RONNIE GOVENDER SAYS:

Watch this boy - he will be an athlete of world - class

ONE DAY LAST WEEK, A SKINNY SIXTEEN-YEAR-OLD, LOOKING IN DIRE NEED OF AN URGENT BLOOD TRANSFUSION, BURST UPON THE ATHLETIC WORLD WITH WHAT MUST BE REGARDED AS A SENSATIONAL FEAT. THE YOUTH, ERROL YOGA, A PUPIL AT THE GREYVILLE SCHOOL, RAN THE THREE-MILE IN EXACTLY 15MIN. 36SEC. THIS IS ONLY 3MIN. 28.2SEC. SHORT OF THE WORLD SENIOR RECORD. THE SOUTH AFRICAN IS 14MIN. 15.8SEC.

[illegible] Talking about inefficient officials, it would appear that the present South African Amateur Athletic and Cycling Board officials take the cake for the thoroughly disgraceful manner in which they are running things.

Since the headquarters moved to Cape Town, the Board's activities have fizzled out. Not one meeting has been held in two seasons and even the national championships have failed to come off.

Natal has constantly reminded the officials of their obligations but as yet we have received no reply to a cold shoulder. This attitude is damage not only our athletics but the cause of non-White sport considerably.

One of the strongest units the Natland Union, whose athletes and cyclists walked off with the most honours at the last national championships in Durban, are planning meetings in Durban, are planning to leave the Board and team up with the white-controlled, segregated Natal body.

At a time like this, such a move will be a serious blow to non-White sport and all efforts should be made while there's still time to save the situation.

I suggest an millionaire to the present officials, WAKE UP OR GET OUT. The latter course would be far better than losing Roland.

Southern Natal selectors, Messrs. Kola Naidoo, E. F. Hallowes and A. G. Davis, to arrange a date and selection ring for Standerton over the Southern Natal selectors.

A selector's job is usually a difficult one but always welcome when the best players appeared to have it all over the others and omitted to [illegible]

Instead of S. Lall, who was an automatic choice, they picked M. M. Lockie. Lockie is a good player but the reason for his [illegible] defensive qualities, his performance being hampered by a bad ankle whereas Lall has been [illegible]

Southerns' defeat at the hands of Northerns was the mainly in the first half line. Ronnie Singh did all he could but he received very little help from Rala Chinsamy and K. Govendasamy.

And yet a man like Chan[illegible] was not considered. How Naidu the selectors erred can be gauged from the fact that despite his omission from the Southern Natal side, Lall was picked for the Natal team to play the Cobras this week-end.

I think the selectors are at fault in not giving different grounds. They have accepted a job which requires them to be at as many matches as possible to see the best. They must give some response for [illegible] to make way for others who are prepared to do so.

CAN COLOUREDS BREAK INTER-RACE HOODOO THIS YEAR

THERE IS EVERY INDICATION THAT CURRIES FOUNTAIN WILL AGAIN BE PACKED OUT THIS SUNDAY FOR ANOTHER ATTRACTIVE FIXTURE—THE STARTING OF THE INTER-RACE SERIES FOR THE SINGH CUP BETWEEN THE NATAL INDIANS AND COLOUREDS—FAKIES—FANCY FOOTBALL COLOUREDS, WHO HAVE NEVER WON THE SERIES, ARE DETERMINED TO TAKE THIS PRIZE TO JOHANNESBURG THIS YEAR WHERE THEY WILL PARTICIPATE IN THE SUCCESSFUL CUP TOURNAMENT.

The Natal Cup being the old Rose Bowl of Coloured soccer, the Natalians have from the beginning of this season concentrated on training and coaching.

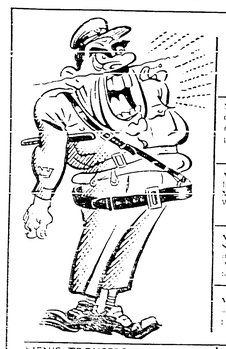

As with the Indians, these clubs have appointed coaches and trainers with the result that their players have improved greatly.

This has also smoothed a number of budding young players who have replaced the old favorites. Young guns like Edmund, M. promises to be a hard nut to crack.

Race institute appeals to end emergency

THE South African Institute of Race Relations has appealed to the Government to end the state of emergency as soon as possible and to hasten the investigation of all cases "with a view to the immediate release of as many people as possible and the bringing to the rest before the Courts of law for open trial at an early date."

COME TO TERMS

It continued: "It is time to put aside bitterness and tradition to peaceful courses, and patriotic Europeans to save South Africa from disaster and delay in the Institute appeals to all in authority to come to terms with facts and to lead a country which was commend themselves to the most people.

The Institute later said that on any rational basis of assessment among the people of the non-White sections of the population a state of emergency with the whole people behind the Government would be overwhelmingly supported. Such a state of emergency would not involve the suspension of the rule of law, the abrogation of the rights of the people or the suppression of legitimate criticism.

Prayer is a wonderful balm for troubled minds and sincere and earnest prayer is always answered.

I prayed very hard on Sunday last. I was in Phoenix to report on Mrs. Sushila Gandhi's fasting, and when I saw hundreds of people of all races praying for the release of men and women who have been recently detained under the Unlawful Organisations Regulations, I too joined in.

The service was wonderful for prayer. Sitting cross-legged and clothed in sacks in the Mahatma's own cottage, came easily to me. It was hard on my feminine knees, but when I was soon converted to prayer, I didn't even notice them creaking.

Candid Commentary . . . by Politicus

SURPRISING little attention has been paid to the statement of the President of the Institute of Race Relations, by most of the dailies. Except for the "Mercury," the statement was given little prominence in the news columns, and there has been no editorial Comment, even from the "Mercury." And yet the plan (as he called it) put forward by Dr. Edgar Brookes, contained much food for thought.

Dr. Brookes asked for the doing of the emergency by Union Day for revision of the detailed, full examination of the high-level scale, and the calling of a non-National Convention representing all schools of thought and a consultative hitting of the ball on non-party political lines.

"This plan," says Dr. Brookes, "could give us that consultation between responsible leaders of the main political schools of thought on how we can best face the Union's greatest test in a long period and which may draw up into a fact and act upon on some unity and mutual appreciation."

FAINT APPEAL

"I cannot move earnestly for the adoption of this plan when there is no sign of any response to have taken action on it."

So far as the Government is concerned, Dr. Brookes is "talking through his hat," and his plan has been treated with silent contempt. Such a plan could never appeal to the Government which has set policy and which is determined to see it through come what may.

But what is it that it has drawn from comment from the Opposition press? Is it because it is considered too much to ask for reasonableness? Dr. Brookes is no enemy in the political game and he is undoubtedly one of the Union's foremost political thinkers. He knows what he is talking about, even if many people will not agree with him.

The following extract from a letter published in the "Star" by Mr. Percival Maytham, of "The well-known Progressive Party" member, Mr. Peter Sutton, is worth quoting:

"Sir, — It was with a great deal of amusement that I read Mr. S. Sookaram's complaint about the Umbilozana Township bus service especially where he says that some of our buses carried an overload of ten standing passengers.

OHO!!

Our largest bus is a Volvo which carries 64 seated and 36 standing — a total of 100, but according to Mr. Sookaram we carried 170 passengers.

Surely, he cannot expect readers of "The Leader" to swallow that one.

Perhaps Mr. Sookaram will recall that he was once a conductor, so he should know something about buses.

But let us be serious. I will accept Mr. Sookaram's challenge and will pay him £90 if he can produce 90 passengers (all he is claiming) inside a Volvo bus and I will pay him £1 per passenger for any number he can produce in excess of 90.

I will give £90 to a charitable organisation.

If Mr. Sookaram loses, I am sure the Editor of "The Leader" will help him to name some charity to which he could give his losing bet.

I think that Mr. Sookaram should be more careful of his facts before rushing into print, or he might make himself a foolish stock."

Yours,

HOOSAIN ALLY.

"The Leader" Editorial

FOR "OUR COMMON FATHERLAND"

HIS EXCELLENCY THE GOVERNOR-GENERAL, speaking at the Union Celebrations in Bloemfontein, delivered the following message to non-Whites:

"Please believe in our sincerity and good intentions to build up a South Africa where you will also be living and continue to enjoy to an ever-increasing extent the amenities and opportunities which we know you sincerely desire and we admit you deserve. We value and appreciate your great and lasting contribution to the welfare of our State and population."

"We plead with you not to listen to the voices of the unscrupulous agitator, who will only lead you to danger and disappointment and suffering, but to trust those in authority over you. We White people have no desire to act cruelly with you. On the contrary, we believe that if we stand together we shall all in the fullness of time find great benefit and happiness together in our common fatherland."

We would readily be prepared to believe in the sincerity and good intentions of the White man and to trust those in authority, were it not for the fact that this sincerity and good intentions, when translated into reality, mean the denial of opportunities in every sphere of existence, the most blatant of which is in the field of employment, where certain callings are closed to the man of colour, were it not for the fact that for years of Union have seen a steady, but drastic, shutting away of the rights of the Black man, were the Government able to prove that successive Governments have carried out the spirit and letter of the famous Cape Town Agreement, so far as Indians are concerned.

We would be prepared to trust those in authority and we would offer nothing but unquestioning and willing obedience, if it were proved to us that the Group Areas Act spells happiness for Indians.

WE DO BELIEVE THAT THE WHITE PEOPLE HAVE SOMEBODY TO BE AT ENMITY WITH THE BLACKS. EQUALITY IS IT? BUT THAT THE BLACKS HAVE SOMEBODY FOR THE WHITE PEOPLE TO BE AT ENMITY WITH? WE HAVE HEARD IT OUR BOUNDEN DUTY TO SHOW A SPIRIT OF TOLERANCE AND SYMPATHY TOWARDS THE BLACK [illegible]

"WANTED: Forty thin, ragged, hungry-looking Italian children. They must appear as victims of a refugee camp." That was the call that went out from Director Vittorio de Sica's production organisers for "Gentlemen of Italy," their first film on Northern Italy.

The actor chosen would have much trouble in finding the children. Every town in Italy is full of them, who'll be calls from casting for appear in the new English film that continues with following stories.

WILL PUFF PUFF PIRIE DO IT YET?

NO Briton has ever won an Olympic title at either the 440 or 880 yards metres, but there is still a chance. Hamish Pirie, Aberdeen Farm, who once coached South Africa's mile star Derek Ibbotson, the African runner, Shirley, later killed in a car crash in America.

Mystery of mummified body baffles police

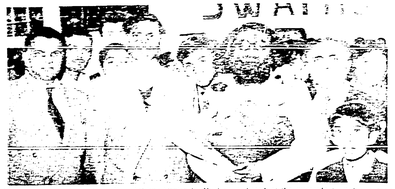

IN spite of all the scientific resources of Scotland Yard's Forensic Laboratory, and one of the most microscopic post-mortem investigations ever launched in North Wales, the riddle of the mummified body which, for 28 years, lay undisturbed in a cupboard in a Rhyl, North Wales, lodging house, is still unsolved.

Congratulations for vice-principal

When news was received of the appointment of Mr. H. E. Barnabas as vice-principal of the Department of Technology at the M. L. Sultan Technical College, Durban, the first person to offer Mr. Barnabas congratulations was Mr. H. Nathoo, principal of the College. Looking on is Mr. R. V. Setterfield, principal of the Department of Technology.

"Wetting the roof"

THE customary ceremony of "wetting the roof" took place at the M. L. Sultan Technical College last Friday. Because of the large enrolment at the Technical High School it was found necessary to erect new workshop accommodation.

The technical students and staff set to work and designed a complete workshop block in the northeast corner of the College grounds. Reinforcements capable of carrying a two-storey building were fabricated and massive foundations were laid by the students themselves.

Last September the Acting Chairman of the College Board, Mr. P. S. Pather, in the presence of over 1,000 people, laid the foundation stone of the new workshop block.

Working in a team the students from all technical departments have raised the building to full height and are living the most pressure of No. 1 workshops were itself in session and the Union Flag hoisted.

Principal Nathoo congratulated the staff and students on this remarkable project and expressed the hope that several trainees in technical schools and moral conduct will be given all who could be privileged to work in these shops.

Staff and students were the guests of the College and libations were poured in accordance with ancient custom.

Letters to the Editor

"CARRY ON THE GOOD WORK, MR DEEDAT"

Sir,—Many words have been written in local newspapers regarding Mr. Deedat's lecture at the Durban City Hall. One of the critics of Mr. Deedat, in a letter published last week, referred to him as a "pseudo-religious leader" and "a collaborator of the anti-Christ".

When I read Mr. Deedat's letter I almost stood him for the publicity. Sale he had to pay.

As for "Good Muslim Lady", I think she does an injustice to the Muslim community by her statement that the Muslims should await the arrival of trained instructors. The Imam and other members of the Arrival Committee have done a wonderful job of work. Muslims by no means are the wisest and the most intelligent people.

Mr. Deedat's lecture was a clear, logical and factual exposition of the Islamic religion which is the natural enemy of the anti-Christ.

It was when the Christians were exposed to the truth that they were not Christians. Christianity is a religion of love, peace and brotherhood. Christians are not known for these qualities.

Islam is the only religion which can bring peace to the world. Islam is the only religion which teaches the brotherhood of man

Candid Commentary . . . by Politicus

YOU ARE WRONG MR PATON—THIS IS NO TIME TO DESPAIR

ONE hesitates to cross swords with a man such as Alan Paton. Most of the time he is right in what he says. But even he can be wrong. And he was very wrong when, at the opening of the Liberal Party Congress in Cape Town, he said that the situation in the Union could only be resolved through intervention from outside. It was beyond the power of existing political organisations to improve matters. This, said Mr. Paton, was his personal view and not the view of his Party. Be that it is may, Mr. Paton is an important member of the Liberal Party, and the views he expressed do not do his Party any good.

Ronnie Govender says:-

WILL ACES BEAT SWALLOWS IN GRUDGE MATCH OF DECADE?

YET another savoury broth is being prepared for the Curries Fountain pot, simulated with no better pungency than that of the "grudge" ingredient. Aces, D.I.E.A.'s much bistoured and surprisingly, much maligned champions, are out to redeem themselves against their only conquerors this season, Morvoal Swallows, whom they meet on the 17th.

MEN HAVE GONE THE RIGHT THING BY TAKING ON SOMEBODY MUCH LOWER IN THE LEAGUE THAN THEMSELVES, BUT NOT ONLY WILL THIS MATCH DEVELOP INTO A CLASSIC BUT THAT ACES STIGATED WIN, I'll stake my shirt on that.

COMPARE THE COST

If you are planning to build, it will be to your advantage to see me for a quotation and advice on the home you have in mind. I have arranged a scheme with first class builders whereby you can probably save enough money on building to pay for the furniture of your home. It is not necessary for you to have paid the full purchase price of your plot before building. You will be amazed how easily and cheaply you can build.

WHY NOT SEE HOW MUCH YOU CAN SAVE UNDER

"The Lionel Birt Scheme"

You can have a three-roomed brick and plaster home with kitchen, bathroom and toilet — as long as it is built, and the monthly instalment on this amount is only £6 10s. 0d.

SLIPPERY BUTTER THEFT WAS WELL DOCTORED

Mrs. Malisa Govender, of Isipingo, the winner of "The Leader" Radio Competition sponsored by Model's Furnishers, of Durban, is seen receiving the radio, valued at £21 10s, from Mr. Joe Lockey, the oldest Indian salesman in the firm, while her husband, Mr. N. Govender, looks on. Mrs. Govender has entered for many newspaper competitions but this is the first time she has won.

POLICE are investigating into what must be regarded as one of Durban's most daring and cleverly planned robberies, in which an Indian is alleged to have got away with 600lbs. of butter value at £105 from a well-known West Street firm.

NOW IT IS LAND-OWNERS IN THE RACKET

WHILE the Group Areas Act is depriving the Indians of their properties and land, avaricious Europeans have now begun exploiting the Group Areas "squeeze out" by charging £1,000 to £1,500 for useless building plots on approved Indian areas particularly Clare Estate.

TALK OF THE BAZAAR

by The Fakir

PROF. EDGAR BROOKES once referred to the Indians of Natal as "the most-hated people" in South Africa. There can be no question that often the most malignant forms of racial prejudice operate against Indians by their detractors. And discerning people will agree that Indians are also the victims of arrogance and greed on the one side, while the other two non-White groups (regardless the Indian's apparent success in the face of all evils) while they remain, in a way, too steadfast clinging to his own ancient culture.

10,000 children expected at temple on Sunday

ABOUT 10,000 children from the different parts of Natal and the Transvaal are expected to take part in the 30th anniversary celebrations of the 15,000-member Ramakrishna Children's Class, the Umgeni Road Hindu Temple, Durban, on Sunday, June 19 a.m.

The programme for the day consists of a mass prayer and procession around the temple followed by items of religious music to be rendered by the various branches, and a fancy dress parade which is designed to be purely religious and cultural.

Each of the branches—there are 75 of them over Natal and the Transvaal—will have its own banners.

The branch which proves to be the most efficient in all subjects that Club members have to learn, will be awarded Ramakrishna Floating Trophy.

Others will receive valuable book prizes.

Last year nearly 8,000 children participated in the event.

Swami Nischalananda, head of the Ramakrishna Centre, Southern Africa, parent body of the Club, expects more than 15,000 to turn out at this year's mammoth gathering.

Many prominent Indians, Africans and Europeans will deliver short talks to the children at the function.

Will Indians field a true national side in inter-race series

IT took me same time to probe the iron curtain that surrounded the South African Indian Football Association's activities before and after Mr. George Singh's unfortunate absence. What I have gleaned isn't too happy a picture. In fact I am seriously wondering whether the South African "Indians" will field a true national side in the important federation series which are almost upon us.

HAS PRO SOCCER FLOPPED?

AFTER the failure of Coastal Football Club to turn up at the Sastri Park ground, Durban, on Sunday, the Durban and District Soccer League has been left in the lurch. Some of these clubs have been preparing for their match with Coastal since the beginning of the season and will be disappointed that they will not be playing on Sunday. The most suitable centre for training is Sastri Park and it is a pity that the ground cannot be used every Sunday.

The N.A.F.A. Cup opens this week-end with a match at Sastri Park between Avalon Athletic and Durban Arabs. Avalon Athletic have been training hard for this match and are confident of victory. Durban Arabs will be playing on Sastri Park for the first time and will be out to give the visitors a warm welcome.

MANY SURPRISES

For the other Natal matches the Durban Indian Football Association is conducting an official Meet-the-Team luncheon at the Avalon Athletic Club's headquarters, Victoria Street, Durban, on Saturday, June 18, at 1 p.m. Mr. Ismail Mahomed, president of the Durban Indian Football Association, will be the guest speaker.

Aces drop soccer bombshell

Players refuse to turn out for Province, or South Africa

PLAYERS of the Aces Football Club, taking what can only be described as one of the most sensational decisions in the history of Indian soccer, have placed the officials of the Southern Natal, Natal and South African Indian Football Associations in a most embarrassing position.

[illegible]

Selections

By "ASSOCIATION"

Members of the Afro-Asian Dynamos (and about 200 soccer fans) waited in vain for Coastal United to turn up at the South Coast grounds where the much publicised and first professional soccer match was to take place under the newly formed Natal Soccer League. The composition of the Coastal United team has been a close secret, but it is believed to have been a club affiliated to the South Coast Association. The players were threatened with suspension and so banked on the top brass in the soccer League, not to be deterred have announced that they will stage a fixture before the end of the month.

EDENDALE SOCCER

IN the opening round of the new A. A. Pillay Memorial Trophy played at the Wattles Stadium, Edendale, last Sunday the Edendale Sports Club's A and B sides scored equal wins in similar matches (5-0) against Edendale Y's and Crystal Rangers B. Happy Lads beat Central United by four goals to two.

Fixtures for the Pillay Memorial, together at the old Edendale sports ground, this Sunday are: 10 a.m., Wattles v. Mt. Pleasant B; 12 noon, Rangers A v. Mt. Pleasant B; 2 p.m. (the opening game at 9 a.m. being between Edendale Y's and Edendale Sports Club).

North Coast continues to win

WITH another brilliant triumph, this time over a extremely strong County side, North Coast, for the first time since the inception of the club's district series, is placed in a strong position. They will now meet South Coast who beat Durban North Coast 2-1, in the return of the other semi-final. Durban meets Lower Tugela.

Combining excellently as a team before another big crowd of the North Coast moved into an early attack. Forwards Dick Cunniah, Boyd Masters and Natesan Naicker were prominent in a number of well executed moves which were finally stopped by a strong County defence.

County replied with determined attacks, spearheaded by their brilliant centre-forward, Chetty. But in all, County had three Africans and one Coloured, Paltie, in the kept goal.

With the match on an even keel, the North Coast forwards suddenly had a spate of scoring opportunities which bore fruit when Masters and Natesan, both of which were two much for the visiting defence, were notched for North Coast.

Diminutive Natesan Naicker, money, playing as brilliantly as ever, scored a hat-trick followed by a Boyd Masters rock-hotter.

County rallied strongly and replied with one goal before the first half ended.

North Coast came more was smack dab onto the attack, and had it not been for County's hard-working defence, they would have got more than the two goals scored by Natesan and Dicky Gavender.

SEX MANIAC STRIKES AGAIN IN DAYLIGHT

A 10-YEAR-OLD Estcourt Road, Seaview, schoolgirl was dragged into a clump of bushes on Dinmore Road, Stamford Hill, at about 11 o'clock last Friday morning by an Indian in the latest of a series of attacks on lonely girls and women by a sex maniac who is still at large in the area.

The police have been informed and are intensifying the manhunt. So far no arrests have been made, although the police have questioned several suspects.

Women are warned not to go out alone as it is understood that the attacks are usually made during the day.

The victim of the latest attack was on her way to St. Michael's afternoon school when the assailant, who is small built, dragged her into the bushes. A passing motorist heard the girl's cries and chased the man into the bushes, but he escaped.

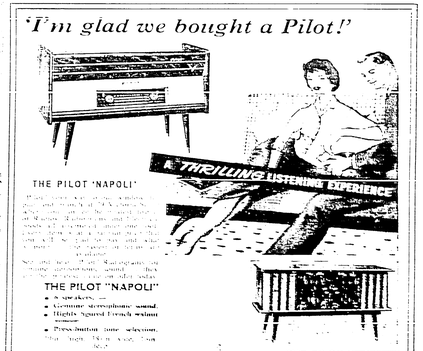

The girl struggled with the man but could not overpower him. She managed to get away from him and ran home.

Mr. Ramsamy Naicker, of 21 Estcourt Road, Seaview, said: "My daughter was returning home from school when the man dragged her into the bushes. She managed to get away from him and ran home. She is still very upset about the incident."

Mr. Naicker said that he had warned his children not to go out alone.

Similar attacks on women have also been reported in the same area, possibly by the same man.

ACCORDING to letters regularly received by the Plaza Indian A.R. radio owners have three chief complaints regarding the Sunday morning half-hour programme. NEW INDIAN TOWNSHIP MAKES GOOD PROGRESS

SOME few months ago, readers were informed that an Indian housing scheme known as "Phoenix", Pietermaritzburg, was being developed. The land has been laid out under the most modern standards set down in South Africa, with due regard being taken of the requirements of the inhabitants such as water, electricity, fully constructed roads and water-borne sewerage.

RONNIE GOVENDER SAYS:-

Non-racialism and women's tourney should revive tennis interest

THIS year, the South African Indian Lawn Tennis Association will hold its biennial tournament and championships during July. It is heartening to see that the officials are making a concerted effort to lift this great sport from the doldrums.

Maritzburg soccer team

A WORD TO THE NATAL SELECTORS

Line is the victorious Indian soccer XI for whom the medals held out little hope of beating the Natal Coloureds after the retirement of key players to play in representative matches.

Goalkeeping and goal-getting won the day

THE Natal Indian-Coloured clash at Curries last week was a game for choice in which fortunes changed hands swiftly. The Indian victory was largely due to the excellent goalkeeping of Singaravello and goal-getting Bob Pillay. The Coloured side, for some reason, was not as strong as the one fielded previously, but perhaps the game was a little more exciting. The final score 5-4, reflects the closeness of the game.

Legal Action threat to Association

STEPS will be taken by the Borough of Stanger against the Stanger Recreation Grounds Association if it fails to carry out proper sanitary arrangements at the ground.

Mr. R. S. Ronald, Borough Health Inspector of Stanger, told "The Leader" that although the Stanger Borough had written to the Association to the effect a month ago, nothing in the way of sanitary arrangements had been provided by the Association for those who turned out in large numbers to watch soccer at weekends.

He said that the Borough had given the Association a month in which to provide the sanitary, and now that the time had expired, the authorities were contemplating the next step.

Mr. Ronald said: "I understand that the Association is planning to arrange a meeting with the Borough to ask for financial assistance.

Mr. Ronald said that in view of the outcome of the next general meeting, he would write the Association to consult with the Borough's request within a specified time.

"If this is not done, then the Borough will be forced to close sports and other events from taking place at the grounds, and if necessary, legal action must be taken," Mr. Ronald warned.

Mr. and Mrs. Ebanor Moharaj stand with their three children in front of the dismantled car in which Norman was last seen playing by his mother before he was murdered.

WAS IT REVENGE?

Who battered innocent child to death?

MYSTERY surrounds the brutal murder and finding of the badly battered body of Norman Moharaj, the three-year-old son of Mr. and Mrs. Ebanor Moharaj of Earl Haig Road, Pinetown Hill, Natal (Leader coverage).

THE Durban City Council is to spend £2,200 to erect a 7ft. brick wall on the four boundaries of the Centenary Road Indian School, Durban, to prevent damage to the school property by vandals due to the siting of non-European bus ranks in the near vicinity.

VOICE OF THE PEOPLE
Founder: D. KRANDAN

Knife whistled over his head as he ducked

DESPERATE of mind and quick action saved the life of Mr. Perumal Naidoo, a 47-year-old father of 12 children of Newlands, when an African tried to cut off his head with a sharp bush knife one evening last week.

Hit-and-run case at Raisethorpe

DIED AT WHEEL OF CAR

MR. V. R. PADAYACHEE, a 62-year-old retired businessman, of Durban, died on the North Coast Highway, near the Mandeni Butchery last week, after it is believed, he had a heart attack, while driving home a party of relatives, including his wife, from a visit to Wesbank, Natal.

The other occupants — two women, a man and a three-year-old child — did not suffer any injuries except shock and slight bruises when the wheels swerved and struck a bank.

Mr. Padayachee, the wife of the dead man, told "The Leader" that the party was returning from a visit to the home of a relative of Mr. Padayachee in Wesbank, when the incident occurred. She was seated on the back seat with Mrs. G. V. Moodley and her three-year-old son Deviran. Mr. Moodley was in the front seat.

"When we neared Mayville Hotel it about 9 o'clock in the evening, the car swerved violently as my husband slumped over the steering wheel," she said.

An ambulance belonging to the St. John Ambulance Division, which was passing, stopped and took Mr. Padayachee to hospital. The ambulance was speeding to a nursing home in Victoria Road with a European woman patient.

Mr. Padayachee died a few days before taking his family to settle at Kearsney. He had already made arrangements at his home in Pelham Road, Durban North, and was preparing to join them in the coming new year.
