BROTHERS' CONFESSION READ OUT IN COURT

"Leader" Reporter

THREE Indians, a father and his two sons, have been committed for trial in the Durban Supreme Court following the death of Bala Perumal in Chatsworth in May this year. Bail of R100 each was extended.

John Dhanam, Soobramoney Dhanam and their father, Dhanam Venkanna are alleged to have struck the deceased on May 1 this year in Chatsworth following an argument after a football match.

Mr. R. J. Liebenberg, the assistant Chief Magistrate of Durban, told the Court last week that two of the accused, John and Soobramoney Dhanam, had made a signed confession to him on May 4.

Indian Sergeant Chinsamy, investigating officer stationed at Chatsworth, contacted me on the afternoon of May 4 and told me the two accused were willing to make a free and voluntary statement.

SAW THEM TALKING

"John Dhanam in his statement said that he had gone to witness a soccer match at the Chatsworth grounds between Bucaneers and Daffodils and after the match, while on his way home, he saw a brother of the deceased who was known to him as Sunny, talking to his (Dhanam's) brother. His father was nearby.

Later he called for his brother Bala and asked about the trouble. Both of them caught my father and hit him on his face. My brother who came to the road where the incident was taking place was insulted by the deceased who said he would kill my mother.

They hit him on the head with an iron. My father fisted Bala and I joined in. I hit Bala and he fell down. Then my father booted him and my brother hit him on his face. Then my father asked us to go home.

FOUGHT BEFORE

"I had fights before with the deceased. Before this fight we had one at the Magazine Barracks and before that at the Kingsmead grounds. The deceased smacked me at the Barracks and tore my jersey once and during Christmas last year, both brothers (Bala and Sunny) pulled out knives and asked me for a fight."

The three accused who appeared before Mr. P. J. van Aswegen at the preparatory examination into a murder allegation elected to be tried by a judge and assessors. They were committed for trial on two counts: For murdering Perumal Bala on May 1, 1966, and for assaulting the deceased with a safe shaft and such other blunt instruments.

Mr. Pudbielski appeared for the accused.

Many of those who attended the Police Ball at the Himalaya Hotel last Saturday evening were given a pleasant surprise when the wives of two senior officers of the S.A. Police Force turned up dressed in saris. They are pictured above, flanked by their husbands and the two chief organisers of the Ball. (From left to right) Det. Constable M. Chetty, Capt. van Niekerk, Mrs. van Niekerk, Lt.-Col. A. Steytler and Mrs. Steytler, and Det. Constable Ralph Panayan.

BAY INCIDENT:

BUX FACES ATTEMPTED MURDER CHARGE

"Leader" Reporter

CASSIM BUX (23) was committed for trial on an attempted murder charge arising out of the incident in which Mrs. Helen Peters (26) and her two-year-old son were saved from drowning in the Durban Bay in February. Bail of R100 was granted last week on condition that Bux remains in the Umkomaas area and reports daily to the police.

Mrs. Peters, a mother of three children, who lives at Victoria Road, Redhill, was, it will be recalled, taken from her home with her youngest child, and two days later was rescued from the Durban Bay when the car driven by Bux went over the edge at Maydon Wharf. Two crew members of a Durban tug who saw the car plunge into the water dived in and saved the three occupants.

All three were rushed to hospital where Mrs. Peters was given several stitches to a wound on the head. The man later disappeared from hospital but was arrested by the police three weeks ago.

'AMBASSADOR' IN FORM

"The Leader's" Racing Editor "Ambassador" struck winning form at Greyville on Saturday when he selected five outright winners on the nine-race card.

The successes included the first double and the duplas in the first race and the fifth race. In addition he tipped first and second in the main race of the day, the Newbury Stakes.

BUS RANK GOES 'DRY'

TWO water taps that served the needs of thousands of non-Whites using the Victoria Street bus terminal in Durban have been removed by the Corporation. Drivers, conductors and passengers have been forced, as a result, to seek drinking water elsewhere.

Mr. S. R. Ramie, in a letter to the City Engineer, has pointed out that the tap provided a very essential amenity and their removal resulted in unnecessary hardship.

A spokesman from the City Engineer's Department in an interview stated that the taps had been removed following several complaints of unhealthy conditions prevailing in the area where the taps were located.

"There has been a deterioration in sanitary conditions and we decided to remove the taps and, furthermore, the matter was considered in the light of new developments over the new Southern Freeway project," he said.

Parents object to means test: children will go hungry

A NUMBER of Indian parents from the lower income group have withdrawn from the State-aided school meal service following a request from the Indians Affairs Department (which now controls Indian education) for information that they regard as "personal".

According to one principal, the circular from the Department calls for detailed information from parents of students attending schools and the information sought "pries into the lives of these people."

"Before the Department took over, parents were required to fill in certain forms for their children to qualify for the meals service but this qualification was left to the discretion of school principals," he said. "The position is now different and the Department itself will decide which child should partake in the feeding scheme.

"The new application form inquires into the earnings of not only the parent but also other members of the family and other information which many parents regarded as 'confidential'. When these forms were sent out to parents, many of them refused to acept them and they were returned. Parents stated that, under the circumstances, they were not prepared to avail themselves of the scheme."

Several primary school principals who were interviewed would not comment besides merely stating that there had been a considerable drop in the number of children participating in the meals service.

"There is going to be a lot of suffering among the children for most of those who are affected come from homes that border on poverty," another principal explained.

Bicycles are more to Kimberley than rickshas aer to Durban as a means of transport. This was the impression gained by "Leader" reporter Rajendra Chetty on a recent visit to the "Diamond City", and he brought back this unusual photographic record of the local parking problem—which gives some indication of the widespread use of this form of transport. "Just about everybody uses a bicycle to get about, and it is not an unfamiliar sight to see business and professional men cycling to and from work," he said.

Postman found guilty of axe attack

HE WILL GO BACK TO LOVER IF SHE WILL TAKE HIM

"Leader" Reporter

AN Indian mother of five children told the Magistrate in Durban last week that her postman lover with whom she had lived for the last nine months suddenly attacked her one day in March with an axe after first assaulting her with a bottle causing her to have five stitches on her head.

The woman, Mrs. Nagammal Govender, of 67 Bhambo Ave., Avoca, was giving evidence before Mr. J. Knoesen against the postman, Narainmurthi Naidoo (Steve) who was charged on two counts of assault and malicious injury to property.

Nagammal told the court that on March 1, 1966 she went to Verulam to collect a grant for her children and when she returned at about 4 p.m. she found the accused "dead drunk" and beside him a broken bottle and tumbler on the table.

"When I took a cup of tea, he knocked it down and then hit me on the nose and called me a b . . . Then he took hold of me and kicked me on the stomach and later grabbed my ten-year-old son and kicked him on his chin. When I asked him why he was assaulting the boy, he grabbed me by the hair and hit me with the bottle with the result that I had to have five stitches on a wound on the head", she seaid.

HER LOVER

Cross-examined, Nagammal admitted she had been living with the postman for nine months and he was her lover. She admited further that both of them had been living as husband and wife.

Letters written by her to the accused were produced as exhibits. One read in part: "Last day for us was Monday night. It was sad and sad for you and me. Very soon I will take poison. I won't live any more. I will die with you my sweet. I am crying day and night. You can't stay without your darling but it is very very sad. You come to court and promise in front of the police that you won't drink and won't hit my children and once you give it in black and white for life long I will be your wife."

Narainmurthi Naidoo who described himself as a postman, told the court that he had been living with the complainant for nine months. "I woke her up at 6 a.m. on March 1 and gave her her fare to Verulam. I wanted her to come back early and prepare the lunch but when I returned in the afternoon she had not arrived. I found the radio glass broken and I was fed up. When she arrived at 4 p.m. I told her I was breaking off our relationship.

"WHITE WITH RAGE"

"She was white with rage and told me I had landed her in a lot of debt. She turned and stabbed me on the arm. Then she slammed the door behind her. The landlord arrived with an axe and tried to strike me. I stepped aside and he struck the door. He missed me and I ran to the station and there showed my wound to the station master and asked him to phone the police."

When questioned whether he would be willing to take her back, he told the court that he would be willing to go back f [illegible] as prepared to have him.

He was found guilty on both counts and on count one, he was fined R60 or 30 days imprisonment and on count two he was fined R30 or 15 days imprisonment.

"Leader" Reporter

THE Planning and Development Committee of the Durban City Council has recommended that the Stella Hill Indian Schools Association be granted permission to continue holding classes at 49 Andhra Road, Stella Hills, subject to its use after March 31, 1967, be at the discretion of the Council and terminating upon three months notice being given any time after that date.

Pavement—but no robot

"Leader" Reporter

PAVEMENT is to be provided in Carlisle Street for scholars and pedestrians following a recommendation by the Indian Affairs Advisory Committee. The pavement will be built on the southern side along the security fence of the Durban Corporation's transport depot.

Mr. E. R. Irvine, the Town Clerk, in a memorandum submitted to the Committee points out that the recommendations of the Committee had been considered by the Departmental Traffic Technical Sub-Committee at its meeting last month.

A suggestion that traffic lights be installed at the intersection of Carlisle and Cross Streets was turned down.

Mr. Irvine adds that in order to assist scholars in crossing the road at the commencement and completion of school sessions, representation should be made to the Durban and District Road Safety Association for the introduction of scholar patrols at the specified times.

NO QUORUM AT TAILORS' MEETING

THE Durban and District Bespoke Master Tailors' Association, which was formed two years ago, appears to be faced with possible extinction.

The annual general meeting which was scheduled for last week, was called off for the lack of a quorum following a poor turnout of only 20 of its 120 members. The postponed meeting is now to take place at the Himalaya Hotel on Wednesday, June 8.

An official of the association told "The Leader" that the turnout of tailors was most disappointing, particularly in view of the several matters of importance that had been scheduled for discussion.

"Tailors are threatened with all kinds of problems and without co-operation it will not be possible to eliminate them," the official said.

"We are concerned with the shortage of skilled workers, the cut prices offered by some tailors who are not members and by the issuing of tailors' licences to all and sundry. Unless members get together and do something, our future is indeed bleak."

PICK POCKETS BUSY AT BUS RANKS AGAIN

IN spite of the recent clean-up by the South African Police, pickpockets were back in action at the notorious Victoria Street bus rank and the Warwick Avenue complex last Friday. One of their victims was Mr. Govindsamy (Brian) Chetty, a shop assistant of Wyebank, Pinetown.

Mr. Chetty was on his way to the Winterton Walk bus rank last Friday at about 7.15 p.m. "I was about to cross the road near the morning market when I was accosted by an African. He grabbed me by my collar and shouted, 'Money.' I just gazed at him and thought he was joking. He then flashed a long knife at me and told me to empty my pockets. I remonstrated and was going to break loose but two more Africans who had come across from under the trees began going through my pockets. My cries for help were unanswered.

The pickpockets fled when the lights of a bus shone on them.

Mr. Chetty received slight injuries to his body and was robbed of eight rand in cash, his wrist watch and personal papers, including his drivers' licence.

Celebrations at Westville

THE Indian community of Westville will join in the celebrations to mark the tenth anniversary of the establishment of the borough with a sports meeting at the Frank Farrar sporting field, Hofmeyr Road, Westville, on Sunday at 10 a.m.

The local Indian Ratepayers Association has decided to hold an athletic meeting for schools in the area. A soccer tournament will also be held.

Prizes, sponsored by the borough and local residents, will be presented to the various winners. The mayor and other dignitaries will attend the function.

Defamation appeal fails

THE appeal of Shunmugam Sokalingam Pillay, Chairman of the Young People's Hindu Cultural Association of Port Elizabeth, against the dismissal of an action in the Port Elizabeth Supreme Court for R5,500 damages for defamation was dismissed with costs in the Appeal Court, Bloemfontein, last week.

ITALIAN FARMERS SEEK INDIAN BRIDES

FARMERS in a wine-growing district in Northern Italy are seeking Indian brides because local girls prefer to marry men from the big cities.

Of the 10,000 lonely bachelors in the northern area of Langhe, between Turin and the Mediterranean Riviera, one of them has written to a Turin newspaper pleading for Indian wives. "Our menfolk have travelled all over the country in search of brides. We had the idea, when we heard of famine in India, of trying to offer Indian girls the chance of marriage and a hime.

"Colour is no problem. All we ask is a wife and family like other men."

D'Ooliviera—South Africa's unsung hero wins recognition in England

SOUTH AFRICA'S Basil O'Oliviera has now become a British citizen. Our loss is Britain's gain. Over the years we have been losing men and women from all walks of life who have abandoned us for pastures new and a free life.

Academicians, university professors, scientists and teachers, they have all gone to other countries to seek a new life.

An escape, some may call it, but there was no other way out for people like D'Oliviera.

Here we have a world class cricketer who, if he lived the rest of his life in sunny South may play for the MCC against the West Indies.

He will not be breaking new ground because others such as Duleepsinghi and the Nawab of Africa, would not ever get the chance to pit his talent against the best cricketers in the world.

Put yourself in his position. What would you do? Would you not leave for pastures new?

Well, that is precisely what has happened to D'Oliviera. His South African passport, he says became a burden in India and Pakistan, so eventually he abandened it, too.

Now, there may be the crowning moment of it all when he Patandi have played for England in their hey day.

We should be proud that we have produced a South African fit to take his place in an English side. But our pride has its sad aspect to it, too.

We feel a little ashamed that we have been unable to find a place for the D'Olivieras in our very own Springbok side for a very simple reason...the colour of their skin.

And now, because of this Sir Learie Constantine, former High Commissioner for Trinidad and Tobago, himself one of the great men of cricket, says: "No South African nationals would be welcome in a cricket team in any part of the West Indies so long as the cricket relations between the two countries continue as they are at present. No player could be welcome if he came from a country which is not prepared to extend hospitality to the West Indians."

And, so strong are his feelings on the subject, that he says he would start a campaign against any intention of including South African nationals in the Rest of the World side which is to play Barbados as part of the country's centenary celebrations later in the year.

And that is giving us a bit of our own medicine! It does not taste nice, does it?

Amenities for Parlock sought

THE Town Clerk of the city of Durban has been informed by the City Engineer, Mr. C. G. Hands that the provision of playgrounds and other amenities like swimming baths in the Parlock Township in Newlands could only be given proper consideration if full particulars are not furnished in regard to the township.

The City Engineer wants the Council to provide a plan showing all the open spaces in Parlock, their sizes and wants to know further whether these are registered in the Council's ownership and if made-up roads give access to them.

He also sought the present population figures for the area and the estimated figures of the future.

The request to the Town Clerk follows a letter from the Parlock Ratepayers' Association in which officials of the Association sought an interview with the Council to discuss the question of playgrounds and a swimming pool.

The Indian Affairs Advisory Committee agreed at its meeting last month to entertain a deputation

SCHOLARSHIPS TO AMERICAN UNIVERSITIES

THE Embassy of the United States has announced its annual competition for graduate scholarships in American universities, sponsored by the Institute of International Education. The grants, which under certain conditions are renewable, are for the academic year beginning in September, 1967, and are open to all South African graduate students, regardless of race, in all fields of study except medicine.

Courses lead to Masters' and/or Doctors' degrees. Applicants must have at least a first degree and must be under 35 years of age. They must be South African citizens.

Twenty-eight South African students, including Africans, Indians and Coloureds, were awarded scholarships, assistantships and fellowships in American universities in the 1966 programme.

Application forms may be obtained from the Public Affairs Officer, American Embassy, Van der Stel Building, Pretoria, from the American Consuls in Durban and Port Elizabeth, or from the U.S. Information Service, Cape Town, whichever is nearest. The closing date for the return of application forms is August 15.

EASTERN SHOW

AN Eastern show of dances, songs, music and sketches will be presented at Durban's Bolton Hall on Saturday, June 11. Produced by G. M. Desai and directed by Yunus Aziz, the show, "Ghar Jamai," introduces several new artistes.

The show is presented by Chand Roshni Entertainers, who already hold several stage successes to their credit.

LEADER OPINION

HOUSING PROBLEM

DURBAN'S City Engineer states that a recent survey has revealed that there is a shortage of seventeen thousand houses for the city's Indians.

If this backlog is eliminated in the next five years, there will still be a need to "continue building at the rate of 2,000 houses a year on a permanent basis and for an indefinite period."

In the words of Mr. Hands "National legislation prevents the Indians from migrating to other provinces and, as they are therefore confined to Natal, they tend to stay in and around Durban as the area which presents the best prospects of employment.

"Coupled with this difficulty is the fact that 90 per cent. of the Indians are in the sub-economic income bracket and cannot afford substantial rents and high costs of daily transport."

Such, then, is the nature of the Indian housing problem in the words of the City Engineer.

The solution lies in the hands of the authorities. The Central Government has the power to repeal the archaic provisions of the Immigration Act which prevents Indians from moving to other Provinces.

It lies within the power of the Ceneral Government and the local authority to seeks ways and means of providing the necessary housing.

New avenues of employment need to be thrown open to Indians so that they are able to earn better and can afford to live better.

More and better educational facilities need to be provided and the skilled occupations opened to them also.

How does it help the State to keep the great mass of Indians in an impoverished condition, by denying them the opportunities of advancement in the educational and economic sphere?

In their present state, they must of necessity be a liability to the State, largely unproductive and earning wages that make for a hand-to-mouth existence.

Better housing and cleaner living conditions must surely make for a healthier community, less prone to such avoidable diseases as tuberculosis.

In short, the Indian housing problem is a national problem that needs to be tackled at the highest level. Half-hearted half-measures will solve nothing. In the long run, they merely aggravate the situation.

SENTIMENTAL THEME IN NEW BISWAJEET—WAHEEDA STARRER

DE LUX FILMS' "Majboor," a highly engrossing and entertaining film which opens at the Naaz next week is basically a film with sentimental appeal. Starring Biswajeet and Waheeda Rehman, the film is aimed at family audiences.

Cast in stellar roles are Naaz, Rajendranath, Jagdev, Sabita, Chatterji and Suresh.

The picture begins literally at the beginning. A doctor's daughter, called Sheel, hears that a youth, Ravi, is arriving to select her as his bride. She masquerades as a boy and, with the help of a crazy compounder, throws the wrong Ravi into the water.

Ravi avenges himself later by ducking Sheel, only to discover that she is a girl and the one whom he loves. So he addresses a ballad to his beloved standing knee-deep in water. Ravi's mother firmly believes in the purity of her "khandaan" but has no say before her son's obstinacy.

Sheel enters her new home. The "suhag raat" scene and song are soon followed by domestic quarrel, as Sheel wants to save Ravi's sister Seema from falling into the snare of a libertine. For this, both Ravi and his wife have to leave the house.

Seema is soon in a motherly way and Sheel promises to nurture the illegitimate child as her own. To maintain this secret she undergoes endless complications with her husband and the seducer-turned-blackmailer, till Ravi empties three bullets into the villain.

In the court-room, too, Sheel keeps quiet to the point of sending her husband to the gallows. Luckily, he is acquitted. Seema, who had lost her memory in an accident, recovers it in time to make a confession. He agrees to adopt the illicit as well as its mother.

YOUNG STARS CO-STARRED

WARNER BROS.' "The Burning Hills" in CinemaScope and colour comes to the Raj in Durban shortly.

Two young Hollywood stars, Tab Hunter and Natalie Wood are co-starred in this dramatic film of two young people who find romance by being thrown together and find their own kind of happiness.

Tab Hunter, who was last seen in "Battle Cry" plays Trace. He imparts courage and determination as the boy without family and without love. Natalie Wood puts plenty of fire into her part as Marie, the girl who brings Trace his first love. Skip Homeier is in his element as the evil Jack.

Preview of murder comedy

"HOW to Murder your Wife," starring Jack Lemmon and Virna Lisi, will be seen at the Avalon, at a special 5.15 p.m. sneak preview on Monday, June 13.

This official billing for United Artists' hilarious comedy in Technicolor lists Jack Lemmon, Virna Lisi, Claire Trevor, Eddie Mayehoff and Terry-Thomas as its stars.

Written by author-producer-director George Axelrod, the action of the magnificent spoof takes place in New York, particularly in the night club and off-theatrical zone of the city's sophisticated fifties, and thither went camera crews, technicians.

STARS AND STUDIOS

PRODUCER A. K. Bannerjee who is now producing "Subhas Chandra Bose", a film based on the great Indian nationalist, is to produce another biographical on Aurobindo. Work is to commence shortly.

NEW VENTURE

SIVAJI Ganesan and Padmini have been teamed in K. S. Gopalakrishnan's new venture glorifying the sacrifice of a mother for the sake of her family. Filming is to start soon. Others in the cast are S. V Ranga Rao and Nagesh.

MAHMOOD JOINS CAST

COMEDIAN Mahmood has been added to the cast of Janata Arts' "Gunahon Ka Devta", in Eastman Colour. Two songs, featuring Rajshree and Jeetendra, have already been picturised.

Shanker and Jaikishan provide music to the picture, being produced and directed by Devi Sharma.

VERSATILE NEGRO ARTISTE HAS CO-STARRING ROLE

VERSATILE singer-actor Brock Peters, a Negro, has a co-starring role in "Major Dundee," the new Columbia release, starring Charlton Heston, Senta Berger, James Coburn, Richard Harris and Jim Hutton.

The role gives him a further opportunity to prove that he can do almost anything, including straight dramatic acting, better than most. In "Major Dundee" he features in a spectacular adventure set in the South-West during the Civil War.

Following a series of television appearances and night club engagements, Brock Peters' film debut came when producer Otto Preminger chose him to play the Sergeant in "Carmen Jones" and he was a natural choice for a leading role when Samuel Goldwyn filmed "Porgy and Bess," several years later.

Peters' co-starring role opposite Gregory Peck in "To Kill a Mocking Bird" won him his "Major Dundee" role as leader of six Negro volunteers in a company of renegades and irregulars led by a Union major and a Confederate captain.

"Major Dundee" opens at the Shah next week.

Seven contestants, representing Johannesburg, Pretoria, South Coast, Natal Midlands, North Coast, Northern Natal and Durban took part in the contest.

PARAMOUNT PICTURES "The Nutty Professor," starring Jerry Lewis in the dual role of Professor Julius Kelp and Buddy Love opens here doubled with "Rotten to the Core."

JERRY LEWIS

"The Nutty Professor" portrays Jerry as a mousy chemistry professor who invents the greatest drink since Dracula discovered bloody Marys.

Stella Stevens plays Stell Purdy, his gorgeous student with whom the professor falls in love.

"Rotten to the Core" is a comedy starring Eric Sykes, Ian Bannen, Dudley Sutton and James Beckett.

A LUSTY, boldly provocative production which tells a story of conflict and conspiracy, murder and madness and revelry and revenge is scheduled to open at the Ajanta in Tongaat. The film, "Becket," stars Richard Burton, Peter O'Toole, Martita Hunt and Pamela Brown.

Filmed in widescreen and Technicolor and produced by Hal Wallis, the film is a moving drama that blazes with excitement and belongs to the "must see" category of films.

Better vision and sound at Naaz

"Leader" Reporter

PATRONS of the Naaz Cinema in Durban may have noticed a distinct change in the sound and projection at the cinema this week, during the screening of "Gumrah". The reason.... complete new equipment was installed over the week-end.

.. Mr. M. Goshalla Jr. told "The Leader" this week that the change had been effected to afford patrons a better and finer view of Indian films and clearer sound. ...

..."The new projectors and sound equipment has meant the expenditure of an additional R9,000 but we feel that the money has been well spent. We consider the comfort of our patrons as the first essential and the installation of the new equipment eliminates periodical complaints," he said. ... ...

Under contract

Warner Bros. has negotiated a contract with Elizabeth Hartman who made her exciting screen debut in "Patch of Blue." Miss Hartman will star in one Warner picture a year for five years.

'MADAM X' PLAYS AT THE RAJ

UNIVERSAL'S "Madame X," a Technicolour romantic drama starring Lana Turner, John Forsythe, Ricardo Montalban, Constance, Bennett, Keir Dullea and Burgess Beredith plays at the Raj.

Lana Turner portrays the beautiful, vibrant widow, Holly Parker who enters a world of wealth and aristocracy when she marries Clayton Anderson V. In her new life she assumes the position of mistress of Greenacres, regal estate of the Andersons for eight generations.

Driven to loneliness by her husband's prolonged absence, Holly accepts the attentions of one of his playboy friends, Phil Benton (Ricardo Montalban). Soon after, they find their affair reaching a climax, and when Holly tries to break it off, he loses his balance and topples down the staircase to his death.

In panic, Holly flees unmindful that her scarf has fallen on the steps during the struggle. Back at Breenacres when she rushes to the mother-in-law to tell her story, she is surprised to find the older woman waiting for her with the scarf in her possession, having been brought to her by private detectives in her employ.

Shrewdly, the older woman plays for her (Holly's) husband and child. She offers her a way out of the inevitable scandal.

As soon as the plan is put into effect, Holly is reported to have drowned at night following a fall from the Anderson's yacht, with her body unrecovered. Actually, she is surreptitiously transferred from the yacht to a freighter which takes her to Europe.

Tormented by her undying love for the husband and son she may never see again, she falls unconscious in a street during a snowstorm and what happens thereafter sets the pattern for several incidents that complicate her life.

A FAMILIAR CHARACTER

"War Party," a 20th Century-Fox release, starring Michael T. Milker, Donald Barry and Davey Davidson, will be seen at the Avalon doubled with "Night Train to Paris" from Wednesday, June 13.

Every cavalry-versus-Indians Western has to have an experienced cigar-chewing sergeant who makes impossible demands on his battered men and even more on himself, who presents a cold exterior but actually has a solid gold heart beating under his dirty uniform, and who gets wounded in the leg near the end of the picture and stoically tells the others to "go on without me, I can take care of myself."

The film "War Party" has this necessary ingredient in the person of Donald Barry, who has charge of a small group of soldiers and a female Indian guide trying to find a safe passage for a larger unit of cavalry men surrounded by savage Indians.

QUEEN OUT: SHE WAS COLOURED

Miss Claudette Sterkey (right), of Durban, added yet another title to her collection when she won the "Miss Bon Chance" crown in the contest held at the nightspot last Saturday evening. Her attendants were Miss Zayboonisha Khan, of Pretoria (left), and Miss Radhi Chetty, of Cape Town.

A NORTHERN NATAL girl, Miss Iris Beryl Meek, who was elected "Miss Northern Natal Republican Queen", did not take part in the national contest held at the Shah Jehan in Durban over the weekend. Her place was filled by one of her princesses, Miss Mona Maharaj.

"The Leader" understands that though organising officials were informed she was indisposed, Miss Meek had been withdrawn at the last minute following the discovery that she was a Coloured.

It is understood that officials in Northern Natal had decided to replace Miss Meek but with time running out, it was impossible to elect another and one of the princesses was chosen instead.

There was yet another disappointment when the Northern Natal troupe turned up in Durban. The national contest at the Shah Jehan was already in progress and the three finalists had been chosen when the contest judges were told the Northern Natal representative had arrived. She was permitted to parade on stage.

Mr. A. A. I. Khan, secretary of the Northern Natal Festival Committee, told "The Leader" that the late arrival of the Northern Natal queen was entirely due to the organising officials in Durban. "We were not informed that the judging was to take place at 6 p.m. and we were seated in a car outside the cinema. If officials had given us some intimation, there would have been no need for waiting and the inconvenience."

Mr. Khan also criticised the officials for failing to keep an appointment to meet the Northern Natal contingent at the Loram High School on Friday evening. "We were told that we would be met at the school and that arrangements would be made for our accommodation but when we arrived at the school there was nobody around."

The contingent of more than 60 was afterwards accommodated at the Goodwill under congested conditions and had to make do as best they could.

The host centre, Durban was also embarrassed by the non-appearance of the city's two princesses, Mrs. Shirley Appanna and Miss Tilly Roopnarain, at the contest proper. It is understood that Mrs. Appanna was present in the audience but Miss Roopnarain failed to turn up.

Queens and their attendants from all other parts turned up and it is understood that these attendants who were to have appeared on stage with their respective queens were afterwards told to remain in the audience when Durban failed to trace the whereabouts of its own attendants.

Ganesen Naidoo, son of Mr. and Mrs. M. R. Naidoo, of Mtubatuba, and grandson of Mr. and Mrs. R. S. Moodley and Mr. and Mrs. A. M. Naidoo, of Empangeni, will celebrate his first birthday today (Friday). A birthday party will be held at his parent's home tomorrow

Tamil play on again

"Leader" Reporter

SWAMIVEL PILLAY'S highly successful Tamil presentation, "Deiva Jothi" presented by the Children's Theatre of South Africa will be re-presented at the Rat Mahal in Merebank shortly.

"Deiva Jothi" which is based on a modern social theme, stars the cream of Tamil artists and the cast is headed by Kogilambal Nair, Sivalingam Pillay, Rajambal Pillay, Anjally Devi, Ravi Kumaran, Sandra Pather, Sakthi Govender and new "find" Radha Rani.

The Manoharo Orchestra which provided the music at the first presentation will be featured once again.

According to Mr. Swamivell Pillay, his theatre group is planning on a festival of dramatic plays some time next year in Durban.

CABARET SHOW

A NUMBER of artistes will be appearing in the cabaret show, Sunday Night Special, at the Paradise Restaurant, Ocean Terminal, this weekend.

Among them are Ronnie Madonsela, Jannie Kaplan and Eddie Gratino and the Moonglows. Arrangements are being made to sign up other top artistes before Sunday.

Letter to the Editor

Bawa explains views on Riba

Sir, — At the recent symposium on the question of interest you quoted me as having said: "Quaranic injunctions could be broken under certain circumstances and "necessity renders the prohibited permissible."

Thus stated, so succinctly, and without giving the basis of its justification, this statement is likely to be misunderstood and needs, therefore, to be amplified a little.

Borrowing and lending money on interest, whatever its rate be, is absolutely prohibited in Islam.

No Muslim can, without lawful justification, break the Quranic laws and yet claim himself to be a true Muslim.

IDEAL NATURE

However, the legal injunctions of the Quran are exercises (compulsory though they are) designed to realise our ideal nature

The full practice of some of these laws are sometimes rendered impossible by circumstances beyond the control of the individual concerned — such as duress, illness, minority and forgetfulness. It is not the policy of the Law of Islam to inflict hardship or injury Thus the Quran says:

> "God does not wish to impose any hardship on you, but He wants to make you pure and to bestow upon you the full measure of His blessings so that you may have cause to be grateful" (5:6) Again: "God does not burden any human being with more than he is able to bear" (2:286).

From such considerations the rule of exception arises:

> "He who is driven by necessity, neither coveting it nor exceeding his immediate need, it is no sin for him" (2:173)

THE RULE

In the terminology of Islamic jurisprudence the rule is thus formulated:

> "All prohibited things become permissible by necessity" (Imam Al-Ghazzali)

Thus, the Law of Islam prohibits transactions involving interest, but such transactions are permissible in those exceptional circumstances to safeguard, amongst other things, one's life and property.

Each individual must honestly and consciously weigh his circumstances and if he judges his need to be such that if it is not satisfied it will spell the ruin of or inflict grave hardships on him, his offspring, his property, he is at liberty to resort to these prohibited actions to meet the emergency."

Curtain down on Greyville

By AMBASSADOR

THE curtain comes down on Saturday on Durban Turf Club's finest winter meeting. There will be no more racing here until the great day of Durban's "July" Handicap. There are two feature attractions at Greyville — the Chairman's Plate and the South African Guineas.

The Chairman's Plate has a tough field. Among the starters is Renounce who ran a creditable fifth to Sea Cottage last Saturday. On that run this celebrated filly should take major honours.

Kimberley Kid ran a promising race when running second to Demain in the Drill Hall Stakes and he is a force to be considered.

Demain was an easy winner of the Drill Hall Stakes and on that showing he will go very close to winning.

In an open race I select Renounce to win from Kimberley Kid and Demain.

The South African Guineas should be won by that wonder horse Sea Cottage from Savonarola and Magic Mirror.

'Further action' over golf club meeting

by "Leader" Sports Staff

THE membership of Mr. Louis Nelson and the validity of the nominations submitted by two members was challenged at the annual general meeting of the Durban Golf Club, last Sunday afternoon. It is believed that the matter has not yet ended and there are rumours that "further action" might be taken.

At election time, Mr. Nelson announced that in terms of the constitution there was only one set of nominations and they were declared carried. The officials were: Chairman, Mr. Louis Nelson; vice-chairman, Mr. R. B. Juggernath; secretary, Mr. S. Maduraimuthoo; treasurer, Mr. A. P. Govender; captain, P. L. Paul; vice-captain, Mr. H. M. Misra and committee members: Messrs. C. Devraj, G. Maistry, Perry Govender, L. Butelezi, A. M. Bux, C. C. Naidoo, G. V. Naidoo, Collin Peruman and Reggie Pillay.

Mr. Lutchman challenged the validity of the nominations on the grounds that they were not displayed in the club house. Further, Mr. Lutchman claimed that Mr. Nelson was not eligible for election because he was in default for the 1965 season.

When Mr. Nelson declared the nominations carried there was an uproar in the meeting. Mr. L. de Vos urged that there be an open election. "I don't mind if all of those that have been nominated get in on an open vote," he declared.

Mr. Nelson asked the mover of the nominations whether he would be prepared to withdraw them but he declined to do so.

The meeting itself became disorganised and many members threatened to walk out at several stages during the election. When the chairman finally ruled that there could be no other nominations, almost half the members walked out.

Mr. C. Devraj, who was one of the members nominated onto the committee withdrew his name but when this was refused by the chairman as he had already declared the positions, Mr. Devraj indicated that he would resign.

Nelson back on working committee

MR. LOUIS NELSON, who resigned from the S.A. Soccer League's Working Committee in 1963, two years after the League was officially launched, returned to the folds of professional soccer when he was elected a member of the Working Committee of the League on Monday evening.

His election follows the declaration of three vacancies on the permanent Working Committee in place of Messrs. A. Thango, K. Reddy and Vic Pillay. The other two vacancies were filled by Mr. E. I. Haffajee and Mr. Rajendra Chetty, who was till this week on the Working Committee as a club representative.

Mr. Louis Nelson and Mr. E. I. Haffajee were elected without opposition, but when the name of Mr. Charles Nadasen Pillay was moved, there was an amendment and Mr. Rajendra Chetty defeated the former by five votes to one.

Mr. R. K. Naidoo, acting chairman of the League, and members of the cabinet are expected to travel to Johannesburg this weekend to meet officials of Moroka Swallows and Orlando Pirates in an attempt to heal the breach. Mr. Naidoo has been given an open mandate to negotiate for the clubs' return.

SHELL

THE BEST SELLING PETROL

The Shell sign is a symbol of true quality. Every product that bears the Shell sign is the best. When Craig Breedlove recently shattered the world land speed record at 600·6 mph, he relied on Shell. In the world of motor racing, since 1950, more World Championships have been won on Shell than on all other brands combined. This know-how means that more and more motorists will continue to benefit, as they do today, by going Shell — Supershell Aromax, South Africa's best selling premium petrol. Every drop of Supershell Aromax contains a high proportion of Aromatic Hydrocarbons, the most powerful ingredient known to the petroleum industry. That's why more and more motorists go Shell.

Ocean View bring back old-timers

"Leader" Sports Staff

MR. S. P. Chetty, a founder of the Ocean View Football Club and former president, was returned to office after a long absence at a special general meeting of the club held recently. Several other older officials were brought back into the folds of the club.

Soon after his election, Mr. Chetty scotched rumours that the club intended severing its connection with the Merewent Football Association and maintained that it would stand solidly behind the body.

Other officials elected were: A. P. Govender (vice-president), B. Reddy (secretary), G. Moodley (asst. sec.), N. Munesar (treasurer), L. Kandsamy (manager), Toy Govender (asst. manager), K. Naidoo ("Russia"), captain and Siva Kisten vice-captain.

Winners' lunch

A LUNCHEON was held at the Himalaya Hotel, Durban, recently by the Bata Shoe Co. for the winning team in the inter-departmental football competition.

The function was attended by management and supervisory staff, and more than 100 supporters of the team.

The company manager, Mr. L. P. J. Spooner, presented a floating trophy to the captain and miniatures were presented to all members of the team by the production manager, Mr E. C. Peacock.

Mayville team

THE following players will represent the Mayville senior side in the inter-district match against Asherville this Sunday at Asherville:

Johnson Naidoo, P. Selva, Scott Pillay, Stanley Pillay (vice-capt.), Cyril Hulley, M. Logan, Dashie Maharaj, G. P. "Chicken" Pillay (captain), G. Kistensamy, Thiripathi Naidoo, Victor Perumal. Reserves: R. Ramcharan, G. Malan, G. Naicker and G. Jaya.

SELECTORS WILL NAME S.N. TEAM

INTER-ZONAL matches will be held at Curries Fountain on June 11 and 12 to help the selectors choose the Southern Natal side for the inter-provincial soccer tournament of the South African Soccer Federation, which begins in Durban in four weeks' time. The matches will be held on a competitive basis and the winning team will receive the late Harry Naidoo Cup.

The first of these matches will be held on Saturday, June 11. The first match at 1.30 will be between Durban Central and Western Coast. This will be followed by the Southern Coast-Northern Coast clash at 3 p.m.

On the following morning both the losers will play at 10 a.m. and at 11.45 the winners will meet in the competition proper.

The Southern Natal selectors will attend all four games and it is expected that the team will be announced immediately after the final game.

There will be a similar competition for juniors as well but this will only be played after the national tournament.

The juniors will compete for the Nellie Subban cup.

ASHERVILLE AT HOME

From John Manda

ASHERVILLE will be at home to Mayville in the inter-district series of the Southern Natal Soccer Board this Sunday. The result of the match will not affect the Durban Central zone position — except that it will determine which team is to fill second place. Durban have already won two games and with four points are already champions of the zone.

In their own league at Asherville, Sovereign Callies managed to scrape home to a 1-0 victory over Lions in a senior league match. A goal by K. Moodley, in the final stages of the game, saved the day for Callies.

The results of the junior matches were: Dukes Stars 1, Overport Wanderers 2; Cardinal City 3, Young Buccaneers 0; Westmore Park 1, Clayton City 2; Baystars 2, Proteas Lads 2.

SIX TONGAAT SWIM CLUBS

SIX swimming clubs have been formed at Tongaat and it is expected that the Tongaat Union will not accept any further teams for the time being. This was revealed to "The Leader" by Mr. K. C. Naidu, president of the Union.

The six teams that will seek affiliation to Tongaat are: Gandhinagar, Little Cape, Mitchell, Surfers, Sandlie and Foggeaters. A special general meeting will be held on June 11 at which the constitution will be adopted.

Violet House win sports

THE Umkomaas Drift School held its annual inter-house athletics meeting recently, which was attended by a record crowd of parents and staff and pupils of the neighbouring schools.

The log position was as follows: Violet, 67 points; Jasmine, 64 points; Daffodil 61 points; Lotus, 54 points.

The most successful athletes were Rajgopal Achari and Leela Singh.

Mr. R. G. Pillay, Inspector of Education, presented the trophies and prizes, and Mr. H. S. Singh, the secretary of the Umkomaas Drift School Board, presented the Standard Six certificates to the successful pupils of 1965. The vote of thanks was moved by the sportsmaster, Mr. H. Sarabjeeth.

The Pramada floating trophy was presented to the School by Mr. M. M. Govender, chairman of the local branch of the Umzinto and District Indian Child Welfare Society for the highest amount collected last year for "Our Children's Day" in the Umkomaas and Umzinto areas.

Young Avalon win easily

IN a league match played at Newcastle recently Young Avalon Athletic emerged easy victors over D. N. C. Juniors by defeating them 4-1.

Young Avalon's new sign-up Farook Moolla played an outstanding game on the left flank. The first goal came from I. Boodhram (Shariff) and a few minutes later their skipper James Pharboo made no mistake from a place kick.

In the second half Young Avalon piled on the pressure and M. Jadwat who played a brilliant game scored two magnificent goals from the centre position. Towards the dying stages of the game the D. N. C. inside-right scored their only goal.

In the senior fixture held the same day N. I. F. C. were held to a 2-all draw by Dannhauser United.

SHARP ATTACK ON PRESS

MR. LOUIS NELSON delivered one of his usual scathing attacks on the Press last Sunday afternoon when he moved for the adoption of the secretarial report of the Durban Golf Club. Mr. Nelson has done this previously and last Sunday accused the Press of "unfair reporting", "distorted reporting" and not publishing "factual reports".

The entire meeting revolved on accusations and counter-accusations which were being thrown at one another. Even the annual report, from beginning to end, attacked a number of people for various reasons.

At first the secretary attacked the Durban Indian Sports Grounds Association and then took certain members of the committee to task.

Criticism of the press also took up considerable time.

Inanda sports

MR. F. A. POONIAH, who helped to introduce athletic meetings on a inter-house level at the Mobeni School in Isnembe, has done the same once again since his appointment as principal at the Inanda State Aided Indian School.

The first such sports meeting in ten years will take place at the school ground next Tuesday (Republic Day) and will be a part of the Republic celebrations.

Mr. S. David, inspector of schools, will be the guest of honour and will present the prizes.

MRS. MOHAN LEADS AVALON SUPPORTERS

MRS. DHARAM MOHAN, wife of Avalon Athletic's crack centre-forward, is the new chairman of the Avalon Athletic Supporters' Club. Mrs. Mohan, who is a keen supporter of professional soccer, has hardly, if ever, missed an Avalon match.

The League has been requested for assistance from time to time to help form supporters' clubs in the various areas. Chatsworth, Merebank and Kwa Mashu housing schemes are already in the process of forming such clubs or have formed them already. The League has been actively assisting individuals and groups of people in this respect.

RABI AND JOE STEER AVOCA TO VICTORY OVER SHASTRI

(By Ebrahim Osman)

AVOCA, defending Rajpaul Cup champions proved too good for new league champions Sastri and scored a 5-3 win in their vital clash last Sunday.

Though Sastri put up a determined show, Avoca's clear mastery in the singles carried them through decisively. Sastri were able to salvage only one of the four singles when Naram scored a handsome victory over Luckraj.

Ramlakan's experience and steadiness carried him to straight set victories over both Naram and Haffejee.

Avoca, having beaten Moonlighters already, now need a match-winning performance from their stars against Royal to become Rajpaul Cup champions for the fourth year in succession.

STILL IN HUNT

Sunrise fought all the way in going down 5-0 to the powerful Moonlighters side. Moonlighters, though beaten by Avoca are still well in the hunt and will be a hard side to beat. Royal scored a comfortable 5-3 win over Sydenham.

Though victory did not come easily, Brighton scored a decisive 5-1 win over Sastri in their vital B Division clash. This win makes Brighton virtually certain of being B Division league champions.

In the other B matches the results were: Avoca 5, Ashoka 0; St. Anthony 5, Woodridge 1; Brighton II 5, Sunrise 1; Sultan 5, Umzinto 1.

There are no fixtures for Sunday as the Southern Natal Lawn Tennis Union holds an important council meeting at 2 p.m. at Sastri College to finalise arrangements for the 1966 Natal Winter Open Championship which takes place from July 2 to 11.

Naidoo wins by three strokes

MERVYN Naidoo won the Nassau event at the Springfield Golf Course last Sunday. His score of 75-10-65 was three strokes better than Sonny Naidoo (74-6-68).

Saturday's tournament was called off because of a lack of entries.

The matches for this weekend are: Saturday—18 hole medal. Sunday—V. L. Pather's trophy over 36 holes.

Other score on Sunday were: F. Starkey 78-8-70, Collin A. Perumel 70, R. Tiney 70, Baby Naicker 81-10-71, D. G. Singh 77-6-71, Reggie Pillay 80-8-72, Henry Govender 84-12-72, Daddy Naidoo 77-2-75, N. B. Dass 93-18-75, C. Devraj 90-14-76, Rickey Padayachi 92-16-76, H. M. Mista 82-6-76, L. Searle 88-12-76, G. Mkize 84-8-76, A. M. Bux 83-5-78, A. Soodyall 94-13-81, G. Samad 101-19-82, A. P. Govender 99-15-84.

Springbok cricketer Dennis Gamsy presented trophies to the various winners of the Tongaat Cricket Union's competitions at a function held at Tongaat last week. In the picture above Mr. Gamsy and members of the cricket union admire a picture of the Springbok cricket team that toured England last year. Mr. Gamsy presented the picture to the union. On Mr. Gamsy's right is Mr. H. A. M. Arbee, president of the union, and on his left is Mr. "Paddy" Padayachee, the secretary. Mr. J. Dannhauser (behind Mr. Arbee), Tongaat's Town Clerk, and Mr. K. C. Naidu look on.

TOP TEAMS IN LEAGUE OPENER AT P.M. BURG

THE U.T.C. league competition of the South African Soccer League gets started this Sunday with a match at Pietermaritzburg between the Axe-Hamper champions, Aces United, and the runners-up, Maritzburg City. This is the only match for the weekend.

This is a fitting match to start off the series and Maritzburg could consider itself somewhat lucky that this match will be played in the Capital.

United, still fresh from victory in the sponsored competition, must be regarded as favourites, although they were very fortunate that they did win it at all. One more goal from Avalon could have proved disastrous and on this score Aces cannot take Sunday's match lightly.

CHANGES UNLIKELY

The Durban side is not expected to make any changes for the game. Their manager, Mr. Harry Lalla, said during the week that he might field the same team that drew with Avalon. The team is. Nadir Shah, Sagren Naidoo, Lionel Hamiel, D. Khoza, C. de Lange, J. Sithole, W. Hamiel, A. Ismail, Henry Oliver, Strini Moodley and Georg Francis.

Mr. Lalla added that he was confident that his boys would do well. "Last Sunday's game was a bit strenuous for them, but I have no doubt that they have geared themselves for a victory in the UTC competition as well.

"We might be counting the chickens before they hatch, but we did the same before the last series started and we proved ourselves right. We can do it again."

GOOD CHANCE

Maritzburg City also have a very good chance of causing an upset. As runners-up in the competition, they only finished one point behind the champions and that is not a great margin. Officials of Maritzburg City are certain of holding their own against United.

Said one: "We respect the strength of Aces United but our supporters can be sure that we are not scared of them. We hope to win and we shall go all out for the two points."

FEW TAKERS FOR H.Q. OF FEDERATION

THERE are no indications yet as to whether the headquarters of the South African Soccer Federation will move to another centre when the bi-ennial general meeting is held in Durban on Friday, July 8. Any other centre claiming headquarters—if they can muster sufficient votes—could have it. The headquarters came to Natal in 1964 from Western Province.

Mr. S. K. Chetty, the present secretary, said during the week that there was no such thing as nominations being sent in by a certain date. Delegates of provinces were free to come to the meeting and elect and vote for whomsoever they wished.

Mr. Chetty added: "I have no idea if any province intends contesting the question of headquarters, but for our part we shall be willing to hand over the reigns of office.

Speaking in his personal capacity, Mr. Chetty said that he did not think either Northern or Southern Natal would ask for headquarters if another centre was interested. "Of course, I do not know what the official view of these two centres are in this regard," he added.

Since headquarters were only transferred from Cape Town two years ago, it is unlikely that Western Province would ask for it again. The only other centre which might ask for office could be Transvaal.

PEACE MISSION

Officials of the SASF leave for East London this weekend on a peace mission. They hope to settle the differences between the Border Football Association and the Border Soccer Federation.

Both these centres separately control the sport here and despite attempts to do so, it has not been possible to bring the groups together. One is a member of the Federation while the other is seeking affiliation. With one unit already affiliated, the SASF cannot grant affiliation to another unit from the same region. It is because of this that the SASF deputised its officials to attempt to settle the problem.

The meeting between the groups is set down for June 5.

SASF MATCHES AT CURRIES

CURRIES FOUNTAIN will be the venue for all the matches of the South African Soccer Federation's inter-provincial tournament that is scheduled to begin on July 3. This was decided at the executive meeting of the SASF held in Durban last Sunday.

There will be one floodlight fixture—on the evening of Wednesday, July 6. In this match Western Province, the holder of the title, meet Southern Natal.

Southern Natal meets Transvaal on the opening day on Sunday, July 3. Northern Natal meets Western Province on the same day. On the following day Northern Natal plays Eastern Province and on Thursday Southern Natal is pitted against Border.

No fixtures have been set for Thursday, Saturday and Sunday—July 7, 9 and 10. It was decided that these fixtures will only be decided after the first four days' play. There will be no matches on Friday.

All 15 of the matches will be played at Curries and as a result there will be no professional matches on two successive Sundays—July 3 and 10.

Six centres have confirmed that they are taking part. They are Southern and Northern Natal, Western Province, Eastern Province, Transvaal and Border. Griqualand West have indicated that because of financial difficulties they will not be able to enter a team.

MOTALA LEADS NORTHERNS T.T. TEAM

THE Northern District Table Tennis Union has appointed E. M. Motala to captain their side in the South African inter-provincial and open table tennis championships to be held in Durban from June 29 to July 9.

The others in the senior team are M. A. Asvat, A. K. E. Moolla and S. I. Omarjee. S. A. Chupty, Y. M. Goga, M. A. Moolla and S. Patel will make up the junior team.

A. K. Moolla became the singles champion of the NDTTU when he beat M. A. Asvat in the final 21-12, 23-21, 21-11. He regained the title which he lost to Dr. E. M. Motala.

The singles and double events drew large entries. In the singles semi-final Asvat beat Omarjee 21-15, 21-10 and Moolla beat M. A. Moolla 21-11, 20-22, 21-6, 21-4.

The doubles title went to A. K. E. Moolla and A. S. Moolla. They beat E. M. Motala and S. I. Omarjee in the final 17-21, 21-16, 21-15, 21-23, 20-22.

DURBAN AND CHATSWORTH TOP ZONES

"Leader" Sports Staff

DURBAN Football Association have already won the Durban Central zone league series with victories from both their matches—against Mayville and Asherville. Chatsworth will also win their zonal competition. They meet Pinetown in the final game and even if they lose they will still finish at the top.

Merewent is heading for a victory in the Southern Coast zone but to be really sure of the position they must either beat Mid-South Coast or draw with them this Sunday.

With only one round of matches played in the Northern Coast, Lower Tugela has the best chance but the competition is still open. The matches for this Sunday are:

Northern Coast: North Coast v. Tongaat at North Coast and Verulam v. Lower Tugela at Verulam.

Southern Coast: Lower South Coast v. Durban South at Umzinto and Merewent v. Mid-South Coast at Merewent.

Results of matches played last Sunday are:

Mayville: Durban 4, Mayville 0; Juniors Durban 3, Mayville 0.

Tongaat: Tongaat 1, Verulam 1; Juniors Verulam 4, Tongaat 3.

Stanger: Seniors - Lower Tugela 6, North Coast 4; Juniors - Lower Tugela 1, North Coast 1.

Merewent: Merewent 4, Lower South 1; Juniors - Merewent 4, Lower South Coast 3.

Durban South: Mid South Coast 3, Durban South 1.

Chatsworth: Chatsworth 2, South Coast 0; Juniors - Chatsworth 1, South Coast 3 (match abandoned).

Pinetown: County 4, Pinetown 1; Juniors - County 4, Pinetown 1.

Tongaat hold Verulam to a draw

From Our Correspondent

TONGAAT sprang a surprise in the inter-district match against Verulam at the Watson Park Stadium on Sunday. The strongly favoured visitors were held to a 1-1 draw.

Verulam, who are believed to have played a number of players from the former professional club, Verulam Suburbs, were hoping for a convincing victory over the Tongaat side and they were somewhat shocked at the result.

Ray Ragavaloo scored from a penalty in the 38th minute of the first half. The 1-0 lead was taken through the first half until the middle of the second session when "Pope" Dawood got Tongaat's equaliser. Just before the goal a Verulam player was sent off the field.

Tongaat goes to Umgeni this Sunday for the match against North Coast. Tongaat's team had not been announced at the time of writing and it is possible that there may not be many changes.

Tongaat lost the junior match 3-4.

Results of the domestic fixtures at Tongaat were: Juniors: Tongaat 1, Railway 1. Seniors: Sunrise 4, Young Callies 1; Tongaat B 5, Gandhinager 1.

D'OLIVIERA'S SELECTION WELCOMED

by "Leader" Sports Staff

SPORTS administrators and sportsmen in Durban are delighted at the news that Basil D'Oliviera is among the 12 English players chosen for the Test match against the West Indies and are hoping that he will not be the 12th man when play starts this morning (Thursday).

D'Oliviera, whose colour prevented him from being included in the South African side, skippered the non-White national sides in two series against the Kenyans. He left for England four years ago and he immediately won recognition because of his ability and approach to the game. He became a British citizen a few weeks ago.

He has been a regular for Worcestershire, the County champions for the last two seasons, and many English sportswriters believe that the South African has had a big mand in these victories.

SPRINGFIELD GROUND TO GO

"Leader" Reporter

THE new sports grounds for Indians in Durban will be located in the New Germany Road area of Clare Estate just below the Divine Life Society's headquarters, Reservoir Hills. The present Springfield grounds will eventually make way for industry.

It will be recalled that "The Leader" first made known the Council's intention last year when it was disclosed that the area for the proposed housing scheme in the New Germany Road area was found to be unsuitable because of the danger of flooding by the Umkutulu River.

The City Engineer stated at the time that the land had virtually become a river bed and properties would be permanently flooded to a depth of some 18 inches. In times of flood some sections were open to flooding to a depth of 10 feet. The Senior Engineer of the Department of Community Development supported the City Engineer's views.

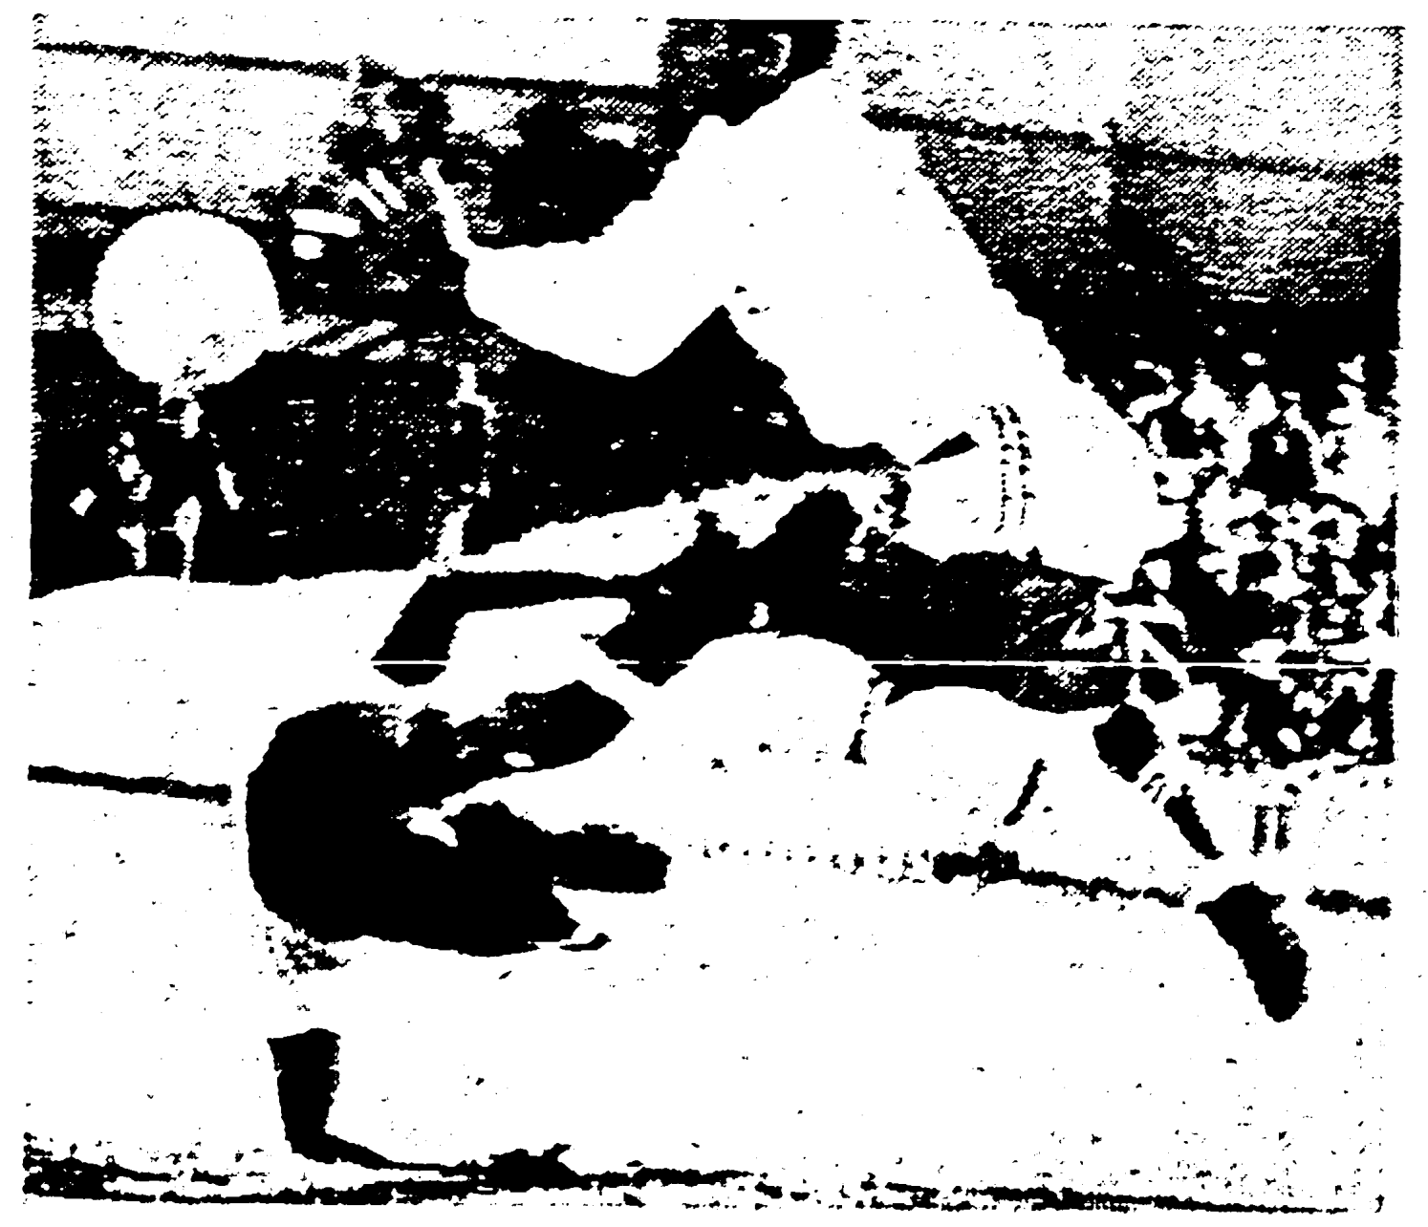
It was felt that if the housing scheme were to be continued, it would mean the expenditure of millions of rand for canalisation.

NEW SITE NEAR D.L.S. ASHRAM

The Council has finally accepted a recommendation of its Housing Committee for the reservation of the New Germany Road area for recreational purposes to replace the existing recreational facilities at Springfield flats.

The City Valuator and Estates Manager has been since granted authority to negotiate for the acquisition of the land defined as the new recreational area together with the land for the new multi-purpose school for the Natal Indian Society for the Blind.

It is not known when work will commence on the new sporting complex but it is generally believed it would take a few years.



Nadir Shah, of Aces United, makes a dramatic save as Avalon's Dharam Mohan does a somersault in a vain attempt to get the winner. The match was drawn 2—2, but Aces got the prize.

UPLANDS F.A. TOURNAMENT

From Our Correspondent

THE Uplands Football Association will be holding its annual tournament at Newcastle this Sunday. Three teams will be participating. They are Klip River, Estcourt and the Football Association of Northern Districts.

At the end of these matches, the selectors will announce the team that will meet Midlands in a match at Newcastle on June 19.

All these matches are in preparation for the inter-provincial soccer tournament that is to take place in Durban durnig the first week in July.

In the meanwhile, it is reported that Mr. R. Naidoo, of Northdale, has been appointed to fill the vacancy caused by the resignation of Mr. C. Rajgopaul as delegate to meetings of the South African Soccer Federation.

Vital goal eludes Avalon and Cup goes to Aces

By "Leader" Sports Staff

THE third and vital goal eluded Cup champions Avalon Athletic in their all-important game against Aces United in the last match of the Axe-Hamper Cup series at Curries Fountain on Sunday. Aces United were held to a 2—2 draw but their performance gave them the league championship and a cash prize of R850. Maritzburg City finished second for a prize of R450.

Poor shooting by Avalon, not only cost them a victory—which they needed to force a triple-tie—but also meant that they will get only R175 for their efforts during the last few months

Aces United deserve full credit for their achievement. Not only did they take the honours but they did so with an unbeaten record.

The game was marred by some robust play. Henry Oliver was ordered off the field by Referee Soane immediately after Avalon goalkeeper Henry Leslie was seen falling to the ground.

In the supporting friendly games, Clermont Swallows beat Zulu Royals-Coastals 2-1 while Maritzburg City went down 2-0 to Berea. These were more of exhibition matches with each game lasting only 40 minutes. They did, however, provide some interesting play and generally all three matches were enjoyed by a crowd of more than 12,000.

FEVERISH NOTE

The main game started on a feverish pitch but the match really burst into excitement after Dharam Mohan had worked his way to score a goal in the 10th minute. But Aces United were not to be outdone and only five minutes later Walter Hamiel netted from a Henry Oliver pass to score the equaliser.

The neatly clad "black-and-whites" jumped into the lead when Strini Moodley, again after a pass from the former Lincoln City player Henry Oliver, booted the ball into the net. The shot obviously surprised Avalon 'keeper Leslie. He did not anticipate the move and he made no effort to stop the ball.

Joey Chetty and S. Lall combined well just before the end of the first half. A neat cross from Chetty saw Lall make no mistake in banging the ball home. But that was not enough. A draw was absolutely useless for Avalon. They needed a victory in order to force a play-off. No further goals came in the first half.

PLAYED SAFE

The pressure was maintained after interval but Aces United played it safe by being more on the defensive. A draw was sufficient for them to take the prize.

Avalon continued the raids and appeared to have a slight advantage. Laurel Hamiel himself admitted when he received the trophy that "Avalon played better football but it's the goals that count".

Two almost certain shots at goal by Mohan and Lall went astray much to the dismay of their supporters. Try as they might, no more goals came and at 1.40 Aces United walked off the field winners of the Axe-Hamper Trophy and cash prize.

BOB PILLAY BACK IN ACTION

From Our Correspondent

FORMER South African cap Bob Pillay featured in a game between Ottoman and Leeds United at Ladysmith on Sunday. Ottoman won the game 5-2 with Bob Pillay scoring one of the five goals for the winners.

It was not a game that was really exciting. Ottoman scored within eight minutes with a goal from Morgan Reddy. He followed this up with goal number two a few minutes later and Bob Pillay made the score 3-0. Just before interval Ebrahim Badat scored with a strong drive to take the score to 4-0.

Ottoman, too confident of themselves, slackened in the second half and Leeds did not lose any time in grabbing the opportunity to use it to their own advantage. Osman Moolla scored two goals within five minutes of each other. Ottoman scored one more goal (5-2) before the final whistle.

The results of the rest of the matches were: Seamers Stars 3, Primrose 2; Hillview 7, Windsor United 2; Jaguars [illegible] 2, Arcadia 1; [illegible] 2, Continental 1; Wolves 3, Young Eagles 1; Dynamos 6, Yearlings 1; [illegible] United w.o. Windsor United [illegible]

SEVERED BODY FOUND ON RAIL LINE

THE mutilated body of 35-year-old Isaac Reddy, brother of former South African football star Billy Reddy, was discovered on the railway line near Amanzimtoti last week. It is believed the head was severed from the body.

The police, it is understood, are working on the theory that Reddy may have been murdered and then left on the railway tracks. The dead man, who was due to be married in a few weeks, disappeared about two weeks ago.

Mr. Reddy who worked at the Point Hospital lived with a married sister, Mrs N. Sathia at 20 Saravan Road, Stella Hill, Durban, since the death of his mother some six years ago.

He was due to be married next month to a typist employed in the offices of a sports association in Durban. His fiance who was the last to see him alive on the fateful Monday two weeks ago said that he appeared quite normal and in happy spirits. "I saw him in the evening and when he left he did not seem to be troubled."

ISAAC REDDY

Mr. Thomas Reddy, a brother of the deceased, told "The Leader" that he was telephoned by his sister on Tuesday morning and informed that Isaac had failed to return home on Monday evening.

"It was his day off that Monday and my sister got a little anxious when he failed to return home as he had said he would be back early in the evening. The matter was later reported to the police."

Mr Reddy stated that nothing further was heard in the matter and in spite of investigations, there was no clue to as his whereabouts. Last Wednesday the Railway Police phoned and informed him that two bodies, presumed to be Indian, were in the mortuary awaiting identification.

"I went to the mortuary and was shocked to find the body of my missing brother. He was wearing a dark green suit and his body was badly mutilated. I was told that the body was found on the railway line near Amanzimtoti.

Mr Reddy said that the police found none of his personal effects and there was no trace of his small black car as well. It is believed that the murderer or murderers could have assaulted the deceased and then dumped his body on the railway line before making off in his car.

Police are anxious to contact people who might have seen the deceased on or after May 23 or who might have seen the car (registration No. ND 78897). They should contact Sgt. R Duffey at the Railway Police (Maydon Wharf). Phone 310-2533.

Pickpocket imprisoned

"Leader" Reporter

AN African pickpocket, Moses Makhaba (45) was sentenced to imprisonment for corrective training when he was found guilty last week of stealing a purse containing R6.30, a bunch of keys and an identity card from Sheila Naidoo at the Indian Market in Durban.

Sheila Naidoo told the court that on a Saturday (May 24) she was in Victoria Street market when she felt somebody tug at her handbag. On turning round she saw an African slip his fingers into the bag and pull out a purse.

"I was walking with my daughter at the time and when I turned around I saw the accused with three other Africans. I screamed and an Indian held the accused. Later a policeman arrived and arrested him.

STONE-LAYING OF HOSPITAL

"Leader" Reporter

THE foundation stone of the new R. K. Khan Provincial Hospital in Chatsworth will be laid by Mr. E. C. Wilks, M.E.C. next Monday, June 20 at 3 p.m.

The hospital which is now nearing completion is expected to commence with its work within the next twelve months and initially there will be accommodation for 60 beds.

The R500,000 project will eventually provide facilities for 500 beds. The R. K. Khan Trust has contributed the sum of R150,000 towards the scheme.

The sensuous belly dance of the harems of the Middle East came to Durban last Saturday evening when the international star appeared before a capacity crowd at the Pelican Restaurant. Sahra, who was featured in the film "Cleopatra", put on a dazzling act.

SCHOOL'S FIRST SPORTS MEET

CHATSWORTH 20A State School held its first athletic meeting at the school grounds last Thursday. A large gathering of parents and wellwishers were present. Mr. C. Kuppusami, an inspector of schools, presented the trophies.

Sarojini House, which led for most of the day, was pipped at the post by Vijay House, which won by the narrow margin of half a point.

As a result of a lack of funds there were doubts whether the school could hold its meeting, but a large number of sponsors and donors rallied to the cause. Mr. George Raisun, of Pinetown, provided the money for the prizes.

The principal, Mr. K. P. Burgwandin, in his address, pointed out that the child must be well equipped to meet the everyday demands and that there should be a close liaison between the home and the school. He stressed that every endeavour must be made to select the best from the material available. He concluded that the school's motto, "From Knowledge to Wisdom", was the institution's main aim.

Extortion charge against Indian traffic cop fails

"Leader" Reporter

AN Indian traffic constable of the Durban City Police who appeared in the Magistrate's Court last week on a charge of extortion was found not guilty and acquitted. Before passing judgment, the Magistrate, Mr. J. van Aswegan, stated that "something is wrong somewhere but in view of the evidence being patchy and very bad" he had no alternative but to find the accused, Girdharilal Ramkelawan, not guilty on all counts.

Girdharilal Ramkelawan, one of three Indians recently appointed in Durban as traffic constables is alleged to have taken R10 from an Indian bus driver, Pretherajh Hiramen on November 8 last year "to fix up" certain irregularities.

Hiramen told the court that on November 8 at about 5.30 p.m. he was at the Winterton Walk Bus rank when he was approached by Ramkelawan who asked to see the motor carrier certificate. "I produced it and the accused told me it had expired and that he was charging me. He took R10 to "fix up the charge."

"I gave him the R10 and he went away. "I reported the matter to my boss and after a week I met the accused again and he returned the R10 to me stating that my boss had laid a charge against him and he wanted to use my influence in getting the charge withdrawn. I took the money and handed it to the boss".

SAW MONEY

Sugrajh Singh, another driver employed by the company, who appeared as a witness stated that on the day in question he had parked his bus next to the one driven by Hiramen. He saw the traffic constable with Hiramen. "I saw money passing between them".

Ramkelawan, formerly a school teacher at Verulam told the court that he had taken up an appointment as a traffic constable as he was not fully qualified as a teacher. "I knew that the buses to Sparks Estate had been bought by Rampersadh and I accordingly inspected the bus of the complainant and found that the carrier certificate had expired. I told him to get a temporary certificate or have the bus taken off the road."

Ramkelawan denied he had accepted any money and the first he knew about it was when his superiors told him a charge had been laid against him "I was surprised."

Cross examined by the State, Ramkelawan admitted that he was not friendly with the drivers at the rank and said this was so because he handed out summons to them and they did not like him. He said that the whole thing was a "frame up".

OUT OF WORK-OUT OF JAIL

KENNETH Charles Cornelleon, of 79 Walmer Avenue, Mayville, who pleaded guilty but maintained he was unemployed succeeded in getting a suspended sentence suspended further when he appeared before Mr. van Niekerk in the Durban Magistrate's Court last week.

Cornelleon originally appeared on December 21, 1963, and was ordered to pay R8 monthly. He subsequently appeared on December 12, 1964, for not carrying out the order and received a suspended sentence of two months.

On January 18 this year an application was made for the enforcement of the suspended sentence. The accused pleaded guilty but maintained that he was unemployed. He said he was willing to pay the R8 plus a further R1 each month against the arrears.

However, the Magistrate warned him that he could expect no further leniency from the court.

Together again

"Leader" Reporter

AN application for the enforcement of a suspended three months sentence was withdrawn in the Durban Magistrates Court last week when Thamodran Moonsamy Pillay appeared before Mr. van Niekerk.

Pillay who lives at 117, Road 306, Chatsworth, first appeared on December 21, 1961 on a charge of failing to pay maintenance of R6 monthly. He was given a three months sentence suspended for three years.

When he failed to carry out the court order, an application was made for the enforcement of the sentence but it was withdrawn at the last minute and the court was informed that the complainant was now living with the accused. The arrears were expunged.

STANGER WOMAN'S DEATH RECALLED AT TRIAL

TWO African youths—both brothers—who were charged with the murder of an expectant Indian woman, Mrs. G. Naidoo, at her home in Lot 16, Stanger, got off with light sentences in the Durban Supreme Court this week. The court found them not guilty on the main charge of murder.

Ntombolo Mbonambi (20) was found guilty on the two remaining counts of assault to do grievous bodily harm and common assault and was sentenced to two years imprisonment and four strokes. His 17-year-old brother, was found guilty of common assault and the judge ordered that he be given six cuts with a light cane.

The trial which lasted three days was heard before Justice D. G. Fannin and two accessors.

Passing sentence Justice Fannin stated that there was no doubt that Ntombolo was the leader of the gang of scoundrels and was guilty of impudent assault on Nomusa Khoza and that he had slashed the deceased under the eye when she protested.

NOT CLEAR

"What happened after that does not appear clear and the court is not certain who inflicted the other wounds. He is very fortunate that he has been found not guilty on the main charge of murder."

Passing sentence on the younger brother Justice Fannin took into account the fact that the youth was a juvenile and pointed out that he had been led into erroneous ways by his elder brother and his only offence was an assault on Nomusa.

Dr. Ismail Asmal told the court that he was on duty at the Stanger Hospital on December 27 last year when an Indian woman had been brought in for treatment. It was late in the evening and she appeared to be in a serious condition.

"She was shocked and her clothes were blood-stained. She had a cut just below her right eye and the eye socket was exposed. She had another cut on the chest and another on the ribs. She was five months pregnant as well. She was given plasma and blood and then sent to the King Edward VIII Hospital."

WALKED IN

Nomusa Khoza who worked for the deceased, stated that she was in bed at about 7 p.m. when she heard a knock on the door and when she inquired who was there, the first accused answered. "He said he wanted my husband and I told him he was not in. He insisted that I open the door and when I refused, he struck at the door and walked in accompanied by accused two and two umfaans.

They forced me out with my little child and then hit, kicked, fisted and dragged me into the yard. I screamed as they continued dragging me towards the home of the deceased. When the deceased heard my cries, she came out and asked them why they were hitting me.

Accused number one asked her where her husband was and jumped onto the verandah where she was standing. He stabbed her under the eye. I managed to break loose and ran into her house. I only saw the deceased falling. She got up and then started running towards the home of Sewpaul, followed by the two accused and the umfaans.

RAN TO HOUSE

"I then saw my husband and the son of Sewpaul run towards the house. The four ran away.

Bantu Det. Constable S. Khuzwayo who investigated the case told the court that he knew both the accused personally and on January 14 this year he had gone to Empangeni and arrested them.

Ntombolo Mbonambi, the elder brother, told the court that he was employed as a tractor driver by Mr. T. Bodasing since 1961. He denied having seen anyone stab the Indian woman and told the court that he was threatened by Det. Con. Khuzwayo that electric shocks would be administered if they did not say they committed the crime.

Candid Commentary by Politicus

KICKED AROUND FROM ONE GROUND TO ANOTHER

THE Indian community has become a veritable football for the Durban City Council whose latest plans envisage the taking away of the sports fields at Springfield

Indian sportsmen must make way for industry if the latest plans of the City Fathers see the light of day.

They must pack up their togs and their cricket gear and make another move. Some years ago, the community lost the centrally situated Curries Fountain sports fields in a sacrifice for educational institutions for its children.

It was a worthy sacrifice, but quite unnecessary only if the City Council played the game with the community and made alternative land available for the educational institutions.

So the Indians gladly moved to Springfield. Even then, the facilities cannot compare with what the Whites of the city have for themselves. Still, our sportsmen have never complained, they have never grumbled about their ill-fortune.

Now comes news that the City Council has plans for industry in the Springfield area—the Indian sportsmen must again make way.

IS THIS FAIR? IS IT CRICKET? DO THE CITY FATHERS NOT KNOW HOW TO PLAY THE GAME?

Must Indians be always made the sacrificial goat to satisfy the whim and fancy of the City Council and its planers?

Do the City Councillors not owe any responsibility to the Indian community in general and the Indian sporting fraternity in particular?

After over a hundred years of Indian settlement in Durban, we have ot yet got a championship golf course or decent swimming pool to boast of.

That is why all this boasting by some City Councillors that they have done this or that for the Indians sounds like such a hollow boast.

One other point about the latest plans for Springfield — have the City Council ever consulted the people concerned, the Indian sports authorities, about their plans?

If so, one should like to know what stand the Indian sports administrators took on this question.

If they were not consulted, one should like to know why? Is it because it is so easy to play football with the Indians?

Perhaps Durban's "sporting Mayor" will have something to say about it.

Natal Muslim Priests at last publically condemn Riba

"Leader" Reporter

THE Jamiat-ul Ulema, Natal, has issued a public statement in which they hold that even in a Darul Harb (enemy territory) the taking of interest between Muslims and non-Muslims is prohibited in Islam.

This belated pronouncement on the part of the organisation of Muslim priests in Natal is intended as an outright rejection of the legal ruling from Deoband that in South Africa it is lawful in Islam for Muslims to take interest from non-Muslims on the ground that South Africa is a Darul Harb based on Muslim minority status in the country.

The Jamiat statement was printed in Maritzburg and distributed at many mosques in Natal after the Friday (Juma) prayers.

I have learnt from reliable sources close to the West Street Mosque in Durban that Mr. A. M. Moolla in a lengthy letter to the Jamiat had made a "last minute attempt" to persuade the Natal Molvies to support the Deoband fatwa which Mr. Moolla has sponsored and recommended for the adoption of the Muslims of South Africa. But Mr. Moolla's appeal was rejected by the Jamait and hence the public statement.

Mr. Moolla's communication to the Jamiat was addressed to that body before the holding of the symposium by the Arabic Study Circle and in that communication Mr. Moolla did his utmost to get the Muslim priests to toe the Deoband line.

Mr. Moolla pleaded with the Maulanas and stated that if they rejected Deoband then it would seem "that the headquarters for Islamic jurisprudence has now come to be established in this little country of ours."

Calling on the Jamiat members not to shirk from their duty, Mr. Moolla alleged that there had been "lay people's sporadic and also engineered opposition to the well considered and balanced views of the learned Alims of India."

Mr. Moolla informed the Jamait that in his view the opposition to the fatwa largely sprang from "envy—the age-old class feud between the privileged and the less privileged and out of intolerance."

It is understood that shortly before the date of the symposium, news reached Durban that a rude shock awaited Mr. Moolla possibly from Deoband itself. South African Muslims on pilgrimage to Mecca had met the principal of Deoband, Maulana Muhammad Tayyeb in the Holy Land and they had learnt with surprise two facts from him.

Firstly, that the fatwa was intended for Mr Moolla's personal consumption and that Maulana Tayyeb had expressed surprised at Mr. Moolla's unauthorised action in making it public.

Secondly, Maulana Tayyeb left the pilgrims who interviewed him with the strong impression that he did not necessarily agree with the fatwa which was signed by the Mufti and Assistant Mufti of Deoband and not by himself.

Maulana Tayyeb is reported to have informed those who interviewed him that what was prohibited in the Quran itself no one could make permissable.

With this open secret of the possible impending rejection of the fatwa by Maulana Tayyeb himself; Mr Moolla, it is believed, had to amend his approach to the Deoband legal ruling—a ruling which he in his foreward to it had accepted hook, line and sinker—Darul Harb and all—as an enlightened interpretation of riba, and wholeheartedly recommended it to the Muslims of South Africa.

It's acceptance, according to Mr Moolla in his foreward would make S.A. Muslims "free to be better Muslims, richer in spirit, closer to Allah, walking nearer to the mind of the Holy Prophet from the very fact that the Muslims could share to the full in the general progress of the community around them."

OPENING UP

In the foreward, Mr. Moolla regarded the fatwa to be opening up the "front door" for the taking of interest by Muslims from non-Muslims, unlike those who opposed it but who regarded it as an unlawful "back door" transaction.

Thus with the knowledge at his disposal of Tayyeb's change of front, Mr. Moolla told the symposium that the fatwa was "at least the opening of a 'side door' which might be helpful to those who were hesitant to invest their money."

Mr Moolla also told the symposium that he had asked Deoband a straight question, but that the declaration of South Africa as a Darul Harb was not of his seeking.

For the first time since the controversy began after the publication of the fatwa, Mr. Moolla stated at the symposium that he and those who believed with him that the definition of Darul Harb did not cover banking and financial transactions "did not need the sanction of the molvies."

WHY THE TROUBLE

Mr Moolla's critics have questioned that if the sanction of the Molvis was not required then why did Mr Moolla take the trouble to submit a memorandum to Deoband, obtained a fatwa from it and published it with such strong recommendations to the Muslims of the Republic.

Since the now-rejected fatwa was released it has met its death and the Natal Jamiat's statement would appear to be one of the final nails in its coffin.

It must however, be noted that the Natal Jamiat, whose members are drawn chiefly from Deoband, did not in its statement refer to the Deoband fatwa at all, nor did it express its opinion whether South Africa was a Darul Harb or not.

It is strongly rumoured that the fatwa controversy has created a sharp rift within the Natal Jamiat, many of whose leading members close to Mr. Moolla would have preferred the Jamiat not to make any statement at all and thus prevent any embarrassment to both Mr Moolla and the Alma Mater of the majority of its members.

It is believed that for this reason the Jamiat refused to take part in the symposium, although the Arabic Study Circle had invited it to do so.

LEADER OPINION

ROCKETING PRICES

IT is significant that the prices of milk, butter and cheese have shot up only after the general election—that is after the Government is safely ensconced for another term.

And the Government may rightly argue that there is nothing peculiar about this since the cost of living was never an issue in the elections. The Government would be perfectly right in this.

The fact remains that such important issues as the price of milk, sugar, cheese and butter were not even thought of during the election campaign which was dominated by politics above all else.

Now, it is the man in the street who has to face reality and he wakes up too late to realise that man cannot live by politics alone. There is talk of the price of bread going up, too. That will be the last straw.

Perhaps the increases are justified and unavoidable. We do not know. What we wish to emphasise, however, is the fact that it is time South Africans of all shades of political opinion realised that politics is not everythings.

The high cost of living has really become the high cost of existence. White housewives and women's groups are already agitating against the price increases.

And they come from an affluent section of the community, a section which is best able to bear the price increases. .....

What, then, of the majority of non-Whites who barely earn two rand per day? How are they to make ends meet?

It is essential that, when Parliament meets again in the near future, some action is taken on the cost of living front.

INDIAN TEACHERS' SALARIES

A special general meeting of the Natal Indian Teachers' Society, held in Durban on May 14, 1966, carefully studied the salary scales and the method of implementing them. The meeting expressed its great dissatisfaction that although the new salary scales were an improvement on the old N.E.D. scales, they did not approximate to the goal of equality with the European teacher, which is what the Society has sought in all its many representations over the years.

It further expresses its grave disappointment at the method of notching which has upset seniority in rankings and yielded very little immediate monetary benefit to the great majority of teachers.

It directs the Executive Council to register its dissatisfaction and to pursue its representations for the realisation of the goal of equality and for a more equitable method of notching.

Royal-Sastri in vital clash

WITH the news of this year's grand Coca-Cola open championships, local players will be striving harder to get into peak shape when the Southern Natal Lawn Tennis Union resumes its fixtures on Sunday.

Royal are at home to Sastri in a vital Rajpaul Cup clash. Defeat for league champions Sastri will mean the end of their hopes in this competition.

A heavy responsibility rests on the shoulders of T. H. Naran, who has to beat both Rashid Omar and "Ginger" Mahomedy in the singles, if Sastri are to win.

Royal appear to have the edge, but if Haffejee can clinch one of the singles, Sastri could snatch victory and throw the competition wide open.

In the other A match, Sunrise travel to Durban to meet Sydenham.

In the B division, the penultimate round of league matches will be played.

Potential champions, Brighton, meet Woodridge and should win easily.

Other fixtures are: Avoca v. St. Anthony; Sultan v. Sunrise; Ashoka v. Sastri; United v. Brighton.

COUNCIL DECISIONS

At the Council meeting of the Southern Natal Lawn Tennis Union it was decided that clubs which fail to honour fixtures, should be dealt with severely as provided for in the constitution. In future the penalty of a R2 fine, will be imposed on a team which fails to fulfil fixtures.

The meeting also decided that club open championships should be held in October and November. Sunrise, Sastri and Sultan are all expected to organise such tournaments for the local players.

Naidoo group buy fourth hotel

"Leader" Reporter

DURBAN hoteliers, the Naidoo brothers, have acquired the Railway Hotel in Verulam.

The Naidoo brothers, who first bought the Chelmsford in Tongaat and subsequently established the Chatsworth Hotel, later purchased the Sydenham Hotel in Clare Estate.

The Railway Hotel deal is reported to have been closed for the sum of R170,000. The hotel, which is situated close to the Verulam Railway Station, has 19 bedrooms, both single and double.

There are private, public and residents' lounges and one of these lounges will be converted into a dance hall or a new addition might be made for the purpose, Mr. D. Naidoo, the new manager licensee of the hotel, told "The Leader."

Unique triple distinction

MR. S. M. SEETHAL, district manager of the Sun Life of Canada attached to the Durban branch had a unique distinction in the company's monthly honours.

For the month of April he wrote the highest number of applications with the highest sales production and according to the manager for Natal and O.F.S., Mr. E. Lincey, "Never before in the Durban Branch has one agent written so many applications for so large a volume of business. This constitutes a branch record."

When figures for all three South African branches — Durban, Johannesburg and Cape Town—were received, Mr. Seethal also had the highest number of applications and volume of business for the Republic and to add to these achievements Associate Superintendent of Agencies from Head Office, Montreal, Mr. K. G. Lawrence, has written to say that Mr. Seethal's personal production for the month of April ranked him first in the entire company's world ranking. This is a great achievement, for the company has several thousand agents in more than 20 countries with nearly 200 branch offices.

For the second time in succession the East Indian Unit in Durban under Mr. Seethal's charge has held eighth position in world ranking of units.

PREPARATORY EXAMINATION

IT was inadvertently reported last week that Osman Cassim Bux (21) who is alleged to have attempted to murder an Indian woman, Mrs. Helen Peters and her baby by allegedly driving his car into the Durban Bay, had been committed for trial.

Bux was granted bail of R200 and the preparatory examination into an allegation of attempted murder still continues. He is due to appear before Mr. D. J. Geldenhuys today (Thursday).

"The Leader" regrets this error.

DOUBLE BILL AT THE AVALON

"NIGHT Train to Paris" doubled with "War Party", starring Davey Davison, Donad Barry and Michael T. Mikler, will be released at the Avalon next week.

"Night Train to Paris" stars Leslie Nielsen and Alizi Gur, supported by Dorinda Stevens and Eric Pohlmann.

Alizia Gur, born in Israel 22 years ago, first became an actress at 13 when she appeared in the theatre, and later in films, in her own country.

She left to visit Europe in 1959, writing travel articles to help pay her way, and won the "Miss Israel" beauty title in 1961. During a year's stay in Hollywood she appeared on a television series.

"War Party", a 20th Century-Fox Western adventure, was filmed in rugged country at the foot of Mt. Whitney in California. Though visually ideal, it was far from perfect. The crew had the almost impossible task of hauling equipment over the rugged foothills.

"The terrain was murder," says Klein. "We had several crew-men dragged downstream while trying to save some equipment, a prop man had to retrieve a rifle that had fallen among a nest of snakes, and a camera truck went over a cliff when its safety brakes gave out."

Klein is planning to make this footage into a short subject, to show how difficult it was to make "War Party".

IT RUNS IN THE BLOOD

PARAMOUNT'S colour spectacle, "The Son of Captain Blood," starring Sean Flynn, Alessandra Panaro and Jose Nieto, plays at the Ajanta. This romantic drama features Sen, the son of the late Errol Flynn, as Robert Blood, son of the famous pirate, Captain Blood, who wants to follow in his father's footsteps and go to sea. His mother wants him to become a doctor but finally gives her permission.

What happens on his voyage when he is captured by another pirate makes for exciting fare.

MICKEY PLAYS HIS CREATION

AUTHOR Mickey Spillane, the creator of Mike Hammer in the detective novels that have gathered a worldwide readership, plays the role of his invention in the tough, tense and thrilling film, "The Girl Hunters," which opens at the Ajanta. Co-starred are Shirley Eaton, Lloyd Nolan, Hy Gardner and Scott Peters.

INDIAN FILMS SET RECORD

THE production of feature films in India reached an all-time record last year when 325 were certified for exhibition according to the annual review of the film industry.

This is 21 more films than last year. Although Hindi films were the largest in number, the largest percentage increase were Malayalam (67 per cent) followed by Tamil (20 per cent).

In addition to feature films 913 other films were produced, including documentaries, newsreel and children's films. The Government's Films Division alone released 104 documentaries — five in colour.

Dominating mother ruins family

A STRONG social melodrama in Tamil, "Ithu Sathiyam", starring Asogan, Chandrakantha, the late P. Kannambal, Nagesh and Baliah, is due to be released at the Roxy, Pietermaritzburg.

This film, set around a selfish mother who dominates the lives of her son and daughter-in-law, is typically South Indian in that it recounts the destruction of a stable family through the overbearing influence of one of its senior members.

Here the mother uses her position of wealth to destroy a happy marriage and bring tragedy to the young people and their children.

The realistic manner in which the film has been treated makes for a very engrossing film.

ABSORBING TAMIL DRAMA OF FRIENDS WHO BECOME ENEMIES

A TALE of friendship that turns to enmity is the theme of the brand new Tamil release, "Poojaikku Vanda Malar", which plays next week at Durban's Naaz Cinema, at which new cine equipment was installed recently to mark the occasion of its tenth anniversary to be celebrated soon.

GEMINI GANASEN

Featured in the film are Gemini Ganasen, Nagesh, Muthuraman, S. A. Sahasranaman, S. Ramarao, O. A. K. Thaver, Savathri, Pandaribai, K. Manimala, Hanorama, Sandhya and Sithrodevi.

The friendship of Ravi and Suresh receives an early setback when the latter takes the blame for a mistake made by Ravi. As a result Suresh has to hastily leave the State of Madras and later takes up employment with an engineering firm in another part of the country.

As fate would have it, the two friends are reunited when Ravi, after successfully completing his examinations, takes up a senior position in the same firm as Suresh.

But here again Suresh becomes the scapegoat when there is a theft at the firm. When a director asks for Ravi's opinion in the matter, Suresh is dismayed by his friend's views, as a result of which he loses his job.

Heartbroken, Suresh decides to go to Bombay. Here he meets Sithara, a girl to whom he is immediately attracted. He falls in love with her, which is reason enough for him to forget his hate for Ravi.

But when marriage plans are finalised Suresh is sorely troubled. The cause of his anxiety and attempts to overcome it makes the film an absorbing production for both young and old alike.

The new projection equipment, sound system and screen should add a great deal to filmgoers' enjoyment of the film.

"WEEKEND at Dunkirk", a saga of World War II will be screened from Thursday, June 16, at the Avalon. The cast includes Jean-Paul Belmondo, Catherine Spaak, Georges Geret and Jean-Pierre Marielli.

The greatest military evacuation in the history of World War II occurred between Friday, May, 31, and Monday, June 3, 1940. The tumultuous events of these three days furnished subject matter for "Weekend at Dunkirk".

To some, Dunkirk was a disastrous defeat. To others, it stands as a glorious accomplishment made possible by the finest show of daring and courage in British history. "Weekend in Dunkirk" presents the little-known French point of view.

Jean-Paul Belmond, the French star who is quickly gaining international film fame, plays the role of Maillat, a French sergeant who, with a group of comrades, is stranded on the beach at Dunkirk from which the British troops are embarking under German bombardment.

Catherine Spaak plays a girl whom the sergeant finds in a bombed-out house and whom he saves from two attackers.

American debut

"HOW to Murder your Wife," starring Jack Lemmon and Virna Lisi, in Technicolor, will be seen at the Avalon at a special 5.15 p.m. sneak preview on Monday, June 13.

Co-starred are Claire Trevor, Eddie Mayehoff and Terry-Thomas.

ARABIAN TALE

A WONDER world of adventure, magic, romance and spectacle in colour "The Sword of Ali Baba" is now showing at the Raj in Durban.

This action-fantasy captures all the excitement of the story—the 40 thieves, luscious tantalising girls doing the dance of the veils, the secret of the Khan's harem, the torture torment of the Tartars, and the cave of treasures.

Peter Mann plays the title role of Ali Baba and British actress Jocelyn Lane is starred as the princess. Gavin FacLeod is the violent Mongol.

Straight roles: Paul Ford, whose portly figure is usually seen in comedy roles, plays straight dramatic part in the Warner Bros. picture, "Big Deal At Dodge City," starring Henry Fonda and Joanne Woodward.

SASF TEAM SUCCEEDS IN BORDER MISSION

A FIVE-MAN deputation of the South African Soccer Federation achieved some success when they visited Port Elizabeth last weekend in an effort to settle the differences that exist between the Border Soccer Board and the Border Football Association.

The Border Soccer Board is affiliated to the Federation and at its last annual meeting the Federation received an application for membership from BFA. But it could not entertain such an application as there was a member body in Border already.

The Federation was told at subsequent meetings that there were many differences between the two organisations. Mr. R. K. Naidoo, SASF vice-president, twice visited the centre in order to bring about a settlement, but Border administrators were unresponsive.

At an executive meeting a month ago the Federation decided to send the officials to Port Elizabeth to seek a solution.

Last weekend Messrs. N. S. Middletown, A. A. T. Hulley, Charles M. Pillay, A. L. A. Pillay and S. K. Chetty undertook the "peace mission."

TRIAL PERIOD

After a joint meeting it was agreed that BFA and BSB would get together and form a sort of "federation" to which both the bodies would then affiliate.

This arrangement will operate for a trial period of two years and will come into effect as from 1967.

Border Football Association players will not be considered for the forthcoming inter-provincial competition. It is believed that the BFA themselves indicated that they would not be ready for the tournament and apart from that it would not be easy to get leave for their players.

HIGH SCHOOLS' SPORTS

SEVERAL important matters were discussed at the council meeting of the Natal High Schools Sports Association held at Sastri College on Saturday.

Final arrangements were made for the mammoth annual inter-high schools athletics championships which will be held at King's Park on Saturday June 25. Over 30 schools are expected to participate in the event, which is the highlight of the association's sporting calendar.

The growth of the association and the scope of its activities can be gauged from the fact that this year the budget is expected to reach the record figure of R1,800. Already R550 has been spent to send the athletes to Cape Town. At the end of the year Natal teams will take part in national schools tournaments in cricket, swimming, tennis and table-tennis in Johannesburg.

The association has just launched a giant fund-raising campaign in which the schools are expected to raise about R1,200 by the sale of admission tickets to the athletics championship.

The council was also informed that the South African Senior Schools Sports Association has decided to boost its funds by charging a capitation tax of one cent for each student in the high schools throughout the country. This tax is expected to bring in about R300 annually.

S. Naidoo is 'cricketer'

SURENDRA R. NAIDOO (Schools) was declared the "Cricketer of the Year" by the Tongaat Cricket Union at a presentation function held in Tongaat last week. Gandhinagar Cricket Club received the "Team of the Year" award.

Mr. S. K. Naidoo, president of the Natal Cricket Board of Control, was the guest speaker. In his address, he gave a hint that the number of teams in the super league "might rise to 10 or 12." At the moment there are only six.

The following awards were also made: Best batting average —R. Jogi (Tech); Best batting average—E. A. Kolla (Commercials); Best bowling aggregate—N. M. Arbee (Schools) and best bowling aggregate—A. E. Manjoo (Commercials).

Top clash at Pinetown

INTERESTING soccer should be witnessed at the Pinetown grounds on Sunday when two top teams meet in the main senior league match at 3.00 p.m. Pinetown, who seem set for league honours this season meet Pine Pirates, a formidable side who earlier this season trounced Fairview Colts 5-1.

The Pinetown Football Association drew most of its players from the Pinetown team for the inter-district matches and this alone speaks for the strength of the team. Pine Pirates should provide Pinetown with some stern opposition but Pinetown should end the day with another two points to their credit.

Westville Suburbs meet Mt. Pilots in another senior league match at 1.30 p.m. Only junior fixture of the day is between Mt. Pilots and Young Rovers.

In a thrilling junior fixture played last Sunday, Fairview Colts scored a well merited 3-1 victory over the fancied Pine Pirates. In an earlier match Pinetown City beat Young Rovers 5-2.

INTER-ZONAL SOCCER FEAST AT CURRIES

THE Southern Natal Soccer Board's top competition, the inter-zonal series, will be played at Curries Fountain this Saturday afternoon and Sunday morning. About 50 senior players will be on view and the provincial selectors will select 13 or 14 players for the inter-provincial tournament that begin in Durban on July 2.

On Saturday afternoon Durban Central meet Western Coast and at 3 p.m. South Coast play Northern Coast.

On the following morning the losers play the early game at 10 a.m. and at 11.30, Saturday's winners play for the late Harry Naidoo's Cup. It is expected that the Southern Natal team will be announced immediately after the game.

Merewent became the champions of the Southern Coast zone after they defeated Mid South Coast 3-1 while in the same zone Durban South conceded full points to Lower South Coast.

At Asherville, Mayville took second place in the Central zone after they beat Asherville 5-3. In the junior match Asherville and Mayville played to a 3-3 draw.

Lower Tulega gained a lead in the Northern Coast division and have still to play a match against Tongaat. Tugela have four points while Tongaat have three. Tugela beat Verulam 3-2 and Tongaat beat North Coast 4-2.

In the junior matches Tongaat trounced North Coast 4-1 and Verulam beat Lower Tugela 4-2.

Two of the teams for the weekend's inter-zonal matches are:

Western Coast: From Muthu Moodley, Mackie Nair, Stanley Kander, Thaver Kuppan and Noor Amod (Chatsworth); Ronnie Govender, Reuben Reddy, Solomon David, Nanda Naidoo, M. Yacoob, M. Arjunan, Robert Zita and Gana Naidoo (County); G. Govender, Pat Pillay (South Coast); P. Isaacs (Pinetown). Manager: Mr. C. M. Govender.

Northern Coast: A. Chetty, B. Kumalo, R. S. Naidoo, R. Ragavaloo, E. Khoza (Verulam), G. Sundra, M. Kisten (captain), V. G. Iyer (vice-captain), J. Govender and M. A. [illegible] (Lower Tugela); C. Sibiya, Ramie Naidoo and Z. Aariha (Tongaat); A. Kumalo, A. Moonsamy and M. Kassiep (North Coast). Manager: Mr. Z. C. Mahomedy.

NO MOVE IN TABLE TENNIS H.Q. LIKELY

By "Leader" Sports Staff

THE headquarters of the South African Table Tennis Board, which has been in Durban for the last 10 years, is not expected to move to another centre when the bi-ennial general meeting of the board takes place in Durban on July 2.

If the headquarters remain in Durban, the officials will remain unchanged. They are: Mr. C. M. Bassa, president; Mr. A. S. Tayob, secretary, and Mr. E. A. Motala, treasurer.

On June 29 the inter-provincial and "open" tournament begins. The competition will continue until July 8. Five centres will be taking part. They are Western Province, Western Cape, Northern Districts, Northern Natal and Natal. Players from Transvaal and Eastern Cape will be taking part in their individual capacities in the 'open' matches.

JUNIOR CHAMPIONSHIP

For the first time, a junior inter-provincial championship is also scheduled to take place. With the exception of Western Cape, all the other centres will be taking part.

The finals of the inter-provincial competition will take place on July 5 and the "Open" will come to an end with the finals on July 8.

GOLF CLUB EXPELS LUTCHMAN, SINGH

THE row between the two groups in the Durban Golf Club took a sensational turn last week when an executive committee meeting of the club unanimously decided to expel both Mr. R. Lutchman and Mr. Ken Singh. This action follows an allegation that both members were responsible for organising a "boycott" of the matches at the Springfield golf course on Saturday, May 28.

Both the men expelled are believed to have been officially informed of the decision by registered letter. Apart from preventing the two from playing golf, the decision will have more serious repercussions for Mr. R. Lutchman, who is a member of the South African Soccer League, the Durban Football Association and the Durban Indian Sports Ground Association.

Immediately DISGA is notified of the decision, as it would be, they will have to note it. This, in effect, would mean that Mr. Lutchman—and even Mr. Singh—would be barred from entering either Curries Fountain or the Springfield ground—even as spectators.

From reports, however, this does not appear to be the end of the matter. There can be no doubt that both expelled members will appeal to the general council to set aside the decision. If this fails, it is believed that legal action will be taken to upset the decision.

In the meanwhile, it is understood that a petition was being drawn up and signatures were being obtained calling for a special meeting to discuss the last election. Members drawing up the petition claim that the election did not meet the requirements of the constitution.

Mr. Louis Nelson, president of the Durban Golf Club, confirmed that Mr. Lutchman and Mr. Singh had been expelled for organising a boycott of the golf matches.

LINCOLN WILL REJOIN IF . . .

LINCOLN City Football Club have given an assurance that they will affiliate to the South African Soccer League if an amicable settlement could be reached on their grievances. They have, however, pointed out that before they can re-affiliate they must be able to get back all the players who were registered with them lastyear.

A meeting of this club was addressed by the League's acting chairman, Mr. R. K. Naidoo.

BURSARY PLAN

A NUMBER of clubs affiliated to the South African Soccer League have agreed to sponsor bursaries for needy children of all races. No further details have yet been released, but, according to Mr. Rajoo Govender, secretary of SASL, the scheme might be put into operation shortly

CONFERENCE

A JOINT conference of club officials, directors, players and officials of the various supporters clubs will be held at the Curries Fountain board room on Thursday, June 16. It is hoped to hold a similar meeting in Johannesburg at a later date

Congratulations to SASL chief

THE Maritzburg City Supporters' Club has sent Mr. R. K. Naidoo a congratulatory message on his appointment as acting chairman of the South African Soccer League. The club has expressed the hope that he would once again take over as chairman and continue, from where he left off, the good work in promoting soccer to greater heights.

They assured Mr. Naidoo that they would give whatever co-operation they can "without any hesitation."

Matches back to afternoons

AVALON BACK ON LEAGUE TRAIL

By "Leader" Sports Staff

FOLLOWING on their unsuccessful bid to win the Axe-Hamper award, Avalon Athletic will test their strength in the U.T.C. League when they meet Berea in the first hurdle at Curries Fountain this Sunday afternoon. The SASL decided recently to revert to the afternoon matches.

It is going to be a strong match for Avalon but certainly not something beyond them. Avalon have held the league honours three times in the last four years and they finished in third place last season.

Berea will have to put everything they have into this game and even though they beat Maritzburg City in a friendly two weeks ago, they have a tough assignment on their hands.

ONLY DOUBT

Until early this week, Berea were only in doubt about which goalkeeper to play. It was not certain whether Desplace or Adams would take the field. Otherwise the team will be Lorgan, Baccus, R. Naidoo, Crowie, Peters, Freddy, Clarivette, Armugam, Reddigadu and Ngwenya.

Disappointed after their drawn game against Aces United, manager Harry Sookoo is not taking any chances for the Sunday's game. "We regard this and other matches to be of the utmost importance if we are to regain the UTC cup and the valuable cash prize and you can be certain that our players are well aware of this.

"With not many teams in the League, there will be fewer matches and hence more difficult to make up points that we might lose. Because of this, we have to win every game if possible", Mr. Sookoo said.

Berea, though disappointing at times, come up to expectations at times—especially in big matches and this could very well be one of their good games.

PIETERMARITZBURG

Maritzburg City, jubilant after their victory over the previously unbeaten Aces United, enter the field in a very favourable position to win the game against Clermont Swallows.

Although they have sparkled on occasions Swallows are not likely to cause any surprises. City already have taken two points in this competition.

ACES PLAYER SUSPENDED

"Leader" Sports Staff

HENRY OLIVER of Aces United was suspended from playing in the next three matches by a three-man enquiry board of the South African Soccer League, which met in Durban on Friday evening. A week previously, Oliver was ordered off the field in the match between Aces-Avalon for alleged rough play.

In his report, the referee says that he warned Oliver twice in the same game and that he was thrown on the third occasion. Oliver denied tat he was ever warned by the referee.

A further "sentence" imposed on Oliver was that if he is found guilty of a similar offence again he would be suspended for an entire season.

BY EBRAHIM OSMAN

THE 1966 Coca-Cola Open Tennis Championship promises to be the grandest tournament ever held in Natal.

NEW AWARD

Apart from the trophies for title-holders, a new annual award has been instituted. The Coca-Cola floating trophy will be presented to the player who puts in the most outstanding performance, but fails to win a title.

The Council of the Union, decided that a special three-man committee be elected during the tournament to select the player to receive this award.

The meeting appointed the following tournament committee: Referee, Mr. E. Osman; Match-maker, Mr. G. Peerbhai; Tennis balls, Mr. A. Y. Mulla; Announcer, Miss R. Charles; Chief Umpire, Mr. R. S. Moodley; Record clerk, Mr. C. Bhoola; General, Mr. M. R. Bangalee.

MAN DIES AFTER ATTACK

"Leader" Reporter

"I HAVE had it, Johnny," were the dying words of 25-year-old Krishanlal Raghubar as he staggered forward from a linely path in Pinetown after being stabbed by three Africans last week. Krishanlal died a short while later in the arms of his friend, Manilal (Johnny) Parag, as he was being rushed to the Mariannhill Mission Hospital by a passing European motorist.

Raghubar, who lived at 9 Ballarat Road, Sea View, and his friend Manilal Parag, who were both employed at Penta Chemical in Pinetown, were on their way to the station after work at 10 p.m. when the incident occurred.

"We were walking along Escombe Road, our daily route from the factory, when we noticed three Africans following us," Parag told "The Leader."

"The road is flanked on either side by dense bush and it was dark. When we reached a lonely spot the Africans suddenly attacked me with a knife. I had a broom stick with me and I managed to strike the knife and then quickly beat a retreat.

Krishanlal ran across the road towards the factory and two of the Africans followed him. I managed to keep one of the Africans from attacking me. Suddenly I heard Krish shout for help and the Africans fled into the bushes.

STRUGGLED FORWARD

"When I approached Krish I saw him bleeding profusely and he struggled forward. I only heard him say "I have had it Johnny." I tried to carry him but found the weight of his body too much to bear. I managed to walk him a short distance to the road and minutes later a European, a Mr. Gordon from Natal Syndicate Chemicals in Pinetown, stopped and rendered first aid. He then drove Krish to the hospital but some yards from the hospital he died in my arms."

KRISHANLAL RAGHUBAR

Paul Anderson, the 370lb. American 1956 Olympic heavyweight champion, who has lifted more than any other man in history, looks quite pleased as he lifts two much lighter weights outside London's YMCA. Paul, who runs a foster home for teenagers in Vidalia, Georgia, U.S.A., is in London for the Billy Graham Crusade.

VARSITY STUDENT DROWNS

A 22-YEAR-OLD honours student in psychology at the University College for Indians, Salisbury Island, Durban, was drowned in the bay on Sunday morning. The student, Mr Teddy Naidoo, of Port Elizabeth, lived at the college hostel. He got into difficulties while attempting to rescue a fellow student.

According to a spokesman for the College, Naidoo and three other students went for a swim in the reclaimed portion of the bay near the Island. One of his colleagues got into difficulties while swimming some 20 feet away from the Island bank and Naidoo swam to his aid.

As he swam up to his struggling friend and took hold of him, he suddenly found himself in a similar plight and was sucked under the water and drowned.

His friend succeeded in making for the shore and was later rushed to the King Edward VIII Hospital suffering from shock. Skin divers later recovered the body of the student.

The tragedy has cast a gloom over the College campus and students and lecturers of the College held a memorial service on Wednesday for the drowned student.

A collection was held among students to raise money to fly the body to Port Elizabeth. Mr. B. Naidoo, the student's father, flew to Durban on Monday.

SUSPENDED FOR LIFE

DOUGLAS WEBBIE, a vice-president of the Merewent Football Association, and Mannie Pillay, a delegate of the Green Falcons Football Club, were both suspended for life by the Merewent Football Association at a full council meeting held at the Raj Mahal Hotel last week.

An official of the Merewent Association told "The Leader" this week that the suspension followed an incident at the hotel some three weeks ago, involving Mr. Jackie Naidoo, secretary of the association and Mr. R. Govindsamy, a former president of the association and its present vice-president.

The suspension follows the association's determination to stamp out unsporting conduct. In a recent circular to all affiliated clubs and officials states that in the event of any player or official of the association being found guilty of fighting, assaulting or causing a disturbance he would be given the maximum penalty of a life suspension.

CONDUCTOR CLAIMS HE IS BEING TAKEN FOR A RIDE

"Leader" Reporter

HANSRAJ RAMDENE, a bus conductor on the Durban-Cavendish run, denied in court last week that he was the father of a baby girl born to Muniamma Pillay, of Cavendish.

Muniamma told the court that she had known the accused for the last three years and since she had no schooling, she could not remember the exact dates when the accused had affairs with her.

"We met for the first time in a bus when I was returning home to Cavendish after visiting my grandmother. When I was pregnant he promised to marry me. My employer, a European woman, saw the accused on several occasions visiting me and talking to me."

Ramdene denied he was the father and told the court that the complainant had been having affairs with various boys "and I saw her one day having an affair with two boys. I first heard that I was the father when she went to hospital for the confinement. I was requested to call at the hospital to sign a consent order for her to have a caesarean operation; I did not go."

He told the court that he was prepared to call witnesses to substantiate his evidence that she went out with lots of boys and the case was postponed to June 22.

3 AT MURDER HEARING

"Leader" Reporter

THREE Indians who are alleged to have murdered an African at the Victoria Street bus rank appeared at a preparatory examination before Mr. van Aswegen last week and were remanded to the cells until today (Friday).

The three Indians are Ebrahim Ismail Shaik (34), Moonsamy Govender (35) and a 17-year-old youth.

Will the wonder horse, Sea Cottage (seen with owner-trainer Syd Laird), recovering from the gunshot wound in the off hind flank, be able to repeat his past successes by entering the winner's enclosure for the twelfth time in thirteen outings? That is the big question punters are asking themselves as the day of the "July" draws nearer. A second arrest has been made.

Message of the Stars

AQUARIUS (Jan. 21-Feb. 19): A lucky week for your main purposes and for all occupational pursuits. Use the period constructively, and be on guard against any temptation to spend excessively.

PISCES (Feb. 20-March 20): An emotionally exciting week for romantic interests. Your personal magnetism could be a starting point of a big romance. However, if you are already attached don't do anything foolish. Any such action will be promptly followed by a break-up of the existing relationship.

ARIES (March 21-April 20): An idyllic sort of week in which dreams of happiness may follow a distinctive pattern. But don't neglect business for the sake of romance. Strike out professionally and liven up business activities.

TAURUS (April 21-May 22): A gainful week if you keep your eye on the ball and do not waste your time in mere wishful thinking. Advertise and seek publicity as a means for attracting to you those who can do you the most good. Good news if you are seeking career advancement.

GEMINI (May 23-June 21): This could be quite a successful period for gainful endeavours, as well as for home entertaining but avoid fixing upon next Saturday for the latter purpose. A good week for travel and for financial dealings.

CANCER (June 22-July 22): There may be joint luck for you and your partner, but be prepared for some disruption of routine and do not take things for granted towards the end of next week. Good news from afar.

LEO (July 23-August 22): Romance could have a definite appeal for you just now, but see that it does not put you out of phase with a partner. A particularly pleasant week for the unattached, but don't waste time over romantic dreaming if you are married.

VIRGO (August 23-Sept. 22): A lucky week for forging ahead if you are determined to succeed. Don't be rash in your methods, as only well-planned action will enable you to reach your goal.

LIBRA (Sept. 23-Oct. 22): This could be quite a lucky period for you in more ways than one, but avoid strain, and don't work off nervous irritation on those at home. Work for long-range objectives.

SCORPIO (Oct. 23-Nov. 21): Quite a fortunate week if you make the right decisions concerning gainful transactions. The telephone will be more remunerative than personal visits. A contract or agreement will be signed this week.

SAGITTARIUS (Nov. 22-Dec. 21): Be constructive about your plans. Far objectives. Current influences make for success, provided you are not lackadaisical. Be practical rather than romantic.

CAPRICORN (Dec. 22-Jan. 20): Dreams of affection are excellent in their way, but to become effective, a plan of action is called for. Make use of a good self-advertising technique and do not allow false modesty to make you hide your gifts.

HIGH SPIRITS, LOW SPIRITS

FLORA NDLELA (33) had an unusually large load on her head when Bantu Constable Lennox Nxasana, of the Overport Police, stopped her in Quarry Road, Springfield. He discovered her burden to be a four-gallon tin of illicit brew, gavine.

Flora hopefully pleaded in court for a chance as she had a 15-month-old baby to care for as well as other children, who are now in the care of an aunt at Kwa Mashu. But her spirits sank when the Magistrate found her guilty and fined her R120 or 120 days imprisonment.

U.S. grain for the hungry of India has been arriving at a record rate. A woman is seen receiving her quota at a distribution centre in Bombay.

SEX SECRETS DOCTOR TAKES POST IN U.S.

DR. BHAIRAB BHATTACHARYA, the Indian scientist who believes he has found the secret to pre-select the sex of offspring at will has left Britain to work in the United States.

Dr. Bhattacharya has taken up a position as a partner in a million dollar corporation set up specifically to investigate sex selection technique commercially. He has been provided with a staff of eight research workers and is reputedly earning a salary of £400 per month.

His technique of pre-selecting spermatozoa into "male" producing and "female" producing batches has been successful in upsetting nature's balance of 49 males to every 51 females.

He has discovered that when a test tube of semen was left to stand for some while, the spermatozoa in it separated into two "populations," one near the top, the other near the bottom. Research has revealed that it is the "females" which sink and that by careful handling, the two types could be separated.

So far tests have been done on cows but work has already begun on separating human spermatozoa.

'FOUND' SPARE, BUT FOUND GUILTY

"Leader" Reporter

RONNIE MARIEMUTHOO (20) of Merebank told Mr. W. Ehrensberger in the Durban Magistrate's Court last week that he had not stolen a spare wheel but had "found" it. His story did not impress the Magistrate, and he was found guilty and sentenced to six months imprisonment.

Manilall Singh, of Mayville, in his evidence stated that he had driven his van along Lansdowne Road on May 14 this year and had stopped it outside a tearoom for less than 5 minutes. "I went inside the shop and on my return my spare tyre was missing. I returned to the shop the same day and found the wheel inside the shop."

Louis Small, a Coloured, stated that he was at the shop and had seen the accused with the wheel. He was speaking to the shopkeeper. He wanted to sell the wheel and the shopkeeper told him he did not want to buy it.

Budram Brijkumar, the shopkeeper, told the court that the accused had brought the wheel to him and offered to sell it. "He told me he wanted R1 but I refused to buy it. He told me he would leave the wheel in the shop and pick it up later. Then the complainant arrived and claimed the wheel."

Marimuthoo stated in mitigation that he was the sole supporter of five brothers and pleaded for corporal punishment and a suspended sentence. The Magistrate found him guilty and sentenced him to six months.

Little Flower boys and girls

A CALL has gone out to all past students of the Little Flower School, Ixopo, to attend the annual general meeting of the Old Boys' and Girls' Union to be held at the School on June 25, commencing at 9.30 a.m.

Mr. A. Adams, secretary of the Union, stated that attempts were being made to contact as many members and ex-scholars as possible.

The conference of ex-students will be followed by a dance.

R2,000 collected

THE annual street collection and cake sale of the Natal Indian Blind Society realised the sum of R2,012.21.

Mr. E. A. Khan, honorary treasurer of the society, thanked the people of Durban and also all those who assisted at the cake stall and street collection. He said that this was the first step in their campaign to raise R30,000 for the general administration and running expenses of the society, workshops and Arthur Blaxall School for the Blind.

Candid Commentary . . . by Politicus

HE CAME, HE SAW HE CONQUORED

THE whole country is talking about Senator Kennedy. These Americans have a way of doing things. Seldom has an overseas visitor received such an enthusiastic reception as the Senator who may one day become President of the United States.

Senator Robert Kennedy greets a group of well-wishers before going on to meet Chief Lutuli at Groutville last week.

His visit was ill-starred from the very beginning so far as the Government was concerned. He was a special guest of Nusas, and the Government has left no doubts about how it feels about Nusas. In short, Nusas is no good in the eyes of the Government.

There was therefore no hope of the Senator striking a welcome cord in the Government heart. He was given the official snub in no uncertain manner. His requests to meet the Government were not acceptable to Dr. Verwoerd or any of his Ministers.

It was a policy decision taken at the highest level—no doubt after careful thought and consideration.

And in any case, why should the Senator be welcomed by the Government? His views on apartheid are anathema to the authorities.

In the words of the Johannesburg Star: "If Senator Kennedy were a South African, he would probably be banned under the Suppression of Communism Act."

That may be putting things strongly, but the Senator left no doubts about his feelings on apartheid. How could Dr. Verwoerd, then, agree to meet him?

In the main, the "English" universities at Cape Town, Durban and Johannesburg, gave him a warm reception. Stellenbosch was courteous and polite to him.

At the English language universities he was probably speaking to the converted, though it is certain that even his audiences at these universities, if faced with the practical problem of the colour bar and apartheid, would opt for the colour bar and apartheid and forget everything the Senator stood for.

Even these so-called open universities have not ever been truly open universities accepting men of colour as equals in all respects.

The most English university of Natal has a notorious history so far as non-Whites go. The doors of the University of Natal at Pietermaritzburg have always been closed to non-Whites.

At Durban, the doors have only been slightly opened. What a rumpus we have had over such things as segregation at the graduation and all that.

So, in some respects, the Universities of Cape Town, Natal and Wits were really honouring the Senator with tongue in cheek.

Expressing the English point of view, Durban's morning paper, "The Natal Mercury", as English as English can be, wrote: "The message that middle-of-the-road South Africans must strive to get across to Senator Kennedy is that the principles of liberalism—as the word is today interpreted—are impractical in Southern Africa in the present context of the African emergence from a primitive society.

"While so much of Africa continues to erupt in the savagery of the jungle the thinking of starry-eyed idealists too often offers no sensible contribution to the maintenance of law and order.

"Whether Senator Kennedy rejects or accepts the opinions and convictions that are put before him is another matter. But an attempt must be made to create a doubt in his mind as to whether the conventions and systems applicable to integrated and long-experienced Western societies can be reasonably and safely applied to South Africa at this moment or, indeed, for many years to come."

HERE, THEN, IS THE AUTHENTIC VOICE OF THE NATAL ENGLISH, DISMISSING THE SENATOR AS A STARRY-EYED IDEALIST.

While non-Whites may take heart and encouragement from the sympathy, support and understanding which Senator Kennedy has given, it is a matter for deep regret that the people who matter most, the Whites, still are not prepared to go the whole hog with the Senator.

In the long run, it is they who count and what they think and do is more important to us than a score of visits and speeches of encouragement from men like Senator Kennedy.

It remains the task of South Africans of all colours and creeds to shed fear of one another, to understand the feelings and aspirations of one another and to devise ways and means of living in peace and harmony with one another.

The so-called starry-eyed idealists may come and go. Let no one doubt that we are the better for their coming. Yet, in the final analysis, it is what the Whites of South Africa in general, think and do, that counts.

The job of winning over the Whites is no easy one. What we require is a South African Senator Kennedy to make us all come to our senses!

Then and then only can the ideal become a reality.

Letters to the Editor

Bawa offers no solution

Sir,—Mr. I. M. Bawa has elaborated in "The Leader" his views on the Deobandi Fatwa, views which he expresser in the symposium organised by the Arabic Study Circle.

There is nothing new or controversial in the maxim of necessity which Mr. Bawa propounds, nor is it relevant to the question posed by Mr. Moolla or the so-called solution given in the Fatwa as both these call for a community solution.

As Mr. Bawa points out in his last paragraph, his approach deals with the individual and the individual only. For instance, if a Muslim is facing death he is allowed to eat sufficient pork when no other means of sustenance is available—but he is not allowed to eat his fill with pork nor could he eat pork the following day and nor could the rest of the Muslims eat pork because one individual Muslim, through force of circumstances, was compelled to eat it.

It would, therefore, appear that Mr. Bawa has no solution to offer to South African Muslims on the problem posed by Mr. Moolla, particularly as the symposium he rejected the idea.

SEA COW LAKE BUS SERVICE

Sir—I fully endorse the complaint of your correspondent regarding the poor bus service to the Sea Cow Lake area, more especially to Naicker's and Beharie's Stores.

The buses don't keep to schedule and on most occasions are heavily overloaded. What has aggravated the position is that residents of Kwa Mashu who live near the ranks are making greater use of the limited number of buses with the result that roadside passengers are constantly stranded or have to stand.

Here is a good case for the Durban Transport Department to take up. The introduction of the Corporation service would alleviate the position and would be well supported.

MADAN.

LEADER OPINION

Civic inquiry costs

A NICE point has been raised by one City Councillor in regard to the Durban Corporation Commission of Inquiry. He has personally engaged attorney and counsel and has now asked that his legal costs should be borne by the City Council.

At the Commission, the Province is represented by a panel of legal advisers, the City Council has engaged its own panel. The man-in-the-street is therefore, paying for both, as a Provincial taxpayer and as a ratepayer.

Now, it is asked that he should also pay the legal expenses of individual City Councillors who have elected to be represented by their own counsel and attorney.

We fail to see why this should be so. If certain Councillors have found it necessary to engage their own separate legal advisers, they should pay it out of their own pockets, the costs of such legal representation.

Why should ratepayers be burdened by this extra expense? In any event, the City Council should have been consulted first before individual councillors engaged special representation themselves.

We believe the City Council would be unwise to agree to pay such costs. The City Council's representatives at the Commission were, we believe, quite capable of representing individual City Councillors, too.

Besides, the request is premature, and the least the City Council can do is to defer consideration of this question until after the findings of the Commission are made known.

If the Commission finds that there was no substance in the allegations against certain Councillors, the City Council should consider paying their legal costs, too. But if the Commission finds to the contrary, such Councillars should be made to pay their own legal expenses.

That is as far as the City Council of Durban should be prepared to go.

SON HIT BY STONE, FATHER STABBED SIX TIMES IN BACK

"Leader" Reporter

TWO Coloureds, Maurice Darn (22) and Andrew Martin (19), and two Indians, Benjamin Morgan (31) and Mamud Abdul (25), were found guilty this week of assault. A fifth Indian, a 16-year-old youth, was sent to the Juvenile Court.

Darn, Martin and Morgan were sentenced to six months imprisonment of which three were suspended for three years on condition that the accused do not in that period commit a crime of violence. Abdul was sentenced to six months imprisonment.

According to evidence the five are alleged to have assaulted Ramdhal Maharaj and Abdul is alleged to have robbed him of R3 in cash.

Maharaj told the court that on May 18 this year at about 9 p.m. he had alighted from a bus in Columbia Road, Greenwood Park, and was walking home when he saw some people standing near his home. "Three of the accused caught hold of me and asked me for cigarettes. I gave them cigarettes and they then asked me for money.

"When I refused to give them money, Abdul took it by force. I screamed for my mother and tore away and ran into the yard of my home. Someone hit me with a stone. I did not see who it was as it was dark and I fell unconscious."

Morgan stated he was walking along Kenville Road to a gambling school when he saw lots of people ahead with sticks and knives. "They dispersed when I arrived and I saw the complainant and his younger brother with him." He denied he was one of those who had assaulted Maharaj.

Mahadeo Maharaj, the mother of the complainant told the court that she had heard her son scream, "Ma, Ma," and when she ran out she saw stones falling and one of them hit her son on the head. "I saw blood and took my son into the house."

Sumi Novede, the father, stated that he was in the house with his wife when he heard his son shouting. "My wife opened the door and went outside. I saw five people come towards the house. They surrounded me and Abdul stabbed me six times in my back. As I fell I shouted for help and all five men ran away."

BOYS KILLED

TWO Indian boys died when a load of sugarcane fell on them, according to verdicts recorded at two separate inquests filed in the Attorney General's office in Pietermaritzburg.

The hearing arose over the death of Marugas Govender (13) and Lutchmanar Govender (10), who were killed when a load of sugarcane fell on them in the Stanger district on April 4 this year.

BROTHERS DIE IN CRASH

TWO brothers were killed in a motor accident in Mobeni on Sunday evening at the corner of Higginson Highway and the main South Coast road. The brothers, Mr. G. P. Chetty (44), a father of 10, and Mr. V. V. Charles Chetty (27), were returning home to 22 Loon Road, Sydenham, after leaving a friend in Isipingo.

Mr. G. P. Chetty was a barman at a hotel in Point Road, Durban, and his younger brother was the manager and licensee of the Natal Liquor and Catering Trades Employees Recreation Club in Kismet Arcade, better known as Club Lotus.

Charles, the father of an only child was formerly a wine steward. He assumed duties as a clerk when the Club Lotus was taken over by the Union in 1962. A year later he was promoted as the manager and became the licensee after the departure of Mr. Norman Hall.

"MINIMUM RISK" INVESTMENT PLAN:

LUANSHYA OFFERS LAND, FACTORY, HOUSING ON LEASE

A NEW "minimum risk investment plan", under which prospective industrialists will be able to lease land, factories and housing for employees, thus cutting down the amount of capital they have to find for a new venture, has been announced by the Mayor of Luanshya, Councillor A. D. Figov.

The Municipal Council of Luanshya, through a specially created Committee on Industrial Development, of which the Mayor himself acts as chairman, is making an all-out drive to encourage industrialists to set up factories in Zambia—and specifically in Luanshya.

'SHIKARI' OPENS AT THE NAAZ NEXT WEEK

EAGLE Films' "Shikari", in Eastman colour, is a strange drama conjured up in the manner of a fantastic fairy tale for which its author obviously seems to have drawn inspiration from several jungle and science fiction films from Hollywood.

The film opens at a circus with the usual acrobatic and buffoonery plus an ice-skating sequence by a group of leggy beauties. The owner of the circus accompanied by his daughter, his lieutenant, a clown and a crazy scientist, decide on an expedition to capture an ape for the circus, which turns the picture into a safari yarn.

This brings in the hero, a hunter who is ready to help the party. The hunter (shikari) is no brute but a polished gentleman who takes no time in captivating the circus owner's daughter, who, in turn, also promptly falls in love with him.

A villain has to be there and so the circus owner's lieutenant is made to fulfil that function by making him cast his eyes on the girl. Soon she finds that there are a couple of other villains also in the run for her love. No. 1 a giant gorilla and No. 2 is the mad scientist.

The gorilla is one of the many quaint creations of the mad scientist who wants to become omnipotent by turning man into beast and vice versa. He gives a demonstration of his prowess to the party to win the girl's favours.

The title role of the hunter is played by Ajit, and Ragini portrays the circus-owner's daughter. Helen plays the mad scientist's daughter and Saquja is cast as the circus owner. Madan Puri is the lieutenant-turned-villain and K. N. Singh returns after a long absence as the mad scientist.

A feature of this film is the brilliant effect of the colour photography which captures the picturesque locales of the South Indian forests.

"Shikari" opens at the Naaz next week.

CRIME DOUBLE AT THE RAJ

PAT BOONE, Barbara Eden Eden and Steve Forrest are co-starred in "The Yellow Canary", a suspense drama that will be released at the Raj in Durban early next week, doubled with

The story is centred round singing idol Andy Paxton (Boone) and his wife Lissa (Barbara) who return home from theatre to find their infant son, Drew, kidnapped and his nurse murdered: Pinned to the crib in the baby's room is a note which reads: "We have your son. We will contact you."

The police are reluctantly summoned and thus begins the big hunt.

Preview of exciting World War II drama

"THE heroes of Telemark," a war drama in colour and widescreen which depicts a true story of an episode during World War II will be unfolded at the Raj in Durban at a special sneak preview on Monday, June 20 at 7.30 p.m. Stars of the film are Kirk Douglas, Richard Harris, Ulla Jacobson, Michael Redgrave and David Weston.

The story is set in occupied Norway in the year 1942 and the principal characters in this stirring war drama that combines action and suspense are nine Norwegians.

A tiny roll of microfilm smuggled from the Norsk Hydro heavy water factory at Vemork in the Rjukan vallek, is the first clue the Allies have that Germany might be ahead in the race to harness atomic fission.

Hi-jacking the "Galtesund", a passenger ship, in Oslo, Knut Straud, Dr. Rolf Pedersen and a small group of resistence workers sail through the mine-infested sea to Britain. Only Rolf, the scientist who has decoded the formula on the microfilm, has any idea of the awful significance of its contents.

The formula is sent to Washington. Scientists Einstein, Oppenheimer and Fermi confirm Pedersen's suspicions. The Allied High Command decides that Pedersen and Straud must return to Norway to report on the possible methods by which the factory at Vemork could be destroyed.

There are apparently two choices: to bomb the factory—which would involve the probable loss of 6,000 lives—or subject it to an attack by Commandos dropped by parachute into the area.

HITCHCOCK DRAMA

ALFRED HITCHCOCK'S high suspense drama, "Marnie" which combines mystery, romance and robbery, is scheduled for a short season at the Ajanta in Tongaat next weekend.

A screen adaptation of the best-seller by Winston Graham, "Marnie" is headed by the famed screen personality of the "007" series, Sean "James Bond" Connery whose romantic interest in this production is the exciting Tippi Hedren. Co-starred are Diane Baker and Martin Gabel.

Hedren portrays Marnie, a compulsive thief, sometimes blonde, sometimes brunette, who applies to Rutland & Co. for a job. Mark Rutland (Connery) instantly recognises her as the girl who previously had stolen 10,000 dollars from the safe of a business concern.

He is strangely attracted to her and she is hired. Then starts the chain-reaction which sets in motion a highly entertaining film.

MASS FORMULA FILM

"ASLI NAQLI", starring Dev Anand, Sadhana and Sandhya Roy, will be screened at the Albert from Monday. This film has been released in South Africa through Phiroz S. Randeria.

The supporting cast is headed by Nazir Hussain, Anwar, Leela Chitnis, Mukri and Hari Shivdasani.

All told, this is a good story which comes from the pen of Inder Raj Anand. The film is directed towards the mass audience and tailored to play on the sentiments of the poor by glorifying the traits of the "have nots" in contrast to the "haves" (both through platitudinous dialogue and improvised sequence).

A TALE OF WAR IN THE RAW

"ATTACK" a war story so raw, so hot, that no dared film it till now, will be screened at the Avalon on Monday, June 20 at 5.15 p.m.

This film, which was formerly banned, stars Jack Palance, Eddie Albert, Lee Marvin (winner of Academy Award as Best Actor of 1965), Robert Straus, Richard Jaeckel and Buddy Ebsen.

"Attack", a United Artists' release, is high-powered entertainment. For this picture, which concerns a company trapped by the Germans during the Battle of the Bulge in World War II, tells a side of the war which hasn't been touched in a decade. Boasting a superb cast headed by Jack Palance and Eddie Albert the picture shows that not all men are heroes—especially during the height of battle.

To say that Captain Cooney, brilliantly played by Eddie Albert, is not a hero is to understate the case. He is an abject, psychopathic coward who has a record of exposing his company to danger, and in fact being responsible for the death of many men.

Sergeant Costa, portrayed by Jack Palance in one of the screen's most powerful performances, is a man dedicated to seeing that Cooney kills no more men through his cowardice.

There are many great and memorable portrayals among the other characters in "Attack" all of whom contribute to make this a strong, truthful and violent picture of World War II as it was fought by a typical company of GI's.

Beauty signed

RITA WILSON, who was "Miss Tennessee" in the 1961 "Miss America" contest, has been signed for a featured role in "Way . . . Way Out," the Jerry Lewis comedy currently being directed by Gordon Douglas at 20th Century-Fox.

"Way . . . Way Out" also stars Robert Morley, Connie Stevens, Dick Shawn, Howard Morris and Brian Keith.

Vyayantimala who is teamed with Joy Mukerjee in "Ishaara" which opens at the Roxy.

"Jwala" the Madhubala-Sunil Dutt starrer with music by Shanker and Jaikishan, has been passed by the censors in Bombay.

Manoj Kumar and Asha Parekh make good romantic pair

CHITRA SANGAM'S "Apna Banake Dekho," released in South Africa by Super Film Distributors, will be shown at the Avalon shortly. The stars, Manoj Kumar and Asha Parekh, are well matched as a romantic team and Ranjit, Gautam Mukerjee, Sajjan, Mohan Choti, Johnny Whisky and Sunder appear in support.

The film tells of the romantic adventures of a young man, Deepak, who leaves home because he is not willing to marry the girl of his father's choice.

His father is rich and plays into the hands of his nephew, Ranjit. Evidently he wants his son to marry Geeta because her father is believed to be well-to-do.

Deepak is a foreign trained automobile engineer, who returns to Bombay, comes across Geeta and falls in love with her. The girl at first mistakes him for a motor mechanic and employs him as her chauffeur.

Geeta initially resents the chauffeur's advances but after a few meetings between them (the process involving a few song situations and masquerades), the aristocratic girl falls for the young man.

BATMAN RIDES AGAIN

"BATMAN", the major hit of the current American television season, and shortly to be seen on British T.V., is to be the subject of a full-length feature motion picture by 20th Century-Fox.

William Dozier, president of Greenway Productions, producer of the "Batman" TV series, will personally produce the 20th Century-Fox film. The feature is being written by Lorenzo Semple, Jnr., who scripted the television pilot and is chief story editor for the series.

SECRECY SURROUNDS SECRET AGENCY FILM

"THE Achilles Force", a drama based on the international perations of a secret branch of the United States Government, which Robert Evans will produce, has been given a late-1966 starting date at 20th Century-Fox.

Because the subject of the major-budget film is of such an explosive nature, there will be no distribution of the script at the studio.

Prepared and produced with the full co-operation of the Government, "The Achilles Force", is being written by Bernard Goldman and Leonard Hughes.

Evans, who would indicate only that the story is "not the science-fiction, is not a war theme and that it takes place tomorrow", is lining up an international all-star cast for the colour and wide-screen production.

FILM VERSION OF STAGE HIT

"WHO'S Afraid of Virginia Woolf?", starring Elizabeth Taylor and Richard Burton, in the Warner Bros. motion picture version of Edward Albee's famous stage hit (which was presented in South Africa a few years ago), will have its world premiere on June 22 at Pacific's Pantages Theatre in Hollywood, it was announced by Jack L. Warner, president of the film company.

Sandy Dennis and George Segal co-star in "Who's Afraid of Virginia Woolf?", which was produced by Ernest Lehman.

IN MEMORIAM

MRS. BUDREE. — In loving memory of my dear wife and our mother, who was called to rest suddenly on June 13, 1964, at her home in Shepstone St., Richmond.

Darling mother, death does not recede today.
Some may think we have forgotten when they see us smile;
Little do they know the heartache we cover with a smile.
To love one and then to part
Is the greatest sorrow to the human heart.
God takes the best for reasons divine
But memories will last till the end of time.
Deep in our hearts your memory is kept
Of one we loved and will never forget.

—Ever remembered by her loving husband, her children, grandchildren, daughters-in-law, son-in-law and relatives.

ROMILLA HARRICHURAN.—In loving memory of our dear Romilla who passed away on June 16, 1965.

Out of the world of suffering,
Into a Haven of rest.
Those who think of you today,
Are those who loved you best.

—Ever remembered by her loving parents, Mr. and Mrs. Harichuran of Isenembe, brothers and sisters and Johnny Bros. of Isipingo. 4005

Gone but never forgotten

DEVAMONIE BHOOP SINGH.—In loving memory of my dearest wife and our darling mother, late of 365 Kennedy Road, Clare Estate, Durban, who departed from us on June 14, 1960.

Six years have passed and gone,
But our thoughts of you still linger on.
Your memories we have from day to day,
No length of time can take away.
We think of you in silence,
And whisper low your name.
The only thing that still remains,
Is your picture in the frame.

—Ever remembered and sadly missed by her loving husband, sons, daughters, son-in-law and grandchildren. 4002

DEVAMONIE SINGH:

God saw you getting weary, so,
He did what He thought best.
He came and stood beside you,
And whispered 'Come to rest'.
You wish'd no one a last farewell,
Nor even said goodbye.
You had gone before we knew it,
And only God knows why.
You will never be forgotten.

—Ever remembered by her mother, brother, sisters, sister-in-law and children. [illegible]

Avalon centre forward Dharum Mohan beats Derick Desplace with a well-placed shot to get the equaliser.

Young Berea side gave cup champions a shock

By "Leader" Sports Staff

BEREA'S young side held the cup champions, Avalon Athletic, to a 2-2 draw in the first round of the UTC league series at Curries Fountain on Sunday. But not before Berea shocked the experienced side and took a 2-0 lead in the first fifteen minutes of the game. Although the champions applied pressure in the second half, Berea earned a moral victory.

The game started with a shaky Henry Leslie in the goals for Avalon Athletic. He made two saves, before conceding the first goal but the two saves were far from confident.

Berea opened their account in the 10th minute when newcomer Percy Reddigadu took a shot at the nets after receiving the ball from Basil Clarivette. The next goal came when Reddigadu gathered the ball, passed to Dr Ngwenya who in term set it up for Dennis Clothier to score.

Through poor team work at times, one or two good shots went astray and on one occasion Dharam Mohan was responsible for the failure. But Mohan made up for this ten minutes before the end of the first half when he neatly passed the ball to Joey Chetty who did not lose the opportunity of reducing the deficit.

Half time was taken with Berea 2-1 ahead. In the 15th minute of the second half Mohan scored Avalon's equaliser. Throughout this period, Berea went onto the defence but raid after raid by Avalon did not produce any success.

All in all it was thoroughly well fought out game and it was a pity that many more did not turn out to watch the match.

CALLIES STAY UNBEATEN

By John Manda

SOVEREIGN Callies kept their unbeaten record when they eliminated Young Canadians 4-2 in a cup match at Asherville on Sunday. This was the only senior game played at the weekend.

The junior game between Clayton Rangers and Viking Ramblers ended in a 3-3 draw after extra time. The match will be replayed this weekend.

The game between Silverton and Overport Wanderers was abandoned when Wanderers refused to accept a penalty against them. Wanderers were leading 1-0 at that stage.

Bobby Moodley scored the first two goals for Sovereign Callies in the main game and just before interval T. Moodley made it 1-2.

A. Ismail netted goal number three (3-1) and then A. Holf scored for Canadians from a penalty (2-3). G. Moola sealed Callies' victory with a goal (4-2) towards the end of the match.

Results of the weekend's matches were: Young Sparks 3, Cardinal City 2; Clayton United 3, Boystown 2. Sunday—Protean Lads 3, Big Ben 0; Mayfair 3, Windsor Park 0; Kingston 5, Asters 1; Rico 3, Sparks 0; Manchester 3, Young Rangers 0.

Matches for this weekend are: Sunday—Seniors K.O.: Big Ben v. White City and Brothers v. Lions; Juniors (league)—Clayton City v. Manchester Rovers, Protean Lads v. Cardinal City, Little Sparks v. Boystown, Kingston v. Young Rangers and Rico v. Silverton.

N.N. soccer trials

From Our Correspondent

THE Northern Natal Soccer Board holds its trials at Newcastle this Sunday afternoon with a match between Uplands and Midlands. The Uplands team for this match was announced early this week.

It is expected that the Northern Natal team for the Durban inter-provincial tournament will be announced on Sunday evening. A council meeting of the NNSB will also be held in Newcastle on Sunday.

The Uplands team for Sunday's game is: C. Karripersadh (FANDF), J. Nettie (Klip River), Reggie Chetty (Klip River, vice-captain), E. [illegible] (captain), K. Moodley (FANDF), M. Moodley (Klip River), Allie Karripersadh, Teddy Singh (FANDF), [illegible] Naidoo, [illegible] Khan (Klip River), M. Aziz (FANDF). Reserves: C. Naidoo, Billy Karain, G. Moodley (FANDF) and Dennis Carr (Klip River). Manager: Mr. K. Moodley.

PINETOWN WIN GRUELLING MATCH

PINETOWN and Pine Pirates provided spectators with a soccer treat at Pinetown last Sunday, when in one of the most exciting and gruelling matches of the season, Pinetown triumphed over Pine Pirates by three goals to nil.

The match played in tense atmosphere, was exciting and a little robust at times. Pirates featuring a few former Pinetown players, gave a dazzling display of crafty soccer and supporters of both teams which incidentally are from the same district were kept on their toes throughout.

Victor Reddy opened the score for Pinetown after tricking the Pirates defence. It appeared that the ball was handled by a Pinetown forward but referee Mr. Kader who was persuaded to handle the 'big' match blew for a goal. Pirates hotly disputed this decision and an ugly situation was averted when officials intervened and had the situation under control.

The game became robust and a number of players were lucky not to get marching orders. Another goal by Pinetown from a goalmouth scramble took the score to two-nil at half-time.

Early in the second half Pinetown were awarded a penalty and diminutive Victor Reddy made no mistake. The crowd gave both teams plenty of encouragement but goals were hard to come by. Pinetown finished the day worthy winners and took a step closer to the league title.

Other results were: Seniors: Westville Suburbs 2, Mt. Pilots 0. Juniors: Mt. Pilots 2, Young Rovers 1.

KEY DISTRICT MATCH AT TONGAAT

THE last three matches in the inter-district competition of the Southern Natal Soccer Board will be played this Sunday afternoon. Only one of these matches—Tongaat v. Lower Tugela—will have any effect on the final result of the zonal competition. The playing of the other two matches is just a formality.

Tongaat will be looking forward to playing against Lower Tugela at home. It is a vital game for both teams. Tongaat must win the match to become champions of the Northern Coast zone while Lower Tugela must at least force a draw to take the honours.

This meeting was to have taken place four weeks ago but it was rained off. Tongaat is very confident of doing well. They have beaten North Coast and held Verulam to a draw. But Lower Tugela have a slightly better record. They won both matches — against Verulam and North Coast.

Even if Chatsworth lose in the third match to Pinetown (at Pinetown), Chatsworth will become winners of the Western Coast zone. Chatsworth have four points from their two matches while Pinetown is at the bottom with no points. Both County and South Coast, the other team in this zone, have completed their matches.

In local matches there was a surprise when the junior Tongaat's Natal Cup champions, Tongaat "A", were eliminated from the competition when they were beaten 4-2 by Young Satellites in the first round.

The other results were: Juniors — Railway "B" 2, Tongaat "C" 0; Sunrise 6, Maidstone "B" 1; Young Satellites 4, Tongaat "A" 2; Railways "A" 3, Young Callies 1. Seniors — Maidstone "A" 5, Railways 4; Tongaat 2, Red Rovers 3; Swallows 3, Maidstone "B" 6.

Primose lose to Schools

From Our Correspondent

INSPITE of a stout defence, Primrose lost their league match to Schools by two goals to nil in a senior match played at Ladysmith on Sunday. In the other senior games Stars beat Pirates by a similar margin, Ottoman defeated Windsor United 3-1 and Scotford trounced Leeds United 4-0.

The game between Schools and Primrose was evenly contested and at half time there was no score. The game was more lively in the second half and although Primrose conceded two goals, they never looked like an easy side to beat.

S. Enoch got the first goal in the 13th minute of the first half from a 25-yard drive but only two minutes later he failed to increase the lead from a penalty. Siva Naidoo scored the second goal to push Schools ahead.

The other results were: (Juniors) —[illegible] 4, Strike 3; Wolves 1, Hillview United 2; [illegible] 2, Eagles 2; Yearlings 2; Dynamos 3, Hillview 2.

Singles are pointer to Winter Open tennis

BY EBRAHIM OSMAN

MOONLIGHTERS meet Royal in a key Rajpaul Cup clash on Sunday. Moonlighters have already lost to defending champions Avoca, and another setback this week will definitely terminate their challenge for the Rajpaul Cup.

Perhaps of greater interest, is the outcome of the singles as a pointer to the Coca Cola championships beginning on July 2. Roopnarain beat Kamlakan to prove that he cannot be written off, and he will prove more than a match for both "inger" Mahomedy and Rashid Omar.

Roopnarain was last years' finalist in the Coca Cola Winter Open, and is sure to make a strong bid again to reach the top. Manclan is completely unpredictable. On his day he can pulverise any opposition, but of late he has been right out of touch.

Should he hit a purple patch Royal could be in serious trouble. On current form, Royal should win, but Moonlighters do have, at least on paper, the players to turn the tables.

The other two A matches are unlikely to produce any surprise results. Sastri should beat Sydenham, and Avoca appear too strong for the gallant Port Shepstone side Sunrise.

In the only A match played last Sunday, Sydenham notched their first victory of the season when they overran a depleted Sunrise side to win 5-1.

In the B Division, Avoca beat St. Anthony 5-1; Sultan beat Sunrise 5-0 and Sastri beat Ashoka 5-2.

Fixtures for Sunday—A Division, Rajpaul Cup: Sunrise v. Avoca; Sydenham v. Sastri; Moonlighters v. Royal.

B Division League: Sunrise v. Sastri; St. Anthony v. Brighton II; Brighton I v Ashka; Woodridge v. United; Umzinto v. Avoca.

SPORTS BODIES

NETBALL and athletic groups were formed in Asherville last week end. At both meetings held at the residence of Mr. Dhapal Naidoo, pro-tem officials were elected.

The pro-tem officials are: Netball: President, Mrs. M. Israel; secretary, Mrs D. Rajah and treasurer, Mrs. M. Singh.

Athletics: President, Mr. M. IV. Rajah; secretary, Mr. N. M. Israel and treasurer, Mr. Maniraj Singh.

MANAGER STEPS IN TO MAKE UP TEAM

"Leader" Sports Staff

THE inter-zonal competition of the Southern Natal Soccer Board was reduced to a near-farcical level at Curries' Fountain on Sunday when — for such an important contest — at least one team turned up at the ground with less than the eleven players. Southern Coast, who were trounced 7-2 in the first round on Saturday, struggled to make up a team on Sunday.

Mr. R. Govindsamy, the manager of the team and an official of the Merewent Football Association, later made up for one of the players. But his playing was subject to criticism because it was claimed that he is not a registered member of any of the units and was therefore not qualified to play.

The competition itself did not come up to a great standard and only a handful of people saw both the Saturday and Sunday matches.

In the first round on Saturday, Southern Coast took a 2-0 lead but then collapsed to a 2-7 defeat to Northern Coast. Durban Central beat Western Coast 3-0.

The final on Sunday, between Durban Central and Northern Coast was another drab affair without any goals being scored at all. Both the teams were declared joint winners of the late Harry Naidoo Cup.

Earlier Western Coast beat Southern Coast 3-0.

COURT ORDER AGAINST GOLF CLUB OFFICIALS

"Leader" Reporter

AN urgent application by R. Lutchman and Ken Singh—the expelled members of the Durban Golf Club—before Mr. Justice Friedman in Chambers on Monday, has resulted in the granting of an order against Louis Nelson and Soobramony Maduramuthu in their capacities of chairman and secretary respectively of the Durban Golf Club.

It was ordered that the election of office bearers on May 22 be declared invalid and that the persons who held office prior to the elections continue in the capacities they then held.

The former officials were directed to convene within 30 days an annual meeting of the Golf Club for the purpose of electing office bearers.

It was further ordered that the expulsion of Mr. Lutchman and Mr. Singh from membership of the club be set aside and declared null and void.

The respondents, Mr. Nelson and Mr. Maduraamutha, were directed to permit the applicants to "exercise all the rights and privileges of membership" and they were interdicted from limiting or interfering in any way with the applicants' rights and privileges.

The order will act as an interim interdict against Nelson and Maduramutha until the return date, June 27.

In his affidavit, Mr. Lutchman stated that the constitution laid down that the annual meeting be held in February each year, or as soon as possible thereafter. As at April 22 the respondents had failed to do so and a petition signed by 27 members was forwarded to the secretary requesting the convening of the meeting.

The constitution also provides that nominations for office bearers shall be placed upon the notice board of the club house, but the Durban Golf Club has never had and does not now have a club house&

Mr. Lutchman's affidavit pointed out that the practice at all previous annual meetings had been that nominations were made from the floor of the meeting without advance nominations, by which manner both Mr. Nelsn and Maduramuthu were elected to office.

"However, at the annual meeting on May 23 my attempt to nominate Mr. D. Kalideen failed as the chairman ruled that he would not accept nay nomination of which advance notification was not given.

"Upon the refusal of Mr. Nelson there was an uproar at the meeting and a number of members left the meeting.

Later Mr. Lutchman received a letter of expulsion.

Supporting affidavits were also filed by Ken Singh, L. Goundeen, F. M. Paul, B. Naidoo, J. Jivan, N. G. Moodley, B. N. Patel, P. R. Nair, G. R. Nair and D. Kalideen.

CALLIES FAIL IN 3 FINALS

D'ALBERTON CALLIES, who achieved a hat-trick in reaching the finals of three different competitions of the Durban Football Association failed in all of them last week when the senior "A" side lost to Carlisle United 2—0, the Junior "A" lost narrowly 1—0 to North Rangers and the Juveniles, Young Alberton lost 4—3 to Young Aces.

In the three remaining finals, Black Pirates beat Saints 3—0 in "C" division; new Orleans drew 2—2 with Puntan's Hill in the Junior "B" and Lyke City beat City Lads 2—1 in the senior "B".

Alberton Callies and Carlisle United fought out an exciting tussle and both sides squandered several chances with Callies fumbling a penalty in the early stages of the game.

LINCOLN CITY WILL PLAY AGAIN

By "Leader" Sports Staff

IT is now reasonably certain that Lincoln City will return to the South African Soccer League and take part in the UIC league and cup series that have just begun. This was revealed to "The Leader" by Mr. Barry Naidoo, president of Lincoln City.

Mr. Naidoo said that Lincoln City had discussions with Mr. R. K. Naidoo, the newly-appointed president of the SASL, and that he was happy with the way things are going.

Mr. Naidoo added that he will insist that all the players who played for Lincoln City should return to the club and "we shall persuade these players to play for us."

PERSUADE PLAYERS

Asked if the players refused to play for Lincoln City, what he would do, Mr. Naidoo replied: "We shall continue to persuade them to play for us. They have been our backbone throughout the past few years and we would hate to lose them. We will certainly do everything possible to ensure they play for City again."

Mr. R. K. Naidoo is understood to have told Mr. Naidoo that he was working on the matter and that he expected to get things finalised as soon as possible.

SCHOOL FUNDS: GOVT. ACTS

curb on malpractices

"Leader" Reporter

STRICTER regulations governing the control and administration of school funds and aimed at eliminating malpractices were published in a recent issue of the Government Gazette.

Some two years ago "The Leader" exposed certain malpractices among which was that children were continuously compelled to pay various sums of money for equipment towards which elder members of the family had contributed in earlier years but which were never purchased.

The new regulations provide for the direct irepresentation of parents on school fund committees and control of such committees falling under the jurisdiction of the Director of Indian Education.

Monies, according to the regulations, may be collected or received for the establishment of any school fund to finance the extra mural activities of a school and generally to provide or improve the facilities for the pupils of a school but these funds will have to be administered by a school fund committee consisting of the principal, (ex officio) the chairman, the vice principal, if any, or senior teacher (ex officio), any member of the teaching staff, elected by the staff provided there are at least three teachers on such staff and two parents of children attending the school, elected by the education committee, if such commitee has been appointed by the Minister or otherwise by the parent-teacher association of the school concerned.

Members of the committee will serve for a term of two years and the Director of Indian Education could at any time terminate the membership of any committee member or disolve any committee if he is satisfied that the committee is improperly exercising its powers.

The position of secretary-treasurer of the school fund, according to the regulations, will have to be held, preferably by a member on the permanent staff but who is not a member of the committee. All income and expenditure will have to be accounted for by the secretary-treasurer and proper books of accounts will have to be kept to comply with departmental instructions.

THEY WILL HAVE TO BE OPEN TO INSPECTION BY AN INSPECTOR OF SCHOOLS OR OTHER OFFICERS AUTHORISED BY THE SECRETARY.

All monies received by the school fund will have to be deposited in a school fund account at any commercial bank or building society.

An interesting point in relation to collection and contribution to school funds is a clause that states that contributions are voluntary and no pupil who does not contribute or who contributes only a small amount shall in any way be penalised.

The purpose for which the school fund may be used is defined as: Purchasing athletic equipment, transporting athletic and sports teams as well as participants in concerts and other school activities, assisting deserving pupils to enable them to benefit by the educational facilities offered by the school, educational excursions or tours, school prizes, hiring, purchasing or repairing aids not supplied by the Department of Indian Affairs, hiring entertainment films, and any other purpose approved by the director.

SUSPENDED OFFICIALS APPEAL

"Leader" Reporter

TWO soccer officials, Mr. Mannie Pillay and Mr. Douglas Willie, who were suspended for life by the Merewent Football Association last week, have sought the intervention of the Southern Natal Soccer Board.

Both men claim in their appeal to the Board that the Association had erred in suspending them for life without giving them a fair hearing and for accommodating the complaints of Mr. R. Govindsamy and Mr. Jackie Naidoo without inquiring fully into the allegations.

Both maintain in their appeal that the executive of the Association had further erred in suspending them at an executive meeting at which Mr. Naidoo and Mr. Govindsamy, the complainants, deliberated and decided upon the sentence. They claim that the Association had also erred in deciding upon a matter that was outside its jurisdiction.

Mr. Willie, who was vice-president of the Association until the suspension, wants the suspension set aside and his status in the council restored. He wants the appeal board to further order a full-scale inquiry into the affairs of the Association.

Mr. Pillay, in his appeal, has requested the board to declare the suspension to be of no force and effect.

432 DAYS FOR FATHER WHO DIDN'T PAY

GOVINDSAMY KENDROYEN achieved a doubtful distinction last week when he appeared before Mr. van Niekerk in Durban's "M" Court. His failure to pay maintenance for his children landed him behind bars for the next 432 days, which is reported to be a record imprisonment period for an offence of this nature.

Kendroyen, of 38, Road 507, Chatsworth, was ordered on November 6, 1962 to pay R6 weekly to his wife, Amravathi, of 271 Ryde Place, Redhill, for the maintenance of his four minor children, but between January 22, 1965 and May 26 this year he failed to make payments totalling £648 made up of 108 payments.

Kendroyen appeared in court on January 21, 1963 for default and was sentenced to two months imprisonment suspended for three years but he subsequently failed to carry out the order. When he appeared in court last week he said that he was unemployed and was finding difficulty in getting a job.

His pleas were in vain and he was found guilty and sentenced to four days imprisonment on each of the 108 counts—making a total of 432 days in gaol.

Guilty of assault

BEKIZWE ISAAC KWELA (26) was sentenced to four months imprisonment and four strokes when he was found guilty in the Durban Magistrate's Court this week on a charge of assault to do grievous bodily harm to an Indian bus driver, Gangarem Hardeen and his conductor, Hamilton Mkize.

HE PICKED THE WRONG POCKET

"Leader" Reporter

WHEN three Africans boarded a bus, an African pick-pocket came and stood close to one of them and tried rifling his pockets. But he made one mistake. The men who had boarded the bus were all policemen from the Rossburgh Police Station and were dressed in plain clothes. They had boarded the bus following a report by an Indian.

The pick-pocket was immediately arrested and last week he appeared before Mr. J. T. Malherbe on a charge of theft and was sentenced to imprisonment for corrective training. He had previous convictions.

William Ngwane, the accused, told the magistrate that he had R57 in his pocket and not R34 as indicated. "They arrested me because they know me and I would not have pickpocketed a policeman," he said. When questioned where he had got the money from, he remained silent.

SUSPENDED SENTENCE ENFORCED

"Leader" Reporter

PERUMAL Govender, of 72 Jacobs Road, Clairwood, was sentenced to 160 days' imprisonment for failing to maintain his three minor children in the Durban Maintenance Court last week.

Govender originally appeared in "M" Court on June 17, 1965, and was ordered to pay R20 monthly for the children. But he fell in arrears for R160.

He appeared in court on February 24 this year and was found guilty and sentenced to 20 days' imprisonment on each of the eight counts suspended for three years on condition he complied with the court order by paying R20 monthly and in addition R2 per month until the arrears of R160 are liquidated.

On June 14 this year, he was already in arrears for R240, and an urgent application was made for the enforcement of the suspended sentence, and last week Mr. van Niekerk enforced the sentence.

Court told of attack with broken bottle

"Leader" Reporter

DADDY Naidoo (38), a labourer of Malvern was found guilty this week of assault with intent to do grievous bodily harm, and sentenced to six months' imprisonment by Mr. C. G. Marais, in the Durban Magistrate's Court.

Shamdutt Ramsaroop (23), the complainant, told the court that on May 18 this year at about 4.30 p.m. he and a friend, Naduth Singh, were walking along a footpath in Northdene when they saw a group of people in the pathway.

"They greeted us and we returned the greeting. Then the accused asked my friend if he was Boodhoo's son and when he replied he was, the accused told him he was going to hit him as his father had hit him once before. I saw the accused holding the neck of a broken bottle in his hand.

"I went between the accused and my friend and the accused lashed the broken bottle into my mouth. Both my lips were cut and bleeding and my bottom lip was cut in two and hanging and had to be stitched in hospital. The accused then ran away."

Naduth Singh (22) corroborated the evidence given by Shamdutt and added that the accused had sworn at him and had stated that he was going to "do him in".

Daddy Naidoo denied that he had hit Shamdutt and maintained that both the complainants had given false evidence. Cross-examined by the State he said he was going to the station when he saw both of them. "The complainant bumped against me and asked me why I had said I was looking for him. He stood in the way and wanted to fight. Naduth stood behind me with the broken piece of bottle. I hit the complainant with my fist and his lip was cut."

Naidoo admitted previous convictions and was sentenced to six months imprisonment.

Accused blame each other in theft case

"Leader" Reporter

FOUR Indians who were arrested on an allegation of theft, have accused each other of being responsible. The four—Sewpersadh Singh, Theva Moodley, Shamlall and Deonuth Baichoo were appearing in the Durban Magistrate's Court.

The four are alleged to have broken into the shop of Moonsamy Kanniga, at 111 Hippo Road, Sea Cow Lake on May 1 this year and stolen cigarettes, sweets, matches and R20 in cash.

The shop owner, Moonsamy Kanniga told the court that he arrived at his shop to find it had been broken into.

Mungroo Nundlall who lives close by stated that he was outside his home at about 11.30 p.m. when he saw three of the accused go into the shop and carry out articles. Later he saw three of them approach with the parcels and he gave chase and managed to apprehend one of them.

Sewpersadh Singh, one of the accused (represented by R. Bugwandeen) stated that he had had his supper at about 9 p.m. and had went outside at about 9.30 p.m. He saw the other three accused at the shop and one of them called him. "Suddenly I heard the crack of a gunshot and the three ran away. I slid down the bank and was later arrested."

Deonuth Baichoo alleged that Sewpersadh and Shamlall were the ones who had broken into the shop and stolen the articles.

Theva maintained that it was Sewpersadh who had broken into the shop and stolen the articles and he and his friends had been called to assist him to carry the items.

The case is proceeding and the accused are due to appear today (Friday).

VIOLET PADAYACHI

Resignation accepted with regret

THE resignation of Mrs. Violet Padayacri from the Durban City Council's Indian Affairs Advisory Committee was accepted with "regret" at this last meeting of the committee.

Mrs. Padayachi, who had attended meetings of the committee in an advisory capacity, capacity, stated in her letter of resignation that she found it increasingly difficult to fulfill her duties as a mother, social worker and part-time student as a result of the many calls made upon her by virtue of her serving the committee.

Members of the committee made reference to the happy association they had enjoyed with Mrs. Padayachi, and requested that their [illegible] in this regard be conveyed to her.

Arising from Mrs. Padayachi's resignation, a letter was tabled from Mr. Johnny M. Govinthu requesting representation on the committee in an advisory capacity.

Following discussion it was resolved that Mr. Govinthu be advised that the committee did not intend at this stage to invite a representative of the Indian community to fill the vacant position.

7 ORCHESTRAS

SEVEN of Durban's leading Indian orchestras will be featured in a band show due to be held at the Tamil Institute in Clairwood on August 13 this year. This will be the first time that Indian orchestras will be featured at one venue.

The show is being held to raise R1,400 for the dependants of one of Natal's most prominent musicians, Mr. A. Kisten, the founder of the Linghum Orchestra, who was killed in an accident on the South Coast last month.

According to one of the organising officials, elaborate preparations are being made to provide the public with an afternoon of exceptional entertainment.

Sister and brother, Gloria and Anthony Brawns, get in the mood at the dance at the Island Hotel, Isipingo Beach. Final preparations are being made at the hotel for the opening early next month of the children's playground.

Candid Commentary . . . by Politicus

AN UNFEASIBLE PLAN

THE "Natal Mercury" Editor has come out with what he calls a plan to break the South African political deadlock, a plan which in his own words "retains the essential features of apartheid and bantustans, yet extends the franchise to all races in two separate Legislative Chambers."

In a nutshell, the plan boils down to this: Parliament will comprise one Chamber only, the House of Assembly; the Senate would be abolished and its place taken by a "Senate" of Blacks elected by Blacks, that is Indians and "detribalised Africans" residing in the so-called White areas of the Republic.

The Black parliamentarians will, of course, have no legislative powers at all, but they would have the "closest intellectual contact" with the White cabinet ministers.

In the words of the Mercury Editor, "the non-White Chamber would be located in the same building as the controlling White Parliament. This could be achieved by the simple expedient of enlarging the present Senate Chamber and adding a separate dining room, lobby and ancilliary facilities for non-White MPs".

The idea behind this great plan is said to be two-fold, to achieve stronger internal unity and to improve the country's external image.

The Mercury Editor confesses that the plan would "not satisfy South Africa's more militant and clamant enemies . . . "

Indeed, any plan to resolve the South African deadlock should not be concerned in any way with what our so-called militant enemies think about it. What right have they to interfere in our own affairs? This should not worry us.

What is important is that ANY plan which sets out to achieve peace, understanding and harmony between the various sections of our multiracial community should be accepted by all sections.

It should not be dictated from the top. The non-Whites would have to be consulted all along the line. No plan can be imposed from the top.

Then, again, there is nothing like the original article. Substitutes are never equal to the best. What the Mercury Editor proposes is a sugar-coated Bantustan policy. Dr. Verwoerd knows and understands his Bantustans. There will never be a time, under Dr. Verwoerd, when the Bantustans will be able to pose any kind of threat to White rule in the Republic.

That much is clear. Dr. Verwoerd would be extremely foolish were he to plan any such Bantustans.

Of course, the Africans would have local self-government in their Bantustans, but they could never be an economic or military threat to the Republic itself.

Bantustans, as envisaged by the Nationalists, would be very like the Princely States in pre-independence India. Under the British Raj, the princes ruled in some 600 states, large and small, but they were never able to pose any threat to the Centre.

Whereas the Indian princes were autocratic rulers and the states never had any elected legislative assemblies, under the Bantustans there can be elected parliaments as in the Transkei.

No, the Mercury Editor's plan will never work, even though it has taken good care of lobby and other facilities for Black and White parliamentarians in Cape Town.

The general body of Whites would never agree to it. The great mass of non-Whites will not favour it.

The fact is that, except for the Liberals and Progressives, all other South African parties have no real alternative to offer.

Indeed, they cannot take over Dr. Verwoerd's Bantustan policy and improve on it. At least, Dr. Verwoerd knows what he is doing and where he is going.

Can his political opponents say as much? Certainly not the Editor of the Natal Mercury.

LETTERS TO THE EDITOR

MR. BAWA HAS ADDED TO THE CONFUSION

Sir,—I was shocked and surprised to read Mr. I. M. Bawa's letter on the recent symposium on interest in "The Leader" of June 3, 1966.

Undoubtedly, a clarification on Mr. Bawa's speech at the Symposium on interest was very essential, BUT not of the type explained by Mr. Bawa in his letter. Your report was perfectly correct and in a 'nutshell' it could not have been better expressed. As a result what was really necessary was either an expression of agreement or disagreement with Mr. Bawa's controversial views. I for one expected Mr. Bawa to realise his grave error and withdraw his argument that the solution to the "so-called" interest problem is in the Quran. Instead, what do we have? Mr. Bawa "adding fuel to the fire"—nay to the ocean of misunderstanding. His explanation in "The Leader" is a mere repetition of what was said at the symposium.

In view of the rule "that necessity renders the prohibited permissable" Mr. Bawa still claims that the 'Quran has the answer to the problem'. This is very misleading contention and from a practical understanding, Mr. Bawa's argument is grossly dangerous. At first, I like others agreed with Mr. Bawa's views, but on second thoughts, I as well as others, have found the arguments fallacious, and therefore, the need for this letter.

SEVERAL FACTORS

There is no doubt, that, according to the Quran "necessity renders the prohibited permissible in many cases. But it must be emphasised that Mr. Bawa's quotations from the Quran have been completely out of context. This conclusion is based on several factors.

Firstly, what is the so-called problem? At the same time, is it a problem of the individual or of a whole community? The Quran and the Shariah is very clear: Interest is completely forbidden in any form according to Islamic Law. But considering Mr. Bawa's contention the "necessity renders the prohibited permissible" a new question arises: "Is present circumstances! the taking and giving of interest under the present circumstances a result of necessity and therefore permissible? "A little research answers the question.

A simple illustration may be quoted here: "The Quran completely prohibits the eating of pork. But if for three days no food is available EXCEPT pork and the survival of life is at stake—which means that the taking of pork is the ONLY solution to the necessity, that is the SURVIVAL, then it is permissible, as long as there is no ALTERNATIVE. But this necessity falls off IMMEDIATELY, food other than pork is available." Explanations in detail on similar issues of necessity are clearly given in most books on Islamic jurisprudence. But Al-Ghazalli, a reliable authority on Islam, as quoted in the book "Falsafat—Al-Tashrih-Al-Islami (The Philosophy on Islamic Jurisprudence)", by S. Mahmassani, needs to be referred here.

MANY LIMITATIONS

Al-Ghazalli said: "All prohibited things become permissible by necessity—while the necessities render prohibited things permissible, yet the rule is subject to many limitations." Some of these limitations being:

1. Hardships may be pleaded only where no texts exist. Hardships refer to necessity and need and not to non-essential interest (luxury). A situation of necessity refers to a person's striving to safeguard his religion, life, property and or offspring from perdition.
2. The extent of permissibility is only to meet the hardship, e.g. a starving man may be excused for stealing a loaf of bread, but definitely not for a TON of it under any circumstances.
3. The permissibility is allowed as long as URGENCY exists—if the exceptional circumstance ceases, the licence also ceases and there would be a return to the original principle.
4. The necessity does NOT invalidate the right of another—later one has to pay back to the other who has suffered a loss.

Thus one may ask again: What is the problem? And go even further—is the taking (or giving) of interest affecting the sucker, or the rich man? Is it really the problem of the poor, or be it ONLY the problem of the rich? If it is the rich, then the answer is obvious. If it is the poor then: "Is buying a fridge a necessity or a luxury? Is buying a mansion a necessity or a luxury? Is speculating on land and property, thus limiting the opportunities of others, a necessity or a luxury? Or is even buying a car a necessity or a luxury? The answers are all obvious."

NOT FOR ALL

Mr. Moolla recommended the Fatwa as a solution for the community and Mr. Bawa has offered a solution through a so-called open-door, unlike the back-door of Darul-Harb. But Mr. Bawa's solution is for particular individuals and certain issues only and not for a community, for in every necessity the circumstance and the nature of necessity differs. Mr Bawa's—if at all applicable—is a temporary one.

Therefore, in the case of interest, the rule whereby the prohibited becomes permissible is DEFINITELY NOT applicable. After all interest taking is truly the exploitation of the weak in most cases, so as to provide for the luxuries of the rich at the expense of the minimum needs of the poor—as such, it is definitely not a result of necessity as defined above.

LEADER OPINION

No MANpower shortage

THE Durban City Council's so-called Economy and Efficiency Committee is faced with the problem of a shortage of White manpower. It is unable to suggest anything better than the employment of white married women.

The Natal "Daily News" sees in this "an overdue reform dictated by the competition for qualified White workers in a rapidly expanding economy. And while South Africa insists on barring three-quarters of its potential labour force from many fields of employment, resort must be had to the matrons to man the breaches in the administrative machine."

As everyone knows, and as the "Daily News" so readily acknowledges, there is, in fact, no manpower shortage. The lower clerical posts which at present go begging in the City Council can be filled overnight with suitably qualified, eager and efficient Indian and other non-White men.

There is no need to call in the White matrons. There is no guarantee that there will be enough of them to fill the staff shortage in the Durban Corporation.

And even if there are enough of them, they cannot do any better than suitably qualified non-White clerks.

Durban is predominantly an Indian city and large numbers of Indians contribute to the Municipal treasury in the way of rates. It is high time the City Council realised its responsibilities to the Indian community.

One way of doing so is by employing Indians. Cannot prejudice, for once, give way to commonsense and fair play, and make for a more efficient municipal staff?

We have no prejudice against married women being employed in the Corporation, but we are against colour prejudice in the filling of vacancies in the Corporation.

EXPLANATION WANTED

Sir,—Mr. A. M. Rajab insulted the intelligence of the audience at the Arabic Study Circle symposium by the type of contribution he made, instead of expressing his considered views on the Fatwa and its juristic validity in Islam.

Either Mr. Rajab had not prepared his speech, in which case he should have stood down, or else he must have assumed that the public is so unintelligent that it would accept from him a contribution which would do no credit to a high school debate, leave alone a symposium on a weighty subject troubling Muslim minds in South Africa.

Will Mr. Rajab explain what was his function at the symposium?

FOUNDATION STONE LAID OF R.K. KHAN HOSPITAL

"Leader" Reporter

PLANS for another Indian hospital to be built in the Natal Midlands were "on the drawing boards" at tht moment, Mr. E. C. Wilks, MEC, said in Chatsworth on Monday when he laid the foundation stone of the R400,000 R. K. Khan Provincial Hospital.

However, he did not disclose the cost of the Midlands project which he said would benefit Indians living in the Pietermaritzburg and Midlands areas.

Mr. Wilks said that the Chatsworth hospital was originally planned to be a 500-bed institution but the Provincial Administration had subsequently increased the figure to 750 beds which included accommodation for general, private and semi-private patients.

The R. K. Khan Hospital and Dispensary Trust had promised a donation of R40,000 towards the erection of a hospital for Indians regardless of caste or creed, provided the Administration gave a similar amount for the project.

It was first felt that a hospital for Indians on the lines of the Eshowe Hospital should be built in Durban but the Administration had second thoughts of going ahead with the plans as a result of the City Council's proposals to house about 160,000 Indians in Chatsworth. Therefore the province had to embark on new plans which would ultimately provide 750 beds.

The 45-acre hospital site would also house a R900,000 nurses' training college and a nurses' home. The college would be three storeys high and complete with a library and cinema and other facilities. The eight-storey nurses' home would provide single-room accommodation for 360 nurses and 18 midwives.

Mr. Wilks said that the shortage of trained Indian nurses to staff the hospital would continue for some time. He added that the hospital would ultimately require nearly 700 nurses — 94 trained nurses, 250 student nurses, 50 student midwives and 300 untrained nurses.

"With the high standard of education required to qualify as trained nurses it is doubtful whether, of the 4,907 Indian girls now in standards VI and X, there will be a sufficient number of girls with adequate educational qualifications available to provide the nursing requirements of their people for some years to come," Mr. Wilks said.

The Province was holding lectures and disseminating propaganda on the value of nursing as a profession at Indian girls' high schools in Natal through its nursing inspectorate. The Administration was also training non-White radiographers, physiotherapists, medical technologists, sister-tutors, and providing apprenticeship posts for pharmacists.

Mr. Wilks paid a tribute to the late Mr. R. K. Khan, founder and benefactor of the R. K. Khan Hospital and Dispensary Trust and said that Mr. Khan's bequests had brought comfort and help for many thousands over the last 30 years and would continue to do so for "many decades to come."

LUANSHYA OFFERS LAND, FACTORY, HOUSING ON LEASE

Eisteddfod will be biggest yet

"Leader" Reporter

THIS year's annual Eisteddfod of the Natal Tamil Vedic Society is expected to be the biggest and most comprehensive following the creation of units in most centres of Natal and the Transvaal.

The amicable settlement of the division in Pretoria which has lasted for several years and a general agreement among other centres in Transvaal to pool resources for a Transvaal Eisteddfod on similar lines as in Natal appears to have encouraged several other areas in Natal to seek affiliation to the Vedic Society.

The latest is the Clairwood centre which will incorporate the Clairwood, Merebank, Chatsworth, Isipingo and Lower South Coast areas. A meeting is being held this Sunday, June 26 at 3 p.m. at the Clairwood Tamil Institute in Sir Kurma Reddi Road for the purpose of forming the centre.

Members of the Natal Tamil Vedic Society will attend and address the meeting and all musicians, singers, stage artists and Tamil school teachers as well as representatives of Tamil organisations have been invited to attend.

22 schools in Natal athletics

THE Natal High Schools' Sports Association has a bumper programme for its annual inter-schools athletics to be held at Kings Park this Saturday commencing at 9 a.m. Including the heats, there are more than 150 items on the programme.

Twenty-two schools from many parts of the province will be taking part but the notable absentees will be those from Northern Natal and the South Coast. Apart from nearly all of those in and around Durban taking part, Stanger, Tongaat, Isipingo, Isnembe, Midlands and Verulam will also be sending teams. Midlands is made up of Greytown, Woodlands and Raisethorpe.

Because of the large number of items, only one competitor from each school will be able to enter

Tape recording of Moulana Tayyeb's views on FATWA

FOLLOWING the disclosures in "The Leader" last week of Moulana Muhammad Tayyeb's views on the Fatwa, I have learnt from reliable sources that some South African Hajees returning from Mecca after the pilgrimage this year have brought back a tape recording of an interview with the principal of Deoband.

In this interview, Moulana Tayyeb is alleged to have expressed surprise at the publication of the fatwa and has expressed his personal views that he does not necessarily agree with the finding of the Muftees.

Moulana Thanvi, the well-known Muslim priest of Pakistan, who recently visited South Africa, is also reported to have condemned the Deoband fatwa and has stated to those who questioned him on this subject that the Fatwa was the work of "two immature" Muftees and that he would be suprised if Moulana Tayyeb, the principal, would support such a finding.

Durban's Orient Islamic Indian Primary School had a success-usually large number of parents atended to cheer on the child-and Fatima Mahomedy who were dressed up as mascots for Eagle House which was placed House came first with 155 points. Mrs. D. Mall presented the prizes.

'MERE SANAM' IS A LAVISH, COLOURFUL SPECTACLE

THE vogue set by colour in Hindi films is to be seen in its full form in "Mere Sanam" in Eastman colour. The makers of the picture have spared little in this lavish production with up-to-date sets, gorgeous scenery, posh limousines, rich costumes, rhythmic music, spectacular fights and alluring dances.

"Mere Sanam" is a story of young lovers who meet in the picturesque valley of Kashmir. In spite of their varied temperaments, they are irresistibly drawn to each other and it seems that nothing in the world will break their love.

Young and handsome Kumar is visiting the hills to instal a paper factory and Neena is on holiday with class-mates. They meet in Kumar's bungalow which Kumar's unscrupulous manager, Shyam, had turned into a hotel.

At this time Kumar's uncle, Mehra, a fabulously rich man but lonely inspite of his huge wealth, visits Kashmir. He had lost tract of his beloved wife and child during the bloodshed of the partition.

Somehow, the manager, Shyam, comes to know that Neena is the lost daughter. With a coveteous eye on Mehra's vast properties, he manoeuvres to win over Mehra's wife, Savitri, and effect and alliance between Neena and himself.

In order to remove Kumar from his path, he implicates him in the murder of Kamo, whom he had earlier used to create a rift between the lovers.

Shyam's evil machinations set the stage for an absorbing film which should appeal to all members of the family.

There are plenty of songs, the lyrics of which lay emphasis on romance as an important function of life. The dances are of filmic variety and are a great spectacle.

For the visuals, every effort has been made to make the picture lavish and slick. The sets and decor as well as the colour arrangements are comparable to foreign productions. The Kashmir outdoors have been superbly exploited through compositions which show good locale hunting.

FACELIFT FOR TONGAAT BIO

"Leader" Reporter

THE Ajanta Cinema in Tongaat will undergo a complete face-lift next month. Over R15,000 is to be spent on renovations, air-conditioning, new seats and a gallery.

Erected some 10 years ago, the cinema, which was built and maintained by the owners, the M. P. Maistry family, changed hands a few years ago and then reverted to the original owners a few weeks ago.

A spokesman for the family told "The Leader" this week that the cinema would now be officially closed to the public with the last performance on July 2 this year. Extensive renovations are to be made and the cinema is likely to reopen a month later.

The installation of air-conditioning and new seats and the provision of a gallery is expected to make this cinema comparable to the best on the North Coast.

ACTOR DONALD BARRY, a seasoned veteran of Hollywood's sound stages, stars as a cavalry officer in "Fort Courageous," 20th Century-Fox action-drama which shows at the Avalon doubled with "Raiders From Beneath the Sea."

Barry's first ambition in life was to be a writer, his parents wanted him to be a plumber, and somehow, he wound up as an actor. He came to Hollywood in the mid-1930's, and his first break came when director George Sherman cast him with John Wayne in "Wyoming Outlaw."

RAJ

ALLIED ARTISTS "The Secret Door," a drama of wartime espionage, is doubled with "The Masked Brigade." Stars of the film are Robert Hutton, Sandra Dorne, Peter Illing, George Pastell and Shirley Lawrence.

AJANTA

ALFRED HITCHCOCK'S outstanding suspense thriller, "Marnie" starring Tippi Hedren and Sean Connery alias James Bond alias 007 is now showing at the Ajanta.

A Universal release adapted for the screen from the best selling novel by Winston Graham, "Marnie" is a suspenseful love story that revolves around a girl who is a compulsive thief who is recognised but allowed to continue stealing by a man who employs her and then falls in love with her, hoping that she will eventually change.

VIJAY

THE story of a dog's alliance with a "friendly enemy", a bear and his devotion to a rugged man of the woods is told in Walt Disney's exciting adventure drama, "Nikki, Wild Dog of the North" which opens at the Vijay in Asherville.

Trapper Andre Dupas takes his adopted bear cub and pup on a canoe trip through the Canadian Rockies and the boat capsizes, as a result of the two animals fighting. Dupas loses sight of the animals.

The dog's fight for survival and how he is reunited with his master provides for a stirring climax.

EXCITING PACE

"HARBOUR LIGHTS", an adventure drama starring Kent Taylor, Miriam Colon and Jeff Morrow opens at the Vijay.

The story gets off to an exciting pace when a man is found dead in a parked car. His older brother, Dan Crown, a professional gambler arrives in town to find the police waiting for him.

RAJ MAHAL

SUBODH MUKERJI'S sensational colour extravaganza, "April Fool," which ran continuously for several weeks in Durban opens at the Raj Mahal on the North Coast next week. Chosen as one of the six best films in India in 1965, the picture stars Saira Banu and Biswajeet with Jayant, Nazima, Sohchana, Chand Usmani, I. S. Johar and Shivraj in support.

Plenty of fun and laughter combine to make this comedy one of the best Indian films seen hereabouts in a long time.

EBENEZER NAIOMI.—In treasured memory of our adorable and darling mother who was called to rest on 22nd June, 1965

We sit and think of you every day,
Many days we have longed for you
And many times we have cried
No one knows our sorrow, there few who see us weep
For we shed our tears with a broken heart,
While others are asleep.
It broke our heart to lose you,
But you did not go alone;
Part of us went with you.
We are so lonely without you.
We miss you more each day
Our life has never been the same.

Time will never heal our grief
Our love for you was too deep

—Sadly missed by your broken hearted children.

Moonlighters have royal on the hook

By Ebraham Osman

VETERAN Parbhoo Roopnarain gave another telling reply to those of us who were ready to write him off from the Natal tennis scene years ago. He beat "Ginger" Mahomedy in the singles, partnered Mandan to a doubles victory over Mahomedy and Omar, and is leading Omar in the singles, to put Moonlighters in a commanding position over Royal.

Moonlighters are leading 3-2 and are firmly in the driving seat in this vital Rajpaul Cup match.

Sastri overwhelmed Sydenham 5-0 and Avoca beat Sunrise 5-0, but were made to fight.

In the "B" Division, Sastri beat Sunrise 5-2. Brighton, potential league champions, were at full stretch in beating St Anthony 5-4.

In this weekend's matches, the last before the championships, Royal are at home to Sunrise, Sydenham meet Avoca at Sidenham and Sastri play Moonlighters at Sastri, in the "A" Division Rajpaul Cup competition.

The Sastri-Moonlighters match is likely to be a "needle" affair. With Roopnarain playing as well as ever, Moonlighters must start favourites though they were beaten in the league by Sastri. Naran and Haffejee will have to capture at least two singles between them from Roopnarain and Mandan, if Moonlighters are to be stopped.

Except for incomplete and postponed matches, the B Division league is over. This weekend will see Brighton 1 meet Tech—their last stiff hurdle. Brighton should win but not without effort. Other matches are:

United 2 v. Sastri 1; Sunrise v. St. Anthony; Woodridge 1 v. Umzinto 2; United v. Brighton 2.

S.A. TENNIS STARS TO BE SPONSORED

MORE good news was received during the week for the Coca Cola tennis championships which begin at the Coloured Sports Grounds on July 2.

The sponsors have agreed to provide about R250 for the leading players from outside Natal to take part in the championships. The Southern Natal Lawn Tennis Union has selected the following players for sponsorship: From the Cape—David Samaai, Frank Samaai, Conrad Johnson (Natal champion), Rene Bailey, Sybil Smith and Trevor Lawrence.

From the Transvaal: Herman Abrahams (S.A. men's singles champion), Jesmet Dhiraj and Jane Muso (S.A. women's singles champion).

The Cape players will be sponsored to the extent of R30 each and the Transvaalers R25 each. Confirmation is expected from these players in the next few days. Nearly all of them are expected to come and make the 1966 Coca Cola championships the greatest tennis event ever held in Natal. Closing date for entries is Tuesday, June 28.

Honours to Lower Tugela after drawn game

By "Leader" Sports Staff

A CROWD of about 2,000 saw the Tongaat Football Association draw the Northern Zone final against Lower Tugela, at the Watson Park Stadium on Sunday. Tongaat needed a victory to be sure of the honours but have now lost the zonal championships.

It was an evenly balanced game with both sides putting up good performances. Tongaat's junior side, however, thrashed Lower Tugela 5-1. But since the Tongaat juniors had lost one game, the Northern zone title went to Verulam—who maintained an unbeaten record in the three match series.

The Tongaat senior side drew with Verulam and beat North Coast in the earlier matches and the drawn game against Lower Tugela make them an unbeaten side.

Sharky Perumal was the first to score for Tongaat but S. Duke got the equaliser. Just before interval Perumal scored again for Tongaat.

A lucky goal by Bala Aiyar late in the second half gave Lower Tugela the valuable one point from the game and the leadership of the zone.

The Southern Natal Soccer Board are expected to play the finals of the inter-district competition after the inter-provincial series. The various champions are:

Durban Central: Seniors — Durban (beat Asherville 4-0 and Mayville 6-0). Juniors—Durban (beat Asherville 3-1 and Mayville 3-0).

Northern Coast: Seniors — Lower Tugela (beat North Coast 6-1 and Verulam 3-2; drew with Tongaat 2-2). Juniors: Verulam (beat North Coast 1-0, Tongaat 4-3 and Lower Tugela 6-2).

Southern Coast: Seniors—Merewent (beat Mid-South Coast 3-1; Durban South 2-0 and Lower South Coast 4-1). Juniors — Merewent (beat Durban South 4-1 and Lower South Coast 6-0).

Western Coast: Seniors—Chatsworth (beat Country 2-1, Pinetown w.o., South Coast 2-0). Juniors—Undecided. Decider between Chatsworth and South Coast was abandoned at 2-2.

FIXTURES

Fixtures of the Football Association of Maritzburg for Saturday are:

Natal Cup: Seniors—Royals v. Nottingham United (ground No. 1, 2 p.m.); Technicals v. Colonials (main 3.30 p.m.); Thistles v. Natalians (main 2 p.m.). Juniors—Natalians v. Shamrocks (No. 1, 2 p.m.). Junior League—Sastri United v. Royals (No. 2, 3 p.m.). Juvenile League—Shamrocks v. Royals (No. 1 1.30 p.m.).

The following are the results of matches of the Pinetown Football Association:

Real Fighters take on Avalon at Curries

By "Leader" Sports Staff

FOR the first time this season, a Transvaal team will visit Durban to participate in an official league match. Real Fighters have been billed to play Avalon Athletic in the UTC league series. Real Fighters have not been seen in Durban for many months and their present strength is of an unknown quality. There are no matches at Pietermaritzburg.

Avalon, after their not-too-impressive display against Berea, will do everything possible to regain some of their dwindling prestige in recent months. While Avalon certainly showed they are not all washed up when they were held to a 2-2 draw by Aces United in their recent match, they do realise that they need convincing victories to get to the top again.

Real Fighters, who played in SASL matches for two or three years, is a team with plenty of fighting spirit—as their name suggests. Although they did not score any major upsets they did win respect from players and spectators for their approach to the game. If they have improved in their form they should give Avalon a run for their money.

Last weekend's match between Aces and Coastals did prove one thing: no team can afford to underestimate the strength of the weakest team and Avalon would do well to heed the lesson if they are to add two valuable points to the one—from Berea—that they already have.

The teams are expected to be selected from the following:

Avalon Athletic: Henry Leslie, [illegible] Fakam, T. [illegible], P. [illegible], [illegible] Gabeshe, [illegible], Jeff Cherry, Frank [illegible], [illegible] Wilson, S. Lall and Kenneth [illegible].

Real Fighters: S. [illegible], [illegible], W. [illegible], V. Swartz, [illegible], S. [illegible], K. [illegible], J. [illegible], S. [illegible], [illegible], J. [illegible], Simon Nage and Alfred Zondi.

NO TEAM, NO JERSEYS, NO GAME

ONLY four of the 16 players who were selected to represent Southern Natal in the forthcoming inter-provincial series heeded the instructions of their manager, Mr. Dicky Maharaj, to report for the match at Currie's Fountain on Sunday. And as there were no jerseys, the game had to be abandoned.

Senior sports administrators have criticised both the players and the Southern Natal Soccer Board on this sad state of affairs.

One official commented that it was a major setback to the Southern Natal side just before the major tournament. "If the players have taken it upon themselves not to turn up when selected, Southern Natal should take steps to remedy the position and if need be to penalise them. Players should be told that they are not indispensable," he said.

"A thorough investigation and an explanation by the Southern Natal Soccer Board is necessary, without delay," said another.

PLAYERS KNEW

Mr. M. N. Govender, president of the Southern Natal Soccer Board, said during the week, that all players knew of the game. A photograph was taken of the team only 24 hours before the match was to have been played, and they were informed at that time.

While no confirmation has been received, it is believed that some association played these players in their own domestic competitions at the time when the match was to have been played at Curries Fountain. Some units are believed to be disappointed at the selections.

SASF meeting

The Seventh bi-ennial meeting of the South African Soccer Federation will be held at a Sydenham Hotel on Friday, July 8, commencing at 6.30 p.m.

An important item will be the question of headquarters and the election of officials. Early reports indicate that headquarters may remain in Natal.

The South African Soccer League will introduce a motion seeking reduction in its affiliation fee from R200 to R100.

FOSA DARTS

The Isipingo Care Committee of FOSA is holding a darts tournament at the Railway Hotel, Isipingo, this Saturday commencing at 7.30 p.m.

The tournament is open to all registered players of the Natal Darts Union and the entrance fee is 50c for a team of two players. The winners will get the R. K. Govender floating trophy and the runners-up will receive the V. M. Raidoo cup. The net proceeds from this competition will go towards the relief funds of FOSA.

'Tar Baby' aims to make it stick

"Leader" Reporter

JOE NGIDI, the South African welterweight and middleweight champion climbs into the ring at Curries Fountain this Saturday afternoon with just one thought in mind . . . repeating his victory in the return bout against the former world lightweight champion, Joe "Old Bones" Brown. Win, he will have to, if he hopes to achieve recognition as one of the contenders for the world welterweight crown, formerly held by Emile Griffith, now reigning world middleweight champion.

Ngidi, the first South African to beat Brown, did a convincing job in Johannesburg last year but since then the ex-world champion has notched up an exciting six-fight victory on South African soil against all-comers and he plans to be the man fighting out the elimination for the world crown.

Ngidi, undefeated boss of the welter and middleweight divisions is the only South African boxer with two titles intact and enjoying undisputed overall invincibility and there are lots of knowledgeable men in the game, both White and Black, who maintain the "Black Tarbaby" could get that elusive world welter title to South Africa and thus become the first non-White and the second South African to clinch a world crown. Vic Toweel was the first with the bantam crown.

FIRST TIME

This is the first time in the annals of Durban boxing that a world champion will be featured and there is every likelihood of a record being established for attendance.

The promoters, Future Promotions of Johannesburg, expect something like 7-10,000 people at Saturday's tourney and the assistance of the police is being enlisted for crowd control.

Since Emile Griffith lifted the world middleweight crown from Dick Tiger of Nigeria two months ago, the World Boxing Association stripped the new champion of his other world title.

TWO CANDIDATES

In the meanwhile there is a clamour among prospective candidates and there are two [illegible] South Africa: Joe Ngidi and Willie Ludick, the reigning White South African welterweight champion.

There is a possibility that if Ngidi wins, he will be matched with Ludick in Rhodesia. It is probable, however, that Ngidi may go overseas and by-pass Ludick.

There are some interesting supporting bouts on the same bill.

FAST GAME

Our correspondent reports that the trial match was a fast one with Midlands fielding a better defence and a superior forward line.

Soon after the kick-off in the second half Jerry Dlamini scored Midland's third and final goal.

Gift goal saves Aces

A GIFT goal in the last three minutes of their game against Zulu Royals-Coastals, saved Aces United face in the UTC league tussle at Curries Fountain on Sunday. On the run of the game, Coastals deserved to win as they outplayed the champions for most of the game. Aces United scraped home to a 2-1 victory—the same result at their previous meeting.

Play was, for most of the time, concentrated near the United's goal. In the 15th minute, Walter "Walla" Homiel took a shot at goal but the ball bounced off the Coastal's goalkeeper. Abdool Ismail was quick to take advantage of the situation and he lost no time in beating the 'keeper—who had hardly got up after his attempt to stop Homiel's shot.

Coastal made all the best moves but their finishing was weak—preventing them from getting the goals. Half-time was taken with Aces United feverishly holding on to the slender 1-0 lead.

Then in the 20th minutes of the second half, B. Manzini slammed in the equaliser for Coastals.

This goal added even more interest to the match and both sides maintained the pace. On many occasions, it seemed as if the all-African side would score a good goal to put them in the lead. But this was not to be and in the end they were sadly let down by a goalkeeper who tried to make an impression on the handful of spectators.

Abdool Ismail, put Aces ahead when he shot from far out. It was a fairly easy shot for the keeper to stop. Unnecessarily he jumped at it, the ball rolled away from him and his attempt to retrieve it again proved disastrous—he pushed it into his net to give Aces United a 2-1 victory.
