum adds that it is reluctantly compelled to continue the fixtures under such conditions.

POOR STATE

These fields are semi-developed. Repeated complaints have been lodged with various departments of the City Council regarding the poor state of these grounds. At the beginning of 1965 soccer season, the grass was cut only once and the soccer fields were marked only once. Thereafter, the association's complaints fell on deaf years.

The association requested an inspection in loco of the grounds. Further recommendations were that the present playing fields be properly maintained and such facilities as toilets, water, caretakers' rooms, seating should be provided.

HILLVIEW WIN BUT IT WAS QUITE DULL

From Our Correspondent, LADYSMITH.

HILLVIEW were the far better side in the league match played against Schools here on Sunday. Hillview won the game 4-2, but it was not a match that one would like to see again. There was hardly a bright moment throughout the 90 minutes.

Hillview opened the scoring with a fifth-minute goal through Cassim Sader, but Schools soon equalised when S. Rampersadh netted. Hillview got their second goal ten minutes later and Mannie Naidoo put them further ahead with the third goal.

Half-time was taken with Hillview 3-1 ahead and immediately on resumption Sathar Khan scored goal number four for Hillview. The best Schools could do was to reduce the margin of defeat to 4-2.

BOARD MEETING:

The Northern Natal Soccer Board is to debate two important matters at the postponed council meeting that is to take place at the M. L. Sultan School on Sunday morning at 10 a.m.

One of them is the attitude of the Northern Districts Football Association to restrict its membership to Indians only. The other item on the agenda simply says: "Integration." What the Board has in mind is not yet clear.

The Northern Natal Referees' Board holds its meeting after the conclusion of the Soccer Board meeting. All those units affiliated to the Northern Natal Soccer Board are asked to send four delegates each.

Easy victories for Durban

THE Durban Football Association senior and junior teams gained convincing victories in the first round of the inter-district matches that were played at the Springfield Ground on Sunday.

In the senior game, Durban thrashed Asherville 8-0 after leading 4-0 at half time and in the junior match Durban won 3-1.

Durban are the present holders of both the senior and junior Southern Natal titles.

Goalscorers for the Durban senior side were: Sally Mohamed (3), Victor P. Naidoo (2), K. Govender (2) and J. Saratheran (1).

In the domestic fixture of the Association Carlton Athletic beat Stamford Hill 2-1, Young Aces United defeated Saturn Spurs 2-1 and Stella held Carlisle United to a 2-2 draw.

The other results were: Senior: Fleurbaix — Fairway United 2-0; Rangers 2, Avalon Rangers 1; Durban Rockets 8, — K.O. Cup: Bolton Rovers — White City Lads 4.—Senior C: Lennox — Springfield Callies 1, Addo Athletic 6 — K. O. Cup.

Juniors B: Rosetta won, Standard United won; Chatsworth Stars 3, Rockview Callies 1; Saturn Spurs 2, Rockmans City 3.

Juniors C: Tongaat Albertas 2, Kingston 2; Sunset 2, Frasmere Rovers 1; Derby United 2, Flamboyants 0.

Leisure: Young Aces 4, Stars 1.

Kiruban out of athletics

by "Leader" Sports Staff

KIRUBAN NAIDOO might not be available to represent the Natal Amateur Athletic and Cycling Union at the athletic meeting that is being held to commemorate the fifth anniversary of the Republic. The meeting is to take place at the Old Kingsmead on May 28.

Kiruban said during the week that as a result of the pulled muscle, which he suffered at the inter-club athletic meeting two weeks ago, he was not able to participate.

Mr. D. J. Singh, the secretary of the union, was not aware of this situation and he was not in a position to say who might be chosen to replace him in the 220 yards.

Kiruban was selected for the 100 and 220 yards, Karamchand Hiramun (100 yards and one mile) and Errol Khan (mile) are the other two who have been selected.

It is possible that only the two athletes might take part Natal might not be represented in the 220 yards. These athletes will be competing against some of the top athletes from the Natal high schools.

Inter-district fixtures

TONGAAT is all set for the inter-district match against their old rivals, Lower Tugela, this weekend, writes "Paddy" Padayachee. The match takes place at the Watson Park Stadium. Preceding the main games is a junior clash between teams from the same units.

In the Western Coast zone, Pinetown, who have already been defeated by South Coast, travel to Chatsworth for the game against the local side who were runners-up in the series last year and should provide the visitors with some strong opposition.

Another match in the same division is at Clairwood where South Coast meet Country. This should be an interesting game—more so because South Coast defeated Pinetown last week and Country got very near to toppling Chatsworth.

At Mid-South Coast, the home team meets Lower South Coast while at the Durban South Coast there should be keen rivalry between Durban South and Merewent.

The Tongaat team will be chosen from: K. Krishna (Chairman), G. Singh (Treasurer), C. Black "Paddy" Padayachee, V. Khan (Kranzkloof), Rajah, S. Moodley (Chairman), who captain, E. Gul Khan (Kranzkloof), N. Naicker (Kranzkloof), Alfred Sargent (Chairman), Wrankle (Secretary), Sheikh Aziz (Kranzkloof), Peter Dhanwood (Kranzkloof), Jack Shanda (Chairman), K. Naicker (Kranzkloof), K. Sookraney (Kranzkloof), R. Dhanpaul (Committee).

Sponsored league may end in triple tie

By "Leader" Sports Staff

IF Avalon Athletic beat Aces United in the deciding match for the R12,000 Axe-Hamper cup competition on May 29, the South African Soccer League will find itself in the awkward situation of having to declare Aces, Avalon and Maritzburg City joint winners. The League has already decided that goal average will not be used to determine the champions.

The position, as it stands at the moment, is that Aces United have eight points from four games with the final match against Avalon Athletic. Avalon have been beaten once in the five-match series and their fifth game is against Aces. Maritzburg City have also played four games and have six points and it is almost certain that they will beat Zulu Royals-Coastals, and if they do they will also have eight points.

On Sunday last, Aces United just managed to get away with a slender 2-1 victory over the much underestimated Zulu Royals-Coastals.

The all-African side played a splendid game but they were just not able to get the goals, Aces hung on to a solitary goal lead at half-time, scored by Steini Moodley.

Coastals improved in the second half and their determined play paid off when Henry Aces scored the equaliser. This goal shocked United and their supporters.

United did everything possible to recapture the lead but Coastals gave them a hard time. However, towards the end Henry Olivier managed to score from a free kick and an uncertain Aces side had a narrow escape.

	P	W	D	L	F	A	Pts
Aces United	4	4	0	0	15	5	8
Maritzburg City	4	3	0	1	18	9	6
Avalon Athletic	4	3	0	1	13	7	6
Berea	3	2	0	1	3	4	4
Clermont, Durb.	3	0	1	2	3	11	1

DURBAN MAN DIES IN SHIP BRAWL

—Natal shipmate held by police

"Leader" Reporter

A DURBAN Indian seaman, Melville Desmond Singh, who is alleged to have been murdered by a colleague, Jonathan Naicker (23), on board the Kinnaird Castle while it was berthed in Cadiz, Spain, died without knowing that he had become the father of a fourth child. The baby, a girl, was born only four days before his death.

Melville, who was employed as a second steward on board the Kinnaird Castle, went to sea only recently. He was separated from his wife, Lorraine, some six months ago and appeared in the Durban Magistrate's Court last month on a charge of failing to comply with a Court order to pay R30 maintenance to his wife for the upkeep of his three minor children.

The stabbing incident took place on May 13 after, it is reported, the ship docked at Cadiz. Melville was rushed to hospital but died three days later.

Melville's shipmate, Jonathan Naicker, who comes from Reaceneath, Umkomaas, was taken into police custody and subsequently appeared at a Dover Court. He was granted legal aid and it due to appear today (Friday).

MADE STATEMENT

Detective Chief Inspector Arthur Jenvey told the Dover Court that he had boarded the Kinnaird Castle when it was anchored off Dover and asked Naicker if he could tell him anything about the incident. The accused is alleged to have replied that he would tell the truth and later made a full statement.

Mrs. Lorraine Singh, wife of the deceased, who has been living with her parents, Mr. and Mrs. D. Pillay of 23 Bharat's Court, Warwick Avenue, Durban, since the pair had separated, told "The Leader" that the news of her husband's death had come as a shock.

"I last met him when he returned to Durban on April 17, two days before it was due to sail for Europe. He called at my parents' home to see the children. We spoke very little.

"When my father visited the offices of the local agents for the Kinnaird Castle on May 16 to pick up the first allotment for my children he was told that no allotment had been received and was then handed a letter from the shipping company."

READ LETTER

On reading the letter, he learnt for the first time that Singh had been involved in a stabbing incident and was in hospital. The letter read in part: "Melville Desmond Singh, who was employed as second steward aboard the SS Kinnaird Castle was involved in a brawl with another member of the crew and has been landed in hospital in Cadiz, Republic of Spain."

Mrs. Singh was shocked when she heard the news. "We returned to the offices of the shipping agents in Durban the same afternoon and learnt further that my husband had died."

There has been no further news from the authorities overseas, but the family have been led to believe that Mr. Singh's body is still in a mortuary.

TURKISH DELIGHT: Belly dancer Sahra Samarr, who will be making an exclusive appearance at The Pelican in Chatsworth on Saturday, June 4, before her departure for New York. Sahra has appeared at the Playboy Club, Las Vegas, and had a six-month engagement at the Latin Quarter in New York. She also appeared in the film "Cleopatra." Her name was once romantically linked with Elvis Presley.

Boycott call: students questioned

"Leader" Reporter

STUDENTS of the Springfield Training College, Indian Girl's High School and the M. L. Sultan Technical College in Durban were questioned by members of the Special Branch last week following what has been described as an attempt to boycott the Republic Day celebrations scheduled for this weekend.

Students from the three institutions are reported to have been requested in leaflets distributed at these institutions to refrain from participating in the celebrations. It is understood that several "suspects" were interrogated at length by the Special Branch men.

It is learnt that students from the Durban Girl's High School had individually decided not to participate in the physical culture display at the Old Kingsmead on Saturday but after the police visit had changed their minds.

Students refused to talk for fear of victimisation.

There was a curt "no comment" from principals of the institutions involved.

In happier days . . . Mr. and Mrs. Melville Desmond Singh pictured together soon after their wedding.

Message of the Stars

AQUARIUS: January 20—February 19. Although you may be determined to be 'in' you will find you are being unusually serious. A woman in your group who has meant much to you in the past makes demands upon you once again. You will end the period with a little worry.

PISCES: February 19—March 20. Watch your health a little more carefully than usual, particularly towards the end of the week. There will be so much profit to be made in the near future that you may well overtax your energies.

ARIES: March 21—April 20. If you are hoping for romance this week, look for it with an old friend. If you are out to make money it will take the last few days before you make any vital decisions. Someone with whom you share your working life is likely to give you an unpleasant surprise.

TAURUS—April 21—May 20. The next seven days could be all important and you should have a definite if little conception of something you have in mind about a year ago. Socially there are many plans to be had if you are willing to be hospitable and friendly.

GEMINI: May 21—June 20. Put emotion aside if you realise you are up against forces or circumstances that cannot be mastered. The realities of life may be made perfectly clear to you, light-heartedness in the name of friendship. A letter could be interesting.

CANCER: June 21—July 20. If you have family problems, they will be with you again at the end of this week. This time, however, you will see a lasting solution to your difficulties. Enough money may be scarce, you will be able to plan ahead, thanks to a good friend or a helpful relative.

LEO: July 21—August 21. An association that is of great importance to you is under strain. Arguments could hold up marriage plans of family changes, unless you make up your mind to yield a point or two. Where money is concerned, it is a lucky week.

VIRGO: August 22—September 22. You may find that you have taken on a little more than you can manage quickly. So remember that careful planning is the secret of success, not only for this week but for over the next month or two. You will be tempted to throw in your lot with someone who has become very dear to you.

LIBRA: September 23—October 22. No grumbles about money this week; you will have more in hand than you have had for a long time. On the personal side, you begin the period with some anxiety and heartsearching and end it with an old relationship re-established.

SCORPIO: October 24 — November 22. You meet someone who not only admires you but has money to spend, so the next few days should be exciting from every point of view, and very rewarding socially.

SAGITTARIUS: November 22 — December 21. You get important news but not until the end of the week. Until then, you must be patient about anything that is worrying you and have a little faith that it will turn out well.

CAPRICORN: December 21—January 19. By the end of the week you will have taken another important step towards eventual security. You will be planning carefully how much you can afford to spend on family career. There should be good news or a journey that will enhance your personal prestige.

DEATH RATHER THAN SUPPORT CHILD CLAIM

"Leader" Reporter

RALPH LEONARD, of 45 Clyde Road, Redhill, denied in the Durban Maintenance Court last week that he had fathered the child of Rosy van Wyk, of 11 Prince Avenue, Cato Manor. The Magistrate, Mr. van Niekerk found him not guilty and he was discharged.

Rosy van Wyk told the court that she had met the accused for the first time in June, 1964 at a party that was held at the home of Leonard. Two weeks later she spent the weekend at his home and they went out to a dance. They had an affair and thereafter they met every weekend.

When she told him she was pregnant, the accused denied he was the father. "He told me to take some pills and when I refused he said it was not his child and he would rather kill himself than support the child."

Leonard admitted seeing the girl but denied he had ever had an affair with her.

Mrs. Angellay Naidoo, wife of ex-Durbanite Mr. Samson (Chana) Naidoo, of 72 Sibelius Avenue, Retreat, Cape, celebrated her 32nd birthday at her home recently at a party attended by members of her family and friends. Mrs. Naidoo is the daughter of Mr. and Mrs. A. M. Chetty, of Brook Street, Cape Town. In the picture Mr. Naidoo lends a hand to cut the cake.

Candid Commentary . . . by Politicus

Yet another example of how group areas act works against Indians

A CLASSIC example of the way the Group Areas Act works in practice is the sale of the Methodist Church building in Grey Street, Durban.

The site was put up for sale by public auction recently, and was knocked down to an Indian syndicate for about three times its actual market value.

The bidding was keen. There was competition from a big white concern, one of the biggest repartmental chain stores in the Republic.

Whites could bid and buy in Grey Street as it is just a "controlled area," where inter-racial transactions are subject to permit.

Now, the Methodist site is owned by a White group, although wholly occupied by Indians and Africans. No permit is, therefore, required for a sale to another White. But, ironically, a permit must be obtained for a sale to an Indian group—though the property is situated in the heart of an "Indian area" and almost exclusively occupied by Indian shopkeepers.

That is the biggest anomaly of the situation, a glaring example of the way the Group Areas Act operates against Indians.

The other point is the price offered for the property, a fantastic price considering the fact that the buyer is buying, ultimately, the site only, for development.

Take away the Group Areas Act, and the property would not fetch half the price offered for it at the auction sale.

And look at the opposite picture, of properties owned by Indians in White Group Areas or, rather, areas owned by Indians but declared White. What happens?

The well-known Bombay Bazaar building in West Street has changed hands and a White concern paid about sixty per cent. for the property, buildings and all, as compared to the price offered for the Grey Street property.

Indian properties go cheaply, but Indians have to pay through the nose for properties in Indian areas.

The biggest snag about it all is the fact that Grey Street is still, to this day, not a declared Indian group area.

THIS MEANS THAT WHITES MAY BUY UNDER PERMIT. THEY MAY "PENETRATE INTO THE INDIAN AREA."

But an Indian owning property in West Street cannot sell to another Indian because West Street is declared White.

It is said that members of the so-called Indian Council are to make an approach to the Government requesting the authorities to declare Grey Street an Indian area.

Well, better late than never. It is nice to see that they have opened their eyes to the situation.

They did not succeed in Cato Manor, of course. But that is no reason why they should fail in Grey Street.

They were not able to retrieve Riverside but that is no reason why they should not score a victory in Grey Street.

Besides, the time is ripe, too. We are in the throes of our Republic celebrations and if the Council members are able to get the Minister in the right mood, who knows?

Grey Street may still be declared an Indian group area thus allaying the fears of the community that one day they may be required to pack up and get out of good old Grey Street, too.

Well, here's wishing the Council members all the luck in their "fight for Grey Street!"

NKRUMAH is said to have ordered a R70,000 bullet-proof car from Ford of America. What a thousand pities, the car was never put to use, and has proved useless.

If the dictator had ordered a sack-proof car, he may have fared better!

CLIMAX TO REPUBLIC FESTIVAL

THE climax of the Republican festival celebrations of the Indian community takes place this weekend in Durban.

On Friday night the crowning of the festival queen by Mrs. T. A. Gerdener, wife of the Administrator of Natal, will take place at the Shah Jehan, after which event the screening of a Moral Rearmament film will take place.

The next day a float procession will take place. Floats will leave the Snake Park at 8.15 a.m. and proceed along the Marine Parade, West Street, Aliwal Street, Smith Street, Grey Street, Alice Street and Old Fort Road to Old Kingsmead.

The function, which will commence with a flag-hoisting ceremony, will be officially opened by the Mayor of Durban. The programme will consist of an athletics competition, gymnastic display by 900 schoolchildren, drill and P.T. display by the S.A.P., and displays by schools, scouts, guides, Red Cross and lifesavers.

A banner procession of 700 students and 375 banners will round off the celebrations.

Baptist women's fellowship

"Leader" Reporter

MISS JUDITH MORCKE and Miss Julia Forgus, senior officials of the S. A. Baptist Missionary Society, were among the prominent personalities who attended a fellowship of the Indian Baptist Women held at the Somtseu Road Indian Baptist Church recently.

Women from Pietermaritzburg, Kearsney and Durban were well represented and among the guests were members of the Bethesda Temple and the Methodist Church.

Mrs. S. Ratcliffe of the Salvation Army was the guest speaker.

Mrs. Gonam Cornelius, wife of the president of the Indian Baptist Mission, welcomed the guests and in her address exhorted mothers to take keener interest in the sunday school.

A highlight of the function was the renderation of musical items.

RAISETHORPE TEMPLE PLAN

A TEMPLE site to erect the Shri Mandir has been purchased by the Hindu Prarthana Circle in Sirkhot Road, Raisethorpe. There are five groups operating on this new Temple project, namely, Messrs. Mansingh (Sirkhot-Tricky Road area), B. Ramouthar (Khan Road), S. Inderjith (Greystown-Simeon Road) and K. Gokal and R. Ramkarin. Those who are desirous of joining the Mandir project should contact are of the group leaders.

Mr. M. D. Singh and Mr. K. P. Maharaj are the Trustees. The responses from the residents of Raisethorpe towards the Temple project is most heartening and encouraging. Already 200 new members have been recruited. It is estimated that the Temple will cost between R30,000 and R40,000.

LEADER OPINION

SICKNESS A LUXURY

THE Minister of Health, Dr. Albert Hertzog, recently criticised doctors whose principle concern is "making money."

"Every profession has its black sheep," he said, "and some medical men have reduced their profession to one of sheer money-making.

He went on to say that the profession was not to enrich itself at the expense of the poor. People who earned the average South African income of R1,500 a year, could not afford to be sick.

We welcome this straight-talking from Dr. Hertzog. There is no doubt that a number of medical men have earned a reputation for "money-making" only. They have thus brought shame to a noble profession.

If persons who earn R1,500 per annum are unable to afford being sick, what of the large mass of non-Whites who earn much less?

State and Provincial hospitals provide a very essential service in their case. Yet, these institutions, too, are full and cannot cope with the ever-increasing demands made upon them. Besides, they are short-staffed and new personnel are not easy to recruit.

The answer, of course, to the money-making problem is a state medical service on the lines of the one in Great Britain.

Then, again, our multi-racial community poses tremendous problems of its own. There are just not sufficient non-White doctors to serve the community.

The state is not able to attract yound medicos into its service as it should, because non-White doctors and nurses are not paid the salary they expect.

Inevitably, therefore, the young qualified man of vision is caught in a trap, buries his ideals and launches out on the road to "money-making." Can we blame him?

He is caught in a vicious circle, and in some respects the community at large is to blame for his predicament. By and large, as matters stand, sickness has become a luxury which the poor cannot afford.

COUNCIL GRANT

THE General Purposes Committee of the Durban City Council has recommended that an amount of R1,210 be granted as expenditure to cover the cost of municipal services at the celebration by the Indian community of the Republican Festival this weekend.

The Coloured community of Durban has been given R1,305 (made up of R580 for municipal services and R725 for refreshments).

Bumper line-up

THE Paradise Restaurant has organised a bumper programme of entertainment for this weekend and the early week. On Saturday there is a Festival ball, followed by a jazz concert on Sunday.

On Monday there will be the second Queen of the Month contes and on Tuesday—Republic Day— a Republic queen contest will be held.

Candlelight theatre will be staged there the following weekend.

VOTERS' ROLL FOR ISIPINGO

THE Town Council of Amanzimtoti and the Isipingo Beach Local Affairs Committee have decided to start preparing a voters' roll for Isipingo Beach and a decision has been taken to hold the first elections for the three members on the Local Affairs Committee on Wednesday, November 30, 1966. ... ...

'SPECIALS' AT THE ISLAND

THE Island Hotel at Isipingo Beach, now completely redecorated and refurnished at substantial cost, continues to draw a large number of dancers at weekends.

Plans are reported to be well in hand for a wide range of entertainment 'specials' at this venue.

Late buses for dance fans

SPECIAL arrangements have been concluded for dance fans from the Sydenham, Avoca, Redhill, Merebank and Austerville areas of Durban this Saturday night to transport them home after the Police ball at the Himalaya Hotel.

Det. Constable Ralph Panayan, organiser of the ball, said this week that the ball which will be held on both floors, the Kilimanjaro and the Summit, promises to be a great success as most tickets had been sold already.

The ball will feature three bands — the hotel's two resident bands, Blue Ricks and Five Pennies and new group, The Kentones.

FOSA DANCE

THE Friends of the Sick Association will be holding a ball at the Kilimanjaro, Himalaya Hotel, on Friday, June 4 to raise funds towards its R52,000 jubilee appeal. Fosa has completed 25 years in the fight against tuberculosis and funds are urgently needed for capital expenditure at the Fosa TB Settlement, Newlands.

An appeal is made for wholehearted support to be given to this fund-raising effort. Tickets (50c each) can be obtained from officials and members of the association or at Fosa head office Nr Chambers, Durban.

Parting led back to court

WILLIAM PERCIVAL OLIVER (38), formerly of 311 Elf Place, Clare Estate, who was found guilty in 1962 for failing to pay maintenance and was sentenced to 60 days' imprisonment suspended for three years, was found guilty last week for failing to carry out a court order and the suspended sentence was enforced.

Oliver who now lives at 43 Bristow Road, Mayville, was first brought before the court in 1962 and subsequently appeared in October 1963 when the suspended sentence was further suspended. The court was told that he owed R120 for the period October, 1963 to May 1966 and of this amount only R68 was paid leaving arrears of R52. The last payment had been made on November 10, 1965.

Between that period he was reconciled with his wife but they eventually parted after an argument on February 2 this year.

Clydes' great fight-back

YOUNG CLYDES scored their second successive victory at Umgeni last week when they beat a gallant Red Hill Rangers XI 3-2. Both teams missed several scoring chances, and a glaring factor of the game was the lack of cohesion in both sides.

Red Hill, who are often sluggish in defence, played well for most of the game but were subjected to a tremendous onslaught in the closing stages as Young Clydes battled for equaliser and eventually the winner.

North Coast F.A. travel to Lower Tugela on Sunday to meet the local side in the inter-district cup fixture. The last time these sides met North Coast were unlucky to lose 2-1. North Coast is defining a formidable side and if its attack lives up to expectations it would be the strongest North Coast team ever to take the field.

The N.C. teams are:—Seniors: K. Chinna, K. Agrippa, C. Murugasen (EARS), R. Govender, M. Reddy, H. Rabikrishna, K. Rabikrishna (Templers), P. Arumugan, F. Mohammed (Springvale), V. Naidoo, M. Pillay (Asphill Ath.), M. N. Naestorp, Peter C. James, G. L. Damant (Valley Rangers), and Premjith Krishnageeraah (Red Hill Rangers). Manager: Mr. R. Harrikissoon.

Juniors: Kiseen Vanik (Briardene Lads), G. R. Ebrahim, S. Verrasamy, J. K. Chinnavirasna (Silver Stars), A. K. Bhabha, H. Mamaingh, N. A. Crysler, (V. Clydes), Viriamparan, D. Christy, M. Naidoo (V. Rallers), M. Ramsamy, Appaiasamy (Coronation), Sanjay Sanjaney, Kailesh Govind (Red Hill Rangers), K. Kunpusamy (Victor Athletic). Manager: Mr. E. G. Muhammed.

ASSEMBLY

THE Durban and Pietermaritzburg congregations of Jehovah's Witnesses will be holding their circuit assembly at the Coloured social centre in Pietermaritzburg from June 3-5. The climax of the convention will be an address on Sunday at 3 p.m. by Mr. M. H. Fosslow, a district minister of Jehovah's Witnesses, on the subject "What does the resurrection of the dead mean to you and yours?"

32,000 People from one Company have taken the Dale Carnegie Course

Which company? Call us and we'll give you their name. You can write to them.
They have sent 2,000 of their supervisors, executives and key personnel to us every year —for 16 years now. They're glad they do.

Of course they give their employees their own technical training in job skills but after that they send them to us. We help their men and women to develop more initiative, enthusiasm, plus the confidence to accept responsibility and make their own decisions.
We give them the ability to communicate their ideas and speak well in committee (or in public).

They find that Carnegie training helps their personnel to become good mixers at all levels, to handle others with tact and understanding —develop those "plus" factors that added to job knowledge, mean promotion, respect, and more money too.

We can be more specific about the Dale Carnegie Course, and we will be at our next preview, so if you know anyone who would benefit by developing these qualities why not bring them to the meeting. After all, 50,000 other South Africans have done so already.

Around the night-spots

Among the large crowd at the Himalaya Hotel was this couple who were photographed dancing at the ball held by the Santos Football Club last week.

Mr. Chin Naidoo and Miss Bernadette Cooper braved the wind and the rain last week-end to enjoy a night out at the Island Hotel, Isipingo Beach. Earlier in the day the swollen Isipingo River and the incoming spring tide threatened to swamp the hotel, but the water level receded, but not before giving the management some anxious moments.

Cape Town couple Ron Manchest and Amina Petersen, enjoy a night out dancing to the music of the Intermezzo's at Delhi's Durban's newest night spot, the Ashoka in Grey Street.

Mr. John Baker and Ann Nieukerk seen dancing at the Himalaya Hotel where the Natal Women's Hockey Board held a dance last Saturday to raise funds for the forthcoming inter-provincial tournament.

When you buy National Growth Fund units you invest your money in Gold. Coal. Diamonds. Commerce. Banks. Industry.

You invest your money in the very roots of our economy.
And that's why it grows. Because the economy is growing. Steadily. Surely. Continuously. As it has been doing for the past 50 years.

Your money could be growing with it – if you invest in National Growth Fund. Because each NGF unit you buy gives you a spread of shares in 60 or more of South Africa's leading companies, all of them specially selected for their growth potential. For just R10 a month (more if you like, of course) you become an investor in the very foundations of South Africa's economy. And have men like those shown here helping you to reap the benefits of sound investment.
You can watch your original investment get bigger and bigger – and receive twice-yearly dividends at the same time.

Of course, share prices fluctuate. At any particular time National Growth Fund units might be below the price you paid for them. But Stock Exchange records show that drops in share values which looked like serious valleys at the time have proved over the years to be no more than minor dents in the overall upward price curve.

R100 invested just 6 years ago in the spread of shares NGF holds today would now have grown to R230.

R100 left idle over the same period would now be worth only R86 in actual buying power.

The choice is yours. You can hide your money under a mattress, if you like, or lock it up in a vault . . . its value shrinking each year. Or you can put it to work for you in our leading industries, and see it grow as South Africa grows.

ALBERT

"SANTHI" in Tamil, starring Sivaji Ganesan, S. S. Rajendran and Devika, returns to the Albert, for a two day engagement, on Monday and Tuesday.

The Sivaji Ganesan starrer, "Pantha Pasam" will return to the Albert for a short season from Wednesday, June 1. Co-starred in this film are Gemini Ganesan, Savithri, Devika, S. V. Ranga Rao and Chandrababu.

A smart performance comes from young Chandrakantha, who in a small role as invalid wife, nearly beats all the seasoned performers in the cast. Though photogenic, Chandrakantha, probably because of her stage training, reacts admirably to the

DEVIKA

quick changing moods of the story and cuts an impression that will guarantee her a promising future in films.

The story unfolded here is of the tear-jerker type, using human emotion as its sheet anchor. But it is not the story which is of the ordinary kind.

SHAH JEHAN

DEBORAH DE LACY is a 21-year-old actress who is featured in Anglo Amalgamated's new drama "The Face of Fu Manchu." Joining an international cast for this, her biggest role to date, she shares the credits with Christopher Lee, Nigel Green, Tsai Chin and James Robertson Justice, with German stars Joachim Fuchsberger, Karin Dor and Walter Rilla.

ASTRA

HORST BUCHHOLZ, the young German star who has been acclaimed by Hollywood as the most exciting "find" returns to the screen after his brilliant portrayal in "Nine Hours To Rama" in the newest of the spy thrillers, "That Man in Istanbul".

Buchholz's portrayal in this film that rivals the best of the James Bond thrillers, has been widely acclaimed as his finest in his meteoric rise to stardom.

Super-charged action, thrills and electrifying suspense are some of the ingredients of this production which offers fans a rare treat in entertainment. Co-starred with him in this film is Sylva Koscina, well remembered for her role in "Hot enough For June."

"That Man in Instanbul" showed to packed audiences at the Avalon in Durban and will be released in Pietermaritzburg at the Astra.

PRINCESSES SING A HIT

"DO-RE-MI", a song from Rodgers and Hammerstein's "The Sound of Music", was sung by the three Royal Princesses of Thailand before students of Thammasait University in Bankok during an informal visit by the Royal Family.

The event marked the first time that the Princesses had sung together in public, and their performance was accorded thunderous applause from students in the jam-packed auditorium. Their Majesties the King and Queen of Thailand joined in the applause and were obviously pleased by their daughters' singing. ("The Sound of Music" is now showing at the Avalon.)

Action film has comic moments

"THAT Man From Rio" starring Jean-Paul Belmondo, Francoise Dorleac and Jean Servais, a United Artists presentation filmed in Eastmancolour, will be screened at the Avalon at a special late evening show on Monday, May 30 at 11 p.m.

Filmed in magnificent-hued Eastmancolour on exciting authentic locations in Paris, Rio and Brasilia, "That Man From Rio" follows its hero, played by internationally-famed French actor Jean-Paul Belmondo by land sea and sky through a chain of jet-paced adventures that take him and the audience into a series of breathtaking death-defying perils and escapes.

Delectable and saucy French actress, Francoise Dorleac, stars with Belmondo.

Glamour girl switches to the extreme

SLATTERNLY during the day-time hours, glamorous at night. That's the programme Agnes Moorehead followed during the course of her role with Bette Davis, Olivia de Havilland and Joseph Cotten in Robert Aldrich's "Hush . . . Hush, Sweet Charlotte", a suspense thriller from 20th Century-Fox which plays at the Regent.

On the set, Miss Moorehead hid her own chic red-headed good looks in the guise of Miss Davis's illiterate housekeeper, drab, unkempt and buxom. She wears a curtainless, rattly-looking pepper-and-salt wig for the characterisation. This is noteworthy, since she is known to people in show business as "The Fabulous Redhead."

THE British Embassy in Lisbon was too drab to appear in technicolour so director Cliff Owen hired the villa of a wealthy Brazilian to stand-in for the British legation while filming the spy-comedy "A Man Could Get Killed".

This Universal-International film stars James Garner, Mellina Mercouri, Tony Franciosa and Sandra Dee.

The stand-in embassy is surrounded by beautiful lawns and gardens with a high iron fence and imposing gates. "It looks like an embassy should look," Mr. Owen said.

Fair Mountian is tipped for the sponsored race

By "Ambassador"

A prelude to the glamour race, the Durban July Handicap, is the R10,000 Sponsored Handicap (formerly the Union Day Handicap) run on Tuesday at Greyville over 9½ furlongs.

The majority of the "July" runners are in the field and the race should again provide a useful pointer to the big race. Horses which feature prominently in the race, usually give an excellent account of themselves in the major race.

In a powerful field of 15 runners the winner should come from Fire Eyes, Highland Chief, St. Michael and Fair Mountain.

St. Michael last raced at Kenilworth on April 11, where he ran out an easy winner over 10 furlongs. He is running in the Umkomaas Handicap at Clairwood. If he runs well in this race, then he should be a strong contender for the sponsored race.

Fire Eyes, former winner of the Cape of Good Hope Derby, was installed first favourite for the Cape "Met" but he failed to finish in the money. His stable companion Renounce, won the race.

Fire Eyes looks a sound proposition for this rich plum.

Fair Mountain, stable companion of Fire Eyes, ran a great race when finishing second to King Willow in the last two years' Handicap. He should go well in this event.

Highland Chief ran an excellent third in last years' "July" and must be respected.

In a open race, I select Fair Mountain to win from Fire Eyes and St. Michael.

The month of May comes with sadness,
A month that we never forget,

Of the heart which was of gold.
Your sudden death shocked us all,
Where you had to answer God's call.
Like falling leaves the years have passed by,

You were the best of all,
As this ends the tenth sad year.

Northern Natal prepares for Federation series

By "Leader" Sports Staff

THE Northern Natal Soccer Board prepares for the 1 July inter-provincial soccer tournament of the South African Soccer Federation by holding a big Uplands v. Midlands match at Newcastle on June 19. This match will help the selectors watch players before they announce the Northern Natal team for the competition.

This decision was taken at a council meeting of the Board held in Ladysmith on Sunday.

The question of Football Association of Northern District restricting its membership to Indians only was discussed at length and it was eventually decided that FAND should confirm in writing whether they had in fact taken such a decision.

In the meanwhile the Board decided by 13 votes to five that it stands firmly by its policy of integration. Only delegates of FAND opposed this motion.

REFEREES' BODY

An inaugural meeting of the units affiliated to the Northern Natal Soccer Board decided to form a Northern Natal Referees' Association. Mr. L. S. Moodley, of Pietermaritzburg was appointed pro-tem chairman with Mr. S. M. Pillay, of Ladysmith as pro-tem secretary.

A further meeting will be held at Newcastle on June 19, just before the council meeting of the NNSB.

REPORT ON FUND RAISING EXPECTED

By "Leader" Sports Staff

SOME definite report on the finances for the forthcoming inter-provincial tournament can be expected to be made at the Council meeting of the Southern Natal Soccer Board that is set down for this Sunday morning. There is only one month left before the tournament and SNSB was set the task of raising R3,000.

A tournament committee was appointed by SNSB at its last meeting and was given full powers to find ways and means of raising the money required. Until now the sub-committee has not revealed any detailed report to the Press, but it is believed to have been steadily working at it.

The tournament and fixtures are the most important matters for discussion at this meeting.

HEAVY RAINS PUT THE DAMPER ON TENNIS

Sastri-Avoca clash promises exciting singles play

BY EBRAHIM OSMAN

AFTER the heavy rains, last weekend's tennis programme was a patchy one. Wet courts prevented play in both A Division Rajpaul Cup matches and in the important B Division Brighton I-Sultan match.

United beat St. Anthony 5-1 to remain second to Brighton in the league log. Sastri beat Woodridge 5-0 and Umzinto beat Ashoka 5-2.

On Sunday defending champions Avoca take on new league champions Sastri at Sastri. This match should produce some exciting singles play. Avoca appear to have the edge all round, especially with Ramlakan and Luckraj in the singles.

Naran and Haffejee will have to produce something extraordinary to give Sastri a winning chance. Yet Ramlakan has dropped markedly from his dominant role in our tennis of a few years ago. He is beatable, as Roopnarain showed a few weeks ago and it will not be a sensation if he is beaten by both Naran and Haffejee.

KEEN DUEL

The singles score between Naran and Luckraj is fairly even, and the result here is unpredictable. All in all the prospects are for an absorbing match. If it runs wholly true to records Avoca should win, but they can ill-afford any loose play.

Sunrise, of Port Elizabeth, travel to Durban to meet Moonlighters. The home team, although stronger in both singles and doubles, could be made to fight hard for victory. Desai and Aglee could prove stout opponents for the more-fancied Mandan and Roopnarain.

In the last few years the gap between our top and near-top players has definitely narrowed, and a defeat for Roopnarain at the hands of either Aglee or Desai is not entirely out of the question.

In the third A match, Sydenham are at home to Royal.

LEAGUE DECIDER

The key B Division clash is between Brighton I and Sastri, at Brighton. This is virtually the league decider. Brighton are unbeaten so far and Sastri have lost one match. Sastri must win to remain in the league race. Victory for Brighton I will make them practically certain of the league honours. It should be a very close affair.

FIXTURES

Fixtures for Sunday are: A Division—Rajpaul Cup: Moonlighters v. Sunrise; Sydenham v. Royal; Sastri v. Avoca.

B Division—League: Sultan v. Umzinto; Sunrise v. Brighton 2; Woodridge v. St. Anthony; Avoca v. Ashoka; Brighton I v. Sastri.

SOCCER FILM

Soccer fans, here is your chance to see the greatest match ever screened, at the Marian Hall, on Sunday, May 29.

It is a full 90-minute game full of thrilling and exciting soccer between Sir Stanley Mathews's XI and The Rest of the World XI.

This film is rated by sports writers as the finest game ever played at Wembley Stadium.

You can see the world's top players in action—Denis Law, Bobby Charlton, Jimmy Greaves, Sir Stanley himself and many more.

You are assured of enjoying this rewarding film. Times of showing are 10 a.m., 2 p.m. and 6.30 p.m.

"The Leader" is printed for the proprietors, Brain-Cow Publications (Pty.) Ltd., by "The Natal Witness" (Pty.) Ltd., Pietermaritzburg, and published by them at 160 N.M.A. Smith Street, Durban. Member Audit Bureau of Circulations of South Africa.

Primrose take it easily

From Our Correspondent

PRIMROSE cruised to an easy 4-1 victory over Ottoman in the main senior league game played at Ladysmith on Sunday. A goal within 20sec. of the commencement gave Primrose a morale booster and there was no stopping them thereafter.

The first goal was scored by Johnny Naidoo and 15 minutes later Primrose increased their lead from a penalty. In the last five minutes of the first session Naidoo scored again to put Primrose in a sound position.

On resumption, Ottoman got their first break when Ismail Hansa crossed from a corner for Ebrahim Badat to head in a beautiful goal.

Three minutes from the end Roy Chetty netted Primrose's goal number four to make the final score 4-1.

OTHER GAMES

In the other senior games, Scotford beat Pirates 7-0, Hillview gained a walk-over when Stars failed to take the field, and Windsor United went down narrowly (2-3) to Schools.

The results of the junior matches were: Wolves 2, Arendia 2; Dynamos 0, Hillview United 0; Young Eagles 3, Continentals 1; Hillview 2, Starlite 0; Hillites 2, Yeerlings 1.

FIFTY YEARS IN SPORT

MR. NAT MOODLEY, Durban's doyen sportsman, achieved a rare distinction this year with half-a-century's service to soccer. Mr. Moodley who began playing soccer with Blue Bells and Bakers in 1916 is perhaps the only surviving member of those teams who is still actively associated with the game—he is a trustee and treasurer of the Durban Indian Sports Ground Association and an Honorary Life vice president of the Durban Football Association. Besides soccer, he has served boxing for 34 years as a promoter. Last year he decided to relinquish his licence.

THREE TEAMS AFTER THE TOP PRIZE

THREE teams are engaged in the struggle to win the Axe Hamper Cup and the first prize of R350 this Sunday. They are the teams that are playing on Sunday, Aces United, Avalon and Maritzburg City.

Maritzburg City will sit on the touchlines and hope that Avalon Athletic win—but by a narrow margin.If this happens, City looks the likely winners.

This struggle reminds one of 1962, when the same teams did battle for the major titles. Aces United and Avalon Athletic tied for the league cup and Aces United's hopes of takingthe K.O. cup as well were thwarted when Maritzburg City trounced them in the final at Curries Fountain.

SIX TEAMS IN CURRIES SOCCER FINAL GALA

BY MORGAN NAIDOO

ACES UNITED will need to go all out from the first whistle if they are to take the top prize of R350 in the Sponsored Axe Hamper finals at Curries Fountain this Sunday morning. They meet Avalon Athletic at 11.30 a.m. The South African Soccer League is hoping to make the event something of a gala affair. Clermont Swallows will meet the Zulu Royals-Coastals at 9.30 and at 10.30 Berea play Maritzburg City. This means that all six teams that took part in the series will be playing on Sunday morning.

There will be a march past by a Durban brigade before the main game and in order to add to the festive feeling of the affair, there will be prizes for the holders of lucky ticket numbers.

There are to be discussions this week as to whether there should be a play-off on a one round league basis in the event of Avalon Athletic winning the game and thus forcing a triple tie. If the clubs are not unanimous on this issue then goal average will be taken into consideration.

A real ding-dong affairs can be expected. Aces United have been unbeaten in the four matches they have played so far, while Avalon Athletic have lost one match—to Maritzburg City. But Avalon Athletic are at the peak of their form.

ACES LINE-UP

Avalon's team was not available at the time of going to press but Aces United have announced that their lineup will be Nadir Shah, Lionel Hamiel, Sagren Naidoo, Terror David Khoze, Popeye de Lange, Henry Oliver, Strini Moodley, Walter Hamiel, George Francis and Ismail Abdool.

The game is most vital to Aces United. They have done pretty well so far and it would be rather unfortunate to lose at the end. They cannot afford to lost the game, as theirs is not the best goal average at this stage.

Only a victory will put Aces United beyond any doubt of clinching their first cup outright since their entry into the SASL. They have jointly won the League cup with Avalon Athletic three years ago and were beaten in the cup final by Maritzburg City in the same year.

The supporting matches are also expected to provide thrills and add to the morning's glamour. Berea have rarely played Maritzburg City before a Durban crowd, and while nothing is at stake in this match, Maritzburg City are not likely to treat the game lightly.

Maritzburg City are still in the hunt for the major cash prize and it will be a mark against them if they had to lose to Berea on Sunday.

While Zulu Royals-Coastals and Clermont Swallows have finished at the bottom of the table they have always played attractive soccer and have caused surprises a few times. The clash between these sides should also prove interesting.

The log at present leads:

	P	W	D	L	F	A	P
Aces United	4	1	0	0	15	0	8
Maritzburg City	4	3	0	1	17	11	6
Avalon Athletic	3	2	0	1	11	6	4
Berea	3	1	1	1	7	7	3
Zulu Royals-Coastals	3	0	1	2	5	11	1
Clermont Swallows	3	0	1	2	3	21	1

THE SHAREOUT

THE winning team in the Axe-Hamper R2,000 series will get a prize of R350 and the runners-up will get R450. The rest of the four teams will each get R175.

Old rivals clash in inter-district series

By "Leader" Sports Staff

THE key match in this weekend's amateur inter-district series will be the clash at Mayville, where the local side takes on the champions, Durban, in both the senior and junior divisions. Keen rivalry exists between these teams and it is expected that there will be a great tussle for honours.

Mayville sports ground president, Mr. Sooboo Rajah, who is also president of the Football Association announced this week that there would be no admission charges at the races at Mayville when both the Durban v. Mayville senior and junior games are played.

Mayville have selected a short-list of 17 players from which the final eleven will be chosen on Sunday. The "short-list" is: Johnson Naidoo, Scott Pillay, M. Lucas, Deshi Maharaj, "Chicken" Pillay, Thirpath Naidoo, Victory Perumal, Cyril Hulley, Gona Naiker, G. Kisteesamy (all of Mayville F.C.); P. Selva, R. Ramcharan, Stanley Pillay, G. Jaya, S. Mahai and Harry Govender (Manning Rangers) and Sam Mariemuthoo.

ENDED IN DISPUTE

It will be recalled that in the meeting between the same teams last year, the matter ended at the Southern Natal Enquiry Board before the matter was settled.

Tongaat has another home match this week against Verulam. Tongaat is fielding the same team that was to have met Lower Tugela last week. Rain washed out this match.

North Coast travel to Stanger where they meet Lower Tugela.

In the Southern Coast zone Merewent, who beat Durban South 2-0 last week, meet Lower South Coast while at Durban South, the home team meets Mid South Coast.

Chatsworth and South Coast play at Chatsworth and Pinetown will be at home to County.

RESULTS

Mid South Coast are believed to have lost their first match in five years to Lower South Coast when they were beaten 1-0 at Mid South Coast. Merewent seniors beat Durban South 2-0 and the juniors trounced Durban South 6-1.

The match between Pinetown and Chatsworth was not played because of the wet ground and South Coast and County drew 1-1. In the junior game South Coast beat County 4-2.
