JAP P.M. TO VISIT INDIA

THE MONTH OF RAMADAN

By SUBHBUDH PANDAY

BEHOLD the Skies, for wonder shines
The Crescent Moon to herald the Month of Glory
For Allah bids the Fast and Pray,
Cleanse thyself and wash the sins away.

The Fasting makes thee feel the pangs of hunger;
Know the sufferings of the starving unknown
For Allah bids thee share one's meal,
Give Zakaat and show belief.

The Fasting helps cleanse the body;
Remove the waste, prevent disease
For Allah bids thee keep good health;
Follow the path to material wealth.

The Light of Allah Shone, so brightly
Upon the Prophet in this Month of Glory
For Allah bade Him give the Message
In the Holy Quran — on every page.

So the Holy Month of Ramadan
Recite the verses of the Quran —
For Allah bids thee see His Laws to know,
Earn reward and spiritually stronger grow.

Behold the Skies, for wonder shines
The Moon of Zikaad, to herald Eid-ul-Fitr
For Allah bids Thy — and the Fast
Excuse — spiritual guidance — the regard

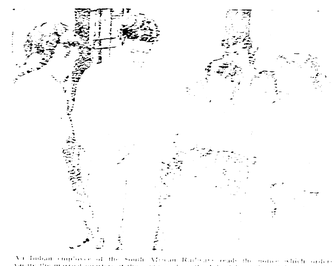
COLOUR DISCRIMINATION STRIKES EDENDALE HOSPITAL STAFF

8 NATAL DOCTORS RESIGN

By "THE LEADER" POLITICAL REPORTER

BLATANT colour discrimination, this time striking at the non-European doctors employed by the Natal Provincial Administration, resulted this week in eight Resident Medical Officers resigning from the staff of the Edendale Hospital, Maritzburg. They comprised the entire staff of non-European doctors and about one-third of the entire staff.

They are Dr. R. S. Dumaraj, Dr. C. I. Samuk, Dr. J. Mukherji, Dr. A. M. [illegible], Dr. S. H. Thakur, Dr. H. S. Seth, Dr. S. C. Sarkar and Dr. H. N. S. Chakravarty. Some had been on the staff of the hospital for a considerable time [illegible] and ended their service at midnight last Tuesday, April 30. Four are Indian, two Coloured and four African, including one woman.



S.A.R. EJECTS INDIANS

"You are therefore given notice to vacate the quarters occupied by you not later than 30th April, 1957." A bolt from the blue? Not from the recipients, devoid of this order from the South African Railways Administration when interviewed last week. The men affected are five Indian employees on the South African Railways. They occupied the married quarters at the Railways compound on the Edendale road, near Pietermaritzburg, for more than 10 years. They received the letter on Tuesday with respect of alternative accommodation.

Assembly of Moral Re-armament

ALL RACES FIND NEW DIMENSION OF UNITY

FOR four days over Easter Johannesburg was the venue of an assembly of people of all races from all over Africa — the Assembly for Moral Re-Armament. European, African, Indian and Coloured leaders from Kenya, Rhodesia, South West Africa and the four provinces of South Africa were among the 500 delegates who were present. An assessment of the Assembly's deliberations has been made for 'The Leader' by Mr. Trevor Coombe and Mr. Jan Loubser. Mr. Coombe is president of the Students' Representative Council of the University of Natal, Pietermaritzburg, and vice-president of the National Union of South African Students. Mr. Loubser is last year's president of the Afrikaanse Studentebond.

EDUCATION RIGHTS

MEMO ONLY A CONFESSION OF FAILURE

Commentary by "Politicus"

GRIM FACTS ONLY

THE so-called Indian Education Committee has sent another memo to the Provincial authorities. The memo needs careful analysis, if only because it proves the utter uselessness of these advisory committees and boards which the authorities are so fond of initiating or setting up to "advise" them on the "wants and wishes" of the people without the vote.

No doubt the Committee feels sick and frustrated. It has been exemplary in its attitude to the authorities, and has gone out of its way to establish a "cordial and consultative relationship". But, alas, this cordiality has not produced the much-needed schools!

THE Natal Society Public Library's non-European Library Fund is slowly nearing its target of £3,000. The fund, which was inaugurated in September, 1955, now stands at £2,760 and it is hoped that the balance will be raised within the next few months. The Pietermaritzburg City Council has promised generously to allocate a site for the library and the ad hoc non-European Library Committee has been extremely active in organising countless fund-raising projects, and the response from members and from the general public has been most heartening.

THE Durban City Council was still "not playing the game with the non Europeans," said Councillor I. C. Councillor Bolton said the Group Areas Act was supposed to be administered with equity and justice, but it was plain the Council was not being fair.

SECULAR LEADERS ROT IN DISHONOURED GRAVES

But The Church Remains

AGAIN and again secular leaders have tried to compel the church to fashion its life and worship according to their dictates, very much in the same way as is now being attempted in South Africa—but the Carpenter of Nazareth made coffins for them. One by one they disappeared. They lie rotting in dishonoured graves; their very names have become but a faded memory. They have vanished, but the Church remains. As in the past so we are convinced it will be today.

OPPRESSIVE PRINCIPLE REMAINS

THE South African Institute of Race Relations has studied the changes made by the amendments to Clause 29 of the Native Laws Amendment Bill. These amendments, the Institute emphasises in a statement, constitute merely a strategic withdrawal, and not an alteration in principle. Moreover, the other sections of the measure remain intact. The Institute's statement, published in May 1936, clearly foresaw the present attempt to remove the African still possesses and further restricts his right freely to dispose of his labour.

India Must Guide Young Members of Commonwealth

NEW DELHI: Mr. Aneurin Bevan, British Labour Party's spokesman on foreign affairs, said on his recent visit to India, that Nigeria, Malaya, Uganda, Tanganyika and Kenya were likely to become full members of the Commonwealth in the near future and India should remain in the Commonwealth to "guide them in the right direction". Addressing members of the Indian Parliament recently, who gave him a great ovation, Mr. Bevan said the severance of the Commonwealth link would be foolish and a "profound blunder" for both India and Britain. "Unless we co-operate together, we will die apart," was the concluding sentence of his 40-minute speech.

BUS OWNERS WILL FIGHT TO THE LAST DITCH

THE suggestion made by Councillor Roy Johnston that the Durban City Council should take over all the city's bus transport, including buses run by private operators, so that the Government's new apartheid demands "could be balanced by an economical spread of transport finances over all Durban's bus routes," has shocked Indian bus owners.

Indian bus owners, who operate some 180 vehicles with a capital investment of £1,000,000 and employ nearly 1,000 men, are naturally alarmed at the Government's new discriminatory move and are determined to fight the City Council if it makes any attempt to take over the existing Indian road transport services radiating from Durban and which cater for nearly 250,000 non-European workers.

RAND FORETASTE OF "FAIRPLAY" IN AFRICA

The Johannesburg City Council recently suspended its ordinary business to discuss a matter of urgent public importance. The Council then resolved to ask the Minister of the Interior to postpone the implementation of the Group Areas Act in Johannesburg, at least until "satisfactory alternative accommodation and trading sites HAVE BEEN MADE AVAILABLE to displaced persons." The Group Areas Act is designed to carve the country up into residential and commercial areas, racially divided to suit White convenience, comfort and pockets.

ELECTED PRESIDENT OF STUDENTS' JOINT BOARD

At a meeting of the Joint Board of the Durban, Pietermaritzburg (European) and the non-European Students' Representative Councils, a non-European student, Mr. M. J. Naidoo, was elected president. Mr. Naidoo, who is president of the Non-European Representative Council, was elected unopposed president of the Joint Board. Mr. S. P. S. Alexander, the retiring chairman, said he was immensely pleased at Mr. Naidoo's election as it showed that the students of the University of Natal were now able to think away from the colour question. He also emphasised that the the first time the Durban European Students' Representative Council attended the meeting of the Joint Board in complete agreement with the other Students' Representative Councils on the question of academic non-segregation.

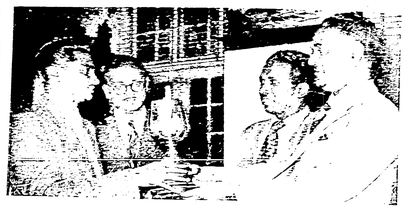
MARITZBURG SOCCER

By C. G. MOODLEY

THE main soccer field at the Fitzsimmons Road Indian sports stadium seems to be laid out for cricket-like. In a Senior A League game last Saturday, the Dalbodil's centre-forward, Chinbos Naidoo, netted three goals without right against Young Ultimate, and A. Soobramoney's hat-trick gave his side Colonials a 5-2 win over Stella. In the Senior B Division, Eagle continued in winning vein with a 20 win over Hillview. Royals, however, were gallant in their 5-3 defeat at the hands of Pirates.



The County Indian Cricket Union held its 20th winding-up in Durban last week. Mr. I. Samuels, patron of the Union, is seen presenting the P. N. Reddy Trophy to Mr. E. Hariparsad, captain of Pietown Cricket Club. Looking on at the back are Messrs. R. G. Naidoo (left), secretary-treasurer, and S. K. Chetty.

INTERPRETATION OF DOCUMENTS BY CROWN

JOHANNESSURG: There was expectancy in the Drill Hall, Johannesburg, when the bespectacled Doctor Andrew Murray, Professor of Philosophy at the University of Cape, entered the witness box to give expert evidence on Communism. Just after the Court orderly had called out "Rise in Court" and as the clock struck the hour of 9.30 a.m., the Magistrate, Mr. F. C. A. Wessel, took his place on the raised, improvised judicial bench.
