No venue to hold athletic and cycling meetings

By THE SPORTS EDITOR

THE Avondale Athletic, Cycling, Motor-Cycle and Car Club discussed, at its 55th annual meeting held in Durban on Saturday, the pressing need for a venue to hold future meetings. With the re-orientation of Currie's Fountain, athletics and, at club level, bicycle road-ish, and this problem came in for a great deal of discussion.

Where is the bat?

R. G. Moodley

WHERE is the Sweet Bat, Brothers Bat? That question occurred the minds of the Natal Indian Cricket Council when it met in Pietermaritzburg on Sunday.

The question emanated from a letter from the Durban Sun Indian Cricket Union who said that G. Rambaran, a member of their Union, had left on the award but he had not received the bat.

According to the records, the Sweet Bat was a floating trophy and was awarded annually to the Indian who hit the highest score in the inter-zonal series. The Sweet Bat is held by Durban and was won by Rambaran.

Cato Manor should be an Indian area — Roy Fenhalls

THE recommendation of the City Council's Indian Advisory Committee that the Council should reassess its group areas proposals, in consultation with leading Indian opinion, was welcomed by a group of nine prominent Durban Europeans, last week.

By doing this, they contended, the Council would give "clear and indisputable" proof of its desire to right past wrongs, to afford justice to all and to discharge its obligations to all sections of the community.

He cannot speak the Indian language — "shortcoming"

DR. MALHERBE

THE fact that he could not speak the Indian and Zulu languages was a big shortcoming, said Dr. E. G. Malherbe, Principal of Natal University in his opening address to a session of Natal College this week.

Maulana Azad — mankind is poorer

MAULANA AZAD died in New Delhi on February 22, after a stroke. The citizens of Delhi turned out to mourn his passing. The Government of India proclaimed a 7-day period of official mourning.

There was a great mass rally the next day at the Ramlila Maidan, presided over by Dr. Rajendra Prasad, the president of India. Many national leaders addressed the gathering. Among the speakers were Mr. Nehru, Dr. Zakir Hussain, Dr. Radhakrishnan, Mr. U. N. Dhebar (the President of the Indian National Congress) and Bakshi Gulam Mohamad (the Premier of Kashmir). Speakers paid glowing tribute to the Maulana.

TOMORROW MAILS FLIGHT

Back from India — disillusioned

A FAMILY of nine South African-born Indians, who left Durban for India in March last year under the Union Government's repatriation scheme, came back sadly disillusioned with nothing but a grim story to tell.

A EUROPEAN STAND TO REMEMBER

BY A SPECIAL REPRESENTATIVE

HISTORY may yet refer to this week as "the revolt of the European intelligentsia" against the Government's intention to remove the Durban Medical School from the University of Natal.

Although it was known that practically everyone—from professors to part-time lecturers—were solidly against the State's proposal, it was left to Professor I. Gordon, Dean of the Faculty of Medicine, to drop a further bombshell—the right to retain the Medical School.

HOMES DEMOLISHED BEFORE THEIR EYES

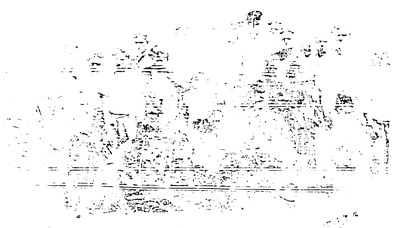

By a "Leader" Reporter

TWELVE Indian families living at Lansdowne Road, Jacobs, had a nightmare experience last week when they went without shelter for several days, after their wood and iron houses were torn down and demolished by a motor assembling firm.

Children, ranging from the ages of one year to six years had to undergo the ordeal with their parents, of having to look for shelter in the late hours of the night.

KISMET TENNIS CLUB'S GREAT YEAR

By "The Leader" Sports Reporter

THE Kismet Tennis Club, of Durban, broke records last season in capturing the Alfred David Shield, the Meneck Memorial Shield and the Prihlpaul Shield. Should Kismet keep up this form and the same balanced side they showed in winning these shields, coupled with the enthusiasm and determination of its members and the captain, Mr. Kadwa, they have a fair chance of wiping the board this year.

"IT is quite true, economically, that the parents of most of our youth cannot stand the demands that the Junior Certificate level is likely to require of them. But the Maritzburg Indian Technical Institute runs classes for just this type of youth and for those who have to give up studies in full-time day schools for other reasons beyond their control," stated the report of the Institute Council presented to the annual meeting last week.

Candid Commentary . . . by Politicus

Facts about the Election

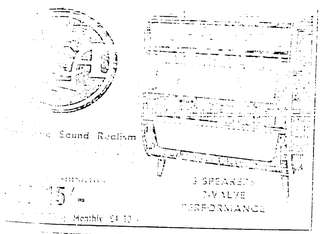

WHEVER Party wins, we are going to be ruled by a Parliament of farmers and businessmen, with a sprinkling of lawyers and doctors. That much is clear from the nominations. Farmers have a big lead over all others. In this respectare, the new Parliament will not be any different from its predecessors.

Another significant thing is that by far the great majority of candidates are Nationalists. This, too, is very much the same as in the past. The eclipse of the English-speaking in the political field is complete.

Writing Competition — poor response

HELLO BOYS AND GIRLS,

IN spite of entries we received in our nation-wide writing competition but the poor response from schools was very discouraging. Only one school took part in the competition, the rest were individual entries. However, most of the entries were of a very high standard, and it did Chachajan's heart good to see such pain-taking penmanship. Owing to the large number of entries received, I cannot possibly publish the five results this week. It will take a few days to get them all sorted out.

The results will be published in this column next week.

Radical changes in Indian soccer

BY "SPECTATOR"

With reading with new Re-Orientation Commission's recommendations, Natal Indian soccer and its administration has undergone a radical change which will be put into operation in the forthcoming season which is due to open in the next few weeks.

Sportsmen's Gallery

MR. E. H. ISMAIL, who is popularly known as "Mr. Indian Sport" in the non-European sporting fraternity in the country has earned this coveted name for his untiring service in donating trophies for the various sporting organisations.

Practically every branch of sport in the country bears the name of "Mr. E. H. Ismail" on one of his numerous gifts of floating trophies.

He has not only donated trophies for sporting organisations but also to numerous educational, cultural and welfare bodies. He has presented 20 medals and 12 cups to sporting bodies; six trophies to social and cultural bodies; 12 floating trophies to educational institutions; and numbers of medals and plaques to various bodies. The value of these trophies, shields and medals runs many hundreds of pounds. Not content with this, which prompted Mr. Ismail to donate a trophy, he never had any, for an archer.

Mr. Ismail is a thoroughly all round sportsman. He played cricket and hockey in the early twenties in India, learning under Dad Jogiwala, a Parsi businessman in Bombay, captained the Young Men's Club which produced, and continued the Sweet Club which produced, for 15 consecutive years.

He was the Secretary-manager of the Durban Indian Sports Club for many years.

He has also been a member of the Natal Indian Congress since its inception in 1945. He was president of the Natal Indian Congress for a record period of 7 years for which he was awarded a life membership of the provincial body. He was also president of the South African Indian Congress, Natal Province, for the year 1948.

Mr. Ismail is also serving, for the second time, as Mayor of Verulam. He has been instrumental in getting the Verulam Town Board to play the South African Indian Council Sports Grounds on lease. He also holds numerous positions on various local, social, cultural, commercial and welfare organisations.

Centralisation has proved failure

BY THE SPORTS EDITOR

THE Durban Central Indian Schools' Sports Association has come to the end of the road. It has failed in its attempt to centralise all Indian sport in the city and has failed miserably.

S.A.'s repugnant apartheid doctrine — Campaign in Britain — more than 1,000 letters received

EMPIRE GAMES PROTESTS

"The Leader" Correspondent

PORT ELIZABETH.—There is a strong body of opinion against the representation of South Africa by a non-European All-White team at the Empire Games, according to a letter received in Port Elizabeth this week by Mr. Dennis Brutus, the international correspondent of the South African Amateur Weight-Lifting and Body-Building Federation. The Games are to be staged at Cardiff in July this year.

More than a thousand people have sent letters to the British Empire and Commonwealth Games Federation in London, protesting in the strongest terms against the repugnant doctrine of apartheid as practised in South Africa by excluding the South African Amateur Weightlifting Federation from the British Empire Games.

Rock 'n roll a threat to Indian music

THE rock 'n roll song and dance numbers are a headache to everyone, including our song writers. They have to compose meaningless, irritatingly and obviously stupid words to suit the "Latin rhythm". Madan Mohan, one of India's leading music directors, declares in an article on the influence of the western music on the Indian music.

Momentous Natal Indian Soccer meeting

BY THE SPORTS EDITOR

THE Natal Indian Football Association met at Pietermaritzburg last Sunday for the last time under the old setup. This meeting was the one that ushered an important change in the administration of the Province's Indian soccer.

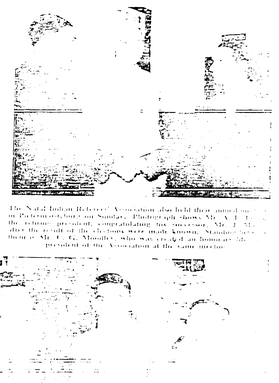

At an historic meeting of the Natal Indian Football Association held in Pietermaritzburg on Sunday, the Province was partitioned into Southern and Northern zones. Photograph shows the Southern Natal committee. Left to right: Messrs. R. N. Govender (hon. treasurer), N. P. Reddy (hon. secretary), K. M. Pillay (vice-president), S. K.
