RONNIE GOVENDER SAYS:

Quit Flogging the Aces Hobby-Horse!

WITH Southern Natal's triumphant showing against the top Transvaal and Coloured teams we have become even more wing conscious after talking to soccer fans, officials and players. We have come a long way, no doubt, from the gloomy days of the rugby wars when soccer could not be mentioned in Indian homes, but it isn't in the interests of soccer to think that we have reached the top rung and should let it go at that.

ACES MEET SWALLOWS ON MAY 15

THE experts-anticipated "Aces-Swallows" soccer clash on May 15 has taken place on May 15 this year, according to officials of the Transvaal Football Association. Ivan Grice, President, Mr. Hans travelled down to Durban over the week-end for the match.

Mr. Twala said that Swallows are one of the best teams in the country. "I can assure you our centre forward, Farkey, who has been signed on for the Transvaal side, will be a delight to watch. He will prove a dangerous threat to the rival keeper, Dan Naidoo."

And one of the Swallows players signed for the Transvaal Aces against the Southern Natal Indians, Mr. Twala said, especially invited us to watch the opposing centre-forward. Such were the highest praises we could hear so that they can be sure of a fine game for their coming match.

Southern Rhodesia releases more Political Detainees

THE Southern Rhodesian Government has decided to release 34 Africans who have been in jail or in restriction areas as political prisoners since February last year when a state of emergency was declared. An Official announcement said that six of these Africans will be released from Marandellas jail, where they have been in detention, and 28 from the Gokwe restriction area.

After these releases and that of Leslie Gwavi at Enterprise Building Mr P. Nkomo, Official Head of the Banned African Nationalist Congress, there will be only 74 African political prisoners in Southern Rhodesia and 46 in restriction areas. The announcement said that the cases of those still in detention or under restriction on May 29 will be automatically reviewed then by the Government.

The 34 whose releases were announced on April 27 were due to be set free the following day. The announcement says the Government is satisfied that the general security situation has improved so much that the release of those men will not "imperil the maintenance of law and order or endanger the safety of the State."

The 28 from Gokwe, says the announcement, have cooperated fully with the authorities for some months. In addition, the Government has decided that the Native Affairs Act which has for some time restricted Africans from Mtoko district, Victoria Province, to one area, where they are able to live with their families, grow crops and move around within the area, will be extended to the Gokwe area.

900 HELD

Commenting about 900 Africans who have been held in detention since the banned African Nationalist Congress leaders were arrested in Southern Rhodesia in February, The Observer says:

"It is a new commentary on the Southern Rhodesian Preventive Detention Act that it has been used on many occasions against people who have never been charged with any offence, let alone brought to trial.

"Many of those detained are political leaders, but a second, sizeable number are ordinary people who have been caught up in the net because they were suspected of sympathising with the banned African Nationalist Congress. Many of these people have been held for months in detention camps, where they have been subjected to the most degrading conditions."

HE CATCHES GOLDFISH

In Nyasaland, an African fisherman at Kota Kota, on Lake Nyasa, last year had a great catch of 22,000. He is one of a number of African fishermen who have been trained by the Nyasaland Government on how to run a fishing business.

The training course, which have been running since 1956, began with only four fishermen but now no one different types of fishing gear, a simple form of book-keeping and how to build up capital to start businesses can expand.

After these have been trained, they are loaned loans on the Government which enables them to buy a boat with all nets, and fishing gear they require.

At the end of the year, the Government will give them a second loan, and buy a second boat which they will run themselves. The Government will also help them to find markets, and if necessary find new.

So far, there are 30 trained fishermen in the Nyasaland Fishermen's Co-operative Society, which has been registered under the Co-operative Societies Act. Its membership is open to all Africans who have been trained by the Government.

The Society has its own motor launch, and has a second under construction. It has also been granted a fishing area on the lake.

Mr. Wallis D. Spencer, a Durban businessman, is the Chairman of the Society's Committee of Management. The Society's Adviser is Mr. P. Nkomo, Official Head of the Banned African Nationalist Congress.

Dr. Isaack, who is Secretary of the International Film Society, is in Durban to address members of the Society and their friends on the work of the International Film Society.

Dr. Isaack said that the International Film Society, as well as the Federation of Film Societies of South and Central Africa, are in touch with the programme-planners with a view to making available to Film Societies in the Union and Rhodesia a wide range of outstanding films selected from a number of countries.

Fosa fete was grand effort

THE Bazaar and Variety Show at Ramsaroop was evidently the centre of attraction when people from the district, Newcastle and the city flocked to support the fund-raising effort of the F.S.A. organisation. The money has been allocated to the various units and the Federation thanks all those who helped in any way to make the function a success.

Mrs. E. Ramsaroop, wife of Councillor Ramsaroop and the organiser of the Ramsaroop unit, was the recipient of a bouquet of flowers presented by Miss Sita Rajah, who is the daughter of Mrs. Rajah, the Federation's President.

Mr. Ramsaroop thanked the Federation for the honour conferred on his wife and the Ramsaroop unit. He also thanked the Publicity, Entertainments and Refreshments Committees for their efforts in making the function a success.

Mr. A. E. Robinson, who is chairman of the Publicity Committee, also thanked the Federation for the honour conferred on him and the Committee and said that it was a pleasure to work with the Federation.

Mr. Robinson said that the Publicity Committee had been responsible for the publicity of the Bazaar and Variety Show and that the Committee had received the full co-operation of the Press, Radio and Television.

INDIAN NAMES FOR DURBAN ROADS

RESOLUTION ADOPTED

The Advisory Committee adopted the following resolution:

That the Planning and Development Control Committee be informed that the Advisory Committee favours the use of names of prominent members of the Indian community of the City for road names in Indian areas of the city, and recommends that Indian Ratepayers' Associations be informed that, if they have any names of prominent Indians for this purpose in mind, they should submit them to the Planning and Development Control Committee, which will then submit the matter to the Indian Advisory Committee.

NO OBJECTION

Mr. A. E. Robinson said that he would have no objection to a street being named after Mr. Ahmed Kathrada, who was a prominent member of the community, and the various Indian ratepayers' associations are to be asked shortly to forward a list of names to the Durban City Council. A resolution to this effect was passed recently by the Indian Advisory Committee.

ALLENS is the season for festivals in Durban. Close on the heels of the Isipingo Carnival came the Mount Edgecombe tamasha. I like crowds, even if I am pushed and pummelled by them. So I was at Marba, as Mount Edgecombe is familiarly known, last Friday night to pay my annual homage to the gods but really I never could get to the temple. Screaming wayside vendors and the jostling crowd took care of that. I really don't know how many times a balloon seller suddenly nudged my generous tummy trying to protect his balloons from the moving crowd. It was an experience. I tell you. An awful but interesting experience.

Will I go again next year? You know your chachas . . .

Two men were in the office of a Durban magistrate. One was charged with being in possession of stolen property. The other was charged with theft.

TALK OF THE BAZAAR

by The Fakir

THE weather clerk was kind last Saturday afternoon when a large ... gathering saw the Administrator of Natal, the Hon. A. E. Trollip, formally open Natal's most beautiful Indian-owned building. The Indian community generally, and the Muslim group in particular, are justifiably proud of this impressive structure. Few can understand the Nebi script devised by Gregorios's Canon Lakis, which adorns the facade; but all find it of aesthetic value. For the general design, the architecture relied on simple, artistic lines rather than on intricate ornamentation. The structure is a remarkable combination of East and of West, of modernity interwoven with remote antiquity.

SHINING EXAMPLE OF SELF-HELP

THE formal opening of the Orient Islamic Educational Institute took place last Saturday. The Centre has a primary and a secondary school and a hall.

Built with Muslim money and initiative, the Centre is, of necessity, an Islamic character and feel about it. Still, this should not come in the way of the Centre making a worthy contribution in the field of education in Natal.

The schools themselves are, in theory, open to students irrespective of creed. In the nature of things they will be attended by pupils drawn mainly from the Muslim community. But this should not detract from the purpose which the Centre serves: education.

And education, as Mr Nehru told the students of Aligarh University in 1949, is meant to free the spirit of man and to suppress it in set frames.

The Centre is a shining example of self-help, a virtue in which Indians have excelled. Being denied the opportunities open to the favoured White community, Indians have had to fend for themselves in providing the much-needed schools for their children.

The Centre is also an example of the much-maligned Muslim's innate sense of practicality and willingness to help his fellow-men.

It has been built after a sacrifice almost ... and ... all on the ... of a beautiful ... it ... and be ... monument.

OPENING OF ORIENT ISLAMIC INSTITUTE

THIS WEEK IN PICTURES

With Mr. A. M. Rajah shown interest in the chain of office of the Deputy Mayor of Durban, Mr. J. Fenwick, Mr. H. Nattrass, the Principal of the M. L. Sultan Technical College, admires the garland around the neck of the Administrator of Natal, Mr. A. E. Trollip, who formally opened the Orient Islamic Educational Institute at Currie's Fountain last Saturday afternoon. Looking on are Mrs. Fenwick and Mr. A. M. Moolla, the chairman of the Institute. The structure is undoubtedly the most beautiful Indian-owned building in Natal. Based on simple artistic lines, it is a remarkable combination of East and West, of modernity interwoven with remote antiquity.

Photographed chatting over cups of tea at the opening of the Orient Islamic Educational Institute last Saturday were (left to right) Miss R. Forrenmall, Mrs. A. H. Kajee, Mrs. G. Kajee and Mrs. F. Bawa.

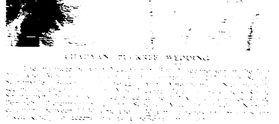

Miss Savithri Naidoo, daughter of Mr. and Mrs. Kala Achuth Naidoo, of Lockwood Road, Durban, and Mr. Jaya Naidoo, son of Mr. and Mrs. V. M. E. Naidoo, of Quarry Road, Springfield, who were married at the Temple on Tongaat Road on Sunday ... The bride wore a sari worth £75.

The young man in the photograph above is K. M. Moodley (Rajoo) eldest son of Mr. and Mrs. M. K. Moodley of Ottawa Village, formerly of Duffs Road. Rajoo will celebrate his Coming-of-Age in the company of relatives and friends at the home of his parents on Sunday, May 8, 1960, at 2 p.m.

In the photograph above are seen Miss Phoola Gokal, fifth daughter of Mr. and Mrs. G. Gokal, of Kenmore Farm, Wessels Nek, and A. Chetty-roo, fourth son of Mr. and Mrs. Chetty-roo Ooma, of Wykeham Farm, Dannhauser. The couple were engaged on April 17, 1960.

HISTORY FORGOT ABOUT JETHRO

WHEN the true story of "The Valley"—that isolated mission fort in Texas which played such an important role in the wrenching of that south-western land from the control of Mexico by the United States in 1836—is released, many will be amazed to learn that a Negro dark gun in hand, amidst those bullet-scarred, blood-stained walls.

That Negro's name was Jethro. He was the servant of Col. Jim Bowie, after whom the bowie knife was named and who is portrayed in the film by Richard Widmark. History books fail to report Jethro's participation in the famous siege of the Alamo, which was begun in February, 1836 and ended on March 6, 1836, when the Lone Mexican soldiers under Gen. Santa Anna, stormed, burned down, and garnished the bodies on all the fallen Texans.

Jethro was with Col. Bowie, the last man to be felled by the Mexican bullets. He is portrayed by Jester Harrison, actor musician-stunt leader whose work in the picture was so highly thought of by director John Wayne himself a specialist of the Western film — that he ordered Harrison be

RONNIE GOVENDER Says:—

Use Clairwood Floodlights to throw more light on ball

WITH THE WELCOME NEWS THAT WORK HAS ALREADY BEGUN ON THE ERECTING OF THE FLOODLIGHTS AT CLAIRWOOD SPORTS GROUND, COMES THE HOPE THAT SOME LIGHT WILL BE THROWN ON THE BALL. LAST WEEK I POINTED OUT THAT WITH THE EXCEPTION OF TWO CLUBS—CLUB SOCCER WAS IN A RUT AND THAT WE WERE REVING ON THE SAME OLD PLAYERS. FLOODLIT SOCCER WILL NO DOUBT BE A COLOURFUL INCENTIVE, AND MUST BE USED PROPERLY FOR THE PROGRESS OF SOCCER.

I understand that the South Coast Indian Football Association is contemplating several approaches to floodlit soccer. Popular opinion is that a new association be formed to organise soccer both in and out side the district.

There is also another suggestion that regular clubs from other districts be invited to play for a side stake of cash.

But in my mind, Floodlit soccer should come under the control of the existing body, the South Coast Association. It is unnecessary and even harmful to form an extract new body.

To swell funds and also to improve soccer, Gandarh nothing would be better than to feature a team match between Sydney (pick of all stars) from all states. No Indian wants to lose matches, the South Coast Association could hold its own Indian which would allow them to completely their own Indian number of players.

Now a subsidiary of a Settlement sports association, but it properly handled and some professionalism is introduced Indian soccer will be greatly improved. There is no reason why this should not be done.

I think the idea of a subsidiary would be a good one and it would solve the problem of all clubs not being represented. Only select players that they will be outstanding on their own. Also a rotation of players in the best representations between pick and all stars could be arranged.

At long last, something tangible is being done towards the granting of some sports facilities for Durban's Indian citizens. The immediate public has answered an appeal by the Durban Sports Ground Association.

There state that some so many appeals have come from many different Indian sports organisations, a controlling body should be formed which could act for all of them.

This is a good idea and sporting organisations should take advantage of it. There is an urgent need for an athletic track and more soccer fields in Durban city.

Sporting organisations which have been a main cause for some factions are asked to contact the Secretary of the Durban Indian Sports Ground.

Coloured soccer teams for trials

THE Pietermaritzburg Coloured soccer team to play on the Natal team at Durban this weekend consists of: L. Carstenhuis, I. Hip ..., M. Hendricks, A. Wilson, J. Lange, L. Mathews, C. Jacobs, D. ... Gordon, C. De Lange, H. Evans and A. Booysen.

Reserves: R. Hayes, R. Hepsibah, J. Thompson, M. Green, H. Peterson, ... Booysen, A. McSwan, D. Appollis, R. ... T. Goodrich, C. Cameron, C. van Kaay.

Tennis off to promising start

THE new season of the Natal Indian Lawn Tennis Association got off to a promising start last Sunday.

This is a particularly important year for Natal tennis, for the Inter-Provincial Tournament and the N.A. Open Championships open to all races will take place in Durban in July.

Several of the older players who have dominated the tennis scene for a number of years are now fading away and several young players are knocking on the door for provincial honours.

The Natal Open Championships which will take place in June and before the N.A. Open, is likely to be one of the most keenly contested for some years with young players strong for a place on the Natal side.

The selectors, no doubt, already have their eyes on the following players: R. Rabikissoon, P. Roopnarain, H. Soorah, J. Hickman, P. P. Munden, M. Roopnarain.

The first Sunday matches all have players come through unbeaten. Though M. Roopnarain was given a hard time by Omar, a new-comer to tennis, before winning the set.

Results: "A" Division: Gandhi's Club Central 5-0; Avoca Beach beat Refinery 5-0; Regent Stopped Play.

This year, Indian tennis has a major step forward in its membership to the N.A.

As a recent mention of the consideration by Mr. M. N. Pather and accepted, and nominated Natal Indian Lawn Tennis is now open to all.

Gus is the track centre forward, Carlton Moles, of the Mooiki Swallows, who are billed to play Durban's Ayes at Curries Fountain on May 18. Moles has been signed on by the English professional side Leeds. He leaves in a few months' time.

TALK OF THE BAZAAR

by The Fakir

A unusual complaint was made to your scribe the other day and I was sympathetic with the complainant. I myself became it was a policeman who had the grouse against certain members of the public and particularly an Indian motorist. It appears that the driver of a car, detained by the funeral of his son left to the particular compliance of the State. It was a tragic and a heartrending affair, and on Sunday paper talked of "the cop with a heart." It went on to describe how the officer had openly wept in the face of the detainee's grief. The Indian paper, however, in its report, implies that the officer had been callous and unfeeling.

The truth was unascertainable [illegible] both. "Within the confines of my [illegible] I would be loathe to [illegible] I did mention that [illegible] I made to stop on the [illegible] more, after so many days of [illegible] performers all the [illegible] and [illegible] and reliable. He put all the time [illegible] circumstances. But since they are the purpose for which he was [illegible] and never have I allowed temptation to [illegible] to be satisfactorily [illegible] and he was perfectly satisfied. More [illegible] and [illegible] of his relatives [illegible] expressed there [illegible] whilst the funeral [illegible] were satisfactorily [illegible] Yet others have been [illegible] [illegible] same [illegible] things."

Indian Sports Grounds Encouraging New Negotiations

NEGOTIATIONS at present being undertaken by the Durban & Indian Sports Grounds Association with the City Council indicate that in the near future Indians will be given adequate sporting facilities.

Mr. R. S. Govender, secretary of the Sports Grounds Association told "The Leader" that his Association was fully bent on getting more grounds in Durban for Indian sportsmen.

CENTENARY SCHOOL REPLIES TO CRITICS

Sir,—From time to time the Centenary Road School receives the attention of the Indian Press, and not one occasion a correspondent went so far as to make a very flimsy sexual personal attack upon me as Teacher.

From a cutting recently shown me, I gather that certain people have made direct but fruitless representations to the Director of Education on the matter of improvements.

PARENTS' LACK OF INTEREST

ALTHOUGH the number of girls joining the Red Cross Society had increased during the past few years, there was very little interest shown by parents, said Sir R. Personal, principal of the M.E.S. School, at the annual inspection of the non-European Junior Nursing Division of the South African Red Cross Society at Durban last Saturday.

Widow's Gift Will Aid School Expansion

SELF HELP among Indians in providing their children with education is nothing uncommon. There are many instances in which Indians of very poor means have pooled their meagre resources and set about building schools. Even in the most inaccessible of spots in Natal one sees the result of labour and money given by Indians to build their schools.

JUNIOR LEADER

COURTESY WEEK has come and gone and pennies even forgotten by now. Most people have now paid up arrears to Courtesy Week. This week I saw buses complacently holding on to their seats on buses while women with little children were struggling to keep their balance, chickens, on departure to the overhead straps. It was a shame, really.

Courtesy is a way of life, and any bus or girl who chooses to be discourteous has nothing to be proud of.

£10,000 TO BE SPENT AT SPRINGFIELD GROUND

Mrs. Zena Greiner, chaperon to Penny Coeleen, "Miss World, 1959," places a crown on the head of lovely Audrey Dakes, who was chosen as the "Fiesta Queen" at the Latin Fiesta Night held by the Comets Football Club at the Himalaya Hotel last Saturday night.

A SUM of £10,000 is to be spent by the Durban City Council for the development of the remaining portions of the Springfield Indian Sports Ground, which is leased to the Durban Indian Sports Ground Association, following a deputation recently to the Parks and Amenities Committee by the Association.

In addition, the committee has resolved that the Director of Parks, Recreation and Beaches be directed to report on the sports fields under control of the Department and used by various Indian organisations with a view to the Council being made available in addition to the Durban Indian Sports Ground Association.

The Director of Non-European Affairs, who interviewed the Committee were Messrs. I. Smyth, I. Hodgson and R. Goodwin.

Mr. Hodgson said that Mr. Naidoo had told him that Non-Europeans could not use the Springfield sports ground until it had been developed.

Mr. Smyth pointed out that the Springfield ground was open to all Non-European sports organisations.

MEREBANK GRIPPED BY FEAR

RESIDENTS on the Merebank and the Wentworth areas are clamouring for adequate police protection following the death of Mr. Hong-seen Naidoo, a 54-year-old caretaker of the Merebank School who is alleged to have died after an assault by a group of young coloureds last week.

THREAT TO FLOWER SELLERS

THE City Council is planning to drive away Indian flower sellers from outside the Suzuwood Emporium and to ask the Europe-an Naval Canteen in Smith Street to undertake the sales in their place.

However, it seems that Indian flower selling is likely to be a permanent part of the Indian scene as they have not yet replied to a letter written to them by the Parks, Recreation and Beaches Committee.

The question of the flower sellers was raised at a recent meeting of the Parks and Amenities Committee by the Councillor Councillor Mrs. Hughes.

It was pointed out that Indian flower sellers were carrying on business outside the Suzuwood Emporium but they were same in prosecution as they were contravening the Shop Hours Ordinance.

The Director of Parks, Recreation and Beaches said that flowers would have to be sold within the premises and he would advise Lord Nelson suggested that the Naval Canteen or Supervisory undertake the sale of.

Following discussions, the Committee agreed that the Director, Parks, Recreation and Beaches, should communicate further with Interviews and indicate that the Committee is anxious to reach finality on this matter."

Man who tricked boy arrested

WITHIN hours of allegedly robbing a 12-year-old Pomona's Hill schoolboy of £4 near a Commercial Road, Durban, block of buildings, a well-dressed man of about 35 years of age was handcuffed by the police while waiting at a Musgrave Road shop, last week.

Mr. Ram Naidoo, the boy's father, said that the youngster was asked to deliver £4 by an agent who was employed in a Commercial Road business. When the boy went to enter the building, a well-dressed man stopped him and told him that he would not enter and that he was the boss.

The boy told him that it was important that he should see Mr. Naidoo. When asked who he was, he said that he had come from Durban.

The man was then offered to him told the boy he was the money was him, and he would give it to the man himself.

Then the boy did and the man asked him to walk across the street while he waited inside to get the money for the man.

Meanwhile, the boy's aunt who was supposed to have received the money on the morning telephoned the boy's mother at about 12.30 p.m. Suspecting that something was wrong the mother in turn, telephoned Mr. Ram Naidoo at his Point Street shop.

Mr. Ram Naidoo went to look for the boy and found him still waiting and still waiting at the Post Office. It was then that the father learned of the incident.

He went into all the premises on Commercial Road but could find no trace of the man.

However, a bus driver who had seen the boy talking to the man on Commercial Road gave them their description. He had seen the man enter a Non-European motor car.

Accompanied by a policeman, Mr. Naidoo and the boy went to the carriage store. While the policeman and Mr. Naidoo were inside, the boy stood outside. And there across the street, he saw the man who had taken the money waiting for a bus.

He ran across the street, grabbed the man by his coat and shouted for his father.

The man was so surprised that he was unable to offer a word as he was handed off to the police.

DRAMATIC TURN IN RELIGIOUS ROW

THE religious controversy now raging in Durban over a lecture recently by Mr. A. H. Deedat on the subject "Was Christ Crucified?" at the Durban Gas Hall, took a dramatic turn this week, when Mr. Deedat, according to a reliable source, acknowledged the fact that the conflict and misunderstanding had arisen because of his own failure to outline on the preamble of his speech the Marion theory of substitution.

This is your section, and I want you to be involved in it. I would very much prefer to see all fought each week and those in a few short stories and puzzles for good measure, but I want to print what is yours, your work, your puzzles and your stories each week.

Referee got a tea service

A FORMER England referee, Mr. A. E. Browne, who is now living in Durban, was the recipient of a dinner set at a pleasant function held in the H.Y.M.A. canteen, Pietermaritzburg, last Saturday evening.

During his stay in Pietermaritzburg, Mr. Browne had coached members of the Local Indian Referees' Association, and last year, after he had settled in Durban, Mr. Browne came up regularly as an unpaid coach.

The presentation was made by Mr. Ernest Moodley, the referees' secretary, after eloquent tributes had been paid to Mr. Browne by Mr. J. Ramsamooth, Mr. H. Rampersadh, and leading officials.

A donation was also added to Mr. Browne's present. Badges to Mr. Browne's wife and daughter were presented by Mrs. Moodley.

Mr. Browne, who arrived in Durban only a few months ago, was a well known referee in England.

Sam China Cup champions on view this Sunday

By C. G. MOODLEY

THE tit-bit of Pietermaritzburg Indian soccer's Golden Jubilee undoubtedly be the meeting at Edendale on Sunday afternoon between Northern Natal and Southern Natal with the Hare Nadoo Memorial trophy as the prize for the winners.

Two famous stars who have graced the South African soccer scene for close on a decade will be missing from the Northern Natal firmament this Sunday. Both Ebrahim and Ebie Rampath who are replaced by "Baba" Naidoo and "Bully" Hafferjee.

The evergreen Ebrahim Mohun is captain, with the sturdy Sam Pillay at his beside. But the Northerners will have to improve greatly on their last week-end if they are to face the bearing of the powerful Southern combination.

Hafferjee, on loan from the Tanky Rovers Soccer Club, is another Durban Indian player to be drafted into Natal's Indian ranks. Hafferjee, a midfielder, has been a regular member of the Durban Indian team for some time. Naidoo, a forward, has been playing for Natal Indians for some time and Tongaat Indians for some time and Tongaat Indians for some time and Tongaat

RELIGIOUS CONTROVERSY STILL GOING ON

READERS OF "THE LEADER" ARE STILL ENTHUSIASTIC OVER THE DEBATE GLEN ROSEMEN BY MR. A. H. HEDLEY IN THE DURBAN CITY HALL. OF THE LETTERS WHICH FOLLOWED, THE FOLLOWING ARE A NUMBER OF THE LETTERS RECEIVED.

A SAYING ...

From Mr. Saeed A. S. Hosein, 104 Queen Street, Durban, who writes:

It is with profound sadness that I lift up my pen to write to you as I have prayed that the occasion would never have arisen.

I, as a Muslim, whole-heartedly agree with Mr. Ismail's (your) above account Mr. Yousuf Desai.

The whole affair was heartbreaking for me, for I therein who attended the meeting, and to ...

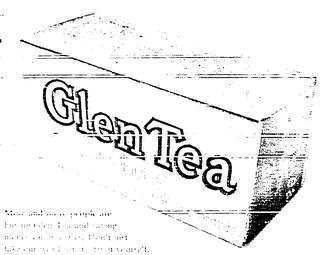

Religion is not a Love, and therefore it is best to look at the practical and not the controversial side of it.

Let me remind Mr. Desai of the verse of the Koran which reads "To you your religion, to me my religion." verse 6, Chapt. 109.

My plea to Mr. Desai is that he should take stock of his method of discriminating Islam and that does not mean the pulling down of the beliefs of others, for Islam is a unifying force.

I was pleased to read in your columns that Mr. Peerbhai's interview wherein he did not forget to mention the feelings of our Christian brethren who are perturbed by these debates which are causing a rift between the followers of the two faiths. I am sure that there are many other Muslims who hold the same views as myself.

GLENN FORD has scored in both action dramas and comedies. In MGM's "The Sheepman," which plays at the Scala this week, he combines the two with considerable success.

JAPANESE STAR IS TOPS

MARLON BRANDO called her "one of the world's finest actresses."

Glenn Ford described her as "a woman of exceptional charm and rare talent."

She has also been referred to as "the Marilyn Monroe of Japan" and has won her country's "Best Actress" award.

The secret of these glowing tributes was doll-like Machiko Kyo, who made her American screen debut as costar with Brando and Ford in MGM's filmization of the very successful stage play, "Teahouse of the August Moon," which plays at the Scala next week.

Miss Kyo's films have twice been named "Best Foreign Motion Picture of the Year" in America's Academy Award ceremonies. "Rashomon" won the title in 1952, "Gate of Hell" in 1954.

The former also won the Grand Prix at the Venice Film Festival, the latter won the Grand Prix at Cannes, and the Cannes award award at the Edinburgh Film Festival.

Gemini Ganesan, a star in many outstanding productions, who appears with Savitheree in "Two Sisters" at the Regent Cinema on Saturday, May 28, at the special performance at 4.45 p.m. The Regent will be screening a featurette on the Royal wedding, together with all advertised features, from Tuesday, May 31, to Saturday, June 4.

RE-MAKE OF "DADDY-O"

THAT NAUGHTY MISS B.

A DELIGHTFUL and boisterous romp paved by a rapidity that is quite electric, risque dialogue, a farcical plot and satirical characterisation all together in a sort of attic chef's salad, are the ingredients of the marvellously French picture, "That Naughty Girl," which plays during the current week at the Avalon Theatre.

Not subtle enough, "that naughty girl" is little other than that dazzling package, Brigitte Bardot, the most exciting French offering since champagne and crepe suzettes.

Miss BB's admirers will not be disappointed, for she continues to be fascinating whether in a bikini or a bath towel. She is more lovesomely beautiful than ever and as tempting as a ripe peach.

The lucky stars in the picture are Bernard Laurent, Jean Bretonniere and Raymond Bussieres.

N. NATAL SNATCH SCINTILATING SOCCER VICTORY

By C. G. MOODLEY

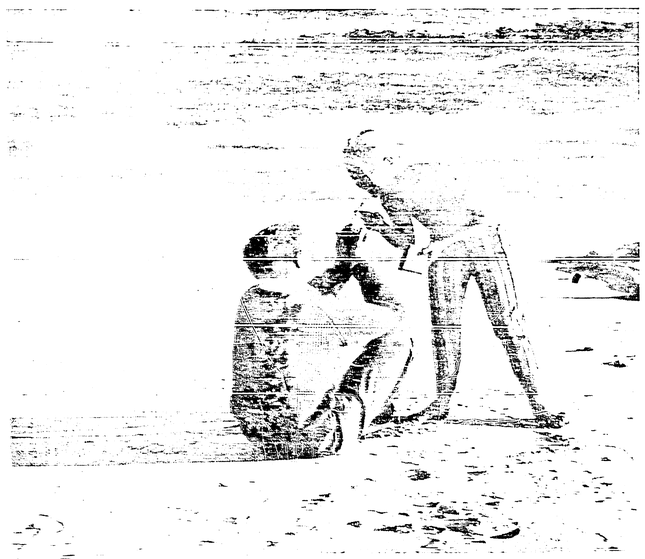

NORTHERN NATAL, the reigning Sam Ching Cup soccer champions, gave a scintilating display in repeating their recent victory against Southern Natal by a similar margin in the Harry Naidoo Memorial trophy played before a large crowd last Sunday at Ehrenmuss Road, Pietermaritzburg. Northerns led 2—0 at half-time.

RONNIE GOVENDER SAYS:

Watch this boy - he will be an athlete of world - class

ONE DAY LAST WEEK, A SKINNY SIXTEEN-YEAR-OLD, LOOKING IN DIRE NEED OF AN URGENT BLOOD TRANSFUSION, BURST UPON THE ATHLETIC WORLD WITH WHAT MUST BE REGARDED AS A SENSATIONAL FEAT. THE YOUTH, ERROL YOGA, A PUPIL AT THE GREYVILLE SCHOOL, RAN THE THREE-MILE IN EXACTLY 15MIN. 36SEC. THIS IS ONLY 3MIN. 28.2SEC. SHORT OF THE WORLD SENIOR RECORD. THE SOUTH AFRICAN IS 14MIN. 15.8SEC.

[illegible] Talking about inefficient officials, it would appear that the present South African Amateur Athletic and Cycling Board officials take the cake for the thoroughly disgraceful manner in which they are running things.

Since the headquarters moved to Cape Town, the Board's activities have fizzled out. Not one meeting has been held in two seasons and even the national championships have failed to come off.

Natal has constantly reminded the officials of their obligations but as yet we have received no reply to a cold shoulder. This attitude is damage not only our athletics but the cause of non-White sport considerably.

One of the strongest units the Natland Union, whose athletes and cyclists walked off with the most honours at the last national championships in Durban, are planning meetings in Durban, are planning to leave the Board and team up with the white-controlled, segregated Natal body.

At a time like this, such a move will be a serious blow to non-White sport and all efforts should be made while there's still time to save the situation.

I suggest an millionaire to the present officials, WAKE UP OR GET OUT. The latter course would be far better than losing Roland.

Southern Natal selectors, Messrs. Kola Naidoo, E. F. Hallowes and A. G. Davis, to arrange a date and selection ring for Standerton over the Southern Natal selectors.

A selector's job is usually a difficult one but always welcome when the best players appeared to have it all over the others and omitted to [illegible]

Instead of S. Lall, who was an automatic choice, they picked M. M. Lockie. Lockie is a good player but the reason for his [illegible] defensive qualities, his performance being hampered by a bad ankle whereas Lall has been [illegible]

Southerns' defeat at the hands of Northerns was the mainly in the first half line. Ronnie Singh did all he could but he received very little help from Rala Chinsamy and K. Govendasamy.

And yet a man like Chan[illegible] was not considered. How Naidu the selectors erred can be gauged from the fact that despite his omission from the Southern Natal side, Lall was picked for the Natal team to play the Cobras this week-end.

I think the selectors are at fault in not giving different grounds. They have accepted a job which requires them to be at as many matches as possible to see the best. They must give some response for [illegible] to make way for others who are prepared to do so.
