INDIAN SOCCER PLAYERS ARE FAR LESS FIT THAN AFRICANS

THE Durban Indian Football Association wound up its season on Thursday, November 21, with a social. Messrs. S. L. Singh (H.L.V.F.), K. M. Pillay (H.L.V.F.), A. Harry Naidoo (chairman S.A.I.F.A.), Kitty Samuels (treasurer, S.A.I.F.A.) were among those present.

Mr. R. S. Naidoo, president of the Durban Indian Football Association, and (seated) the players and officials at the winding-up banquet of the Association season at Bhagat's Restaurant last week. L. to R. (back) Messrs. G. V. Naidoo, R. S. Govender, R. K. Naidoo, K. Samuels, Harry Naidoo and M. Pillay.

Optimism high in football circles

Mr. Naidoo stated with emphasis that the Indian player of today was far behind his African counterpart as far as physical fitness is concerned. Unless he remedied this position every soccer honour fell into the lap of the Africans like an overripe apple.

He said that their devotion and zeal was worthy of record and he cherished the hope that they would continue to serve the Association.

SHOULD WE BOYCOTT THE AUSTRALIAN CRICKET TOUR OF S.A.?

THE Natal Indian Congress conference has passed a resolution suggesting that the time has arrived for an international boycott of White South African sport and culture.

Conference has not taken a final decision. It has put out its resolution in the form of a "feeler" and has requested the S.A.I.C. to go fully into this matter together with allied democratic organisations.

Is Congress prepared to practise what it preaches?

OF the 12 runners for the £11,200 Johannesburg Summer Handicap, to be run at Turffontein next Saturday, the one candidate who possesses a combination of the necessary qualities of soundness, impossible handicap for the task on hand, and a consistently satisfactory record in the form book is H. , rising three year old Tiger Fish.

The state of the ground is almost bound to have an effect on the result. If the rain persists, the horses with will be at a decided advantage, and I narrow the scene down to Carnock, Windhammer, Magic Link, Tiger Fish, Victors Son, Prince Dimalo, Marquesaby and Cassiali.

INEPT BATTING IN NATAL TRIALS

By "LINESMAN"

THE joint meeting of the Durban Ind an Football Association and the Durban Indian Sunday League, held last Thursday at Currie's Fountain, was very well attended. This was a heartening sign, and if the discussions could be used as a yardstick, then it is reasonably safe to assume that the future of Durban soccer is assured.

Mr. R. S. Govender, the secretary, stated in his annual report that on September 1st the D.I.F.A. and the Durban Indian Sunday League pooled their resources. This momentous decision to integrate was a courageous step ahead. He added, "It is needless for me to reiterate that our source has reached the lowest ebb in the annals of its history.

WHAT IS THE PURPOSE OF THESE BOOK BANS EXCEPT 'THOUGHT CONTROL'?

FIVE days after the latest list of objectionable literature was published in the "Government Gazette" I happened to step into a leading local bookshop. There was prominently displayed a book which was in the list. I was surprised. But then, these bannings, come with such regularity, so fast and so copiously, that even booksellers must find it difficult to catch up with the lists which the Government Printer turns out.

REAL INDIA SHOWN TO AMERICA

JUNIOR LEADER

HELLO BOYS AND GIRLS.

So Christmas is gone and the New Year is about to get into its stride. Needless to say it was a wonderful year for me in many ways. Writing this column was fun — 52 weeks of pleasant writing with my mail has hardly ever arrived at a hollow sounds! The thousands of Junior Leader members scattered all over South Africa, Central African Federation, East Africa and some overseas countries have always written to old Chesharkin even if they were on holiday.

Next year, there will be a number of new features for you. This is your page, and I also expect you to write and tell me what you would like. In the meantime, while it's cold year is still around, make the best of it before you make your New Year resolutions.
